**It sometimes seems that time slips through our fingers like a handful of sand and all that is left are memories of yesterday gone by ...**

**... memories that will last a lifetime, coming to us out of the blue, adding rays of sunshine and rainbows to rainy days,**

**Everyone in high school has their worries, whether it's finding time for a job to make megabucks or to do the massive amounts of homework piled high by those favorite teachers.**

*ABOVE: Marching band members Marybeth Hempstead, Jackie Fochtman and Diane Malkowicz take part in one of the special attractions during the open house.*

*TOP: Cross country runners Carolyn Germond and Kathleen Parker listen for instructions before a race.*

*RIGHT: Relaxing by a pop machine lunch is sophomore Buddy Kremp.*

**But, everyone knows that those four years make no promises of smooth sailing; only that there will be stepping stones to help them through the rising tide of research papers, lab reports and extra curricular activities.**

*TOP: Stretching out before practice is cross country team member Keith Schalk.*

*LEFT: Many students participated in the specialty days during Homecoming week, as Bernie Zink demonstrates.*

**New dreams became new horizons that many strived to achieve. They often felt that they were treading water, but eventually gained footing on solid ground.**

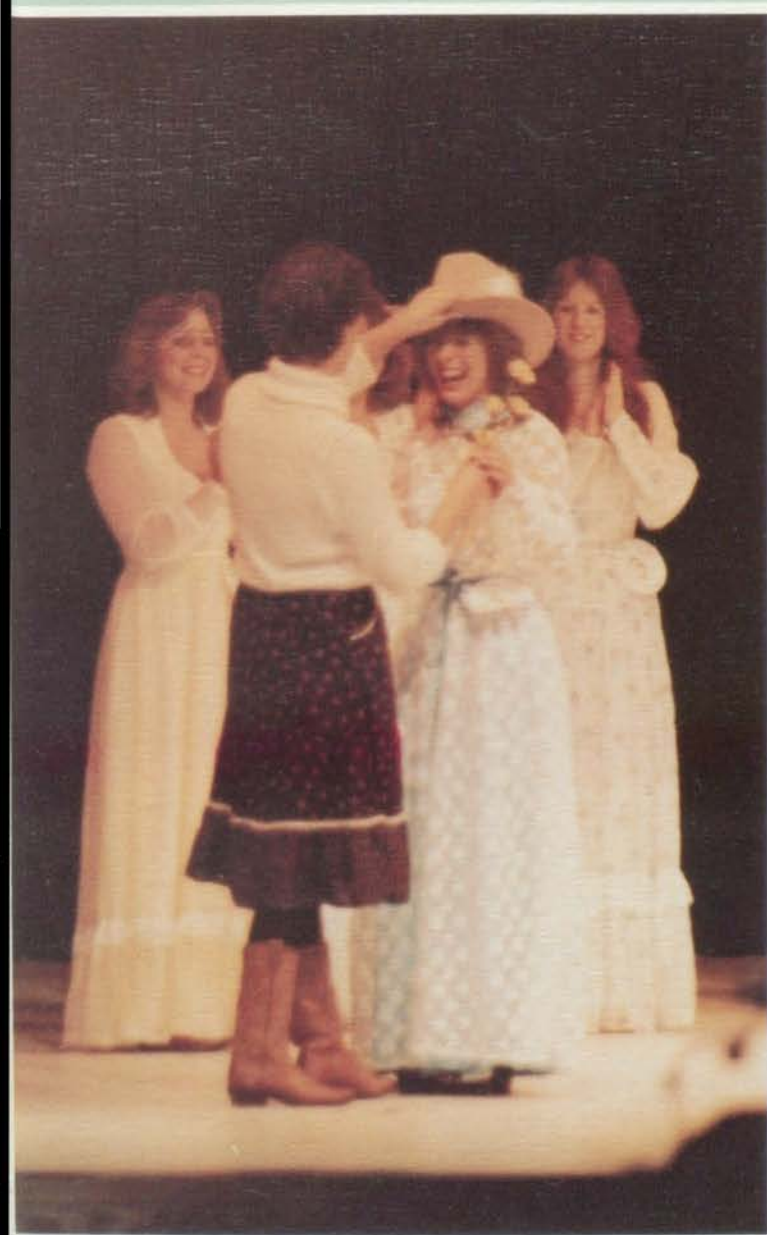

*TOP: The beginning of the '80's brought in many fashion trends; among them were designer jeans. Sporting Calvin Kleins and clogs are seniors Tim Lamkin, Don Smith and Jim Jones.*

*RIGHT: After kneading and rolling her clay, Sandy Bayster is ready to begin her project for art class.*

**Despite the frustrations and struggles of tough academic classes, there was still time left for socializing with friends.**

*ABOVE: Getting his sketches ready for the famous "MVW" okay is Peter Daniels.*

*TOP LEFT: As lunchroom monitor Carl Brien scans the Detroit Free Press, Al Southwood prepares to feast on a plate of spaghetti.*

*LEFT: Her bubbly personality helped second-runner up Jeannie Schwartzfisher win the spirit award in the 1981 Junior Miss Pageant.*

**Little things lessened the monotony of the classroom. Friends met in the pit, library or during lunch to share bits of gossip or to exchange ideas.**

*ABOVE: Members of the sophomore class enjoy a rowdy time at the first pep assembly.*

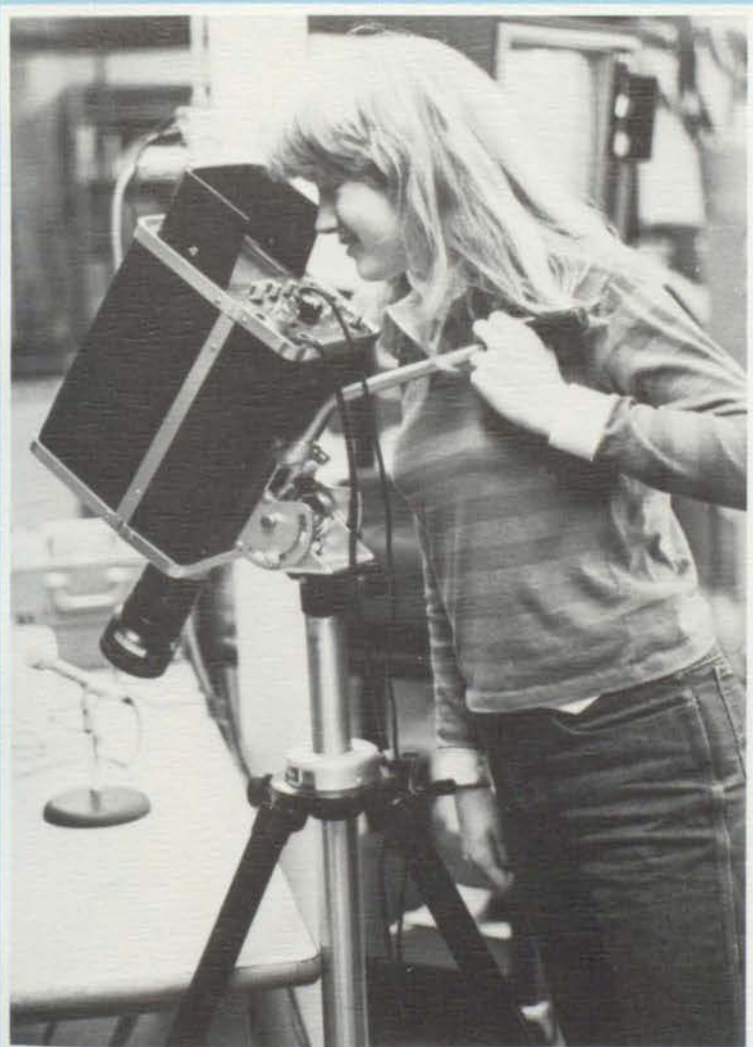

*TOP RIGHT: Spending time in the library are seniors Marty VanDeCar, Matt Berger and Iwao Greene.*

*RIGHT: Dressed as a fireman and complete with her Dalmation, senior Michelle Buday parades down Mitchell Street on the senior float.*

**And, too, there were floats to be built, pep assemblies to attend, and magazines, candy and other merchandise to sell in addition to concerts, musicals, practices, club meetings and competitions that could keep every idle moment thoroughly occupied.**

*TOP LEFT: Emerging from the locker room, freshman football player Tyler Shomin heads for the field.*

*LEFT: A Middle School student inspects a movie camera from the PHS library.*

*ABOVE: Mulling over her schedule for the day is Heidi Harrison.*

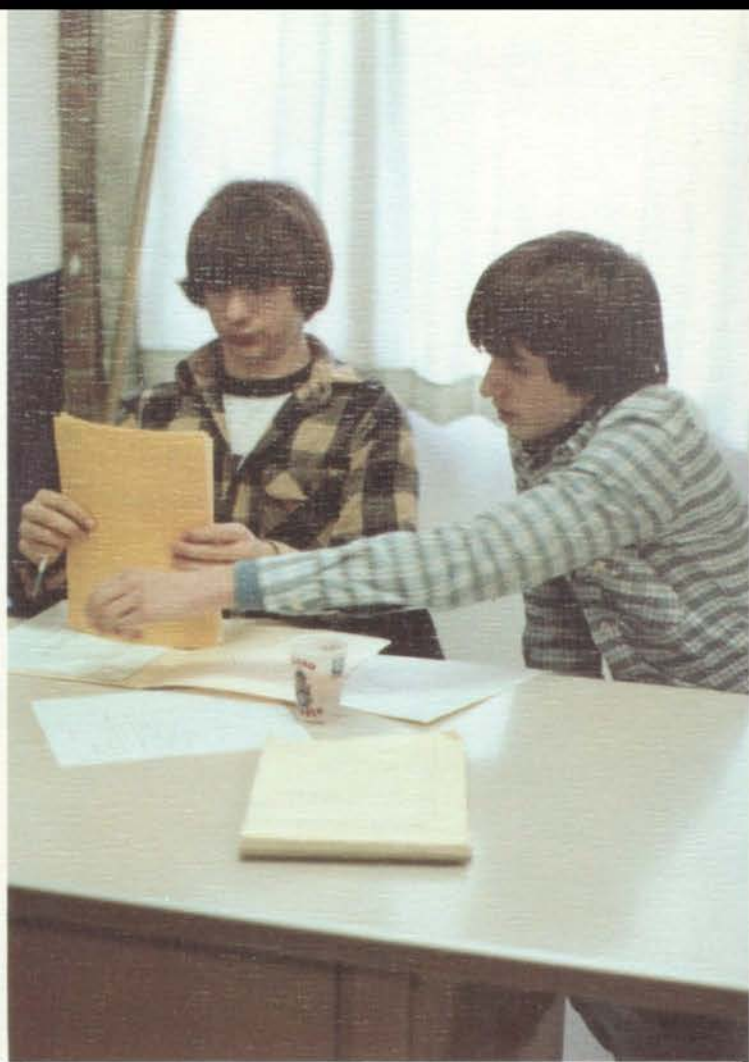

## *make a pit stop*

Where can you go to pick up an extra notebook, pen or even a T-shirt, and not leave the school? The answer, of course, is the Pit Stop. This new attraction at PHS is located in the sophomore hall in room 213.

Beginning in September, Mr. Gunderson's merchandising and distributive ed. class cleared the room of all desks, chairs and books, and painted the walls blue and white.

They worked continuously before the doors were finally opened on December 21, to welcome the first customers. Up to then, paper blocked the door and windows to keep peepers from witnessing the mysterious transformation of an ordinary classroom to a small variety store.

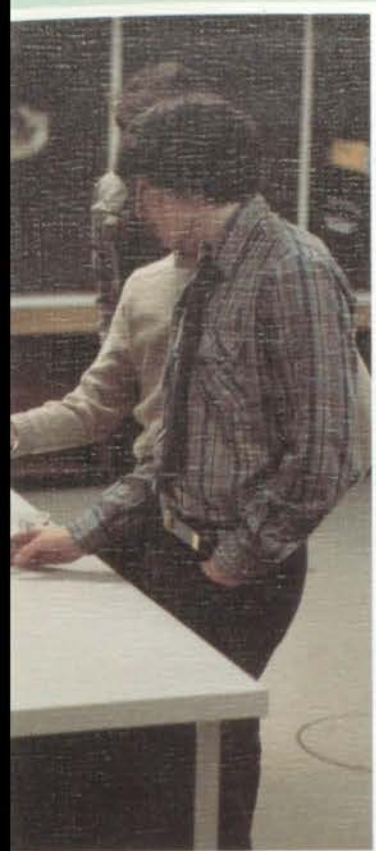

The Pit Stop became a place to meet friends, and students and faculty alike stopped by before, during and after school to grab a bite to eat.

*UPPER RIGHT: Keeping the books wasn't always an easy job for Phil Weeter and Steve Piper.*

*ABOVE: Slush puppies seemed to be the main attraction when the Pit Stop first opened. Here, Colleen Loar, Laurie Morin and Nan Niswander wait for customers.*

*RIGHT: Glass showcases displayed much of the merchandise in the store. Mike Steffans talks with Karen Konziela, Jeff Ward and Nean Connaughton.*

UPPER LEFT: Varsity wrestler Rick Walker reaches for the slush puppy he purchased to satisfy his thirst.  
UPPER RIGHT: Sophomore Patricia Wodek waits for the busy clerk to fill her order.  
ABOVE: Even though Candy sales were restricted until after 12:30 p.m., Mitch Wimer did quite a bit of business selling other merchandise.  
LEFT: Petoskey Northmen T-shirts and jackets were sold along with totebags and back packs.

# *roles reversed in powderpuff football*

Girls playing football? It isn't such an anomaly any more! After the senior/freshmen girls grouped up, and the sophomore/junior girls formed a team, they met each other in a flag football game held early last November. However, that isn't half as strange as the cheerleaders who were present to root their side to a hopeful victory.

Sporting skirts and falsies, a number of sophomore, junior and senior boys jumped and cheered while the girls tackled, dived and suffered multiple bruises that they proudly displayed the following week.

The freshmen/senior team, coached by Todd Muche and Jim Alton, scored the only touchdown, to lead the team in a 6-0 victory over the sophomore/junior girls who were coached by Tom Nelson and Eric Simard.

Many people felt that the powderpuff football game was a success and should become a tradition at PHS. Patti Strobel had the following comment, "It's too bad that the powderpuff football games weren't organized earlier!"

*ABOVE: Using one of their many antics, the senior cheerleaders show spirit.*

*TOP RIGHT: The senior/freshman team rejoices after the only game touchdown was made.*

*RIGHT: As Kelly Hansen spurts toward the goal line, her team members clear her a path.*

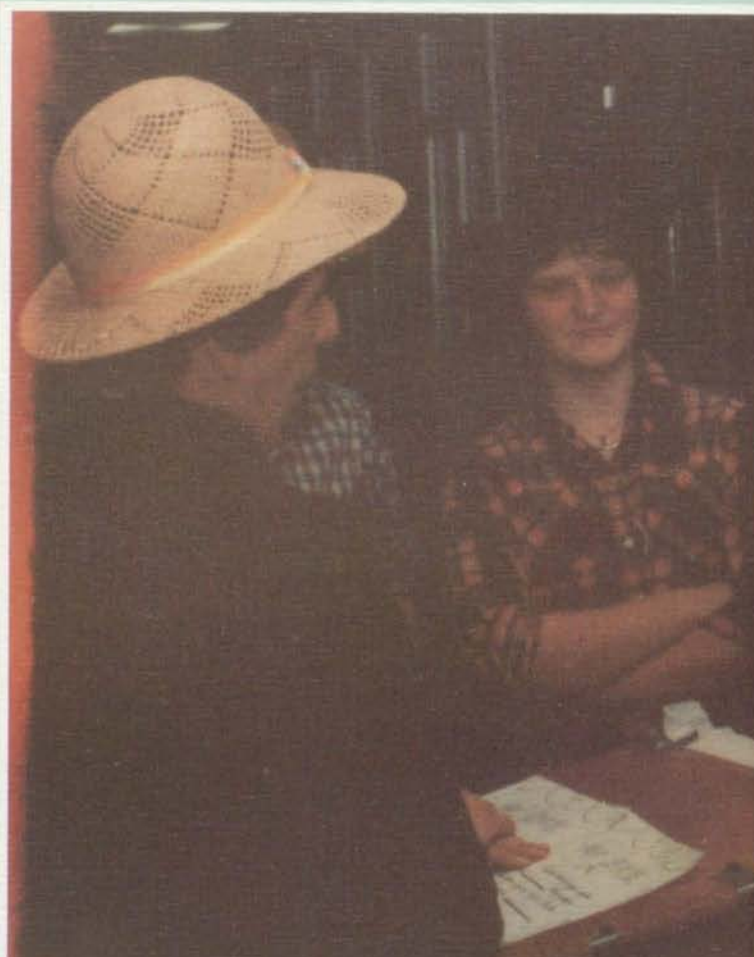

*TOP: Freshmen team members Mary Hramiec and Marcia Steffel watch from the sidelines.*

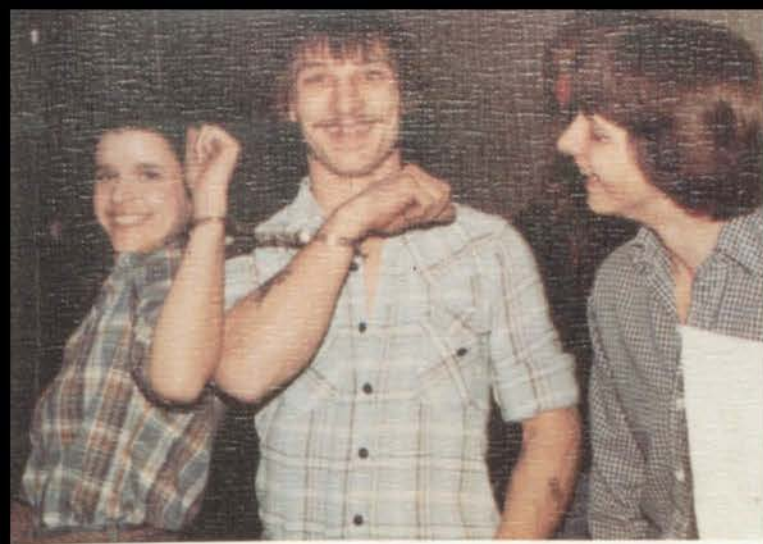

*ABOVE: Spectators and team members watch as the sophomore/junior cheerleaders form a pyramid.*

annual  
sadie*

*TOP: PHS Highlight staff members Kathy Golding and Karin Foster wait patiently for girls to arrive with their catches during the Sadie Hawkin's dance.  
ABOVE: After arriving at the dance, Jeff Jones and Colleen Rogers survey the scene.*

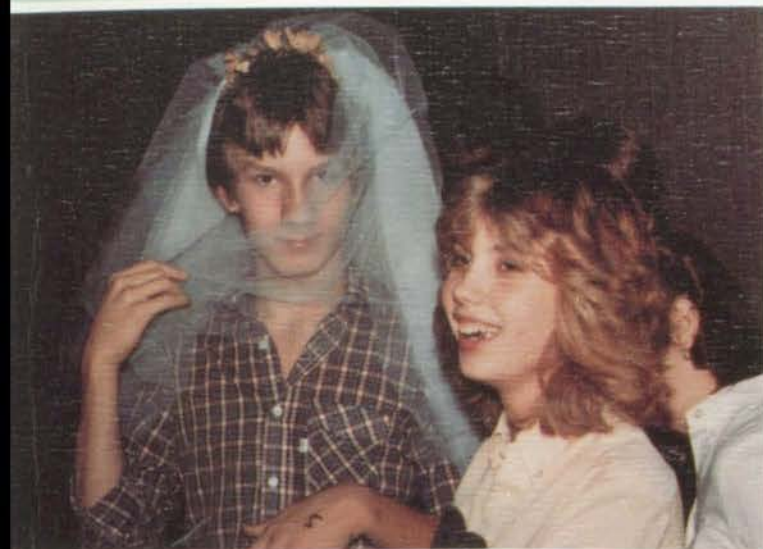

The question, "Who are you going to ask?" circulated among girls weeks before the annual Sadie Hawkin's dance, sponsored by the PHS Highlight News. Girls gradually narrowed down the list of candidates and finally asked that one special guy, who basked in the glory; he received daisies, dinner and a dance, and for once he didn't foot the bill.

Once again, each day of the week was set aside for a specific event. There was a T-shirt day, pajama day, 2050 day, slob day, and Sadie Hawkin's day.

Prior to the dance, everyone put on their jeans, overalls and plaid shirts. They showed up with patches pinned to their backs, telling who had caught whom. A prize of five dollars was given to Lori Smith and Kelly Cormican, the couple with the best patches. There was also a hog-calling contest, won by Mark O'Gawa, and of course, the hitchin' post complete with Marryin' Samantha (Mrs. Pater). If the couple who had tied the knot desired a wedding picture, newspaper advisor Mrs. May was on hand to snap the couple as they posed on hay bales.

To wind up the evening, Crossfire made their debut guest appearance, much to the enjoyment of those that attended the Sadie.

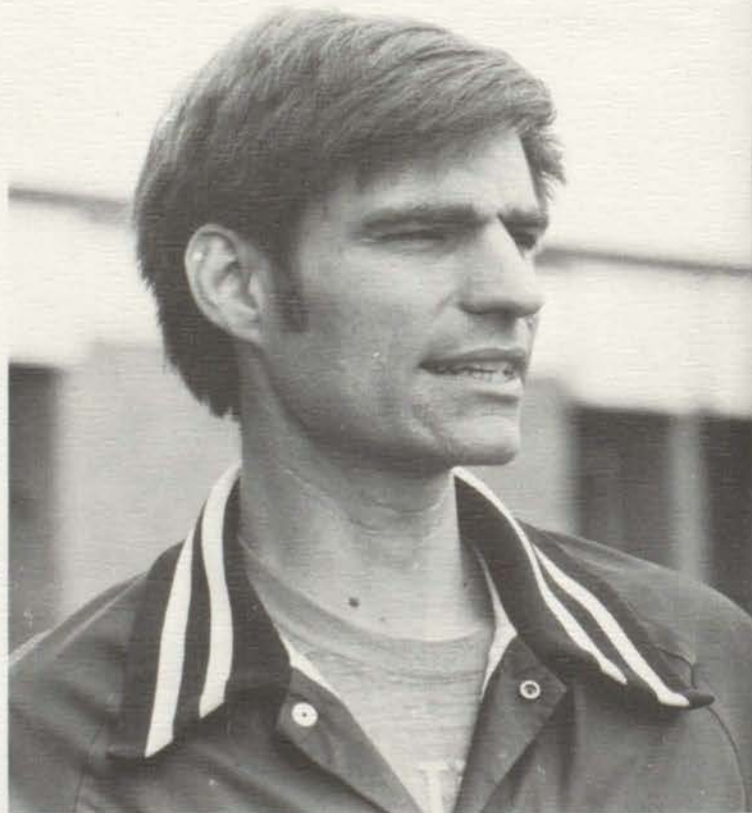

*TOP: Senior Julie Sieradski and her date Bill Gofourth show off their "wedding bands."*

*MIDDLE LEFT: Modestly covering his face is Darryll Burr while his date Mary McDonald enjoys the moment. LEFT: Marryin' Samantha (alias Mrs. Pater) was on hand to make sure the evening was perfect by tying the knot for willing couples such as Vance Ruesch and Robin Elder and Dave Bayha and Stacey Kline.*

*ABOVE: Donating his time to chaperone the Sadie is Mr. Arthur, shown here with Estelle Atchison.*

# office makes changes

The first change noticed when school started in September was the addition of the attendance window. Students no longer had to take up space in the office while they waited to pick up their passes. All they had to do was make a quick stop by the new window on the way to their first hours - almost like a drive-through!

In addition to the window, some of the office personnel switched offices. Mr. Neidhammer was found where the attendance office had been previously located, and since the new window had taken over Mr. Hamilton's office, he was moved to the office between Mr. Doctor and Mr. Slater.

Mrs. Davies commented on the window, "It works very well when we can use it, but we have to close it in the winter." Mrs. Chapman laughed, "Yes, it *does* get pretty cold in the winter."

*TOP RIGHT: The attendance window made picking up a pass an easier process for students and attendance personnel alike.*

*MIDDLE LEFT: Newcomer Mrs. Chapman easily adjusted to the office duties. MIDDLE RIGHT: It seemed that Mrs. Davies always had a smile for anyone who entered the attendance office.*

Mrs. Biddick  
Miss Birdsall

Mr. Brien  
Mrs. Brown  
Mrs. Campbell  
Mrs. Chalker  
Mr. Champion.

## *mrs. dally adds sparkle*

Having a job with much variety is what Mrs. Dally likes, and that's the main reason she works in the office here at Petoskey High School. "An ordinary job would be very boring for me," she commented. She also enjoys the pleasant working conditions and relaxed atmosphere of her surroundings.

Mrs. Dally isn't the only member of her family that is employed by the Petoskey Public School System. Her husband, Phillip Dally, is the principal at Ottawa Elementary School.

It is a well known fact that Mrs. Dally always has a smile ready for anyone who enters the busy office, and her cheery mood certainly adds to the easy-going atmosphere. She is truly an important and well-liked staff member, and will continue to be for as long as she is here.

*UPPER LEFT: There were many teachers present at the Madrigal Dinner held at Boyne Highlands, and Mrs. Nettleman was among them.*

*LEFT: There have been many unique changes in the music and drama departments since Miss McGinnis began teaching at PHS.*

*doesn't  
this  
guy  
ever  
quit?*

*BELOW: Students weren't the only ones with school spirit! One could always count on seeing the familiar faces of faculty members at various athletic events. A Petosegan cameraman snapped Mr. and Mrs. Festerling during one of the girls' volleyball games.*

"To be the best at some time, you have to be dedicated and work towards a goal," says math and physical education teacher Scott Batchelor. Mr. Batchelor, who coaches soccer in the fall, girls' track in the spring and helps out with the boys' varsity club in between, teaches algebra classes and a variety of gym classes. Mr. Batchelor stated that high school athletics is an excellent way to meet new people and establish friendships. He plans to continue teaching and going to school during the summer months to get his Master's Degree in mathematics. His favorite classes to teach are Computer Math and algebra. Outside of school, Mr. Batchelor enjoys running, cross-country skiing, reading, biking and computer programming. He is pictured at right during a home basketball game.

## *a man with many interests*

Mention the word sports and who comes to mind? Mr. Arthur, of course! He is more than your average phys. ed. teacher; he has coached and participated in a number of sports other than wrestling.

Before coming to PHS, Mr. Arthur taught and was assistant varsity wrestling coach at Mt. Pleasant High School for two years. He has also taught tennis, skiing, weight training, swimming and judo.

When asked what he felt students should derive from participating in sports, Mr. Arthur stated, "The various benefits one receives from any athletic program are so diverse and numerous, it's

hard to list them. First of all, I feel there is an understanding of one's mental and physical capabilities. Then, the next phase is the ability to adapt and make adjustments through hard training and discipline to improve yourself and become more successful." He also felt that important mental characteristics such as pride, dedication, loyalty, sacrifice and spirit are learned from sports, and are carried over into one's business and personal life.

In regards to his future, Mr. Arthur wants to build the finest wrestling program in the state and get his master's in phys. ed. and history. He is pictured at right during a wrestling match.

# teacher finds special ed rewarding

"Teaching students with learning difficulties is challenging, exciting and rewarding," states special education teacher Miss Loeffler. This is the major reason that she enjoys her job at PHS.

Coming from a family of educators influenced her decision for the profession she chose. Also, she stated that teaching special education English offers more rewards in terms of teaching than regular English classes, and the way the learning center is set up allows for more personal contact with her students.

Miss Loeffler feels the most important qualities a student should gain during their years at high school are responsibility/organizational skills, basic academic knowledge and good study habits.

She has traveled to Europe, Africa, South America and Mexico. She enjoys cross-country skiing and swimming.

## art has interesting instructor

*It has always been easy to work in the relaxed atmosphere of the art room because of the easy-going instructor - Mrs. VanWagoner. Always having an idea for a project has helped her in teaching five different art classes: General Art, Advanced Art I and II and Studio Art I and II.*

*Mrs. VanWagoner attended Central Michigan University and the Kendall School of Design in Grand Rapids. She became interested in drawing and working with various materials when she was quite young. Now, she states, she enjoys working with designs done on fabric such as applique, quilting, embroidery and soft sculptures along with print designs such as linoleum prints, silkscreen prints and lithograph prints.*

*She is pictured at left during Halloween dress-up day.*

*RIGHT: This was Miss Jacobs' first year at Petoskey High School, and it proved to be an interesting one for her and her students. They transformed an American game of "Family Feud" into Spanish and also cooked and sampled many Spanish dishes.*

Rock and roll dances, longer school hours, unfamiliar classes, and several hundred new faces and friends were only a few of the many new experiences that freshmen discovered attending PHS. The usual impression was that they would feel uncomfortable among all the new faces and changes that they encountered. But they soon found they weren't out of place at all and high school could be great.

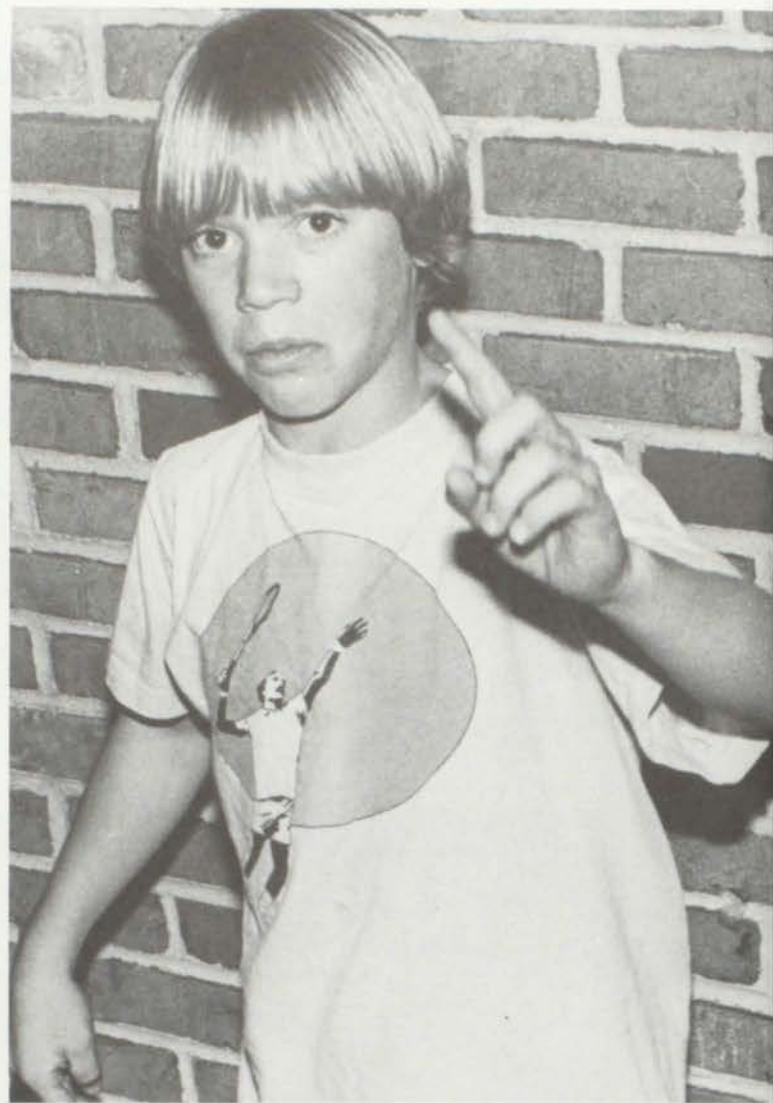

Freshmen adjusted to all the changes in a short time and forgot the life they had in junior high. They began what most will remember as the best four years of their entire lives.

## locker partners

A locker partner was a good friend, a person to talk to between classes, and someone to bank on for lunch money. He left crumpled papers, old lunches, and smelly gym clothes in the bottom of your locker. In addition, many other items seemed to appear magically "out of the blue" and accumulated there until it was impossible to find anything amid the clutter. However, this locker partner realized his quirks — he happened to share a locker with someone who had some of the same bad habits.

## *leaving the blues behind*

As the junior year arrived, many pressures accompanied it. These pressures included such things as harder courses, more homework assignments, and trying to maintain a grade point for college entry. These pressures caused stress and frustration for students and, at times, it never seems to ease up. But through friends and extracurricular activities, students also found time to relax and enjoy themselves, deal with the stress, and learn to leave the blues behind.

**ABOVE:** 1981 homecoming king, Todd Muche, along with senior candidates Kate Linck, Robin Kuebler, Becky Gibes, Amy Dickinson, Karen Budek, and Chris Bur.  
**FAR RIGHT:** The homecoming dance festivities were opened with the traditional king/queen court dance led by Amy Dickinson and Todd Muche.  
**RIGHT:** Finalizing the homecoming ceremonies is queen, Amy Dickinson, king, Todd Muche, along with Northmen captains Al Southwood and Paul Frugé.

## *amy, todd receive homecoming honors*

What a surprise! Neither snow nor rain played its usual part in the homecoming ceremonies. As the senior candidates stood alongside one another, grasping cold and nervous hands, the long awaited moment came to an end with the announcing of Amy Dickinson as the 1981 homecoming queen of PHS. Northmen captains Paul Frugé and Al Southwood presented Amy with a bouquet of roses and the game football. Todd Muche, homecoming king, finalized the ceremonies with the

tradition of crowning the queen.

Other homecoming activities included the Junior Class continuing their three year winning streak in the float contest with the theme "Drag 'em". Topping the night off, the football team upset the Saints by a score of 48 to 6.

As time ticked by, October 9, 1981 came to a close. Although the homecoming ceremonies had ended, the events of the evening would long be remembered.

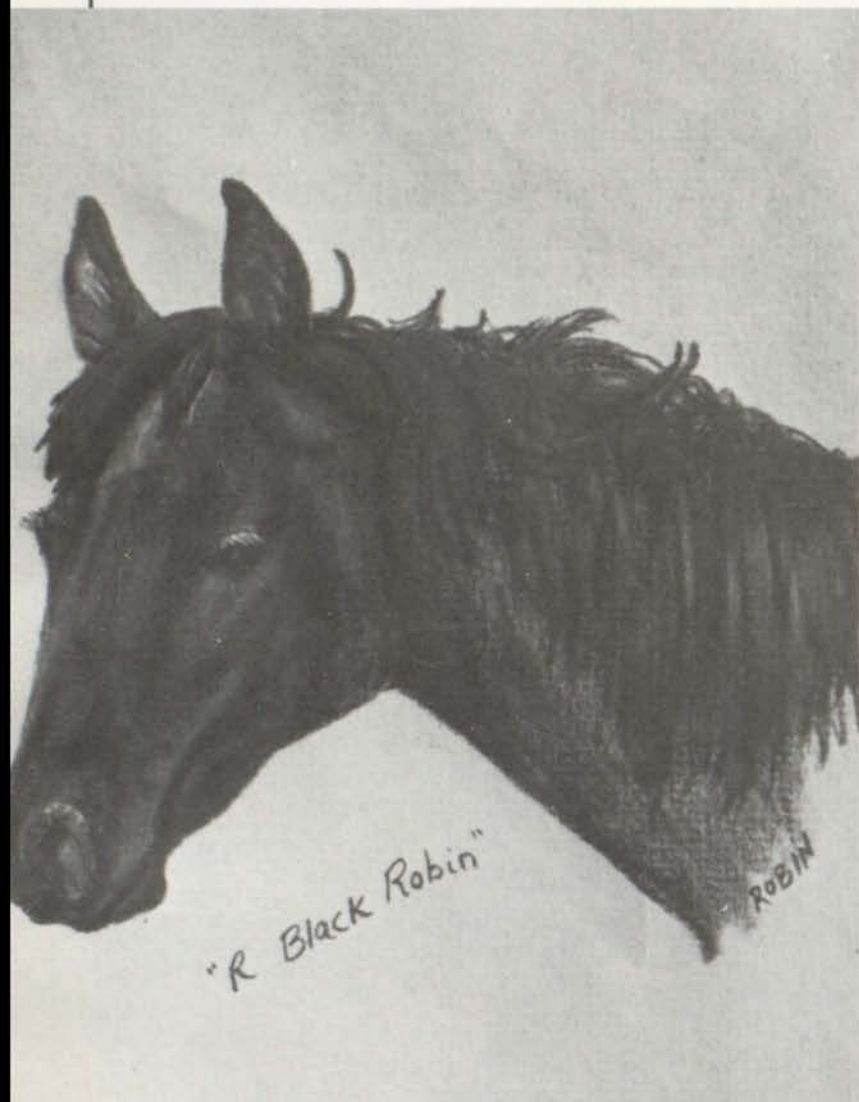

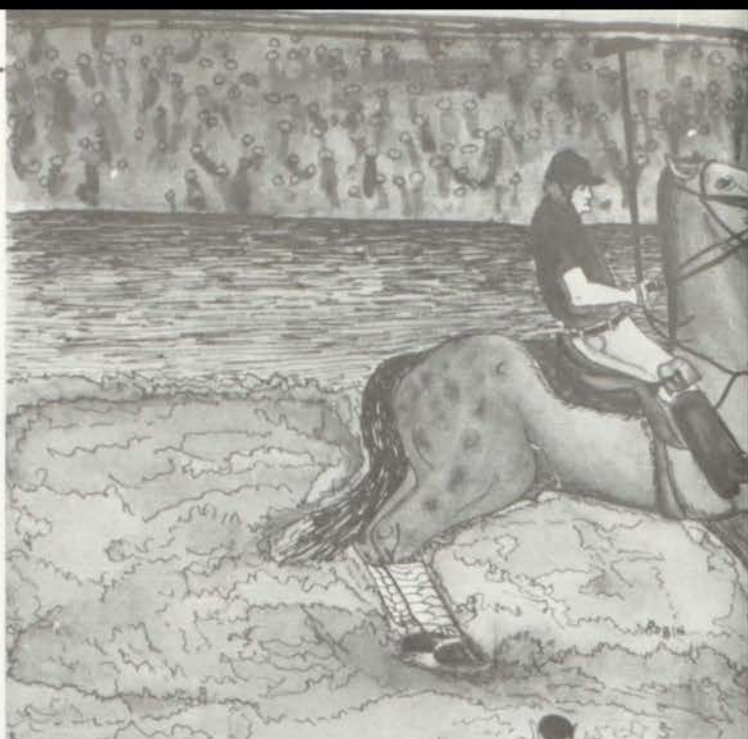

*TOP: Awaiting the announcing of the 1981 homecoming queen of PHS are the senior candidates Karen Budek, Chris Bur, Amy Dickinson, Becky Gibes, Robin Kuebler and Kate Linck.*

*ABOVE: Sharing warm moments of friendship are Amy Dickinson, Becky Gibes and Kate Linck, helping to make homecoming memories last forever.*

*LEFT: Escorting homecoming candidate Chris Bur is her date Tim Lampkin.*

*RIGHT BELOW: ROBIN DOHN was influenced in art by her grandfather who is now an artist. She began sketching and drawing at an early age and continued throughout her school years. Her primary interest and talent is working with ink and pastels.*

*RIGHT: BETH WALDO, influenced by her mother, began taking art classes in the third grade. Although her career will not be in art, she enjoys drawing people in her spare time.*

## *creativity abounds through art*

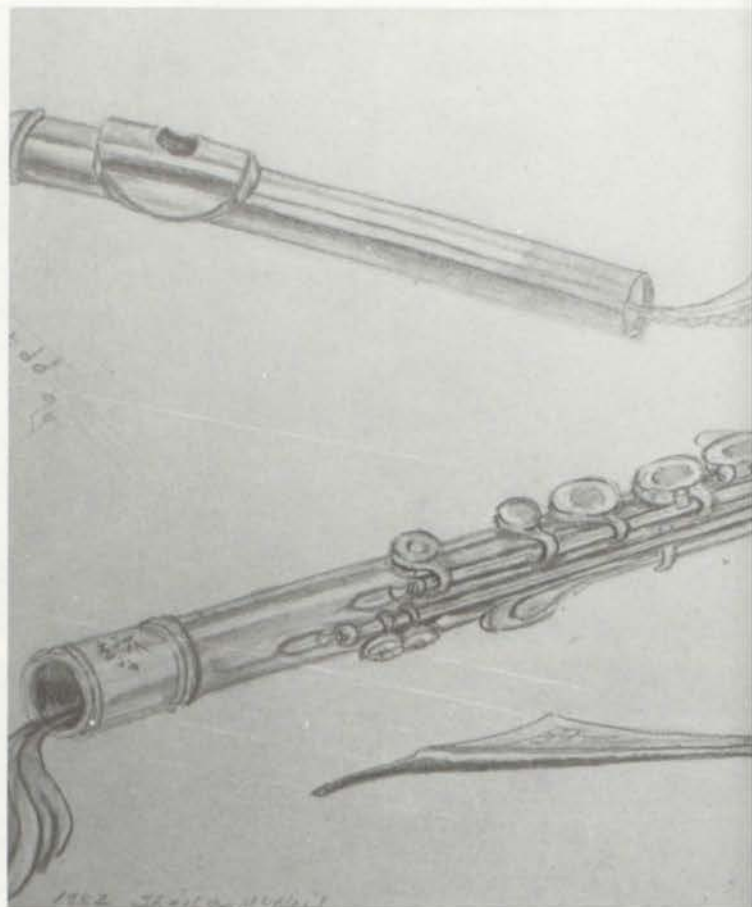

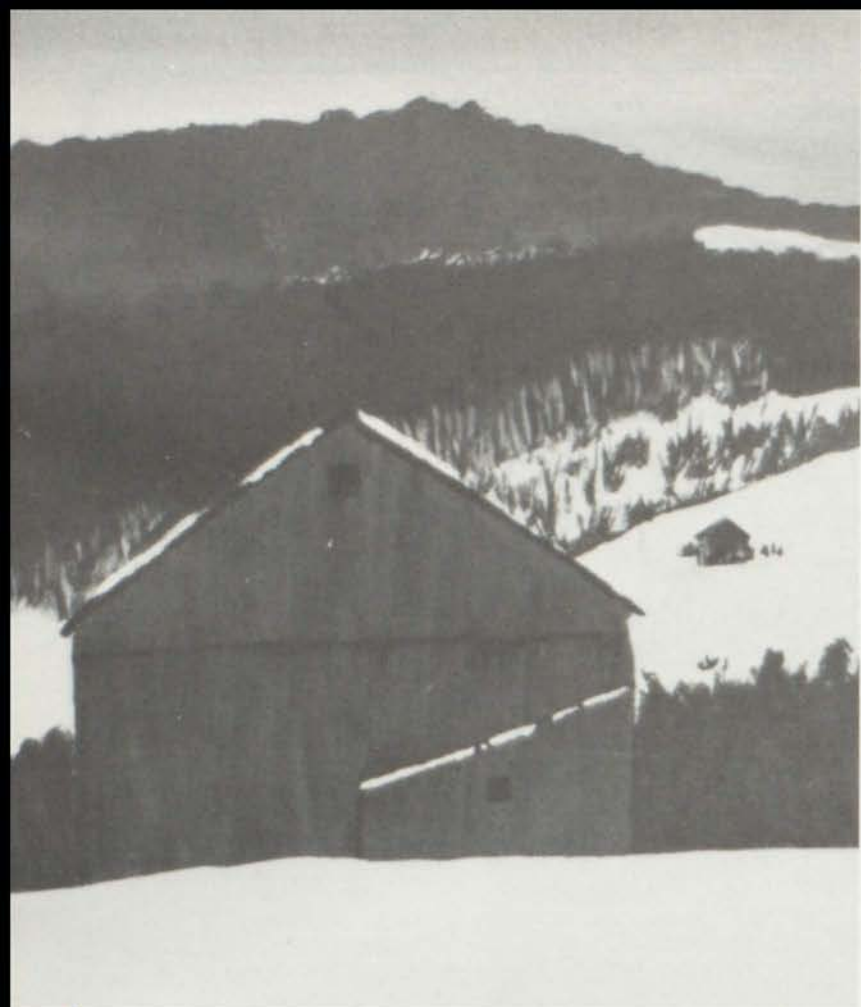

General Art lays the foundation for Advanced Art and Studio Art, all of which are taught by Mrs. VanWagoner.

Experimenting with different colors and different designs aids the student in realizing his potential. Mrs. VanWagoner proved through different areas that all students have artistic talent and all have the ability to be creative.

## west side story

Many weeks of strenuous rehearsals came to an end as the cast of West Side Story performed for sell-out crowds May 19-23. Once again, with the help of director Ms. McGinnis, Petoskey High School students showed tremendous poise and talent on the stage of the team teaching room. Music director Mr. Brien and the pit orchestra added suspense to the tense plot by keeping tempo with the famous musical, which was set on the west side of New York in the early '50's.

Two games comprised of street wise teenagers conflicted, resulting in the deaths of the gang leaders. The main conflict revolved around Tony (a Jet), Maria and the love they shared. The feelings between the American boy and Puerto Rican girl defied the unwritten street laws of interracial relationships at that place and time.

Chris Barger, who portrayed Tony, entertained the audience with his strong tenor voice. Both Chris and Kim Kahler (Maria) left the audience near tears during the final scene, in which a jealous Chino murders Tony.

The cast and stage crew truly did a remarkable job preparing for the musical and it was evident in the final productions.

*ABOVE LEFT: One of the many tender moments between Tony and Maria was captured as they shared a kiss in the bridal shop.*

*FAR LEFT: Baby John and Arab added humor to the tense and suspenseful plot. In this scene, they discuss the importance of being "tough" and unafraid.*

*LEFT: The rumble kept the audience on the edge of their seats as Bernardo and Riff lunged at each other, cheered on by both gangs.*

## *madrigals achieve class status*

Popularity has made the Madrigal choir, once an extra curricular activity, expanded to a full credit class which enabled more performance opportunities for choir members.

Madrigal singers were involved in many performances during the 1981-82 year, which included the annual Madrigal dinner held at Boyne Highlands, where the choir took full responsibility for presenting the dinner. February 18 marked the beginning of the Madrigal Musical Production, "Once Upon a Mattress."

In March, the annual "POPS" concert again was held and consisted of contemporary music and choreography.

Many of the singers also participated in the all-school musical "West Side Story." In addition, they attended and won many high honors in numerous choir competitions held state-wide.

*LEFT: The chorus was important to the musical "Once Upon a Mattress," which told the story of the princess and the pea. Everyone in the cast showed much enthusiasm.*

*MIDDLE LEFT: A pajama party? No, not quite-Madrigal singers Joe Lentz, Sheila Chingwa, Steve Benton, Jeff Jones, Traci Ulrich and Kathy Rues rehearse for the Saturday Morning medley that was performed during their fall concert.*

*chamber,  
 concert  
 choirs  
 keep  
 busy  
 schedule*

Music for performances given by the Chamber and Concert Choirs was practiced until it was perfected and the results were flawless.

The Chamber Choir's hectic schedule included traveling to Cadillac to tape Christmas music that was later aired on T.V. 9 & 10.

Among other successful events, six members (Kathy Ruess, Theresa Meyer, Jeff Jones, Joe Lentz, Tracy Ulrich and Kim Kahler) tried out for the Regional Honor's Choir and each member had favorable results.

The Concert Choir, consisting mostly of freshmen, were outstanding at the Emmet County Care Facility on Thanksgiving,

and in the Spring performances given at the elementary schools in the area.

Officers of the Chamber Choir were Joe Lentz, president and Desiree Baird, secretary, while the Concert Choir was led by Siiri Shanely, president and Lisa Lentz, secretary. These capable people initiated competent decisions with great pride.

*FAR LEFT: Waiting patiently for her cue to begin singing is Wendy Johnson. According to Miss McGinnis, the girls' voices have improved considerably since the first of the year.*

*RIGHT: With perfect poise, senior Alana Lempke performs an outstanding solo with the backup of the band.*

## *back to the beginning*

Hundreds of hours of hard work, dedication, and effort were the difficult requirements of a 1981 Marching Band member.

With only 41 returning veterans (20 seniors, 11 juniors, and several sophomores and freshmen) the inexperienced Northmen still brought home several honors.

Opening the season at a moderate pace, the young members fought with patience to receive a third place rating at the Montrose Marching Band Competition. However, returning to Durand, the Northmen competed with twelve other bands and placed fourth overall. Although the fourth place was disappointing, the members did not allow this to slow down their momentum and spirit.

Ending the 1981 season,

senior Alana Lempke, accompanied by the rest of the band, performed an outstanding solo, "Looking Through the Eyes of Love." This was done in special tribute to band director Carl Brien for his leadership and patience throughout the year.

In comparison to bands of the previous years, Mr. Brien commented, "This year's Marching Northmen were a very inexperienced group. The effort extended by its members is something to be admired and praised. The progress through the season was phenomenal, and they truly showed themselves to be winners in every way."

A special thanks was given by band members for the assistance and support given by other volunteer helpers, including the Music Boosters. This foundation of support was greatly appreciated.

*ABOVE: These rowdy band members show their spirit during a cold PHS football game, as the Northmen edge for another TD.

## *bands sustain status*

Serious band members must have the tenacity of a bulldog in order to accomplish a year in Mr. Brien's Symphonic or Concert band. This persistence, cohesiveness and dedication paid off as both Symphonic and Concert bands received awards for their excellence in the District Band Festival held here.

Mr. Brien commented, "This year, we have had to rely on the skills and leadership of the underclassmen more than other years. It has taken much hard work by the people in the band program to maintain the many traditions of previous years. Due to many peoples' serious digging for as much as they could possibly give, we have succeeded."

*MIDDLE LEFT: Concentrating immensely on the performance of his band, Carl Brien directs a selection.*

*ABOVE LEFT: Engrossed in the tune is saxophonist Keith Schalk.*  
*LEFT: The bands combined effort proved successful in festivals.*

## club forms relations

Furthering relations with foreign exchange students and their countries is the main operation of the international Club.

The year's activities began with an International Weekend in Mt. Pleasant called "COSMOS." Cosmos was organized to enhance the relationships and understanding with other countries.

The International Club meetings were rotated at the homes of the club members. The meetings

determined which projects would take place. Projects consisted of a Tulip Festival, a visit to Hope College in May, and a senior party. In June, the club also took a trip to Mackinaw Island.

Ruth Kalkbrenner was again advisor for the club. Assisting Mrs. Kalkbrenner were: president, Suzanne VanBerlo; vice-pres., Jenny Beach; secretary, Sue Grosskopf; and treasurer, Robert Vermer.

## *successful year for french club*

Although temperatures were below freezing, spectators watched the most hilarious football game ever played at PHS. With the help of the 1981-82 French Club the first powderpuff football game was scheduled. Throughout the year the club participated in many other activities and projects. Visiting a French speaking city was a main goal toward which the club strived.

In the course of the year, the club participated in a number of community service projects, along with generating school spirit and pride. Community projects that took place were volunteering time to the hospital pediatrics ward

and Christmas carolling. In addition, the club took part in a Muscular Distrophy for Strength Dance. Other moneymaking projects consisted of M&M and sucker sales. The French Club also had a cross-country ski party and a Christmas party.

The club officers included president, Cathy Maxwell; vice pres., Rinny Goble; treasurer, Sarah Parker; and Mark O'Gawa as secretary and historian, along with Ms. Coon the advisor.

LEFT: Discussing new ideas for the French Club are Ms. Coon and Greg O'Gawa.

## *new trip planned*

Although they were greatly disappointed because the Carribean Cruise was cancelled, the Spanish Club hasn't given up hope of going on a trip to Mexico in 1983.

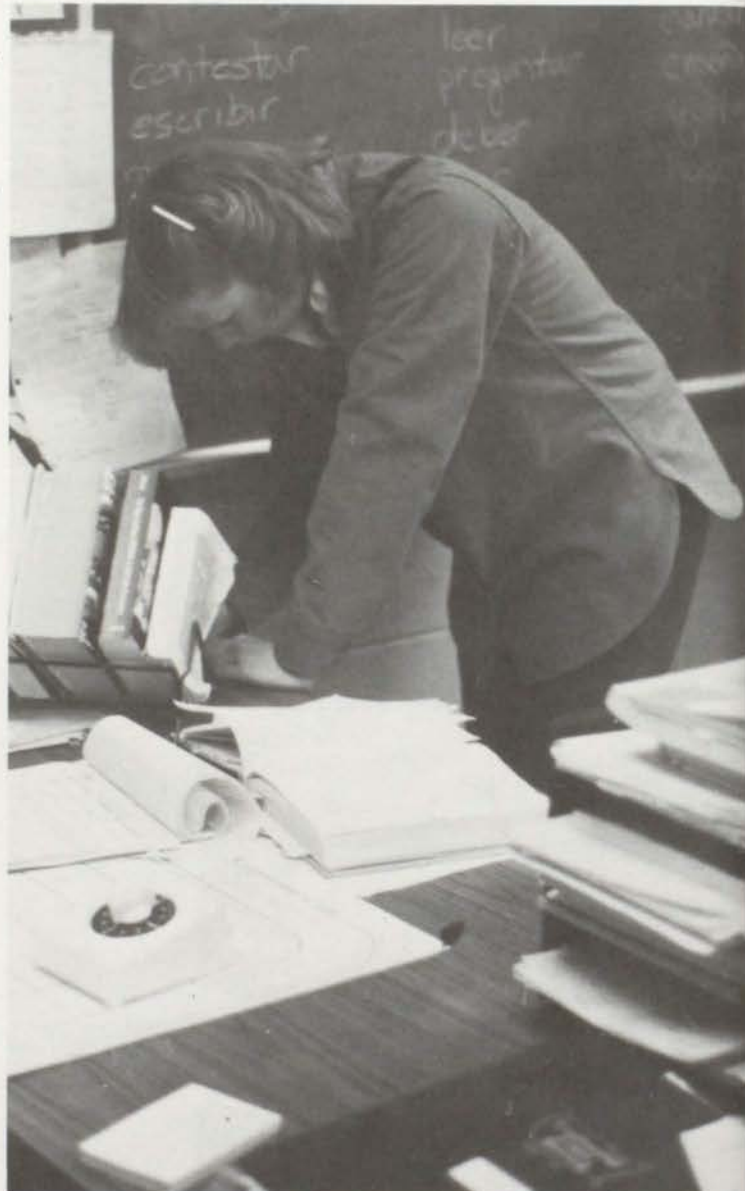

Along with learning the Spanish language, the club members participated in projects and activities. The club also worked on raising money for trips and activities.

The Spanish Club met at the high school each Tuesday of every month to discuss its projects and activities. The moneymaking

projects consisted of a Computer Dance held in February, a concession, and candy sales throughout the year. Other activities included a Christmas Swim Party at Chuck Cowell's home, and a casual "get it together" party in the spring.

Miss Jacobs, the new Spanish teacher of the 1981-82 year, advised the club. Officers were: president, Kathleen Parker; vice president, Charlie Colwell; treasurer, Tod Muche; secretary, Lisa Kleinstiver.

*RIGHT: Taking notes from a Spanish Club meeting is sophomore, Beth Blanchut.*

## *slower pace for latin club*

After years of being quite active in extracurricular activities, the Latin Club took a slower pace throughout the 1981-82 year because of the lack of students. There was only one Latin class; therefore these students were considered to be the Latin Club.

Meetings were held on Fridays during the class time so that all members could attend and participate. Although the

*LEFT: Because of the lack of students, the Latin Club held meetings during the class period. Participating in the club's discussion is freshmen Valerie Richie.*

Latin Club did not hold the annual Saturnalia in December and the Odyssey Dance in April, the club still held the Mock Olympics in the spring.

Mrs. Vratanina, continued as the club adviser. The officers were: Consuls, Kris Zipp and Janice Malkowicz; Scriba, Laurie Frenger; Quaestor, Kathy Robbins; Aediles, Maureen Connaughton and Dotty St. Amand.

## debate and forensics participation high

One of the most demanding activities in high school is debate and forensics, offered in Mrs. Howard's advanced speech classes. Participation was exceptionally high this year, and exceeded that of previous years' participation.

With over 30 competitors in forensics, a third qualified for regional competition in Mt. Pleasant on April 24 where they placed well.

The long hours of research paid off for the debate team as they ended the season with an impressionable record. The Novice team took first place in the Northern Michigan League while the Varsity team took a second place, as they did the previous year. The Varsity, the Novice, and the J.V. teams won seventy-five percent of their debates to qualify for the Detroit Free Press Debating Award.

Debate and Forensic coach Mrs. Elice Howard was quite pleased with the overall record and performance of the teams.

*activities/69*

## *yearbook provides a challenge for all*

Responsibility was absolutely the most important element in the Yearbook class. The staff depended on each other to finish work for crucial deadlines. As the first deadline rapidly approached, many students had to work overtime.

Writers often blamed the photographers for their late deadlines, but the photo staffers, too, put in double shifts to meet the demands of staff writers.

Ad sales were another important aspect of Yearbook. No matter how many were sold, Mrs. May, advisor, always stressed "MORE AD SALES!" She

emphasized that advertisement money was necessary to put the extra's into the 1982 "Pete".

The knowledge, skills and effort put forth by editor Shawn Graves became almost as demanding in quality as Mrs. May! However, her efforts were appreciated by all staffers. As the school year came to a close, many staffers looked back and realized that although the assignments seemed difficult at first, with experience, Yearbook became more than journalistically challenging; it became fun.

**EXTRA! EXTRA! READ ALL ABOUT IT! PETOSKEY HIGH SCHOOL DISTRIBUTES NEWSPAPER FREE!**

Many noticed that the PHS *Highlight News* had a new look; it was neater and cleaner. Several layout changes were made to give the paper this new effect, including a five-column format to replace the old four-column format. Both the students and advisor agreed that it greatly improved the quality of the paper.

The newspaper staff was able to distribute the *Highlight News* free of charge this year because advertisement sales were successful. Other money-making projects, such as selling candy and hosting the annual Sadie Hawkins dance also brought in funds.

The 1981 newspaper editor was senior Julie Sieradski, who contributed hours of hard work in making the *Highlight News* an outstanding example of newspaper journalism.

*LEFT: The newspaper staff often found itself working overtime as junior Amy Gardner demonstrates.*

*“how funky  
is your  
chicken?”*

This familiar chant was yelled by PHS sports' supporters, led by the Pep Club members. Enthusiasm, energy, and high spirits were the major characteristics each member possessed. The club devoted much time after school, to discuss several ways to raise money for the club treasury. Among these fundraisers, were the Northmen button and bake sales. Also, the Pep Club again sponsored the Homecoming Dance held on October 9, which featured the band, "Paradise."

The card section also stimulated high spirits amidst the rowdy participants and supporters of this year's basketball team.

*TOP LEFT: The card section added spark to the crowd at the home basketball games.*

*new  
music  
livens  
pep  
band*

Led by the cheerleaders, Pep Band marched through school halls, providing musical selections for pep assemblies.

The rowdy participants were members composed of concert, symphonic, and marching band, under the direction of Carl Brien. Scotty Hoffman also added his spark to the band when he took over as director.

The sounds of "Celebration," "Another One Bites the Dust," "Master-Blaster," and "The Boogie Woogie Bugle Boy," played by the 1981-82 Pep Band, provided new listening entertainment at the home basketball games.

This enthusiastic group livened the crowd and basketball team by adding their musical talents. Also, the PHS cheerleaders sincerely appreciated the Pep Band, because their pom-pom routines would have been impossible without the echos coming from the top bleachers by this talented group.

*TOP LEFT: "Jazzin' it up" on the new music selections are flutists Kyle Scott and Kenda Hughey.*

*TOP RIGHT: Concentrating on the next beat, Jill "Animal" Ball, contributed her wild personality to the pep band this year.*

*FAR LEFT: Many new pieces were added to the Pep Band's musical folders; many members thoroughly enjoyed playing the popular music this year at home basketball games.*

## *ffa is on the go*

One of the most active groups on the PHS campus was the Future Farmers of America. From September through June, the group was busy with their annual fund-raising activities such as apple cider, maple syrup, and citrus fruit sales. Other exciting activities that the FFA members participated in were a skating party, pizza parties, and their yearly hayride held in the fall.

The group conducted its business meetings in the Agriculture Building, planning activities for the year. These activities included a visit to the MSU campus in the fall, following trips to the State and National FFA Conventions. One highlight

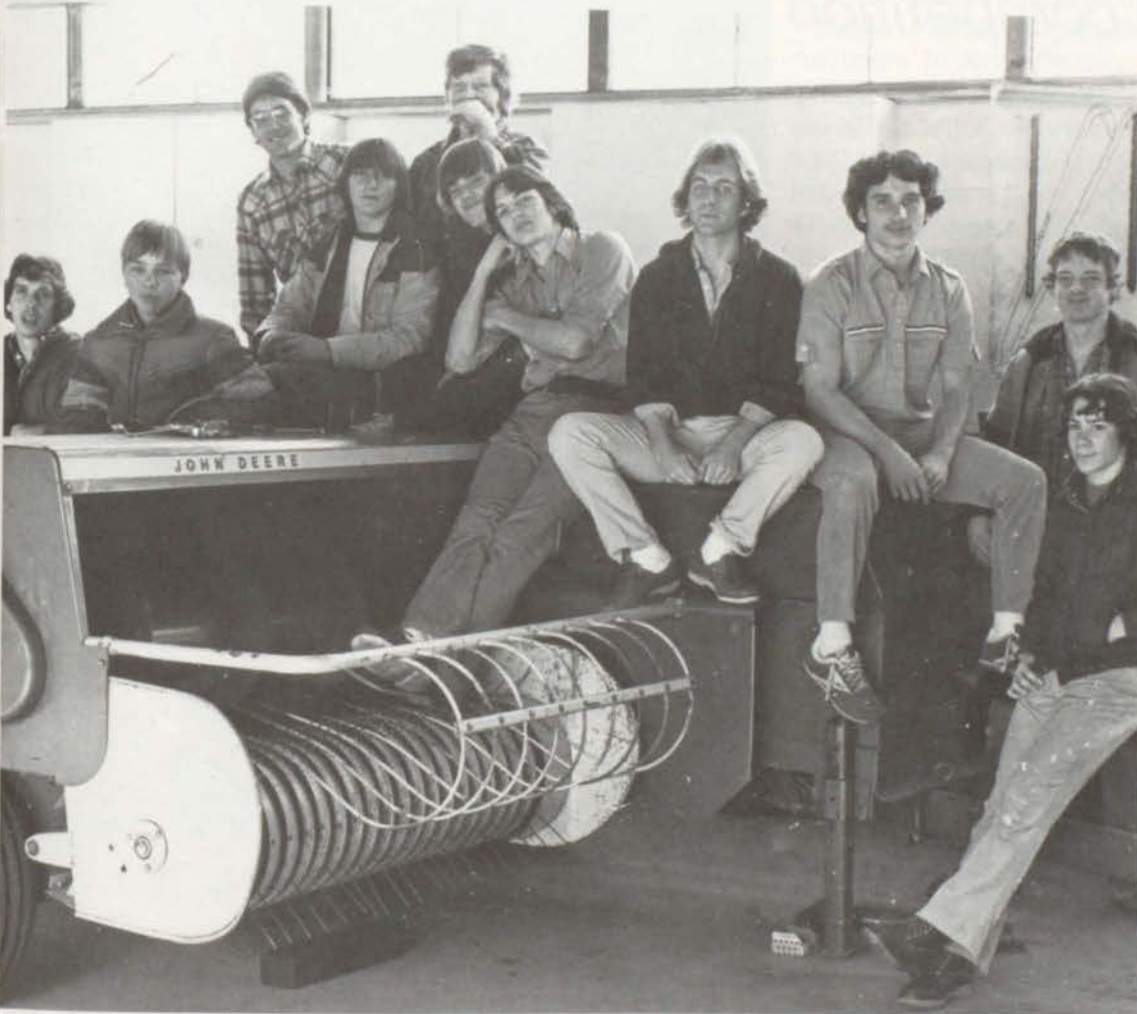

planned for the FFA members was an exciting trip to Canada in June.

Mr. Steve Maniaci, club sponsor stated, "FFA is the largest youth organization in the U.S. today. Not only do we have the Future Farmers of America but we have Future Farmers of Africa, Japan, Finland, Korea, and many other countries. Our members of the Petoskey Chapter take a great deal of pride in our organization."

Officers for the 1981-82 school year were: Brian Beyer - Pres., Al Welshimer - Vice-Pres., Laurie Terpening - Sec., Laurie Fraley - Treas., Robin Dohn - Reporter, and Randy Kube - Sentinel.

## *vica attends competition*

Preparing for leadership in the world of work is the main purpose of Vica. Their weekly meetings helped the chapter members become better prepared for the labor market.

Selling jewelry and license plates proved to be successful money making projects. Vica also had both a swimming and Christmas party.

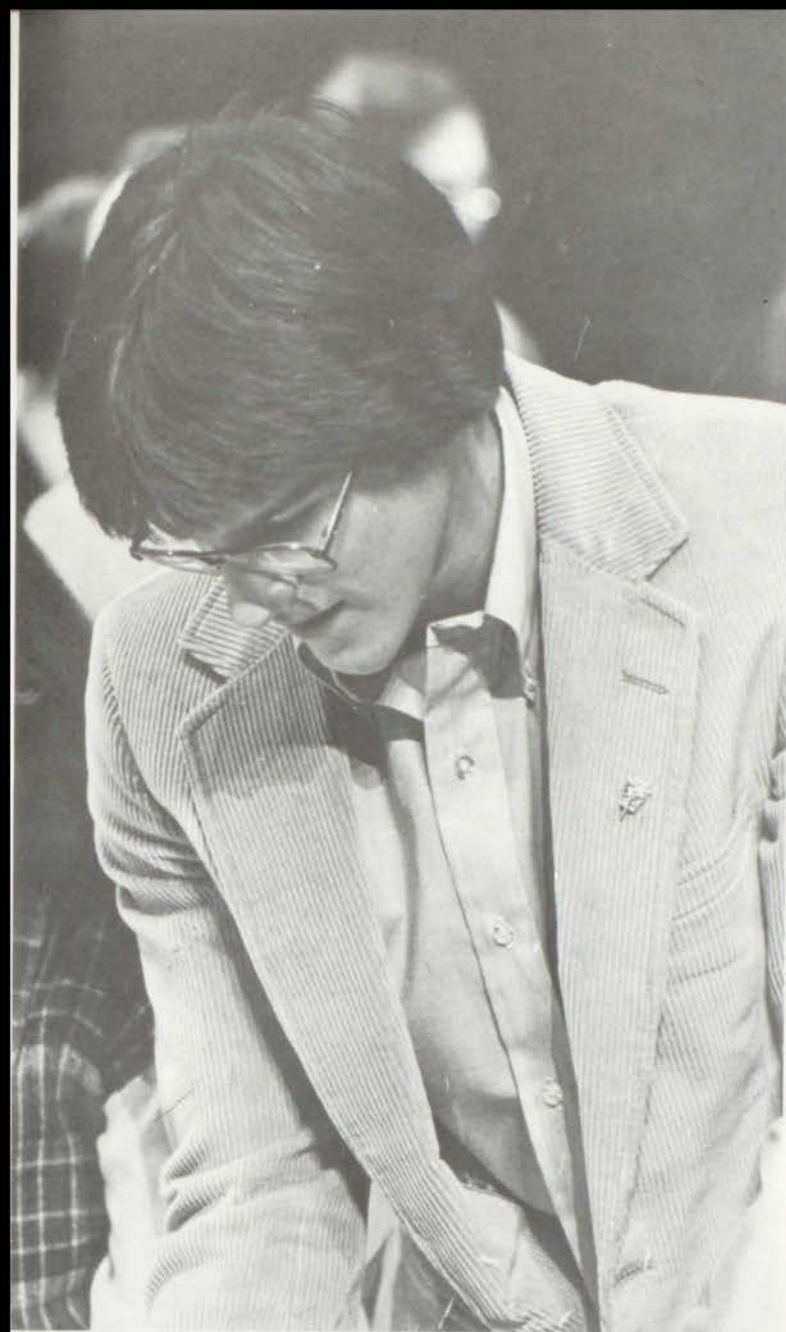

The chapter traveled to Marquette and Ferris State College for state competition. Then in June the members went to Lexington, Kentucky for nation-wide participation. Representing the 1981-82 year were officers: Laurie Fraley, president; Jeff Becker, vice-president; Martha Hannan, secretary; and John Bernardyn, treasurer.

## *nhs sets example*

*LEFT: After escorting a new NHS member up to the stage, NHS president, Scott Snyder, signs the induction book.*

*ABOVE: Remembering past inductions, Mr. Doctor solemnly watches two new inductees.*

Invitations to the senior induction were given to the entire freshmen class in hopes of setting an example of achievement. On December 14, seventeen students who maintained a GPA of 3.00 were inducted in Petoskey's National Honor Society. One major project was for members to act as tutors to the current freshmen class. They dedicated their time and efforts in order to help those students who were having trouble in school.

NHS continued its tradition of selling carnations for Valentine's Day. Other money making projects included several bake sales and a dance. Continuing as advisor for the 1981-82 year was Mrs. Barbara Prickett, while senior Scott Snyder performed the duties as president.

## *enthusiasm plays key role*

Due to enthusiastic club members, enough money was raised to help fund projects and supplies for girls' athletics. Money-making projects for the Girls' Varsity Club consisted of selling granola bars, hot chocolate and coffee at basketball games, along with sharing football concession stands with the Boys' Varsity Club.

Choosing several sports which expressed specific needs was the process used to determine which sport would receive financial help from the club.

Leading the money-making projects was advisor Maria May, assistant girl's track coach, along with the volunteer help of Julie Biddick and Mary Richwine.

When asked how the year went, advisor Maria May commented, "Money-making is always a hassle, but the results were well worth it."

*FAR RIGHT: Working hard at selling coffee and chocolate are Damschroder.*

*RIGHT: Volunteering her time at the concession stand is Mrs. Biddick.*

## popcorn proves successful

Selling popcorn again during the 1981-1982 year proved to be the major money-making project for the Boys' Varsity Club. Along with popcorn, the club sold candy and pop at the football and basketball concession stands throughout the year.

The money raised was used to help financially assist projects and supplies for boys' athletics. At the end of the year, a majority

vote determined which athletic group would be financially aided. The money that was not used was donated to the Athletic Department.

Don Dickmann and Scott Batchelor continued as the advisors for the Boys' Varsity Club. For the first time in the history of the club, members elected an officer — president, Todd Muche.

Promoting activities and giving students a sense of spirit at PHS was the student council's goal for '82.

The most successful event of the year was "spirit week," which took place the week of February 22 through the 26. It included a sensational hour long, pep assembly, and for the first time ever, a hall-decorating contest.

Class officers of the student council collected \$40 from students as prize money to be awarded to the winning class. Each class made an excellent attempt, but the seniors did an exceptional job which won them first place. Several fund-raisers were sponsored by the student council throughout the year. The freshmen dance was the most successful money-maker, bringing in close to \$600.

Officers of the '82 school year were president, Becky Gibes; vice-president, John Collins; secretary, Kathleen Parker and treasurer, Kitty Spinney.

## *pie-eating contest liven picnic*

Plenty of rain and unfortunate cold weather was predicted for the annual school picnic, but that didn't stop participants from having fun. The picnic was held in the cafeteria due to the weather, but the aromas of hot dogs and sausages drifted over the entire school grounds. Joe Hofbauer, a student and also a well-known DJ, played music and stirred the crowd that gathered to enjoy the afternoon.

The highlight of the day featured a pie-eating contest, that brought hungry contestants in to "pig-out" on delicious pies. The junior class took first place, proving that their mouths were definitely the biggest.

Other activities included wheel-barrel races, four-legged races and an interesting eleven-legged race competition that was performed by the Spanish and French clubs.

The picnic of '82 was an enjoyable experience for those who picnicked and participated in its many events.

*TOP LEFT: On your mark; get set; go! Tim Murphy attempts to devour a whole pie in a few seconds. The junior class took first place in the first annual pie-eating contest at the school picnic.*

## *team makes finals*

April 30, 1982 is a date that several PHS students will remember. Seven members from the high school participated in the Special Olympics held in Traverse City. The results from the competition proved to be successful because all members advanced to the State Finals, which were held on June 3-6 in Mt. Pleasant.

The day consisted of various events, starting with the track and field competitions. Other sporting events included swimming, frisbee throwing and gymnastics. After an awards dinner-banquet, the evening was brought to a closing with various types of entertainment.

Mr. Sornson and Mrs. Nettlemen continued as the advisors for the high school members who participated in the Special Olympics. Managing for the first time, was junior Theresa Ruemenapp, who proved to be very helpful to the team and its members.

*TOP: Enjoying his first place ribbon, Dan Badolucco signals he finished number one.*

*BELOW RIGHT: The 1982 Honors Assembly opened with Student Council President Becky Gibes leading the Pledge of Allegiance.*

## *leadership, service academic success*

Outstanding leadership, service and academic achievement were the focal points of the 14th annual Honors Assembly. The ceremony began with the reciting of the Pledge of Alligence led by Student Council president Becky Gibes.

Special awards were given in the areas of Journalism, Foreign Language, Debate and Forensics, Business, FFA, Phys. Ed., Health Services, Science and Mathematics.

A new scholarship, the Williams and Works Scholarship for Engineering, was presented to Rick Reinke for his skills in mathematics and drafting. The 1982 American Legion School Award was presented to Julie Sieradski and Rick Kutcipal who have demonstrated outstanding citizenship and leadership abilities throughout high school. The National Oratorical Contest Award went to Lisa Nelson for her excellent performance in both debate and forensics. The most prestigious award given at this year's Honors Assembly was the Art Trealor Scholarship for Chemistry. The recipient of this \$1000 Scholarship was Sally Basler. The 1982 Good Humor and Spirit Award was presented to Lori Fraley.

Proud parents, friends, and administrators were invited to witness the academic and personal achievements of these students.

*these  
are the  
best of  
times*

Set on picturesque Little Traverse Bay, The Harbor Inn provided the ultimate setting for the 1982 Junior-Senior Prom. The stairway was lined with red carpet leading to the entrance. After the traditional signing of the guest book each couple walked through the golden archway onto the dance floor below beginning a memorable night. Music was provided by the band Prism. Although many couples were not impressed by the bands' selections, this did not seem to hinder their enjoyment of the evening.

The outside porch provided the guests a place to gather and socialize with friends. Even the weather was perfect for couples to stroll the grounds and admire the bay and each other. As the night ended, May 15 will be remembered by most as one of high schools' "Best of Times".

*ABOVE: Excitement of the evening is on Kelly Hansen's face as she enters Prom '82 with her date Rick Haderer. LEFT: Dancing to the music performed by the band Prism are couples Gregg Baker and Bridget Noirot, John Johnson and Kirsten Ross and Dan Muller and Jennifer Czerkie.*

*LEFT: During a home game, freshmen basketball players Jeff Milner, Coach Wilson, Don Kuchnicki, Jeff Johnson, Mark Hoffman, Doug Piper and Scott Fettig watch the action on the court.*

*TOP LEFT: Varsity Football team captains make a short speech at the first football pep assembly.*

## *enthusiasm remains consistent*

Through the thrill of footballs' victories and the agonies of basketballs' defeats, the enthusiasm of the PHS cheerleaders remained persistent. No matter how tough the competition got, the cheerleaders supported their teams until the end. Many long, hard-working, but enjoyable hours were spent to achieve their goals and to perfect their cheering skills. Practices began in early June and continued through March, with the guidance of a new coach, Sue McCreedy.

Senior, Lisa Nelson, received recognition as a four year cheerleader. Lisa has been a leader for two years.

The Varsity and J.V. squads attended USCA camp at the U of M campus in early July. Many awards were received by both squads, and together they competed and received a plaque for the "Most Improved Squad". Practices, long hours and camp paid off for the cheerleaders, because the spirit and enthusiasm at PHS never seemed higher.

# frosh improve skills

Many skills were learned throughout the year by the young freshmen squad. Although they didn't win a single game, they worked hard trying to learn at all times. The participation of the team was good and this showed during their drills and practices. The team captain for the

season was Dean LaBlance. Outstanding players, who showed good poise and leadership were Mark Schuch and Dean LaBlance. The experience gained under coach Dwayne Swenor and assistant Dave Pryzybylski helped the team to improve. All twenty-two members played well together during the six games played. Although they did not have a successful season, they enjoyed playing football and developing new skills.

With only fourteen members, the odds surely didn't seem in favor of the 1981 J.V. football team. Despite their six game losing streak, the team never lost their determination.

Team captains were selected for each game so that everyone had an opportunity to represent the team. Steve Colwell led the offense by rushing over the 1,000 yard mark while leading tacklers on defense were Ken Kuchnicki and Dave Swartzfisher. Special recognition was given to these members, along with Eric Joneson and Chris Woodcock for their consistent team leadership.

Coach Dave Brines commented that the 1981 year was a learning experience for every member. "The kids learned that they should never give up no matter how great the odds are."

## bullneck, deathgrip, breakdown

*LEFT: Assistant coach, Mark Smolinski provided incentive for the team.  
BELOW: Assistant coach (left), Roy Harvey provided enthusiasm, while Head coach, Barry Aspenleiter refined skills of the young team.*

These familiar words could be heard from assistant coach, Roy Harvey, as he inspired the Northmen before each game. His encouragement lead them on to a 6-3 victorious 1981-1982 season, which placed them fourth in league standings.

This year's co-captains were Paul Fruge and Al Southwood. Most valuable player awards went to Troy Goodrich, Mark Gregory, Dan Chilcott, and Paul Fruge. Jim Haggarty and Paul Fruge also received honorable mentions as three year letter winners.

Head Coach Barry Aspenleiter commented that this year's team was enjoyable to coach because of the positive attitudes of each of the players.

The highlight of the 1981-1982 season was when the Northmen defeated the Cadillac Vikings with a final score of 21-20. The anticipation built as the game went into double over-time, and Troy Goodrich ran a conversion for an extra two points, winning the game. Head Coach Barry Aspenleiter commented that the team played an excellent game.

# girls advance to state; boys 4th at regionals

Recruiting the largest team on record with a total of 17 boys and 7 girls is how the 1981 Petoskey cross-country team achieved its goals.

The girls' team finished third in the regional meet which advanced them to state finals. This gave them the honor of being the first whole team to ever qualify for a state meet. Leading the girls' team with Regional honors were senior Karen Budek and junior Melissa Hoffman. Special recognition was given to Karen for her four years dedication to the team and for qualifying for the state meet three times.

Even though the boys' team did not make it to the state meet, they did set their own record by finishing fourth at Regionals.

Fred Ehrlich led the team with both all-conference and Regional honors.

Also contributing to the team's success was Regional winner John Gobel.

The 1981 captains were Dave Coveyou and Todd Muche, who was also designated most valuable runner.

Most improved runner for the season was awarded to junior, Will Coffey.

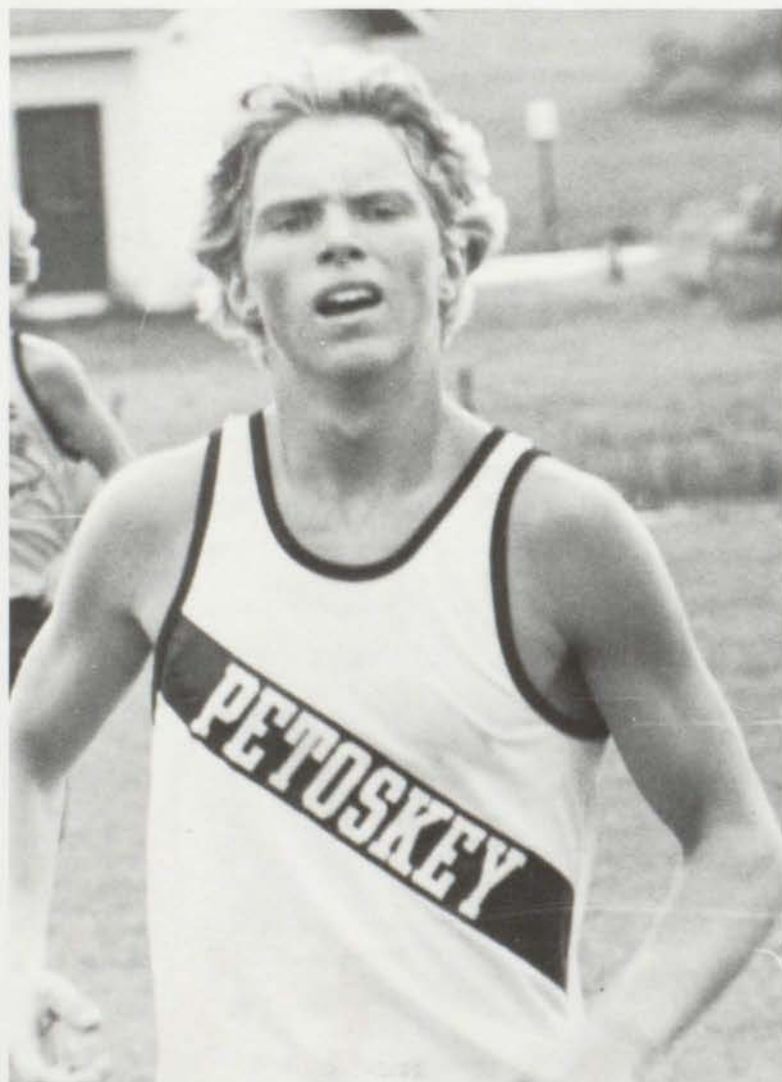

Girls' and boys' cross country coach, Don Dickmann commented that this team was very close-knit and worked hard to achieve the goals it set.

*efforts  
 unrewarded  
 but  
 appreciated*

Soccer Club captain, junior Mark O'Gawa, set the pace for this year's successful season. In the ten scheduled meets, the team lost only three. Coach Scott Bachelor stated that the team matured and played exceptionally well all season. Outstanding senior players were: Todd Thompson, Paul Sattlemier, Rick Kutcipal, Dan Carpenter, Charlie Colwell, Brad Luepnitz, Paul Muller, and goalie, Chris Long. It was disappointing that the many fine athletes on the team did not receive athletic letters since soccer was not an official school sport. The soccer club has not given up on appealing for official varsity sports status, but with budgets tightening, that seems to still be somewhere in the future.

*prospects  
for  
varsity  
are  
excellent*

Freshmen comprised the majority of the J.V. skiers this season. However, this was not a handicap to the team as each member contributed greatly. According to coach Larry Gunderson, no single skier was outstanding, but each contributed his skills and talent, making the team as a whole, very strong.

Co-captains for the teams, Greg Carpenter, John Herlocker and Romy Gingras demonstrated the kind of leadership skills that enabled the teams to post a 2-1 triumphant season.

Team members included Bill Sequin, Greg Carpenter, John Herlocker, Mike Atchison, Mike Guswiler, Lat Spinney, Mario Duse, Rex Kinne, Kevin Srigley, Rebecca Smith, Marcy Stamm, Deanna Steffel, Sue Walinski, Stacy Kline, Gloria Kinsella, Amy Neidhammer, Kathy Stevens, Connie Campbell, Maureen Connaughton, Peggy Ellenburger, Tracy Fedus, Romy Gingras, Tracy Hiller, Karen Kalchik, Julie King, Stephanie Rowe, Stephanie Sztengel, and Jane Ellman.

# boys and girls take state

Each member of the 1981-1982 Varsity ski teams possessed a talent that, together as a team, proved their abilities and won them the state championships.

Both the girls' and boys' team had a triumphant season. While competing at Crystal Mountain, both the girls' and boys' team breezed through conference, and regionals, and then went on to take state.

Co-captain for the girls' team was their only senior, Kate Linck. The most valuable skiers were Amy Rudolph, and Lisa Kleinstiver.

Marlee Brown took all-state first team, while Teresa Linck took all-state second team. Kate Linck and Suzy Damschroder won all-state honorable mention. The team took their third unprecedented state title, marking a first in PHS history.

Rick Kutcipal and Todd Thompson represented the boys' team as co-captains. Voted most valuable skiers were Brad Hofland and Dan Turcott.

The all-state first team consisted of Rick Kutcipal, Paul Sattlemier, and Todd Thompson. The boys' team took first place in the state championship. Coach Gunderson stated, "Last year after being state-runner up, they got a taste of victory, and this year they brought home the championship.

Coach Gunderson also commented, "These are the best two ski teams I have ever coached, and they deserved to win."

A large, but young team did a fine job this year, placing third in the conference. Only 2 out of the 14 girls were returning letter winners. They were senior Chris Bur and junior Mary McDonald.

The captains this year were Chris Bur, a three-year letter-winner, all conference winner, and most experienced. Senior Kathleen Parker was also captain, an all-conference winner, and showed excellent leadership as a captain.

Other awards given out were Honorable Mention to Beth Waldo and Beth Shanley. Most Good Serves was given to Kathleen Parker and Most Spikes to Chris Bur.

Being such a large team, the girls had to work twice as hard for their positions. Coach Mary Johnson is looking forward to a better season next season.

## netters second in conference

Tied for second in the conference, Petoskey girls' J.V. volleyball showed tremendous improvement over last year. Their overall record was 7 and 3. Laura Grow, Rhonda Shaffer and Mary Mathews did a very good job as captains this year. Throughout the season all the girls showed enthusiasm and the ability to have a successful season. Extra effort was given by Laura Grow, who moved up to varsity for districts.

Coach Wendy Brown was very happy with the turn out. This year was her first year coaching, and she did a fine job. She is looking forward to next year.

The contributions made by one or two strong players allowed the J-V girls to have an overall good season. The team consisted mostly of sophomores and three freshmen. This year's captains were Jennifer Czerkie, Laura Grow and Kirsten Ross. Laura Grow's good effort enabled her to be moved up to varsity. Consequently, Beth Shanley became the other captain. Laura Grow and Beth Shanley, along with the rest of the team, showed their talent throughout the season. The overall season record was 7-11, but six of the eleven losses were extremely close. Mr. Raiche stated that the team has worked hard and improved tremendously. He will look forward to a good season next year.

## netters show poise

The impressive talents of the girls' varsity basketball team showed this year as they were led by four seniors, Kelly Hansen, Kelly Parsley, Lisa Amtsbuechler, and Dawn Bonter. The team consisted of twelve members, four seniors, six juniors, and one sophomore.

The team started the year by winning five out of six games, the best start the girls have had in coach Bill McClutchey's four years of coaching.

The team ended the year by posting a 7-7 record, tying with Charlevoix for fourth place in league standings.

One school record was broken this year by sophomore Sue Damschroder with 26 rebounds, breaking Eileen O'Brien's old record of 20. Kristen Ronan came close to setting a school record by accumulating 260 points in one season. That was third in Petoskey's history, and only 12 points off the school record.

Conference ratings showed that Kelly Hansen and Kristen Ronan had made all-conference, while Dawn Bonter and Sue Damschroder made honorable mention.

Things went quite well at the beginning of the season until some key injuries hurt the team's effectiveness. However, Mr. McClutchy felt overall, the season was good and was a learning experience.

## freshmen improve skills

Throughout the season, the freshmen basketball team demonstrated the ability to improve. With the fine coaching skills of Mr.

Wilson, the team successfully completed the season with hard work and dedication. Even though freshmen Mark Hoffman was moved up to the J.V. team at the start of the season, the remaining 14 players pushed themselves to a fine 8-10 finish. No two captains were chosen as the position was rotated every game, giving each player a chance to show leadership. Coach Wilson never singled out any of his players and he commented, "Continued perseverance of the young lads under my tutelage will someday pay off when they reach the varsity level and display the basic skills mastered during this year of trials and tribulations."

*FAR RIGHT: Preventing a turnover, Scott Luepnitz passes the ball away to a teammate.*

## *young team, tough challenge*

The challenge was great and so was Northmen's spirit for the season. By only having two returning seniors, the team played well and stuck together throughout the tough season.

Returning letter winner and senior Jim Alton received recognition as being this year's team captain, along with being awarded with all-conference and all-state honors. Jim also ranked 3rd in the league scoring statistics, while Troy Goodrich ranked 20th. Seniors Jim Alton and Bryan Stump will be greatly missed next season.

The experience that was lacking this year will be present next year and a prime factor in next year's team, with 10 seniors and one junior for the oncoming season.

Coach VanWagoner stated, "The team was a hard working group of guys that never quit, even though they were losing. At the end they had improved to the point of being able to beat the best teams we played."

*LEFT: Showing his defensive ability is senior All-State Jim Alton as he leaps high for one of his many blocked shots.*

# wrestlers place highest in state

An excellent effort given by the Petoskey wrestlers enabled them to place higher in State competition than they ever have before.

Senior Jim Haggerty was District runner up and, placed third in Regionals, but also placed 5th at State. Jim Pemberton also exhibited his talents which resulted in a very successful season, being conference champ for the second year, District champ and a Regional runner-up, placing 3rd in State Competition. He held the record of most consecutive victories in a season (35), most pins in a season (23), and most tournament championships (6).

Paul Baerwolf, heavy-weight district runner-up, and Jim Haggerty served as

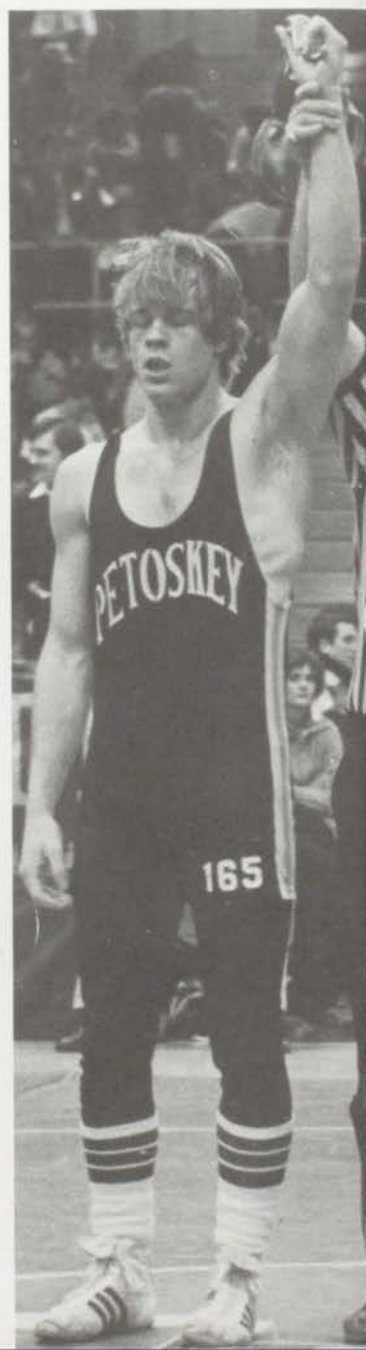

Co-Captains. Coach Arthur stated that the team had a fine season. Their effort was aided by good performances from sophomore Tim Harrington and juniors, Rich Walker, Jim Pemberton, Kip House, Terry Galmore, John Hudson, Eric Simard. Coach Arthur was happy with the hard work and determination of the team.

 FAR RIGHT: First year coach Roy Harvey pushed his boys hard, which showed as they claimed their second straight Class B district title.

## northmen advance to regionals

Although the boys did not recapture their conference title, the 1982 baseball team did succeed in claiming their 2nd straight class B District title. Under the leadership of first year coach Roy Harvey, the team worked hard all season, advancing themselves to Regionals.

In District competition, the team defeated Sault Ste. Marie by a score of 8 to 7, and proceeded to the finals. There they came up against Ogamaw Hts., where they were victorious with a score of 6 to 12.

Down in Mt. Pleasant, at the Regional tournament, they fell victim to Chippawa Hills 10 to 2, in the first game.

This years team captains were seniors Al Southwood and Steve Mindel. Steve Mindel, most valuable player of of the year, also won All Conference honors.

Coach Mr. Harvey commented, "The team at times displayed a "never say die", attitude. They came from behind in more than one game to be winners". Coach Harvey also wanted to give special recognition to juniors Tom Nelson: shortstop, Mickey Walker: 2nd base, Mike Faust: pitcher, and Senior Jim Alton: first base.

## three are conference champs

Three members of the 1981-1982 boys' track team took conference championships in their respective events, and the team placed second overall in conference standings. Winners were: senior, Bill Schroderus in the pole-vault event; sophomore Fred Ehrlich in the two mile run; and sophomore John Goble in the 880 run. John Goble also qualified for state while competing at Regionals in the mile run.

The team placed first in the Newberry, and Sault Ste. Marie Invitationals, and during the Petoskey Relays, placed second. While competing at Regionals, the team placed seventh out of seventeen teams, while the freshmen and sophomores took third at the Rogers City meet.

Coach Barry Aspenleiter commented "Super Job! They scored more points in the regional meet than any other PHS team that I can remember." He also added that the team should have another excellent season next year, as most of the members will be returning.

## *mile relay makes state*

Outstanding efforts of five seniors, Kelly Hansen, Karen Budek, Lisa Amtsbuechler, Kathleen Parker, and Sally Basler will be greatly missed in the upcoming season.

However, a strong effort was also made by state qualifiers for the mile relay which included Kelly, Karen and sophomores Suzy Damschroder and Tuesday Lordson. Although they didn't place in state competition, they broke the school record by six seconds 4:10.4. Other records broken included the 440 yard dash by Karen Budek, with a time of 61 seconds.

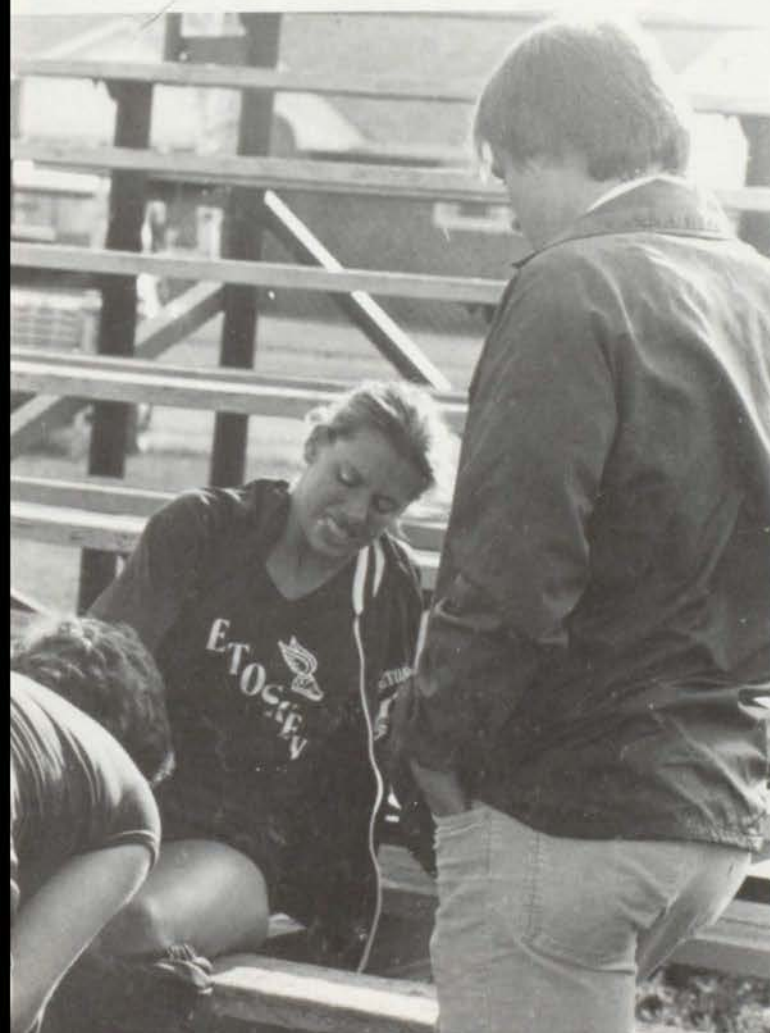

Placing third in the Michigan Huron Shores conference, the girls had a tough battle. Rogers City, Cheboygan and Grayling all had strong teams and the conference meet was very close.

This season both four year letter winner Kelly Hansen and third year Karen Budek were looked upon and awarded most valuable runners. Most improved for the season were juniors Melissa Hoffman and Margaret Collins, both of whom will be key runners next season.

The team consisted of forty-one girls, most of whom were young. But the experience they have gained will give the team a good basis for next year.

Coach Batchelor and Maria May stated, "The examples set by Kelly and Karen provided the team with great incentive. We will all miss them greatly next year."

*TOP LEFT: Battling for positions in the mile is sophomore Tuesday Lordson and junior Melissa Hoffman. ABOVE: Reaching the peak of her jump is senior Lisa Amtsbuechler. LEFT: After finishing a race, Karen Budek grimaces in pain as Kathleen Parker and Coach Batchelor assist her.*

## state qualifier

Number one singles sophomore Beth Blachut was the first girl from PHS to ever qualify for state finals. She led the 1981 girls' tennis team with an impressive record of 5-1.

Also adding to the girls' most successful season was senior Robin Kuebler who was recognized as this year's most valuable player.

Other awards given out to the 17-member team were: most improved, Marlee Brown; most perseverance, Stephanie Sztengel; and best sense of humor, shared by both junior Kate Cusack and sophomore Amy Rudolph.

With a record of two wins and four losses, coach Karen Langs commented that if the spirit and enthusiasm shown this year is continued, the 1982 team can look forward to a winning season.

## langs takes state

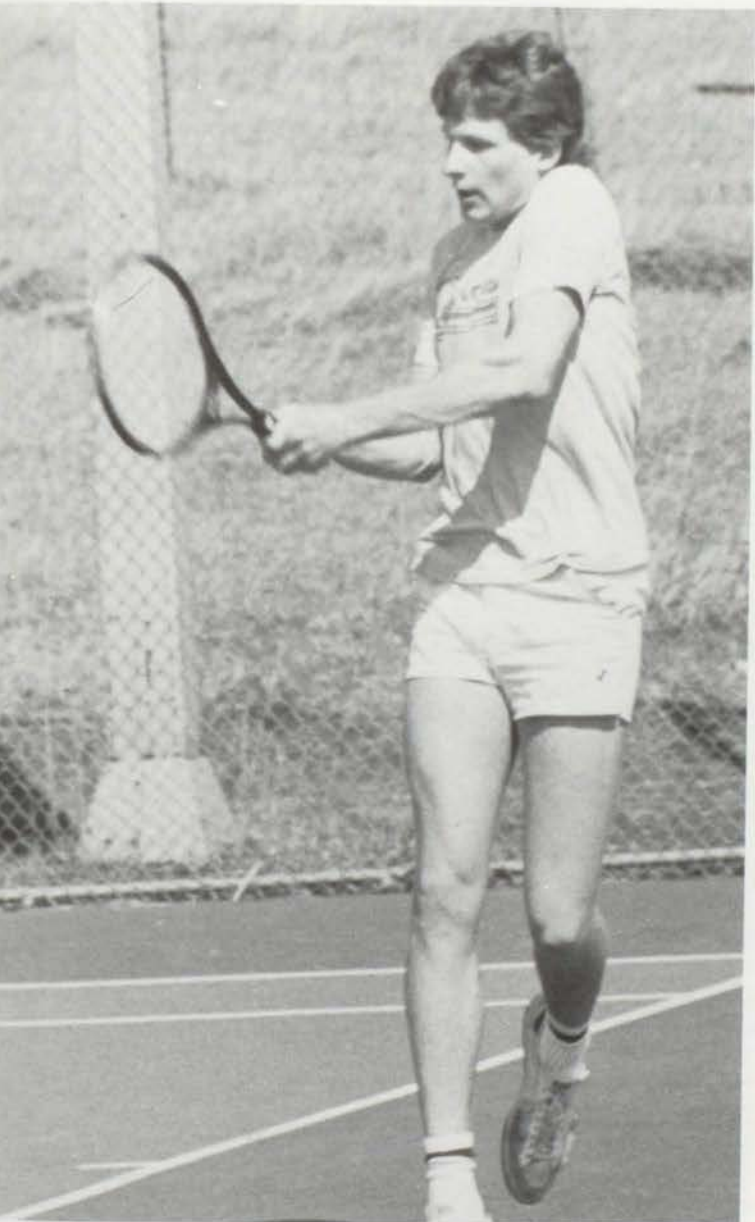

Scott Langs is the first member of the boys' tennis team to win the Class B singles state championship. Scott broke the school record just ahead of Scott Snyder, with 27 wins and no losses. Snyder ended the season with a 23 wins no losses record. The previous record was 23 wins one loss. Combined, Langs and Snyder had a 50-0 record.

The team ended the successful season with 10 wins and one loss, and showed a fine team effort, according to coach McClutchey.

Other members who contributed greatly to the teams success included 3rd singles Bill Butcher, 4th David Sheilds. Number one doubles was Andy Stewart and Tom Seely, number two included Paul Sattlemeier and Paul Muller and lastly number three was Charlie Colwell and Mike Steffens.

Robin Elder  
Laura Turchan

Ass't: Donna Pontbriand

Softball's two year old team was a young but strong team. Kelly Parsley and Patti Strobel were the only two senior letter winners that returned. The team consisted primarily of sophomores and juniors. Coach Julie Biddick stated that although some of the players didn't get much game time, they kept working hard at practices and in games. Her starting line up, she said, was easy to plan because many of the girls could play two or three positions rather well.

The overall record of the girls was 15 and 12. They attended two invitational tournaments, and were successful at Cadillac.

Coach Biddick said there were several most valuable players, but Cheryl Sieradski stood out most in batting and Monica Malec in pitching. "The girls all worked very hard this year and have deserved to win."

The girls ended the season being District runnerups, which is excellent for a second year team.

*RIGHT: Scoring another run for her team is senior Kelly Parsley. UPPER LEFT: In her catching position is sophomore Robin Elder.*

# most wins ever

Excellent team effort by all ten boys kept the top players of the golf team competitive all season long. Teams letter winners were Dan Turcott, Brian Grow, John Johnson, Pat Kruskie, Tom Putters, Kyle Mathers, and freshmen Steve Linck and Jeff Johnston. The team record for the season was 13-0, which is the most wins ever for a PHS team. The team also was conference champs with Steve Linck scoring a 78; Brian Grow, 79; Jeff Johnston, 82; John Johnson, 85 and Dan Turcott 88. In Regionals, Petoskey placed fifth. Mr. Milner stated that he was pleased with the fine contribution from freshmen Steve Linck, and Jeff Johnston.

*TOP LEFT: Eyeing the ball and lining it up for a perfect shot is sophomore Tom Putters.*

*RIGHT: Speaking on behalf of boys' track, Bill Schroderus and Tim Lamkin concentrate on some of the funnier moments.*

Recognition of athletic accomplishments throughout the year was the purpose of the annual Athletic Banquet. The cafeteria was filled with athletes, coaches and parents whose dedication to sports has been evident.

MC's for the event were seniors Kate Linck and Rick Kutcipal, both of whom have shown excellent performances in high school athletics and were members of their respective state championship ski teams. Each was responsible for introducing representatives from each high school sport to relate an account of the sport's season.

Student speakers named varsity letter-winners and outlined their seasons as a whole. Even though some sports did not have winning seasons, the athlete speakers found humorous ways to relate experiences and team growth.

Bill Freehan, guest speaker, emphasized the need for team commitment and effort. He stated that individual talent can only be used to its fullest potential through total teamwork.

The evening climaxed with Karen Budek and Todd Muche named as this year's scholar-athlete recipients. Their names will be added to those which are already engraved on the trophy presented to these outstanding athletes.

Bud Neidhamer, Athletic Director, gave a special note of thanks to the Petoskey News-Review for its excellent coverage of sporting events, to the Athletic Boosters' Club for its continued support, to parents for their help, and to coaches and athletes for their dedication and persistent hard work.

The night ended with handshakes, autographs, and smiles; nostalgic for the seniors and optimistic for the underclassmen.

## seniors

When the class of '82 entered PHS as freshmen it was a totally new experience. They went from being the head cheese to the runts. The ones that were stepped on, over and around — the underclassmen. The years went by quickly—freshman, sophomore, junior—and suddenly they were the seniors — the upperclassmen. Now it was their turn to look down on the underclassmen, to feel superior and insurmountable. Many long, hard hours were spent striving to reach this position, and they basked in the glory. However, they no longer had someone to look up to, admire and idolize. They were faced with endless decisions and dreams to fulfill, and they had the rest of a lifetime to reach their goals.

*students  
have  
year  
to  
remember*

The 1981-82 school year is definitely one to be remembered. It was marked by a variety of trends in the fashion and music worlds. Students wore clothes that were preppy, punk or labeled with famous names. The music they listened to also varied - from the controversial Ozzy Osbourne to new wave groups like the Go-Go's and the B-52's. The also saw many crises, such as the Falkland Island disputes and the devastating mud slides in California that killed hundreds of people. As the seniors stepped into their future and the underclassmen advanced a step, they knew that they would never forget this memorable year.

*TOP: "D.J." Darryll Hamlin spins the latest hits at one of the many PHS dances.*

*TOP RIGHT: People were warned about subliminal messages that are supposedly hidden in Ozzy Osbourne's songs, which were labeled as "satanic".*

*ABOVE: French class members Kitty Spinney, Dan Carpenter, Todd Thompson, Julie Sieradski and Anne Marie Diegel act out the party that ended the 100 years war, which was studied in Miss Coon's French classes.*

*RIGHT: Many new groups made their debut and Asia was among them.*

# Ski Teams Take State

Bridget Brown

PHS boys and girls ski teams both took a first place in the State finals held at Crystal Mountain on March 1, 1982. Rick Kucipal took a first and a second, Todd Thompson, a double fourth, Paul Sattlemeyer, a fifth and sixth, Trevor Thompson, a tenth, Dan Turcott a twelfth, and Brad Hoffman, an 18th place. The girls scores were: Marlee Brown, a double first, Teresa Linck a second and a ninth, Suzie Damschroder, eighth, Kate Linck, 14th, Amy

## LIMITATIONS IMPOSED ON CANDY SALES

Chris Bargeron

The PHS administration recently announced new guidelines for the sale of candy during school hours. These guidelines limit the length of time each group can sell

In order to find a solution to the problems, Ray Arthur, head wrestling coach and advisor to the Wrestling club, organized a meeting of advisors of the various clubs, with administrators pre-

to put in some order and sanity."

The sale schedule for the rest of the semester is as follows:

Wrestling Club-Nov. 1-13  
FFA Fruit Sale-all during December

French Club-Nov. 16-Dec.1  
International Club-Dec. 2-15  
Spanish Club-Dec. 16-Jan. 8  
Yearbook-Jan. 11-22

Not everyone is totally happy with the new guidelines. "I hated to see the limitations (placed on

## Are You Prepared for College Entry?

Amy Gardner

It's February, and though it may seem far away to many students at PHS, college entry is becoming very near to others. Students should be thinking of a college to attend and the requirements of that college. College entry can be pretty scary if one doesn't know what colleges will look for when examining records. The trauma of college entry can, however, be lessened by use of the Career Resource Center and by conversations with the many staff members associated with it. Also, knowledge of the elements of a high school background for which colleges look helps tremendously.

The first and most important is

## editorial:

## Legislation To Warn of Subliminal Messages

## NMPP ASSURES

## TEENS CONFIDENTIALITY

Julie Sieradski

Any girl under 18 who visits Northern Michigan Planned Parenthood to obtain prescription birth control will be granted full confidentiality, assures Bonnie Willis, NMPP director.

Recently there has been confusion over the proposed regulation that would require federally funded birth control

funding or totally disobeying the regulation. NMPP is financed by clinic fees and private donations. The only government money they receive comes from a few Medicare patients.

Many girls have called the clinic wondering if their parents would be notified if informed of their visit. While these girls were assured full confidentiality, Mrs. Willis

## All PHS Athletes Take a Blue

Teresa Ruemenapp

Three weeks of training-learning to run with endurance, stretching formerly unused muscles, practicing again and again-came to an end Friday, April 30 at the Special Olympic competition held at Traverse City.

Seven PHS students attended

race for those who were unable to run.

There was also a relay race for which PHS did not have enough boys to make a team. They did, however, make an exception and allowed Kevin Martin to run on the PHS girls' relay team.

"I didn't care as long as we

## PIT STOP OPENS

Heidi Harrison

Mr. Larry Gunderson's merchandising class will be opening The Pit Stop, PHS' first school store in mid-November. The Pit Stop will carry a variety of items ranging from pencils and notepads to donuts and juice. Merchandise for the store is being ordered from local companies such as Schillers and Seyfert Foods, Inc. Products are also being purchased from New York.

The store will be organized in six basic departments: sales, operations, merchandising, accounting, management, advertisement, and display. Students have chosen the department in which they would like to start. Mr. Gunderson prefers, however, to have students

store needs capital to operate as most merchandising firms allow a 30 day to 6 months basis before goods must be paid. Mr. Gunderson feels that the store will be able to generate the cash flow to pay billings by the allowable time.

Students have been working for the past two months, since school first began, to renovate room 213 to serve as both the showroom and stockroom of the Pit Stop. Mr. Gunderson has supervised all the painting and displays, but the actual work has been done by the students themselves.

Original plans called for the store to open in September or early October, but the opening has been rescheduled for sometime in mid-November, due to the amount of preparation necessary to begin the store.

## SEE YOU AT THE TOP

Julie Sieradski

"This class has value for every student in the school."  
"It gives you lots of confidence."  
"I think it will help with sports."  
"Super."  
"Excellent."  
"I want to teach it again."

These quotes describe See You at the Top, a fairly new class in Positive Life Attitudes. Brought to PHS in 1980 by guidance counselor Duane Taylor, the class is open to any student, and most agree that it would be beneficial to any student.

The class, which Mr. Taylor prefers to call an "experience", is

**TOP:** With faces full of anticipation, Petoskey guys Rick Reinke, Jim Gray, Steve Foster, Kevin Simon and Greg Pierce await the ride that got them all thoroughly drenched.  
**ABOVE:** Leaving one of their favorite spots in Cedar Point are Phil Weeter and Paul Baerwolf.  
**RIGHT:** Taking a rest to run a comb through her antennae is Patti Strobel.

## *point us to cedar point!*

An eight hour bus ride can be boring and uncomfortable, but Cedar Point makes up for it! The weather was perfect for the annual senior trip - not too hot and not too cold. The yearly event took place on June 4.

A breakfast stop was made at McDonald's in Toledo, Ohio, before the three busloads of rowdy seniors were deposited at the famous amusement park. Once inside, daring people ran for their favorite rides - The Gemini, The Corkscrew, and The Blue Streak, while the more timid made their ways to the water flume, the Ferris Wheel, and the train ride. Although totally exhausted, smiles, t-shirts, antennae and mugs, along with carmel corn, pizza and candied apples accompanied the seniors who reboarded their chartered buses at 6:00 pm to head for home.

*TOP LEFT: Showing how friendships can prosper over a short period of time is exchange student Junko Tanaka and Corintha Goble.  
LEFT: Waiting in line for one of many roller coasters are Hans Yentz, Jim Liska, Steve Hickman and Rex Kinne.*

RIGHT: Class secretary Michelle Buday demonstrates her zaniness after the graduation ceremony.

BELOW: Receiving a few words of advice from senior class advisor, Mr. Wiles, is Mike Hempstead as he begins the traditional graduation march.

BOTTOM: Concentrating on the evening's celebrations is Sally Basler.

FAR RIGHT: "Graduation Day," a song composed by class vice-pres., Jeannie Schwartzfisher, was a memorable highlight dedicated to the Class of 82.

BOTTOM RIGHT: Checking out their diplomas, these successful graduates were relieved to find valuable signatures inside.

*is it  
the  
beginning  
or  
is it  
the  
end?*

A standing ovation was given by the senior class for a song composed by class vice-pres. Jean Schwartzfisher. This expressed their appreciation for her insight into the joys and frustrations of their past, present, and future goals.

The traditional ceremony of graduation began with Mr. Don Caird's address to the Class of 82'. As Mr. Doctor and Mr. Slater read the names of each successful graduate, they proudly crossed the stage and received a signed diploma along with a congratulatory hand-shake from Mr. Caird and Dr. Ronan. Class President Karen Budek led the final countdown before the turning of the tassels and graduation of 1982 came to a close.

*TOP LEFT: 5 ... 4 ... 3 ... 2 ... 1 ... !! President Karen Budek led the countdown before the turning of the tassels.*

*LEFT: A proud mother stands by her daughter as many accomplishments and achievements were realized through the past thirteen years of school.*

*ABOVE: Pennsylvania Park has given the citizens of Petoskey a place to meet and relax during the hot summer months. It has also been the site of many events such as the Memorial Day ceremonies and the annual Historic Festival.*

*TOP RIGHT: Exclusive Lake Street stores are a main attraction for the many tourists that visit Petoskey.*

*MIDDLE RIGHT: Pennsylvania Plaza houses many small businesses such as lawyers' offices, travel agencies and hair studios.*

*ABOVE: This store is visited by many local people as well as tourists. Wines, cheeses and imported teas are just a few items that stock the shelves.*

*LEFT: Little Traverse Bay provides a source of entertainment for Petoskey. The marina is used by area fisherman and people who own boats, and by those who like to relax on the beach and watch the sun set.*

*TOP LEFT: The police and fire departments are located on the corner of Lake and Division Streets, and are adjacent to the city-county building.*

CONGRATULATIONS  
SENIORS

A beautiful view of the bay, excellent dining, live entertainment and a relaxed atmosphere.

### WHAT MORE CAN YOU ASK FOR?

Our Holiday Inn is nestled on top of the hill overlooking Little Traverse Bay and the quaint resort town of Petoskey. The view is beautiful! Live entertainment and excellent dining are our specialties and we feature huge buffets on weekends and holidays.

And when it comes to indoor swimming pools, ours is Olympic size with a California hot tub. We have banquet and meeting facilities for up to 300 guests.

Unique and low cost seasonal package plans are available. Call (616) 347-6041 and we'll show you what People Pleasin' is all about.

## editor's notes

### 1982 retrospectives

The year 1982 has been a year of significant change and growth for the community. We have seen the emergence of new ideas and initiatives that have shaped the way we live and work together. As we look back on the past year, we are filled with a sense of accomplishment and optimism for the future. The challenges we have faced have only strengthened our resolve to move forward with courage and determination. We are proud of the progress we have made and the positive impact we have had on our community. As we enter the new year, we are excited about the possibilities that lie ahead and the continued growth and development of our community. We will continue to work together to create a better future for all of us.

## acknowledgements

The 1982 Petosegan staff would like to express their thanks to the following for their help ...

- ... Walsworth Publishing Company of Marceline, Missouri, with special thanks to Lorraine Miller and Mr. Sam Lyndon.
- ... The Petoskey News Review, Mr. Don Smith, Mr. Tim Calloway and Mike Pemberton for their photography contributions.
- ... Mrs. VanWagoner for her time and effort spent on the art section.
- ... The PHS teaching staff for their cooperation and allowance of innumerable classroom interruptions that were necessary for the publication of the 1982 Petosegan.

## 1982 petosegan specifications

## editor's notes

Being in journalism-yearbook for the past two years has been an experience I won't forget! It has been rewarding and exciting, but there were times when I thought that I was in the middle of one big headache. When that happened, I was on the warpath as my family, friends and staff know. I would like to express my thanks to them and to Mrs. May for their help and support. The responsibility of being editor helped me grow as a person and gave me an opportunity to learn more about myself.

I'll miss the Saturdays and late nights spent trying (sometimes in vain) to meet a deadline, and I won't forget the people who put forth more than their share.

Thanks again to those who helped with the production of the 1982 Petosegan. I wish everyone much luck and happiness for their futures.

Sincerely,  
Shawn Graves  
Editor-in-Chief

 Zundel, Sharon

*ABOVE: Being zany helped those drab days zoom by for Patti Strobel.*  
*RIGHT: Before the first dance of the prom, Shawn Graves puts the finishing touches on Jeff Haven's boutonniere.*

*RIGHT: Miss Coon's French classes enjoyed acting out various chapters of French history.*

**Once again, time has slipped through our fingers, leaving us with so many memories. We will never forget those fantastic years in high school, the endless stacks of books, the countless tests or the friends that were always there when needed.**

*TOP LEFT: The Madrigal choir included a Beach Boys medley in their spring concert.*

*MIDDLE LEFT: Gettin' hitched is a tradition at the Sadie Hawkin's dance. Chris Bur and Tim Lamkin exchange vows in the mock ceremony.*

*ABOVE: Lounging in the sun is a favorite past time of most PHS students. Theresa Hibbler and Sheila McNeil took the chance to snatch a few rays during a break in their day.*

*LEFT: Listening attentively to the guest speaker at the athletic banquet are Eric Simard, Theresa Linck and Chris Ronan.*

**The underclassmen take a step forward and follow the paths set by those ahead of them. The graduates enter their futures and embark on a journey that will last the rest of their lives . . . a journey planned from bits and pieces of dreams that came to them out of the blue . . .**

*TOP: Space patrol helmets and glasses became a novelty with many PHS students and Dawn Bonter was among them.*

*RIGHT: There were a few select seniors inducted into the National Honor Society this year and Traci Mann was one of them.*

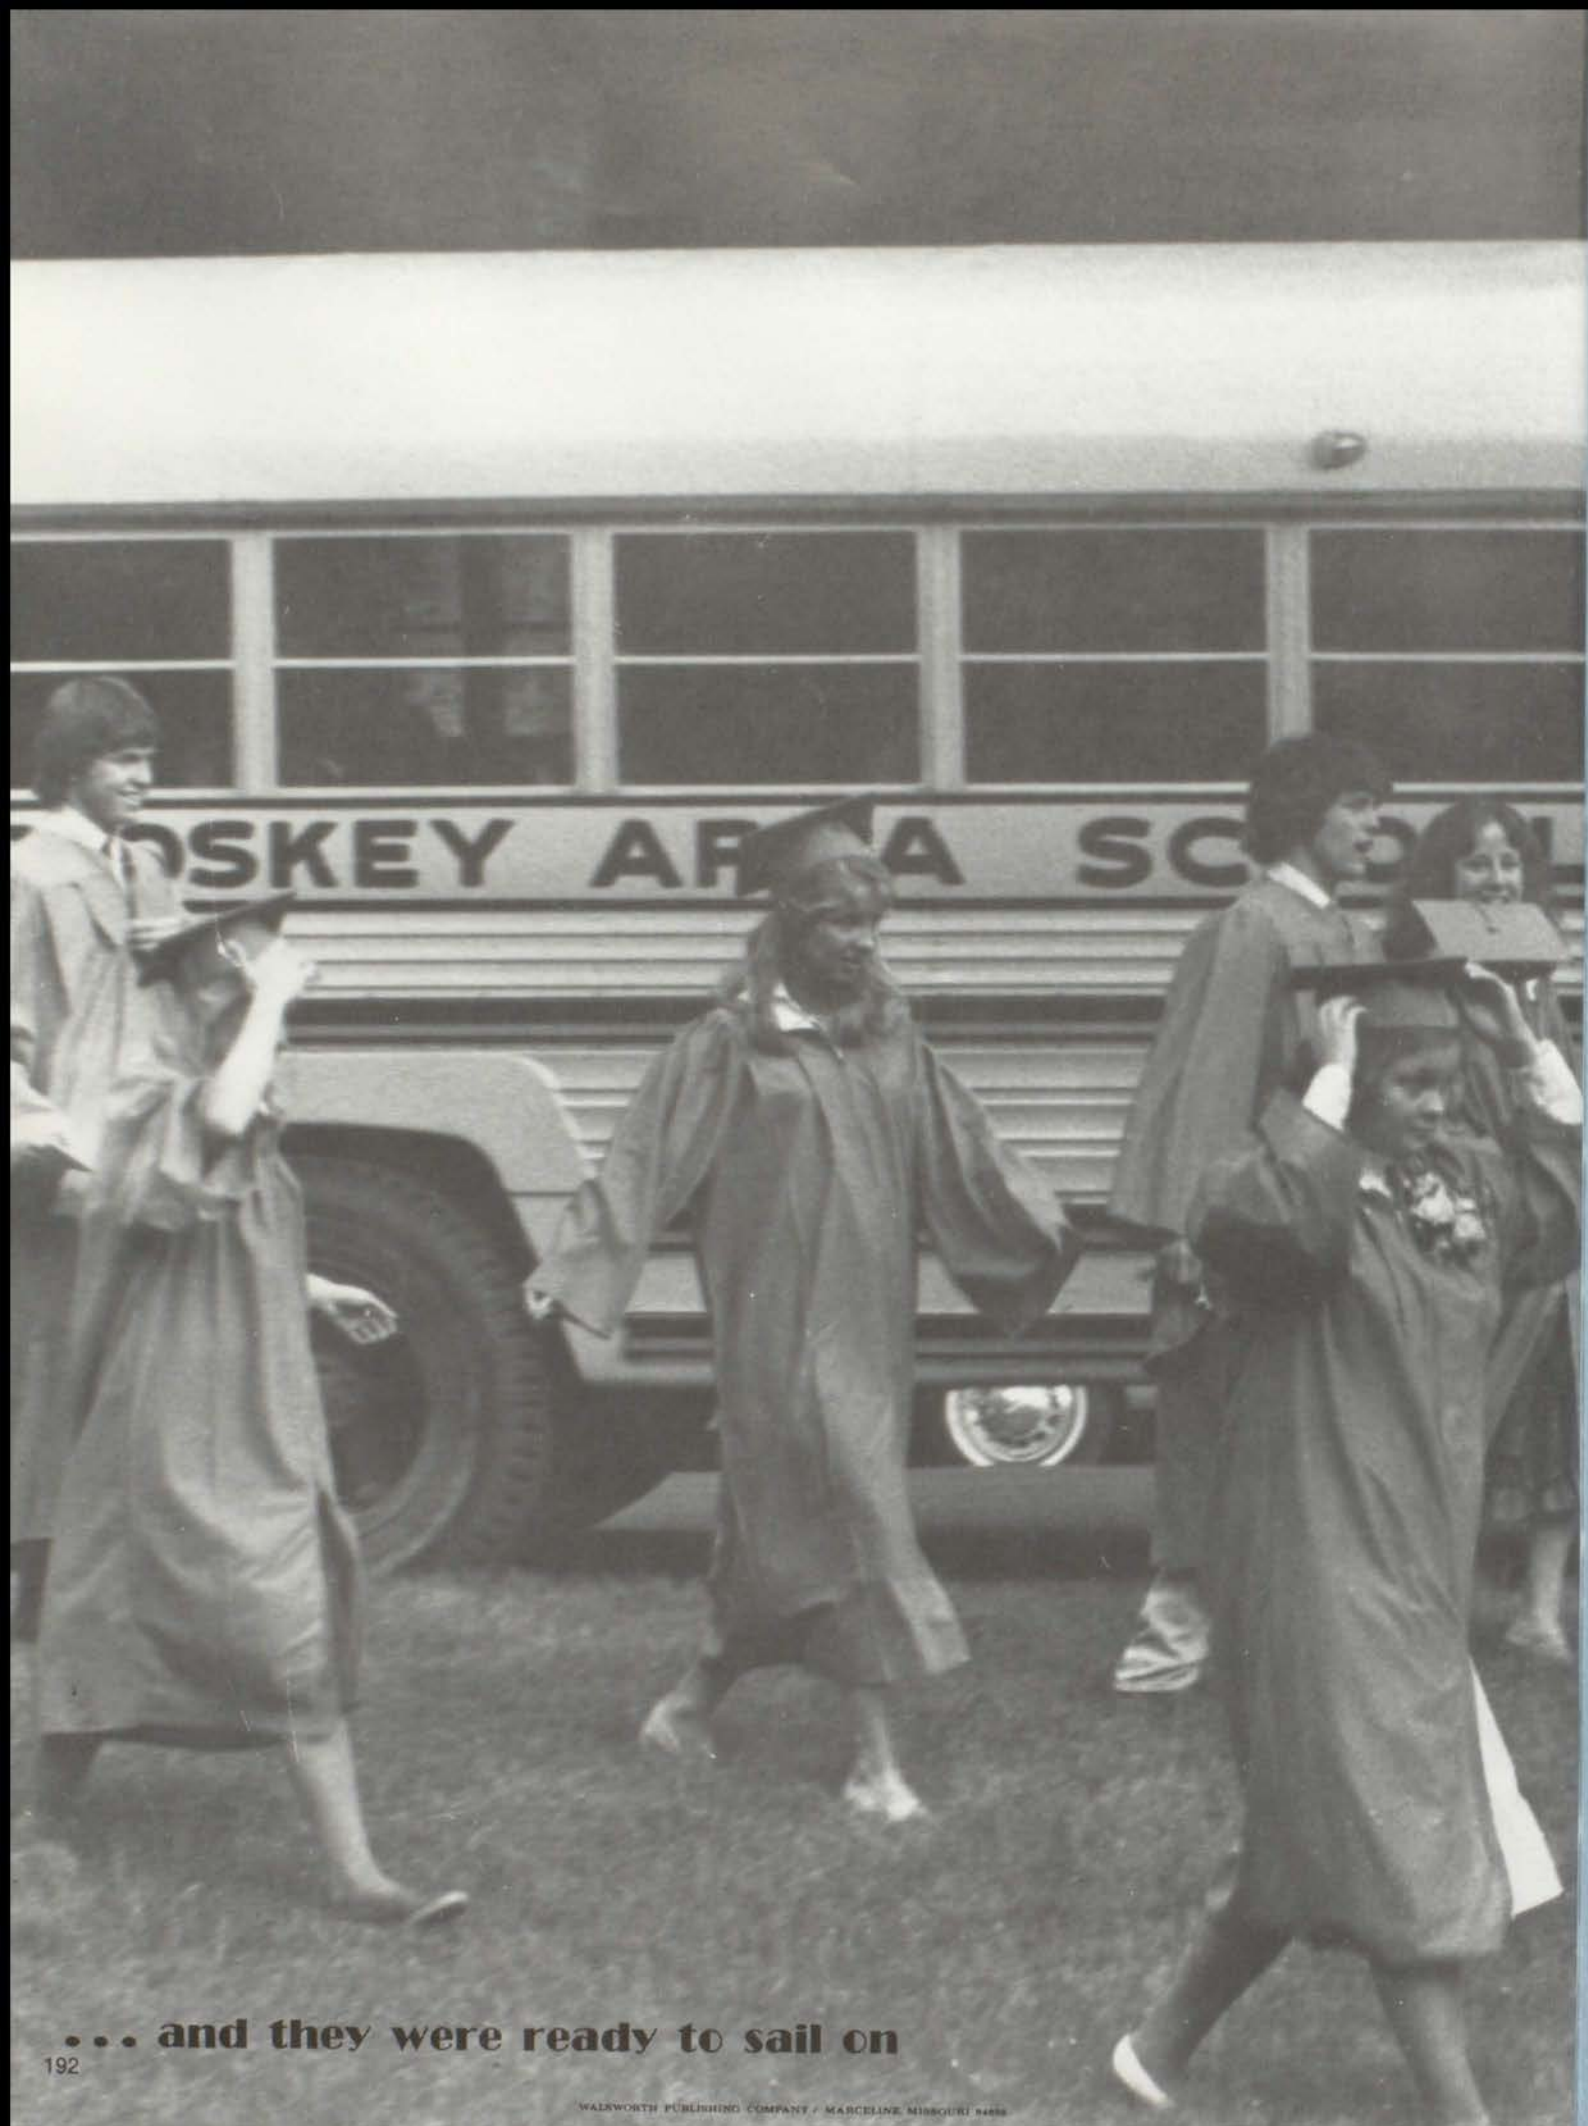

*LEFT: On a countdown of five, the graduating class of 1982 turned their tassels and ended their high school careers.*

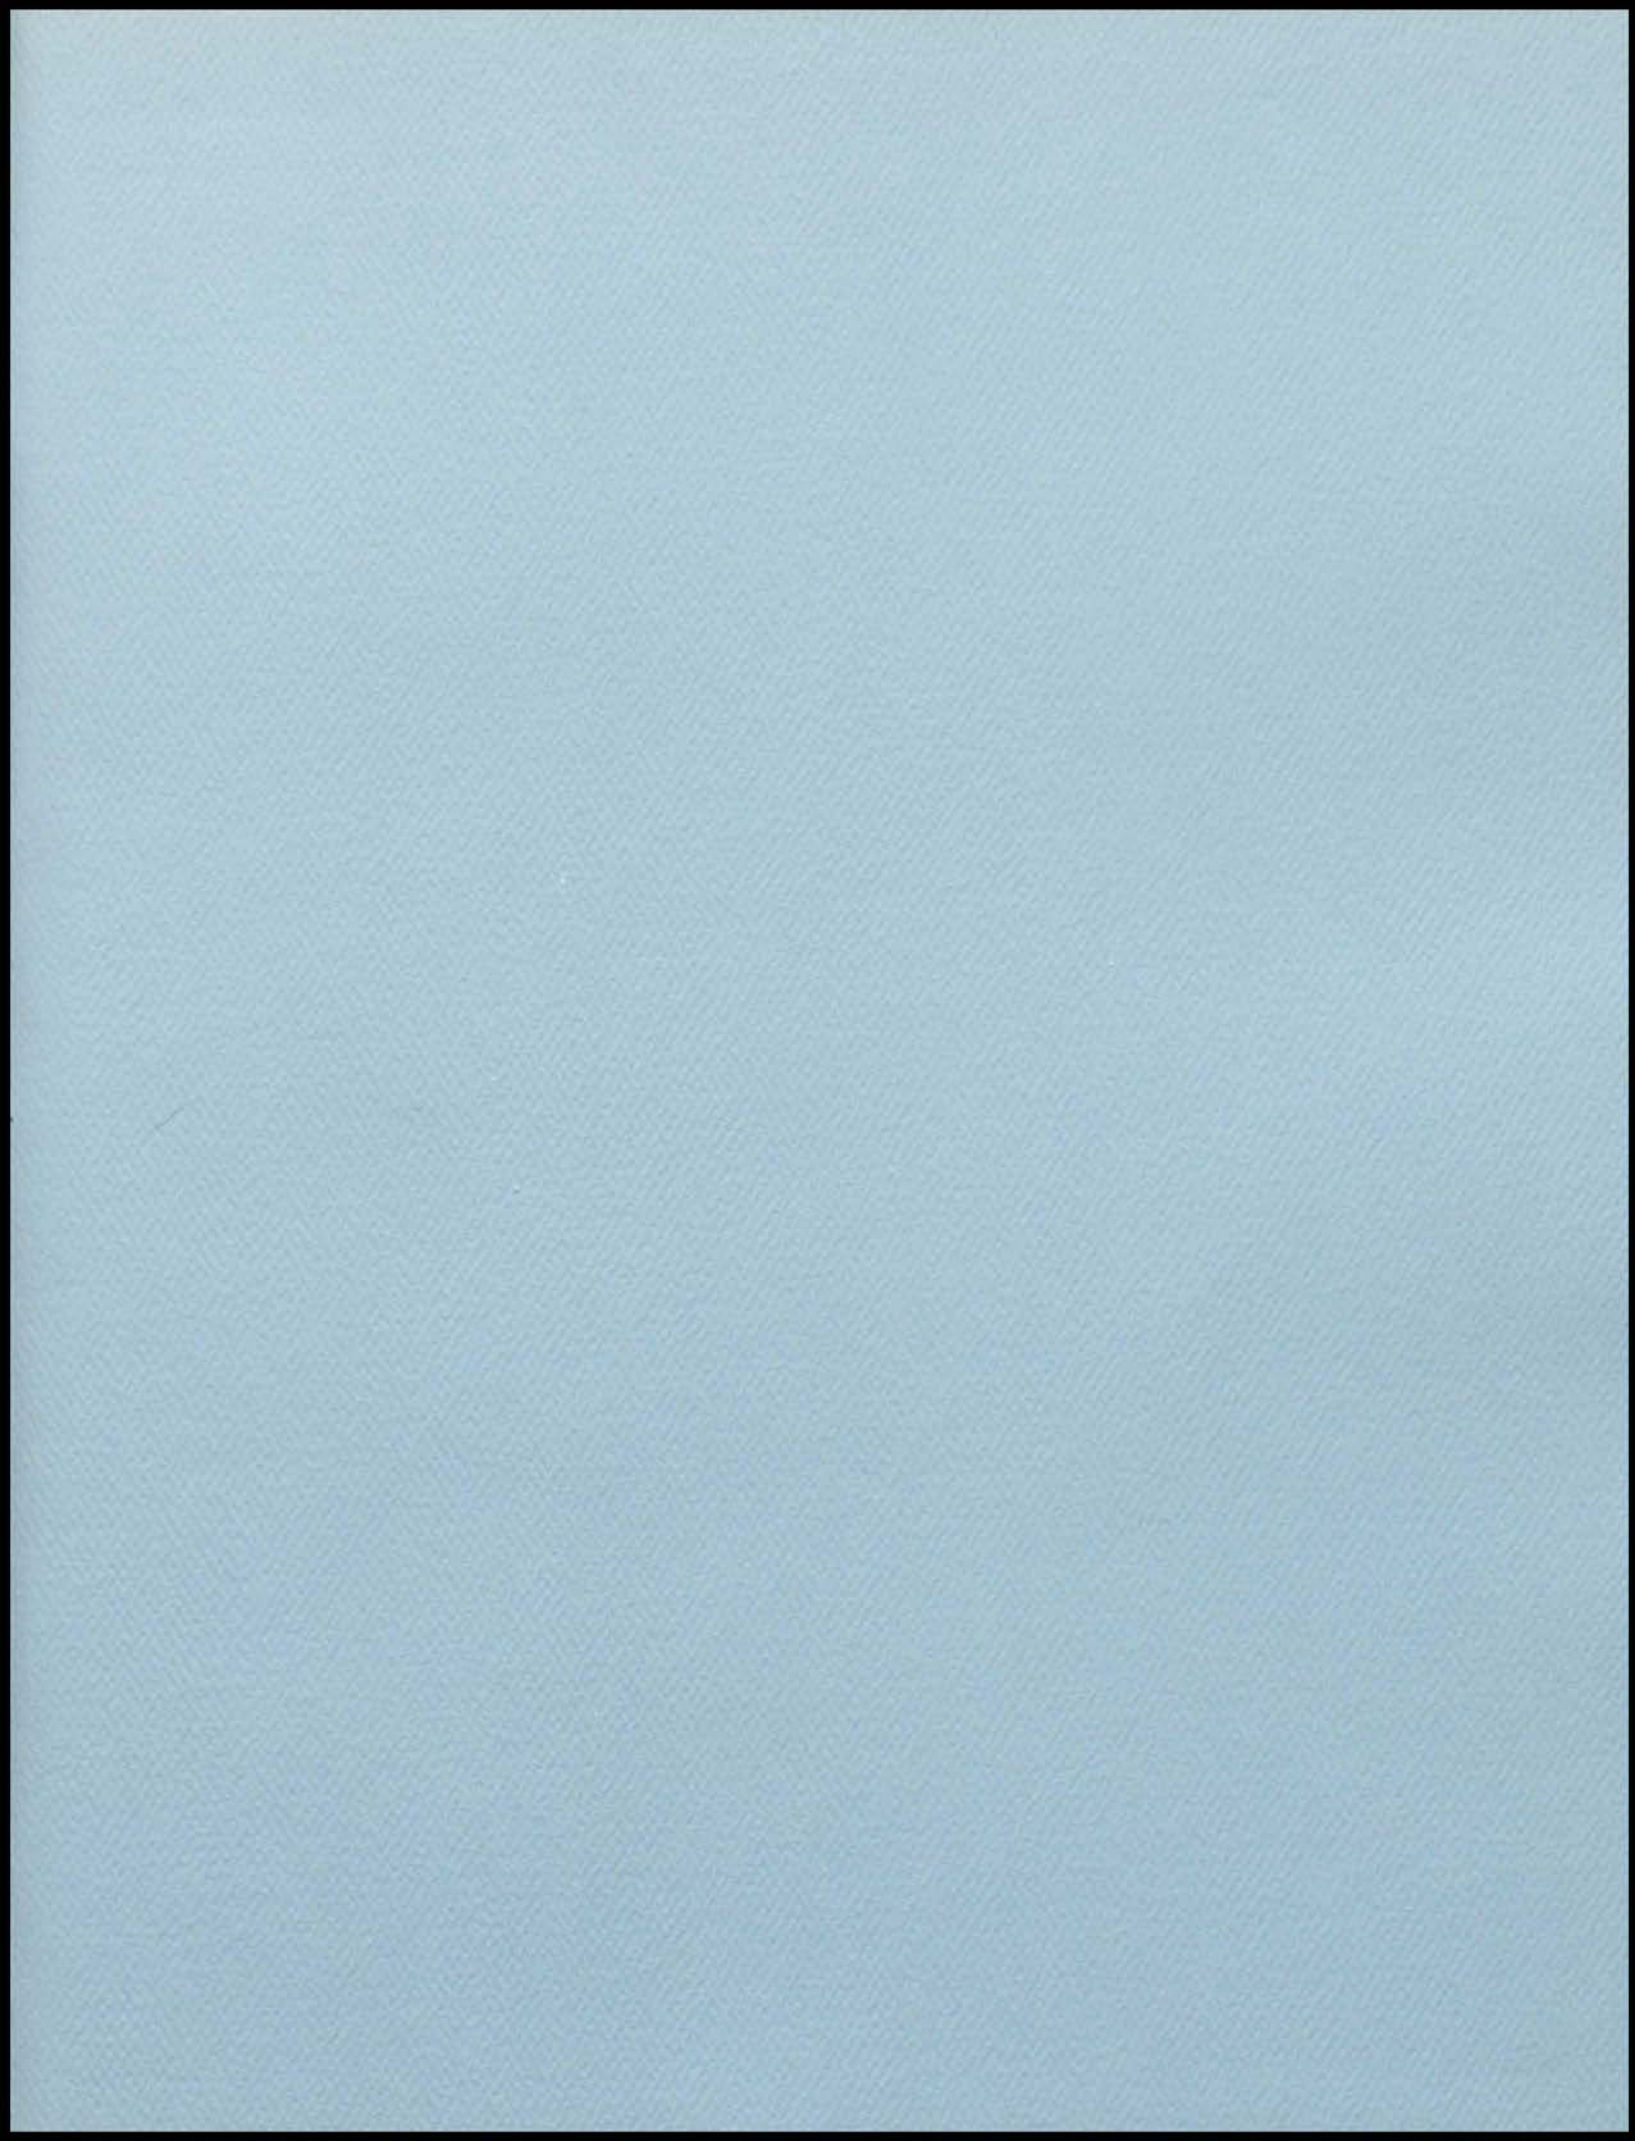

*BOTTOM LEFT: After a long and grueling run, girls' track team member Melissa Hoffman anticipates the finish line.*

*BELOW: Welcoming people to the prom and handing out dance cards are Cindy Leshner and Cathy Roskins.*

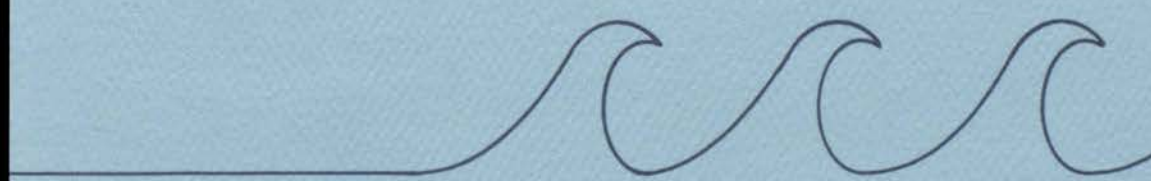

... and they were ready to sail on

**make waves**

 '82
