PETOSKEY HIGH SCHOOL  
PETOSKEY, MICHIGAN

Even though the beautiful new high school is entirely new and gives the students a new atmosphere, the school day is much the same--

8:45--bell rings, the day has begun. Locker doors are opened, coats are jammed in and books hauled out. Gossip is exchanged on the way to advisory, where announcements are read, then morning classes commence. Lunch is gobbled down and afternoon classes begin. 3:30 comes--the bell rings, the day ends.

As we seniors leave Petoskey High School for the final time, fond memories of the past six years flood our hearts; the growing pains and problems of the seventh through tenth grades; the exciting activities of our Junior year--our successful Junior play entitled "The Torchbearers," our remarkable Junior-Senior Banquet, our elegant prom at Boyne Highlands, and many other experiences; but best of all are the memories of our senior year which was filled with such activities as our festive Christmas dance, our hilarious Senior play, "The Little Dog Laughed," our class picnic at Mackinaw Island, final preparations for the future, and the two highlights of our high school career--baccalaureate and commencement.

Some of us are sad in saying "farewell" to P.H.S., but we all agree that beginning our long-planned futures is very thrilling. We are also honored to have had the privilege of being the first class to graduate from our beautiful new high school. We hope that those who follow in our footsteps will share the same feelings that we have felt about our high school days.

Seniors enjoy a good lunch and exchange the latest news.

# First Graduating Class from New P.H.S.

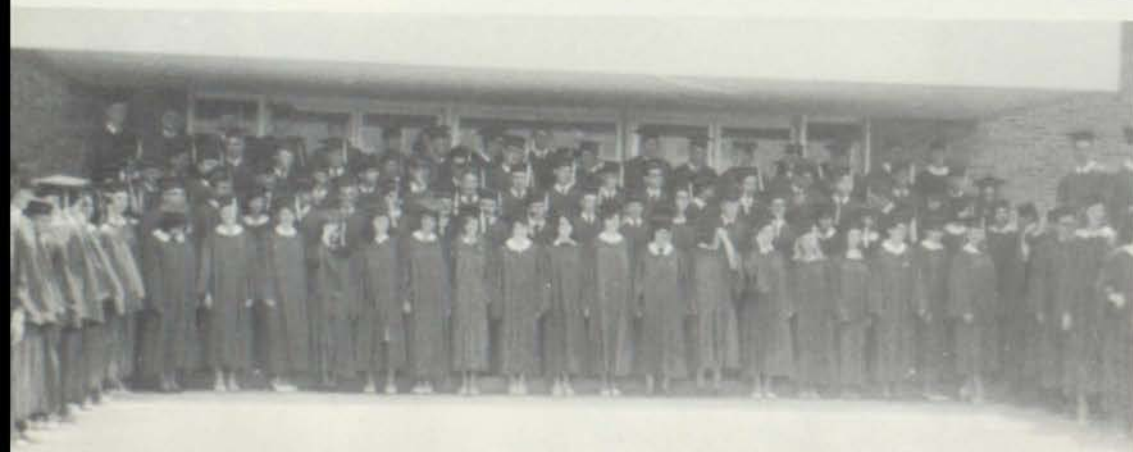

The end, but yet a beginning for the class of '67.

The best part of practice is the recessional.

For 128 seniors, commencement rehearsal was exciting as well as long and hot.

**Class  
of  
'67**

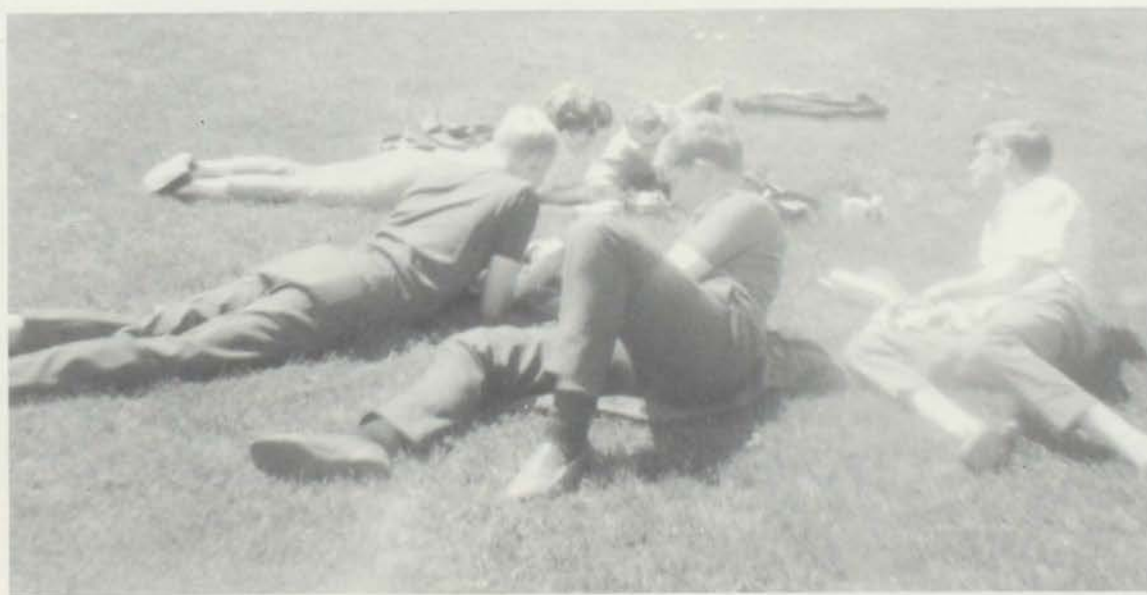

The Senior picnic on Mackinaw Island was fun filled with horseback riding, carriage rides, bike trips around the island, swimming, eating, and most of all, relaxing.

Talking, laughing, picture taking, and enjoying each others company for the last time.

## Senior Picnic

Gee! Bert, I just took them off!

After a long morning, a rest in the park was the thing to do.

"This is your life" Bert Note-  
stine, John Hill, Sue Corey,  
Katie Hayes, and Jeff Blanchard.

Katie Hayes accepts a bunch of  
her childhood favorites-- "dob-  
bes".

## Jr.-Sr. Banquet

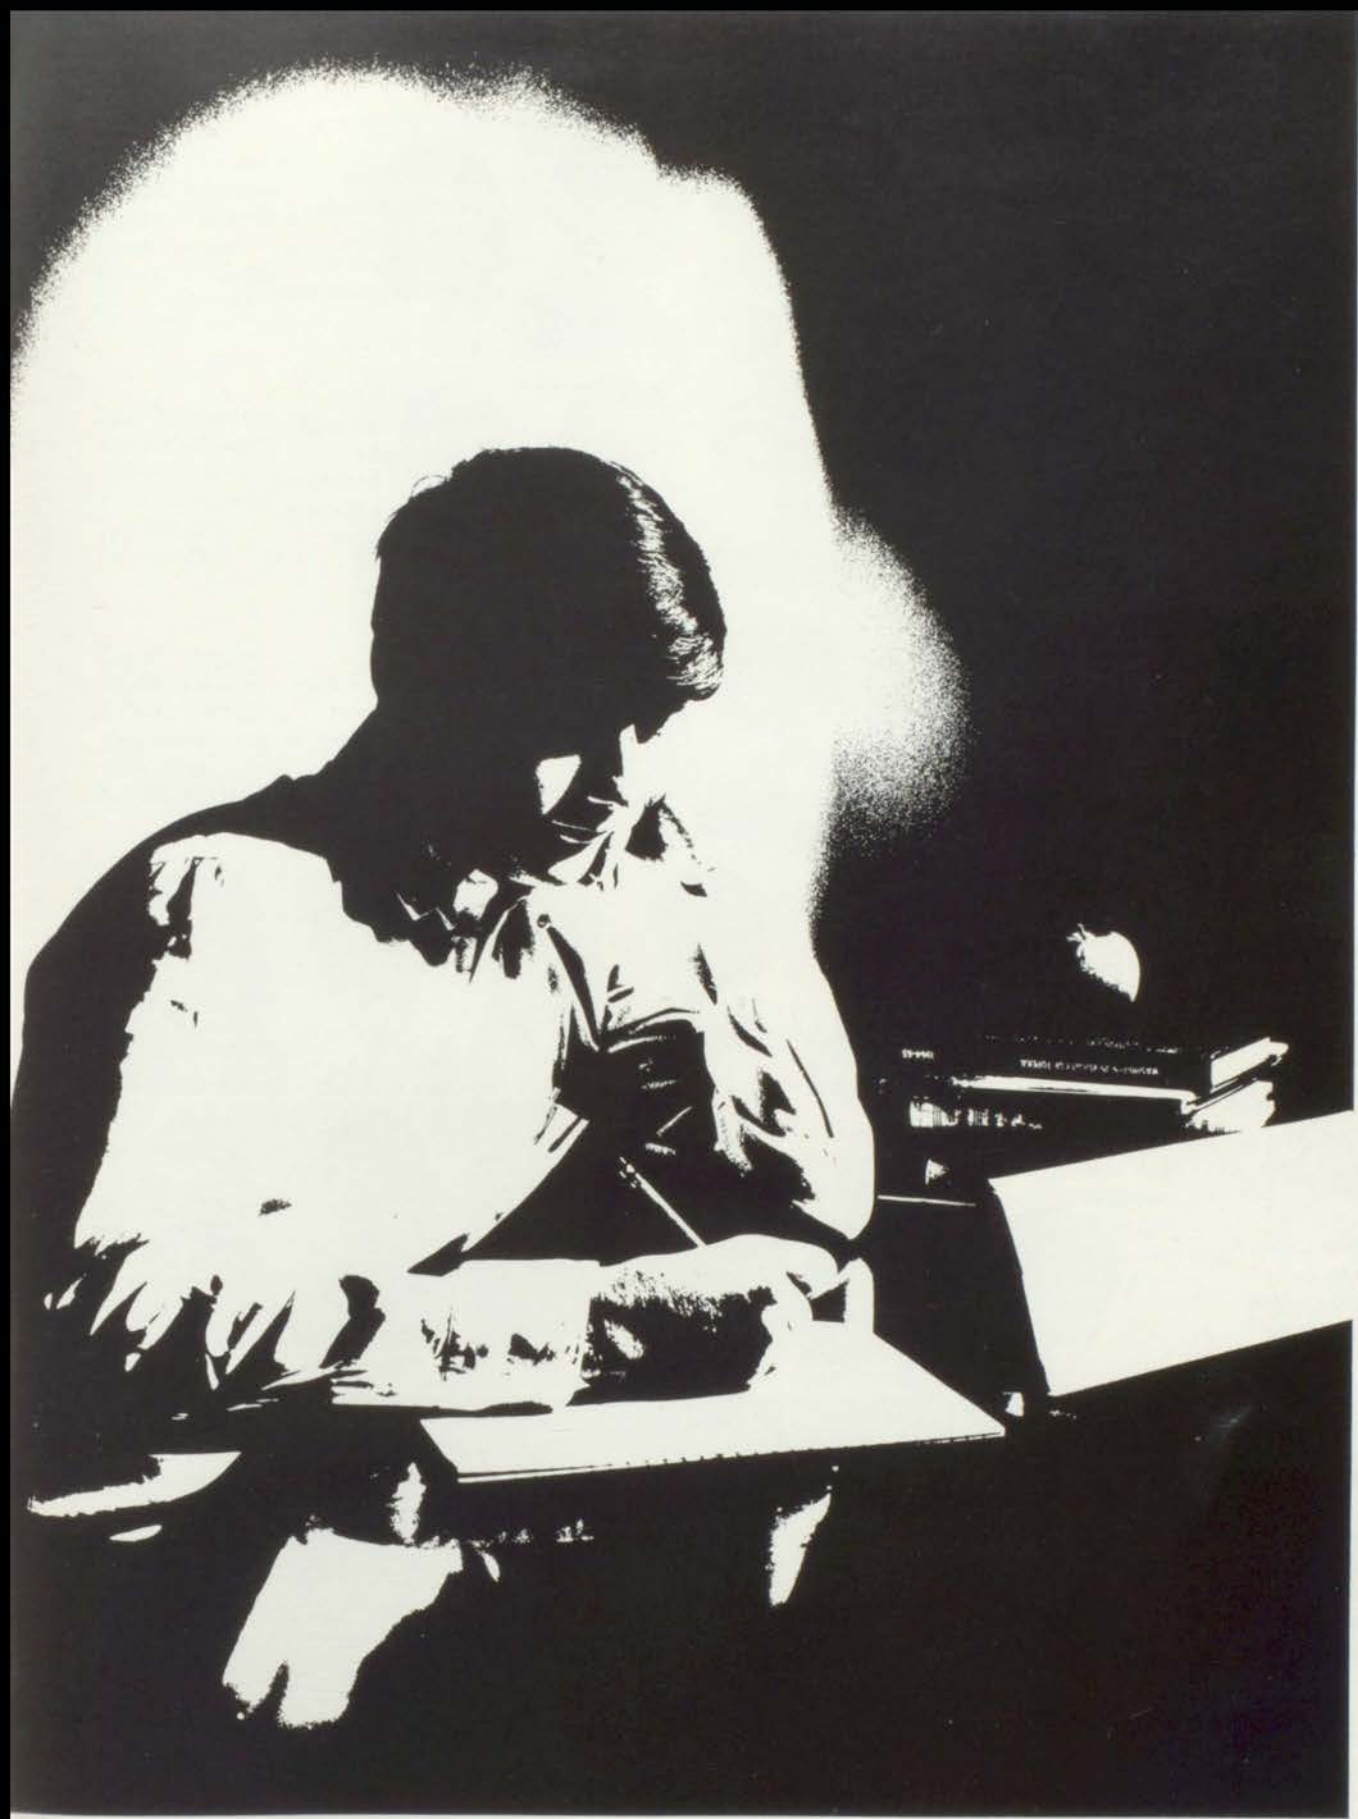

Junior class president, Steve Hall, welcomes Seniors.

Senior class president, Mike Aho, thanks the  
Junior class for honoring the Seniors at the  
banquet and bids them farewell and good  
luck.

Mr. A. D. Shankland, President of N.C.M.C.,  
closes the evening with an inspiring talk.

The Northmen's hard working coaches: Mr. Lee Milner, Mr. Dale Burge, Head Coach--Mr. Jack Rowan, Mr. Chuck Wilson.

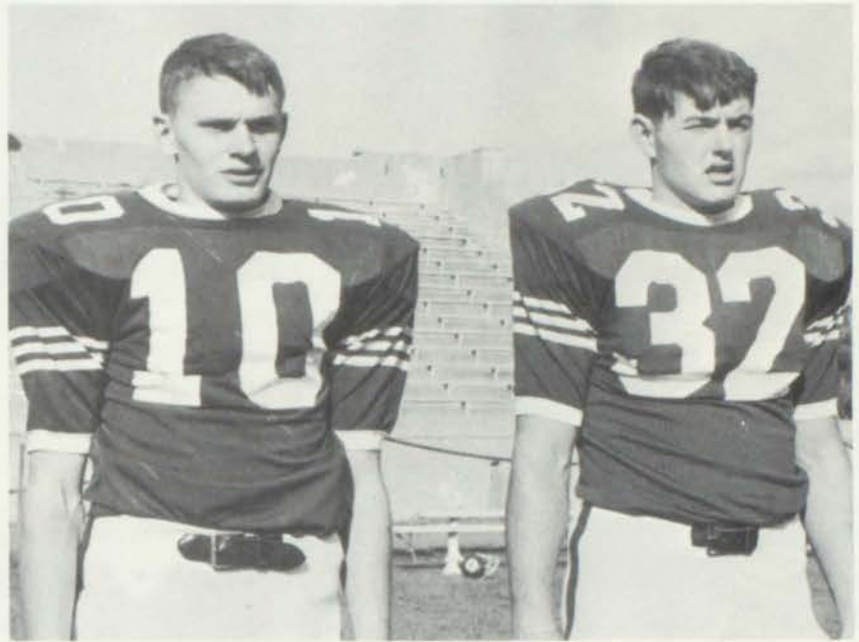

## The Mighty Northmen

This was to be the year and it was. It was a year of injury, frustration, and heartbreak. Never have I seen boys work as hard during the summer months to get themselves physically ready for a football season. But, old lady fate stepped in and put them down one at a time. It was a shame because this team on paper was the most balanced team I have ever had. Much credit has to be handed to boys who stepped into vacancies and gave us more than we coaches believed they could give. When the season was over, there wasn't much left to say except, "Wait 'til next year," and believe me we are, ANXIOUSLY !!!

## Northmen Great

Even though tackled from behind, Tom is able to complete a touch down for the Northmen.

With ball in hand, Clark runs to raise the score.

Dave, Clark, Rick, John, and Tom practice in a T-formation.

Mass tackle--to get the guy with the ball.

Jim pushes hard to get across the 40 yard line.

FRONT ROW: Coach Dale Burge, Jeff Hitchmough, Dave Moyer, Ward Walstrom, Clark Smith, Randy Adolphs, Greg Hiar. SECOND ROW: John Hill, Sandy Frye, John Brecheisen, Ben Miller, Tom Harbaugh, Kerry Elder, missing is Dave Harrold.

The Northmen basketball season was of disappointment and frustration. Almost every ball game in which the blue and white went down to defeat, was by a few points.

Hampered by a distinct lack of height, they fought hard and gave the game everything they had.

The Northmen offense averaged 67.1 points a game, while the defense allowed 67.7 points per game, which shows the Northmen were much better than their 7-11 record. There were many highlights however, such as breaking a school record scoring 97 points in their win over St. Ignace, and the numerous times the North-

men came back from a large deficit against strong competition to make the game close and exciting.

## Ski Team

Tom Gratsch, PHS's ski team pride.

This year the girls team came in first at all meets and at the State Meet, they came in third. The team raced against such schools as Petoskey Saint Francis, Grayling, Cadillac, Manistee, Gaylord, Boyne City, Roscomon, Harbor Springs, and a few others. Tom Gratsch, of the boy's team, had a great year, he came in first at most of the meets including the State Meet. He was selected through his skiing excellence as a member of the Detroit News 1967 State Ski Team.

Thank you, ski team for your efforts and good luck for next year.

## Pete Staff

Mary, Linda, Brenda, Gayle, and Kaye find working on layouts together can be fun as well as profitable.

The HI-LIGHT staff, an extra-curricular organization consisting of members from all three classes of PHS, concerns itself with the school newspaper, printed monthly and reaching about 700 students. Staff members meet once or twice a week, write copy, edit copy, take photographs, attend important events, solicit among downtown merchants for advertising, and consolidate all of these facets into a 6 or 8 page newspaper, printed professionally by the Graphic Printing Company. This year, the staff has produced 9 issues of the paper and has sponsored the Sadie Hawkins dance under the leadership of advisor, Mrs. Vratana. The staff is a charter member of the Quill and Scroll Society, the national journalistic organization, and holds an awards banquet for the presentation of Quill and Scroll pins. There have also been 15 Junior High students assisting the distribution of HI-LIGHTS in their school.

## G.A.A.

### Girls Athletic Association

If a girl is a member of the Petoskey G.A.A., you can be sure she is a warm and ambitious person. Her zest goes all out for the love of games, and she always strives for good sportsmanship.

G.A.A. provides all types of recreation for its members. The activities include basketball, volleyball, roller skating, softball, canoeing, horseback riding, and tennis in the Spring. Most of the club meetings are held on Monday evenings.

## Scientific Society

Science Society, The Club with a Heart.

Biology, bird watching, physics, and geology are all subjects discussed at the meetings of the scientific society. The club has been active this year in many ways. The members went on field trips, judged a Jr. High science fair, and went to the Regional Science Fair at the Soo. Under the leadership of "Doc" Foster, the intrepid young scientists have been learning about various branches of science and have been having a ball doing it.

## Debate Team

The debate team, something missing from PHS for the past few years, was revived and given a fresh start last year by Mrs. Janice Smith, who coached it extracurricularly through its first-semester season. The squad enrolled in the Michigan High School Forensic Association and competed in the State League schedule of debating, competing against 4 schools in the regular season--Alpena, Alpena Catholic, Cheboygan, and Onaway--and went on to the District tournaments here in Petoskey, competing against Alpena Catholic, Onaway, and Elk Rapids schools.

As might be expected of a green team (for only one member had previous experience), they did not win an overwhelming number on contests, but gained much valuable experience and knowledge in the art of speaking which will help some of them in next year's debate season and all in the years to come. The affirmative teams consisted of Kathy Turk, Bonnie Ford, Mats Ivermark, and Becky Drake; all were in one or more debates. Mats, from Sweden, did exceptionally well having a language to surpass and we are sorry to lose him, as we are to lose Kathy and Bonnie through graduation. On the negation, Barb Hidgkiss, Viki Likga, Kit Baum, and Linda Eineder fought against the status quo. Speakers are judged individually on 5 criteria, and their team score is made up of the two individual scores. The highest score obtainable is 25 points; high point honors go to Kit Baum, and a 22.3 point average, and Kathy Turk, averaging 17.6 points per contest.

All together, the teams had 14 debates, out of which they won three, all victories going to the negative. We see, though, that many contests were lost by a mere two or three points--indicating that the won-lost statistics do not wholly represent the situation. The records are listed below:

Alpena High	0-2
Alpena C.C.	0-4
Cheboygan	1-1
Elk Rapids	1-1
Onaway	1-3

It is of interest to note that after beating PHS in the Districts, Alpena C.C. went on to win the State Championships in C-D division.

With more students coming up as sophomores and as ex-freshmen from the Junior High, it is hoped that debate will grow in the years to come and become a permanent part of the PHS scene. All involved will agree that it is a worthwhile and very stimulating educational activity.
