# Northmen United!

---

Every yearbook is a time capsule, of sorts. It isn't only a collection of images and words, but a snapshot into a life.

*"Come together, yeah!"*

The PHS theme song for 2013 is "Come Together" in an attempt to remind all students that we are the Northmen. If anyone felt that they didn't belong, remember we are the Northmen!

*"Come together, yeah!"*

The yearbook staff has decided to incorporate this Northmen pride right into the yearbook. Down the road, someone will look back and remember PHS as the school that promotes a united front.

*So let's come together.*

This is our dedicated yearbook staff, (from left) Joel Hunt, Anthony DeAgostino, Jenna Proctor, Hunter Wagner, Jennifer McNabb, Daniel Clancy, Stephny Guy, Kelsey Ingram and Brook Frost.

---

## The Blended Bunch

---

Mike Berry, a famous physicist, once said, "There is strength in numbers," whether the yearbook staff is full to capacity or this fantastic few, the struggle to put it all together isn't always known. The 2013 yearbook staff was a bustling eight, and together, they created a blast from the past book. With astounding cooperation and a little extra patience, a masterpiece was born.

The Petoskey Boys Tennis team had a great season. "We came into the season with high expectations. Many of those expectations were fulfilled. We won the Big North Conference, won our regional for the fourth straight year, and finished in a respectable seventh place at the state tournament." said by the varsity coach John Boyer. He also said, "the most memorable moment with this team was the conference win. Everyone won their first two matches which put us (Petoskey) in the finals of each flight." Coach Boyer said this team is definitely different from ones in the past, "There is no question that every team has a different personality. These guys were some of the most fun to work with and coach. They were willing to work hard and make sacrifices for the good of the team." Boyer also added, "The seniors will be missed!" (Left) Coach Boyer is having a quick talk with Zach Phillips ('13) about the match he's playing in to prepare for states. (Right) The Varsity team poses with their trophy.

Zach Phillips ('13) says he loved playing tennis because it gives him, "the warm fuzzies."

Christian Wilder ('13) says he enjoyed playing because, "win or lose they always have fun!"

Cam Ludlow ('13) says that his favorite memory of playing tennis is "staying the night with the team at States every year."

## DOUBLES LOVE...

The boys tennis team got seventh in Division III states for the second straight season, Freshman Nico Cezina advanced to the semifinals at No. 4 singles to lead the Petoskey High School boys' tennis team.

# The grass is always greener...

## ... On our Northmen Green!

When considering what the best part of being a member of the Petoskey Girls Golf (PGG) was, Reilly Laprairie (15) said, "I like being with my friends and goofing off." This close-knit team shared a dedication to Northman Pride and a passion for playing golf which helped them get through good seasons and bad seasons. Together, the PGG fought hard and accomplished much, proving time and time again, the grass is truly greener in Petoskey.

## A Confident Collection

"I wanted to play golf again this year because it was really fun last year."

- Lizzy Dufek (15)

"My favorite part of golf is the car rides there and back."

- Ellie Hoch (14)

Why play golf? Asking the team members, a resounding answer was discovered. Along with an indescribable togetherness, this Northmen team had serious drive. To play golf requires, devotion to fellow members and an eagerness to keep trying. So, to answer the question, athletes play golf in Petoskey to experience true loyalty, and witness serious talent.

# HITTING THE BOOKS!

Petoskey High School has always valued academics; while they were important in the 2012-2013 school year, so was having fun. Students had fun in their accounting classes by playing Monopoly. Math classes incorporated math basketball which students found as an enjoyable study technique. In many of the history classes, some heated debates took place, discussing topics from the past election to their views on war. At PHS students and teachers had fun while they taught and learned from each other!

# Cross Country & Boys Soccer

Built legs, good lungs, and a strong heart are all factors in a successful cross country race. The XC team had a very productive year, with Mark Smith(14) and Logan Hensley(13) leading the boys, and Sydney Hopp(15) and Morgan Jons(13) leading the girls team. Hensley placed sixteenth at the regional meet.

Not to be outdone, the boys varsity soccer team finished 3-0 in districts and 2-0 at the regional competition, resulting in a run at the state championship against Hudsonville in which the team played hard but fell 3-0.

*Laughing so hard it was difficult to keep still for the picture reminds us that the heart of band is really the members.*

*What's a band without a rocking brass section?*

## *The Marching Northmen*

The Petoskey High School has an award winning band, coupled with an amazing color guard crew. The true blue passion filling the air at populated events, may truly stem from these smiling faces. Hours upon hours of practice really pay off with the wow of the crowd and a proud school behind them.

*Exhaling Mia Ciccoretti (14) and Kaylyn Schiemann (13) prepare for their nerve-wracking performance. Great smiles ladies!*

*A beautiful performance filled to the brim with flowing choreography and to humor.*

*Football player, Kyle Green (14), muses "I enjoy band because it is fun with a sign of competition. Also, I love it when the crowd goes nuts at the sight of us entering the field."*

## *Is It Hard Work?*

What seems easy, isn't always as it appears to be. Being a Marching Northmen requires true dedication combined with a whole load of talent. Frankly, waking up for early morning practices and staying up for late night performances would be exhausting. All their hard work and perseverance pays off with one amazing, and award winning, band.

*Work hard play hard  
-Kevin Green (15),*

*Remember, keep playing even if you drop a stick!*

The Petoskey Northmen Volleyball teams strength was their offensive game, they had a great recipe for success. They started everything off with a great pass from the back row, followed by an outstanding set, with an aggressive spike to finish it off that made every team take a step back. # PHS Equestrian Team

"This year was the best season yet of my three years in Equestrian Team because Angel, my Quarter Horse, and I worked well as a team and we were so versatile that we were able to compete well in most any class."

Saddle-seat, Western, Speed, and Jumping are just a few of the different types of classes and disciplines displayed at equestrian meets. The PHS equestrian team had a very successful season. They were hard working and a very determined group of young ladies. Many of them started their training long before the season started. The girls placed first in all three District 20 meets, with 425 points overall, and found themselves placing fifth in the region, with 220 points.

# Helping a Great Cause

Ending the season with a 5-4 record, the Northmen fought hard. Each player showed tremendous effort and success while on the field. They won multiple games, including a major triumph at the annual Pink game against Cheboygan. The players wore pink jerseys and socks to show their support for breast cancer awareness.

# FCCLA, Creative Teaching, and Health Come Together!

Mrs. Kennedy taught the health, and creative teaching classes as well as leading students in FCCLA. She worked hard to juggle all three of these classes. In health, students learned about the body and how it works. Creative teaching allowed students to have fun while learning different ways to teach kids and help them have fun! FCCLA was an extracurricular activity where students competed with other members from around the country. Mrs. Kennedy did a great job of helping the school come together by running these three different classes.

## Key Club

*"There is no exercise better for the heart than reaching down and lifting people up."* -John Holmes

Key Club was a student run organization that serviced the community in many different ways. Members often spent time outside of school volunteering at Brother Dan's and MANNA, in an effort to help supply food to hundreds of people in northern Michigan. Among many other things, members also helped raise money for UNICEF on halloween by trick-or-treating for cash donations. Being a member of Key Club meant feeling a great sense of selflessness and satisfaction that comes from helping those in need.

# Mentor Program

The start of High School can be overwhelming and stressful for many Freshman. The transition from Middle to High School is a big one. To help aid students in the process are mentors. Upperclassmen volunteered their time during the school year to ease the anxiety of many Freshmen by helping them study, adjust, and by passing on their advice and knowledge.

Orion Brill's (15), shown above, stunning performance of his original compositions, *Alive and Sentimental Part of Me*, electrified the PHS talent show crowd.

Rachel Hamp (14) presented her original composition, *Sweet Harmony*, which set up the rest of the show.

Aarora Sizemore (14) masterfully performed a Native American Hoop Dance, astoundingly at that.

Brooke Hebert's (15) rendition of Adele's *Rolling in the Deep* proved to everyone what talent PHS has.

Cullen Montel (12), in both *Mertac* and *No Fez Left Behind*, has serious rhythm

The master of ceremonies, David Grindle (12) kept the whole show flowing smooth, and kept any and all mishaps at bay.

Lara Fullford (14), shown above, sang Fireflies originally by Leona Lewis.

Hannah Woods (15) and Hailey Hofbauer (15), shown above beautifully covered Missin' You Like Crazy by Us.

Renee Witt (16), shown left, blew the crowd away with her impressions of the wildest of animals.

## The show must go on

The 2012 Michigan storm, Draco, proved stronger than an army of salt and plow trucks could face; so regardless of many efforts the Petoskey High School talent show was canceled due to serious weather conditions. The rescheduled number was on January 9, 2013. Knocking the new year in with number after number, amazing job to all who participated and thank you for being patient with our Michigan Storm

Not only were Blue Quick (12) and Cullen Montel (12), shown left, in Mertac but are also in No Fez Left Behind.

Rachel Hamp (13), graciously acknowledges the appreciative audience at the end of the show.

Jake Kelchik (14), a member of Mertac, shown bright in the spotlight, along with fellow members, Bleu Quick (12) and Cullen Montel (12).

# PHS HOCKEY

Hockey is a very competitive and physical sport. Petoskey's hockey team was both physically tough and strong hearted when it comes to the game. They were strong in numbers, and they played with passion. To be a successful hockey player, "you need to have a hard work ethic, you have to be aggressive and smart to know the game" says senior Tanner Davis.

"I enjoy wrestling because its an individual sport and there is no one to blame but yourself if you lose." -Nick Strobel (14) (Above)

"The work ethic was even better than last year." Varsity Wrestling Coach Gross said. "The leadership was also better than last, we had Haggerty, Antonides, Myers, and Boyer all starting as seniors. The most seniors that I had starting was two (last year). So we doubled that, the leadership by example came from a group of freshmen though Scott Kibbie, Trevor Gallombardo, and Scott Kondrat who were the hardest working group in the room and others feed off that" Coach Gross added. The wrestling team made high standards for themselves at the start of their season, they wanted to become the Conference Champions (BNC) along with the team district. They came close to their goal: They became 3rd in the Big North Conference, and 2nd in the district. Coach Gross said, "We were just not strong enough in the middle weights to beat a Gaylord squad." Jordan Haggerty a senior that season, and someone who took on a big leadership role said that, "wrestling is the kind of sport the weeds the weak, I've been injured four times, it is the one thing that brought me back from self-loathing. It made me have to prove to myself that I am not a coward, who will quit or feel sorry for myself." "I'm going to miss the toughness of the senior group. I have some very good underclassmen, but nothing beats the grit that seniors bring to the table," Coach Gross.

# PHS's "Nuts and Bolts"

The robotics team has been a very large and important aspect of PHS over the past couple of years. The team is lead by Mr. Lance Bailey and Mr. Tom Ochs, both teachers at PHS. The team is stacked with a variety of talented kids, from brainy honors students, to kids who have a strong work ethic and a creative imagination.

"My favorite thing about being a part of the robotics team would have to be how we all put our different skills together to complete one amazing project." -Senior Mathew Vistconti.

The team poses for the camera after participating in the Traverse City District Championship match. They were awarded for; 2nd place finalists with their alliance, "Creativity and Design in Engineering," "Top Offensive Robot," along with various other awards from teams who recognized their strategy and willingness to assist others in need. "This was the most successful match to date in the three year history of the Petoskey Paladins." explained Mr. Bailey.

He then added that "We had three good senior leaders. Some were more quite, some talked well on the court, and some led by example. Leadership came from all the returning players (refereing to seniors) they all led by example. The 2013 Girls Basketball team managed to become the Big North Conference Champions holder.

"Every title feels like the first," says Coach Hill. The Boys Ski Team went 9-for-9 which made it a perfect season, along with being declared State Champions for the third consecutive year. "The boys showed up and did their thing," Coach Hill added. The Girls Ski Team also had a winning season with a State Champions trophy to go along with it. The Boys and Girls Team both put up with a lot of cold, nasty weather, but they all said it was worth it to win a State Competition.

Every year, winning the Big North Conference is a major goal for the team, which the team was able to achieve and many others as well. The group of seniors will be missed, "They were a part of two long winning streaks: 49 straight wins at home, 33 straight Big North wins, and three Big North Championships" said Coach Starkey.

Both Jazz Band and Dance Team gave fans great entertainment during the basketball games. It was an amazing way to show school spirit! Not only did the basketball players have to practice but the Jazz Band and Dance Team did as well. "We usually practice twice a week, sometimes more depending on the routine." says dancer, Amanda Kline (13). Jazz Band and Dance Team both performed masterfully.

*The Hammerhead Swim Team was a chapter of the USA Swim Team. USA Swimming was the national governing body for competitive swimming in the United States. And were the Hammerheads ever competitive! The Hammerheads took third place overall out of a total of 21 teams from all over the state. The boys age group 15-18 year old won the State Championship and the girls in the same age group finished in third place. Individual statistics included senior Emory Fralick as Michigan Team Swim League state champion in: 50 Freestyle, 100 Backstroke and 100 Breaststroke. Danielle Paquette also a senior was a member of third place state medalist in 200 medley relay as well as fourth place state medalist in Freestyle relay.*

## Court ★

Seniors Ricki Coston, Evan Altman, Carter Cohen, Erin Ratio, Louie Lamberti, Mitch Rider, Laurel Young, Gabby Jensen, Noah Honaker, Kaity Gillis, and Sam Blakenhagen participate in a little snowcoming court shoot around.

"The attendance was down, because of the new dance rules. Snowcoming is usually less attentive by the students than Homecoming, but not to this degree." Said Vice Principle Wilcox after a very long process of board meeting and discussions, with community members, parents, and students. Mr. Wilcox supported the new rules. Everything just boiled down to, "there's a right time and place for everything." The attendance for the Snowcoming dance was 74 compared to the normal attendance of 300- 400 students.

Friday, January 25th. The Petoskey Girl's Basketball Team did the almost impossible. With just seconds left on the clock, Megan Tompkins (13) brought the ball up the court and placed it in the hands of Kelsey Ance (13) to make the game winning shot! Debate and Model UN are their names and talking is their game. Both the Debate team and Model United Nations won multiple awards as they represented Petoskey at the state level.

Model UN demonstrated their gift of gab in Ypsilanti, sparing words with 412 delegates from the Midwest and Canada. While representing Germany, Italy, Finland and Slovakia, the 28 delegates from PHS proved they did their homework winning high honors and scholarships. Not to be outperformed, debate also brought back some hardware to Petoskey, winning their second consecutive state championship. For these loquacious leaders the future is definitely bright!

# Life in the Center

The Center was a helpful learning environment for students. The Center provided a quiet workplace for students and it also provided students someone to talk to when they were having a bad or off day. # Marketing

Conducting marketing research, running the school store, producing Michigan High School Athletic Association videos, marketing students did it all! The marketing program consisted of several classes including; Retailing, Marketing I and Marketing II. Retailing students managed the school store by placing merchandise orders, taking inventory, determining price points and promoting products. Marketing I students ran the school store during lunches and worked on projects incorporating the functions of marketing. Marketing II students were able to earn college credit while working on their DECA projects. The DECA chapter consisted of 33 members whom competed at the 67th State Career Development Conference in Grand Rapids, Michigan. Of those 33 competitors nine qualified as state champions to compete at the International Career Development Conference in Anaheim, California where members from around the world competed. According to DECA President, Andrew Schaefer (13) "the key to a winning DECA project is having confidence in yourself and nailing the presentation."

"MY FAVORITE PART OF THIS CLASS IS BEING ABLE TO WORK ON THE COMPUTER AND LEARN HOW ARCHITECTS DO THEIR JOB. I WOULD RATHER USE THE COMPUTER SOFTWARE BECAUSE IT MAKES EVERYTHING A LOT EASIER AND IT'S A LOT FASTER THAN PAPER AND PENCIL."

NAME: COOPER CARPENTER (15)  
CLASS: ENGINEERING

"I LIKE THIS CLASS BECAUSE YOU GET TO BE CREATIVE. I WANT TO GO INTO THE ENGINEERING FIELD WHEN I'M OLDER SO I ENJOY IT."

NAME: THOMAS WATERSON (15)  
CLASS: ENGINEERING

"THIS CLASS REALLY HELPS GET ME READY FOR COLLEGE. I WANT TO GO INTO THE ARCHITECTURAL FIELD AS WELL SO I ENJOY BEING IN THE CLASS."

# MITES

## MICHIGAN INDUSTRIAL & TECHNOLOGY EDUCATION SOCIETY

STUDENTS WHO TOOK ADVANCED ARCHITECTURAL DRAWING, INTERIOR DESIGN, AND ENGINEERING/CAD CLASSES PARTICIPATED IN THE MITES COMPETITION. STUDENTS WORKED ON THEIR PROJECTS IN CLASS, USUALLY ON THE COMPUTER USING EITHER 'AUTOCAD' OR 'ENVISIONEER' SOFTWARE, PUT IT TOGETHER ON A LARGE POSTER BOARD AND THEY GET SENT TO THE COMPETITION. THERE WERE 13 DIFFERENT ARCHITECTURAL DRAWING CATEGORIES AND 22 DIFFERENT CATEGORIES FOR MECHANICAL DRAWING. PHS STUDENTS PARTICIPATED IN A VARIETY OF THOSE CATEGORIES.

### BRITTANY MURRAY (13)

"I ENJOY MITES BECAUSE WE WORK ON OUR PROJECTS ALL YEAR THEN WE GET TO SEE HOW OUR PROJECTS COMPARE TO OTHERS AROUND THE STATE."

THIS PROJECT WAS PUT TOGETHER BY ADVANCED ARCHITECTURAL DRAWING STUDENT CAMDEN LUDLOW (13) AND SENT TO THE MITES COMPETITION.

## Forever Young

Don't grieve for me for now I'm free  
I'm following the path God laid for me.

I took his hand when I heard him call  
I turned my back and left it all.

I could not stay another day  
To laugh, to love, to work or play.  
Tasks left undone must stay this way.  
I found that place at the close of day.

If my parting has left a void  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss.  
Ah yes, these things, I too, will miss.  
Be not burdened with times of sorrow.

I wish you the sunshine of tomorrow.  
My life's been full, I savored much.  
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief;  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me  
God wanted me now, He sent me free.

# 231-347-1001

# Brainstorming

Each student in the class came up with a yearbook cover idea, the class voted on the top two, then we let you, the student body vote on which one they preferred.

Planning, dedication and a good eye are all characteristics displayed by the 2012-2013 yearbook staff of four.

# Photography

"Yearbook gives students a real world experience of running a \$25,000 business venture. It differs from all other classes, because students work is sold and on display to the public. The leadership, organizational, and customer management skills gained from this course will benefit students for years to come."

-Mr. Hunt

# Page Design

Creating a page design is much harder than it seems, we learned that you need to develop some type of a layout so not all the pages looked completely different from one another.

# "Come Together"

## How the 2012-2013 Yearbook came together

### Sales

It takes a tenacious person to keep up on advertising sales. The staff called, visited and followed up with local businesses, selling ads to help finance the yearbook.

# CLASS OF 2013

---

**The 2012-2013 Petosegan, volume 90, was published by Jostens Yearbook Company. Within the 325 books printed this year all 168 pages are full color. The cover is custom litho, with a trim size of 8 ½ x 11 inches. The book was designed with custom art, high gloss litho 478 cover material, process color 317 for cover applications, and gloss application.**

**The fonts used in the book consisted of Caslon, Compact, Constance, Elmore, Hedgehog, Helvetica, Johnson Text, Olive Oil, Pathfinder, Serpentine ICG, Tekton, and Times. with sizes ranging from 8-128.**

**Our yearbook representative, Mr. Todd Tomek, met with us frequently to aid in the creation and advertising of our yearbook. The 2012-2013 yearbook staff used Jostens Online Yearbook Avenue to produce the book and Geskus Photography was our main provider for "mug shots."**

**The 2012-2013 staff consisted of four highly dedicated memebers: Daniel Clancy, Jennifer McNabb, Jenna Proctor and Hunter Wagner. They would like to thank Steve Foley, Kathy Richardson, Paquette Photography, Laura Strobel, Patricia Shock, Mrs. Grangood, and all of the people who submitted photos to the ReplayIt app.**

**Lastly, a big thank you goes out to all the businesses that purchased an advertisement, without their help, the production of the book would not have been possible.**

---

**"The way is long - let us go together. The way is difficult - let us help each other. The way is joyful - let us share it. The way is ours alone - let us go in love. The way is open before us - let us begin."**
