School Days

September 1962

To You, Mrs. T.

The Class of 1963 is very happy to dedicate the 1963 Petosegan to Mrs. Ruth Thomson. We are very grateful to her for her many years of service at Petoskey High School. We have all profited from her valuable instruction in her Sophomore English class as well as from her beneficial advice about our personal problems.

To some of us Mrs. T. brings back memories of the trials of Latin class. Her favorite Latin saying "Veni, Vidi, Vici" means I came, I saw, I conquered, and she certainly has conquered the hearts of all of us Seniors.

She was founder and advisor of the "Inkslingers Club". Its publication, The Inklings has received considerable recognition.

Mrs. T. is rarely seen without a coffee cup in her hand and a smile on her face.

In this picture of Mrs. T. the poster reads most appropriately, "A World Of Service For Youth," which certainly is a fine way of summing up her years of service.

We would like to thank you, Mrs. T., from the bottom of our hearts for your unselfish devotion through the years. Our fondest thoughts will always be yours. And so, to you Mrs. T., we dedicate our yearbook.

Our last year of high school has finally come to an end. However, it is not really the end, but a new beginning. As we walk away from the door we find that we are walking toward a new threshold. Our future rests in our decisions after graduation. It's a frightening experience yet a feeling of accomplishment gives us the courage to make these decisions.

Many are sad at the prospect of leaving for after graduation we drift away from the many close friendships we have acquired and we are separated from the school to which we have devoted so much of our time. As we think back over the years, our minds are flooded with wonderful memories: ninth grade, tenth, eleventh, the J-Hop, of which we were so proud, the Junior-Senior banquet, the play, and at last our Senior year packed full of new experiences, trials, and problems. Our hearts are heavy as we must leave, but we have new horizons before us, and we mustn't keep them waiting.

Mrs. Miller, Mrs. Nelson.

Our Northmen had a successful season despite the won lost record. We fielded a young, inexperienced team that upheld the fighting traditions of previous Petoskey Northmen teams. The team chose Tri-Captains this year: Jerry Hand, John Smith, and Carl Stewart.

"Dribble, Dribble, down the floor, sink that basket . . ." and that's just what our 1962-63 Varsity basketball team did. They worked and practiced very hard all year to present us with an 8-8 record, which is considered a winning season.

The tournament game with Rogers City was a true display of our boys' skill and spirit. Even though we did not win we can be proud of them and the score as it was a close struggle.

It is always nice to look back and remember how your team did and especially nice when they did such a good job.

Our thanks to you, boys, for giving us a basketball season so well worth remembering.

This year's girls' ski team was one of the best the school has ever had. They rounded out their season of 5-1 with a third in the State Meet at Traverse City.

The boys, under a handicap of an inexperienced team, did a very good job also. They won three of their six ski meets and placed fourth in the State Meet.

We have worked hard in the past years to develop into a wonderful group of citizens for Petoskey. We will never forget the Junior Play, the work on the J-Hop, beating the other classes with our pep at the pep rallies, and the wonderful club activities. Our past has been full of success, as we expect our future will be.

Another year has sped quickly by. We have progressed one more step on the high school social ladder. We have had the chance to participate in the various activities more fully. The foundations of our curriculum have been broadened by an increase in subjects. We only hope that our next two years are as prosperous and as much fun as our sophomore year has been.

We are once more "low man on the totem-pole."
But, yet we feel older as we have finally reached
Senior High. We had the chance to elect all of our
subjects for the first time. We got a chance to
participate in a few of the various activities. We
finally feel that we belong to the large student
body.
