## History of P. H. S.

We will soon be moving into the last half of the century. Much has taken place in the world since 1900, and many changes have occurred in P.H.S. during this period.

The construction of the present high school was finished in 1914 at a total cost of \$90,000. The original plan was to have cement floors and iron stairs, but there was a scarcity of materials due to the first World War, and that plan had to be given up.

Before the erection of the high school, classes were held in a building (shown above) on the site where our

gymnasium now stands. In 1929 the taxpayers of Petoskey voted to build a new grade school and gymnasium and to remodel the high school. The use of the new gym resulted in conversion of the old gym into Senior Study Hall and a shop room. This in turn made possible the auditorium, formerly the old study hall.

Music groups were then provided with special rooms by revamping locker and shop rooms. Room 27 was formerly the girls' cloak room, and the principal's office was the boys' cloak room. In 1941 small modern kitchens replaced a row of gas burners in the home-making rooms. The next year tables, which had been

made in shop classes, were added to Room 11, a partition had separated Rooms 20 and 21; and Room 32 had been made the new typing room and Room 30 turned into a small class room. In 1942 the mechanical drawing room was added.

The huge mural we see now in Senior Study Hall was started in 1943, and in 1945, this mural, a dream for twenty years, saw at last its final achievement. It depicts a composite history and legend of Petoskey, was sponsored by the Petoskey Artists' Association, and paid for by alumni and friends of the school.

When students returned to school in the fall of '48, they encountered a practically new chemistry laboratory, extremely modernized. Also the art department had been moved from Central School to the high school building. It was beautifully decorated and was much handier for high school students taking art.

At the beginning of the present year we were pleasantly surprised to find many of the rooms painted a variety of different colors. The government and history classes were pleased to find new desks of modern blond wood. After Christmas some much-needed new lockers had been installed. A telephone booth was placed on second floor for student use.

There are more changes in store for P.H.S. in future years. Plans are now being made for an addition to the Grove Street end of the building. This would provide for a farm shop, art department, and rooms for future health and agriculture programs. The instrumental music department is to be modernized and practice rooms made available. This building would also make possible a new cafeteria.

With these improvements in view, it would seem that Petoskey High School is scheduled for as many new and important changes during the next half-century as have taken place in the last one.

## Dedication

*We, the Senior Class of 1950 dedicate this Peto-segan to the 20th Century; to the progress which has been made in education, industry and science during the past fifty years; to the people who have contributed their knowledge and their efforts toward the advancement of these things; to the educators, industrialists, and scientists who will make possible further progress in the course of the next fifty years.*

## Board of Education

This group of public-spirited citizens willingly give their valuable time and energy to the tasks of distributing funds, laying out budgets, meeting expenses, and many other difficult problems that arise concerning school procedure.

This year the main problem facing the board is adequate school-room space to take care of the increasing school population. With this in mind they have plans for a new Lincoln school and an addition to the high-school.

# CLASSES

1901 Graduating Class of P. H. S.

## Senior Class History

For thirteen years we have traveled the long road of education. We started with kindergarten, followed by six years of elementary school.

Six years passed, and all of a sudden we were in Junior High School, meeting new friends and new experiences. As 7th and 8th graders we gained recognition for being able to go down the hall the fastest and knock people over the hardest. But that wasn't all; here, too, we learned to study some.

Nineteen forty-six found us entering our freshman year. To lead us over our first lap in high school we chose Don Kemp as our class president, Dorothy Ballard, vice-president, and Evelyn Pitman secretary-treasurer.

The first year flew, and then as sophomores with Morgan Beard, Anne Burns and Kenneth Sweet as our class leaders we settled down to earn as much money as we could for our class treasury to finance our Junior year.

Then came our Junior year. Our class officers were Don Kemp, Morgan Beard and Joan Rautio. This was a busy one for we presented our Junior play "A Day With Judy" — asked the seniors to come and dance at our J-Hop, "The Old South" — had five percent of our class taken into the Honor Society — and honored the seniors at the Junior-Senior Banquet held at the Country Club.

Finally 1950, the half-century, and we entered our

senior year. To head our class in this all-important year we chose Glenn Ernst, Tom Koboski, and Joyce Houts. Again taking the limelight, we presented "Almost Eighteen" for our senior production. Another ten per cent of our class was initiated into the Honor Society, making the total fifteen per cent.

The Junior Class took us into fairy-tale land for the J-Hop, the theme being "Snow-White and the Seven Dwarfs". They also honored us at the Junior-Senior banquet.

Senior Skip Day came on May 29th and with it our annual picnic. At last Baccalaureate, Class night and then Commencement at which time we proudly received our diplomas. We were happy that night, but mixed in with that happiness was a little sorrow for all we left behind.

And now what? Who knows? Some of us will go on farther up the road of education and others of us will choose different paths. Only the future holds the key to what will follow later, but one thing is certain, we will always hold our high school memories in a cherished place.

## Junior Class History

This year the Junior Class was under the capable leadership of Michael Lashmet, president; Gordon Grigsby, vice-president, and Tom Wolf, secretary-treasurer.

To begin the class' busiest year, they worked on several concessions at the football and basketball games to raise the treasury funds to finance the J-Hop and the Junior-Senior Banquet. Early in February, the class

presented the highly entertaining "Spring Green" as their class play.

The two most important events during the year were the J-Hop in May, which successfully carried out the theme of "Snow White and the Seven Dwarfs" and the banquet, also given in May, in honor of the seniors. The class feels that it has had a most successful year.

## Sophomore Class History

In the fall of "46" the Senior high was greeted by a new batch of hall rockets who called ourselves the Class of "52". We spent most of our first year studying like mad and trying to find out how the higher classmen got away without doing any work.

In the eighth grade we started to get organized as a class and elected Marilyn Grisso as president, Dale Johnston as vice-president, and Bob Hitchmough as secretary-treasurer.

The ninth grade saw Harry Compton elected presi-

dent with helpers Dale Johnston as vice-president and Lee Willson as secretary-treasurer.

The new tenth graders elected Dale Johnston president; Bob Hitchmough, vice-president; and Lee Willson, secretary-treasurer to lead us through a busy year. We started off with the Canadian Soo football concession and later sponsored the Boyne City basketball concession. Not only did we have a financially successful year but we also saw several of our boys make good on the football and basketball teams.

# FRESHMEN

## Freshman Class History

As seventh grade students, the class of '53 elected Jim Herring, president; Dick Spitler, vice-president; and Bill Todd, secretary-treasurer to direct their activities during their first year in Junior High.

The following year Bill Todd, Dick Spitler, and Norm Wells held these positions.

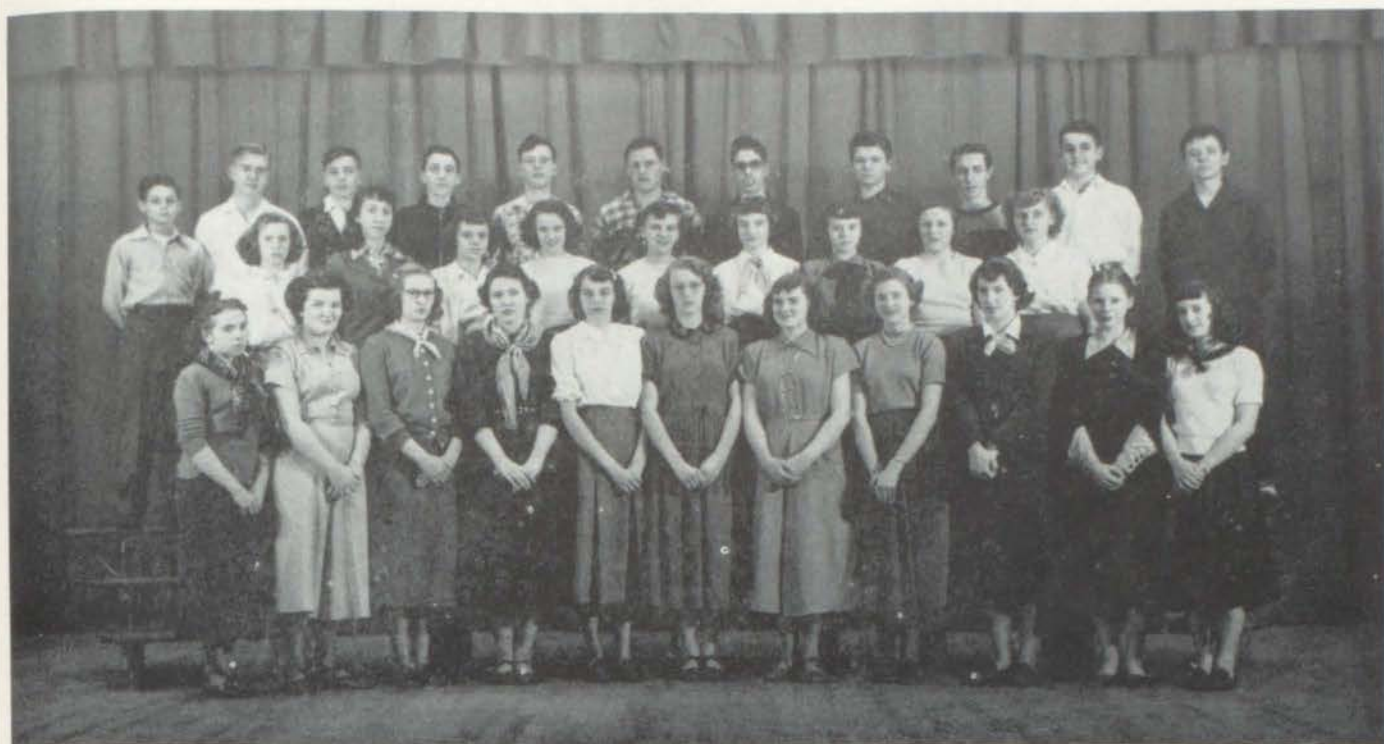

Many of our boys participated in Junior High football and basketball, and we were represented by students in the Junior Band.

This year, as Freshmen, we are proud to say that three of the junior cheerleaders are members of our class, that many of us are in the Senior Band, and that several from our class are on the second team in basketball.

The present officers of the class of '53 are: Otto Kalmbach, president; Karl Stone, vice-president; and Dick Spitler, secretary-treasurer.

## Student Council

The Student Council was first organized in 1923. The members were all the officers from the various clubs in P.H.S. and the purpose was for the members to concern themselves with the problems of the school and to represent the student body in opinions and solutions.

The organization as it is today, has the same original purpose, but the members consist of representatives from each advisory. In addition to these, the Senior Class officers, the Junior Class president and vice-president, and the Sophomore Class president are automatically members.

This year's Student Council has gained much fame for the many helpful tasks they have completed. The group started out the first day of school showing the new students around school. They have taken charge of the very worthy project of feeding the athletic teams

after games; they are in charge of the buying of records for dancing lessons which are under the Council's sponsorship; they held a "locker clean-up" campaign; they have begun work on a school handbook for Petoskey; they posted members as guides on Career Day to direct students from other schools; they put on a "Movie Dance" for the dancing classes of Petoskey, Boyne City, and Charlevoix; and they even helped students of Boyne City organize a Student Council in their school.

These are not the only notable projects of the Student Council, but they prove to us what a very valuable organization it is to P.H.S.

The efficient officers were Mary Ellen Doyle, president; Margery Lawrence, vice-president; and Nellie Vargo, secretary-treasurer. The advisors were: Mr. Luttmann, Miss Janak, Mrs. Wagoner, Mr. McDowell and Mr. MacMillan.

## Honor Society

The Petosega Chapter of the National Honor Society was organized in 1925 with Miss Beebe as faculty advisor. In 1948 Miss Beebe was made an honorary member in recognition of her many years of service to the organization.

The purposes of the Petosega Chapter and all chapters of the National Honor Society are to emphasize the four cardinal objectives: scholarship, leadership, character, and service, and to hold them before the student body as the goal for which they should strive.

Members are chosen from the upper quarter of their class and are elected by the joint vote of the faculty and members of the Society on the basis of their recorded scholarship and of the leadership, character, and service which they have shown in their school life.

On April 4th, 1949, five percent of the present senior class was formally initiated into the organization

in a ceremony held in the auditorium before parents and faculty members. At this ceremony Joyce Bailey, Dorothy Ballard, Anne Burns, Don Kemp, Alma Morris, Susan McMullen, Shirley Piehl, and Sallie Scoggin were initiated.

At an open meeting held before the school on March 28th of this year twelve seniors were initiated into the Society. They were: Mary Lou Buckstiegel, June Cannon, Betty Colley, Jim Faunce, Linda Feather, Madeline Fettig, Barbara Grisso, Joyce Houts, Ed Kuberski, Margery Lawrence, Rita Sandlie and Howard Smith.

Officers this year are Susan McMullen, president; Shirley Piehl, vice-president; Dorothy Ballard, secretary. This year a committee is in charge of the society with Mrs. Inglis as chairman and Mr. Luttmann, Mr. Spitler, Mrs. Stech, Miss Van Ness and Mrs. Dean assisting her.

## Y-Teens

The Y-Teens were better known as the Girl Reserves in the old days. Now they have flourished into a prosperous club. In the past years you have found them busily working on the Y-Teen formal or the Hi-Y-Teen Banquet.

In between these main social events you found them busy with service projects such as doing work for the Red Cross and folding bandages for the hos-

pital. During Christmas they sang carols and furnished decorations for the Winter Sports Ball.

The initiation picnic for the new officers is held every spring. The officers for this year are Susan McMullen, president; June Cannon, vice-president; Rita Homan, secretary; Beverly Shanley, treasurer.

The club's advisors are Mrs. Bailey and Miss Janek.

## Hi-Y

The purpose of the Hi-Y Club is to create, maintain and extend throughout the school and community high standards of Christian character.

With forty-two active members and the excellent guidance of Mr. MacMillan and Mr. Quade, the club

has had both a busy and a successful year.

The officers for the year of '50 are Morgan Beard, president; Ronnie Treloar, vice-president; Bob Fochtman, secretary; and Mike Lashmet, treasurer.

## Sub-Debs

The Sub-Deb Club, organized in 1938, is composed of girls in grades nine through twelve. Having as its purpose to learn to work and play cooperatively and pleasantly together, the club has become one of the most fun-loving groups in school.

In December the girls joined in the Yuletide spirit by placing a clever Christmas greeting in school. Then in February the lively Debs had a successful "Winter

Sports Party" when they and their guests attended the crowning of the Queen after they had been served a delicious dinner at the home of Mary Burns.

The officers are Mary Lou Dow, president; Andrea Mollhagen, vice-president; Janet Broman, secretary; and Elaine Nasson, treasurer. Mrs. Marguerite Beckley is the club's advisor.

## Pep Club

"The Pep, the Pep, we've got it, we'll keep it, don't lose it, we need it" seems to be the motto of this active club. The club's purposes are to promote pep and school spirit among the students and to put on pep meetings.

One of the outstanding pep meetings of the year

was a huge bon-fire held on the school grounds which was climaxed with the burning of "Homer Cadillac."

The club has had a very progressive year under the leadership of Don Kemp, president; Lyle McNamara, vice-president; Dorothy Ballard, secretary; and Shirley Piehl, treasurer.

## Varsity Club

In the early days of P.H.S., a club was organized for the purpose of promoting athletic spirit in school. This was called the "Monogram Club". All boys who had earned letters in football, basketball, track, tennis, or golf were eligible. Then in 1939, Coach Sebo, present coach at Michigan State College, organized the "Varsity Club" to take the place of the Monogram Club. The Varsity Club today has the same purpose and is open to all letter winners just as the Monogram and the early Varsity Clubs were.

This year the football letters were presented to the players during an assembly program at which time co-captains, Tom Koboski and Bill Wolf, also thanked the students for their swell backing.

Usually at the end of each year the combined Service Clubs give a banquet for the members of the Varsity Club.

The advisors of the club are Coaches Corgan and Zographos.

## Future Homemakers of America

The F.H.A. under the supervision of Miss Helen Brooks is a group of ambitious girls striving to become good homemakers.

The purposes of the club are to promote a growing appreciation of the joys and satisfactions of home-making; to emphasize the importance of worthy home membership; and to encourage democracy in home and community life.

This year among the club's activities were a chili dinner, a candy sale, and several informal initiations.

Officers for the year are Shirley Krieg, president; Marilyn Friend, vice-president; Marian O'Brien, secretary; Fiance Kauffman, treasurer. The club's chapter mothers are Mrs. Wilford Shanley and Mrs. Clyde Johnson.

## The Hi-Light

Way back in 1938, students of the sociology class felt the need for the revival of the school paper; so in December of that year, under the direction of Mr. McDonald, the first Hi-Light appeared. At one time it had been called the "Council Fire" and at another time the "Observer."

This year with the cooperation of a practically

green staff of reporters, ad solicitors, and circulators, we put out sixteen issues of the Hi-Light during the school year. Of course we couldn't have done it without the help of our capable advisor, Mrs. Dean.

Early in October of this year, the staff put on a successful "Sadie Hawkins Dance" for the students of P.H.S.

## Art Department

The Art Department has become a valuable organization to our school. Throughout the halls colorful pictures can be seen drawn by our talented art students.

All modern art courses stress the value of original work. This year our art classes have drawn abstract designs, suggested from their study of the art of the different countries and these are now found hanging on the walls of the studio. Then there are pencil sket-

ches of structures that we would like to see built in our parks. About the studio are sketches from life. Many of the models who posed for us were in beautiful foreign costumes. On the tables may be found a few clay heads taken from life.

We, the student body, appreciate the industrious efforts put forth by the Art Department.

## The Choir

The Choir, under the direction of Mr. Moyer, and with Sally Coveyou as accompanist, has had a successful as well as a very enjoyable year.

This musical group made their first appearance of the year at the "Christmas Concert."

Our Choir was host to the many choirs that took part in the "District Qualifying Festival" held in Petoskey on March 18th. At this time the Choir was rated "superior" and Mr. Moyer was commended for having trained the large group very well.

The high rating won by the Choir at the District Festival enabled them to take part in the State Festival held at Mt. Pleasant.

A very different and highly entertaining type of performance was presented April 14th. This was a minstrel show.

Favorite selections sung by the Choir this year were: "Dry Bones," "Carol of the Bells," and "Ride the Chariot."

## Girls' Glee Club

The Girl's Glee Club consists of 55 voices. They definitely added a very enjoyable part to the "Christmas Concert" at which time they sang "The Birthday of a King," "Little Christ Child, Sweet and Holy," and "Angels We Have Heard On High." Mr. Moyer directs this group, and June Cannon and Ruth Peterson

have served as accompanists throughout the year. The Glee Club has sung a variety of songs. Some of their favorites were: "Czechoslovakian Dance Song," "A Morning In Spring," "Parade of the Wooden Soldiers," and "The Clock."

## The Senior Band

The P.H.S. Band under the direction of Max Smith has had a very busy and successful year.

Led by drum-major Barbara Grisso and drummajorettes Sally Hubbard and Marilyn Clausen, they presented gala half-time shows at all of our football games despite freezing weather. They were also present to play at the basketball games.

In February the band attended the District Qualifying Festival in Traverse City and came home proudly holding a "1" rating. This qualified them to attend the

state festival in Lansing on April 29th, which they did. At the district festival ten members of the band participated in the select band.

During March the band held their annual band circus. Aside from this the band has given concerts, led the hometown parades and furnished music for the various plays throughout the year.

To wind up their year's activities they attended the spring festival May 10th at Charlevoix, where they marched in a parade and took part in the Massed Band.
