Several of our faculty members are leaving, either for new positions or to continue their studies.

Miss Negus finished her work here at the end of the first semester and is now training in Indianapolis at the Methodist Hospital.

Mrs. Schubert and Mrs. Brown, who are substituting, are not returning next year.

Miss Monningh, who has been here for three years, is planning to enter Columbia University next year.

P. H. S. extends its best wishes to our teachers who are leaving. We are very glad to have our new music instructor, Mr. Davidson, with us again next year.

Class History

One bright morning in the golden autumn of September, 1926, Petoskey High School welcomed the largest number of knowledge-craving "freshies" ever recorded in the history of our school. Although we were regarded as "greenies," we were soon caught in the whirl of school activity and the year seemed to fly for us.

The first big event happened on October 15, when the Class of 1929-30 was organized. The officers were: President, Catherine Edyvean; vice-president, Bert Hager; secretary, Arthur Mosier, and treasurer, Marian Feather, while Mr. Jacobs was chosen class advisor. Another big event which made a great impression on the minds of the many now dignified Seniors was the Freshman party held in the High School Gym on March 5. In athletics we had a bright future as we were well represented by Asahel Tillotson.

Our Sophomore year we hastened to P. H. S. and immediately chose Robert Mitchell, president; Robert Truesdell, vice-president, and Asahel Tillotson, secretary and treasurer. Miss Furman was elected class advisor.

With the movie "The Haunted Ship" and a few concessions the class succeeded in getting upon a high enough financial plane to give us a balance for our Junior year. The Class party, which was a successful and enjoyable event, was held as a roast. This year our class found more athletes among our boys. In basketball we were represented by Asahel Tillotson, Robert Truesdell, and Vincent Ball; in football by Asahel Tillotson and Edward Sobleski. Although during this year we were looking forward to our Junior year, we will never forget the time when we were "Sophs."

In our Junior year we entered wholeheartedly into the many activities which presented themselves in rapid succession. This year we enlisted Stanley Kellogg as our leader with Marian Feather and Thurlow Stone as assistants and Miss Furman again as our class advisor. During the year many social events occurred. Our Junior play, "Her Temporary Husband," was a great success, and in addition to this many small money-making schemes were worked to supply funds for the J-Hop. The Class decided on a new plan, that of having the banquet and hop separate. The banquet was held at the Perry Hotel and was a wonderful success. The J-Hop was held at the Bay View Country Club and the rooms were beautifully decorated with spring flowers. The grand march was led by Stanley Kellogg and his partner. Many alumni and teachers were present and this, the last event of our Junior year, was a marked success.

Time flew so swiftly after we left our Junior year that we were soon back again as leaders of the school and henchmen of the faculty. The Class officers were elected by the new petition system with Asahel Tillotson, president; Gertrude Lyons, vice-president, and Louise Nellist, secretary and treasurer. Mr. Rogers was chosen class advisor. The Senior play, "The Seven Keys to Baldpate," was in the form of a mystery play and was greatly enjoyed. By means of this and selling some subscriptions and handling a few concessions, money was raised for the financing of our Annual. Senior Circus Day was a big but amusing event and will
THE 1930 PETOSEGAN

long be remembered. The picture of the group was taken and we were surprised to see ourselves "as others see us." The Class was represented in Forensics by Robert Mitchell, Raymond Schaaf, and Thurlow Stone.

May we, the Class of 1930, in the future years reflect much credit to our school and, no matter what our jobs, let us do our best to strive for, as one poet has said,

"So give your best, on you they lean, Come clean my lad, come clean."

Class Prophecy

Early in 1945 I found myself back in the old home town once more. The annual Winter Sports ball was scheduled for the following night, and I was one of the many former residents of Petoskey who had come to help celebrate this nationally famous event. The occasion was an especially memorable one because Petoskey's most illustrious son, Stanley Kellogg, the sculptor, was to be present, having come from Paris for the formal presentation of his Carrara marble figure "Doris," which he was donating to old P. H. S.

It was with a considerable shock that I heard upon arriving that one of my former classmates, Hazel Compton, was even then being tried for arson; but I thought the least I could do was to attend the trial. I was interested to note that the case was being tried before Judge Spaulding, in whom I recognized a classmate. Thurlow Stone was prosecuting the case for the State of Michigan, while Ben Thomas was defending poor Hazel, who it seems had tried to set fire to the high school building in a desperate attempt to get rid of the cockroaches which infested the domestic science rooms. She had recently been appointed head of that department in our old school.

I noticed that the jury was composed of William Crago, a well-to-do grocer; Milo Wakefield, a telegraph operator; William Lyons, owner of a beauty shop; Grace Louise Lowe, manager of the Lowe Insurance Company, and Frances Hoffer, her private secretary; Mildred Davis and Dorris Snell, sales ladies; Rebecca McMonagle and her husband; Phillip Johnson, a carpenter, and Naomi Wilson and her husband. Hugh Behan was the clerk of the court and Helen Kopp, the court stenographer. I felt that Hazel's case was in safe hands, and went back to the Hotel Herrick, owned by our friend George. Later I heard that the jury found Hazel "not guilty," and that she was considering proposals of marriage from several men present at the trial, including the judge and the unmarried jurors.

The Winter Sports ball the following night to me meant a reunion with many old friends and classmates. I noticed Albert Osborn, the leader of the Detroit Dapper Dance Orchestra, which had been secured for the occasion.

Near the Snow Queen's throne I saw Marian Feather, the wife of the Governor of Michigan (the first Democratic governor since Ferris). Other out-of-town guests

Twenty-four
THE 1930 PETOSEGAN

were: Vincent Ball, of Ann Arbor, who had succeeded Yost in 1940; Alvie Shinn, of Grand Rapids, president of the Period Furniture Company; Robert Mitchell, Mayor of Flint; William Mania, owner of an exclusive Men’s Ready-to-Wear Shop in Detroit; Ruth Baines and her husband, of Saginaw; the famous actress, Louise Nellist, of Chicago and New York, and Robert Darrah, world-famous chemist, with his wife Beatrice.

Among the distinguished guests of the evening I also noticed Gertrude Lyons, of the United States Senate, the only woman to be elected to the Senate since Mrs. McCormick. She told me that William Latocha was making quite a name for himself by his speeches in the House against the tariff on silk dresses. Gert told me about other members of the Class of 1930 who were living in the East. James Kilborn had succeeded Grover Whalen as chief of police of New York City. Robert Phelps was writing the travel literature for the New York Central. Faye Osborn was pianist in the New York Symphony Orchestra, and Mary Gilbert played the violin in the same organization. Gisela Kent had a bird store in Washington, and was training canary birds to trill the “Star-Spangled Banner.” William Copeland had made a fortune in Wall Street. Thelma Gaumer and Gwendolyn Griswold owned and operated an exclusive modiste establishment on Fifth Avenue, known among New York’s Four-Hundred as the Gee-and-Gee. Naomi Hooker had married a brain specialist and was living in Boston.

Just then Thelma Sullivan joined us. She had been teaching English and history in Los Angeles, but had taken a year’s leave of absence to regain her health in the salubrious climate of Northern Michigan. We heard from her that Darlene Harbaugh was a missionary on the Hawaiian Islands; Julia Kleber and Grace Miller were holding responsible office positions in Pasadena; whereas Eleanore Teachout and her husband were engaged in making a new song-and-dance Vitaphone picture, entitled “Single Singers of Singapore.”

Jack Schilling had organized a chain of stores in which no article was sold for more than 12½ cents. He called them the Schilling Stores. Bruce Blanchard had finally finished and published a pamphlet on telepathy which he began the year after he was graduated from high school. Mabel Beal, Trina Lewis, Hattie Laughbaum, Virginia Starker had long since joined the ranks of the “live-happily-ever-after” group, while Gladys Brower, Mary Margaret Reid, and Evelyn Woodruff were popular instructors in P. H. S. Ola Summer was also a member of the high school faculty, being girls’ physical director and far-famed for the girls’ basketball teams which she trains. Robert Truesdell was devoting himself to the cultivation of flowers, specializing in a species of violet.

Regina O’Donnell was giving lessons in auction bridge. Many Petoskey business men seemed very eager to learn the intricacies of the game. Raymond Schaaf had recently patented a device which enabled him to play from two to four instruments at the same time. He was much in demand on the vaudeville stage. Asahel Tillotson, William Streeter, and Lester Carr were running a large cattle ranch in Montana and were daily rescuing beautiful heroines from Western dangers.

Lester Strickler was on his way to Antarctic regions to explore the new continent Byrdania. Merrill Stark had chosen astronomy as his field of endeavor, and
was stationed in Flagstaff, Arizona. It was a matter of economy for the government to employ Merrill because the towers need not be built as high as for a man of ordinary height.

Thelma pointed out Ione Oldham, who was attending the ball in the interest of the Petoskey Evening News, in whose employ she had been for some years. I had difficulty in recognizing Louis Dombroski. His hair once so dark was remarkably gray for a man of his years. Business and domestic worries were to blame, Thelma said.

Just then the grand march began, led by Hugh Barnes and his attractive partner, the Winter Sports' Queen. We had heard that Merle Knowlton, celebrated tenor, would sing immediately after the grand march. We found chairs and sat back to enjoy the colorful picture.

Junior Class History

In 1927 a new class of Freshmen entered Petoskey High School. This class of over 120 students, one of the largest in the history of the school, went successfully through its first year under the guidance of its president, Richard Porter, with Mr. Cortright, now teaching speech in the Syracuse University, as class advisor.

In the election for the Sophomore year Jean Webb won out as president, and Mr. Rogers was chosen for class advisor. The class, now smaller, began its second year with a burst of enthusiasm and ended with a fine party in the gymnasium of the High School.

The most important and eventful year of High School life arrived and the election returns proclaimed that the J-Hop would be put on by the great Class of "31" with Wesley Wells, president, and Mr. Bartlett as advisor. The Junior play, "The Ghost Breaker," was very successful under the direction of Mrs. Steeh.

At the middle of the year, the class, now numbering about seventy members, happily and hopefully anticipates giving the biggest and best J-Hop ever enjoyed by P. H. S. students.

Sophomore Class History

On September 17, 1928, a band of one hundred and fifteen adventurous students romped into Petoskey High School to advance themselves in learning.

The first act of the class was to elect their officers and they succeeded in doing this by electing Earl Lawrence, president; Burton Hooker, vice-president; Louise Hinkley, secretary, and William Parks, treasurer. Our debate team was very successful, only being defeated by the Sophomores. A little later an enjoyable class party was had in the High School Gymnasium. Many of our class took part in interclass athletics and many other school activities.

On September 23, 1929, we re-assembled and elected Thomas Fochtman, president; Douglas Wells, vice-president, and William Parks, secretary and treasurer. By a few football and basketball concessions and some candy sales we increased our treasury amount greatly. By defeating the other class teams we succeeded in gaining the interclass championship in basketball. The Sophomore Class has been well represented on the honor roll, and we intend to continue in both scholastic and athletic activities in our two remaining years and try to be a credit to P. H. S.

Athletics
Football
Coach Le Cronier, who has coached the Petoskey High athletes for the last three years, has developed two championship teams. He has been handicapped the last year by the lack of material. The teams he produced were known for their fighting spirit.

Lynn Bartlett, a graduate of Albion, assisted Coach Le Cronier with the coaching duties this year. Mr. Bartlett coached the second squad in basketball and this spring is helping coach the track team.
Although the football season of 1929 was a year of reverses, Petoskey High showed plenty of battle in every way.

To start the season, Coach Le Cronier had to build a team out of inexperienced players. From the 1928 gridiron team the “Blue and White” lost nine regulars.

Many fans and coaches expressed their opinions that Petoskey showed more gradual improvement than any other team in the North.
Asahel Tillotson, captain of the Petoskey High football team of 1929, has finished his third year as a regular. He has played in every game for three seasons.

"Tillic" has been an All-Northern for the last three years. His first year he played guard and tackle and this season was shifted to end berth. He established an exceptional record for both offensive and defensive play.

Douglas Wells, a mighty halfback, will captain the football warriors of 1930. Petoskey High is fortunate in the election of "Doug" as captain.

This season was the first that Wells played in a High School game, but nevertheless he performed like a veteran all season. Douglas has yet two more football seasons in which to participate.
Basketball
In consideration of games won, the 1929-30 basketball season was considered fair. The "Blue and White" were victorious in about half of their games.

Petoskey is credited with defeating Traverse City and Cadillac and nearly taking Manistee (26 to 28) on the Manistee floor. All of these teams were outstanding in the Big Six.

From the 1928-29 season, Petoskey lost two regulars by graduation and two regulars will be lost by the team for next year.

The directing force behind Petoskey’s basketball team was Captain “Vint” Ball. He was of the fighting type and could be depended on when points were needed for a victory. Vint graduates this year after three years as a regular on P. H. S. basketball team.

Richard Porter, a Junior, was elected captain of the basketball team for the 1930 season. “Dick” has played guard for two years and is well qualified for the honor.

THE NORTHERN MICHIGAN REGIONAL TOURNAMENT

The Annual Regional Tournament, which was held in Petoskey was rated as one of the most successful in the history of the school. Manistee won Class B; Harbor Springs, Class C, and St. Francis, of Traverse City, Class D; the victors represented this region in the State meet.

A fair sized crowd saw the opening games Thursday afternoon. Capacity crowds attended the sessions Friday and Saturday. It was estimated that 2,200 persons attended the championship games Saturday night.

St. Francis vs. McBain was the initial game of the first tournament in the new gymnasium. After defeating McBain, 22-16, St. Francis took over Central Lake, the Class D champions of the Harbor Tournament, 17-9, in the semi-finals. In the finals Saturday afternoon the parochials won from Honor, 17-12, to win the Class D championship.

Harbor Springs, defending State Class C champions, had things their own way in the Class C opener, Thursday evening, drubbing the Custer five, 37-8. The scrappy Grayling team, led by Harrison, center, surprised the crowd by holding Harbor to a 16-13 score. McBride with a deuce and Bradley with a foul put the game on ice for Harbor.

Manistee, the winner of Class B, played three hard battles. On the opening night they eliminated Cheboygan, 27-21. The following night they took the Blue and White’s scalp, 22-16. Bufka and Black were Manistee’s outstanding men. Dick Porter looked best for Petoskey. Led by Captain Ludwigson, Manistee upset the dope Saturday night by winning the Class B honors, 11-7, from Traverse City. Traverse Central scored only one field goal in this game while Manistee scored four from the field.

The Petoskey Tournament management headed by Mr. Arthur Treloar, was fortunate in getting Mr. Farleman, of Lansing; Mr. Loomis, of Big Rapids; and Mr. MacMillan, of Petoskey, to handle the games. These men are rated as the best officials in Michigan and managed the games of the tournament very successfully.

Financially the tournament was considered successful. The State took ten per cent or $226.31 of the net receipts, and Petoskey High was given fifteen per cent or $339.46, after the cost of officials, trophies, and basketballs were deducted. There was a surplus of $307.47, after the expenses of the sixteen teams had been paid. Of this surplus the High School received $99.36 and the State $298.11.

Track
The Petoskey High School track team of 1929 competed in three meets during the season and emerged victorious in one. The second meet they were nesed out by a single count. At Cadillac the Blue and White took fourth honors. Six Northern schools took part at this regional affair.

The Blue and White thin clads of 1928 took the championship at Cadillac by a margin of ten points. Petoskey had won this meet for fifteen consecutive years and the ten-point margin was the smallest for any one meet during that span of years. Every coach and school in the North had envied this great Petoskey record and were very anxious to ruin our string of track championships. The prospects at the start of the season were critical, since every man with the exception of one, who had taken first or second at the 1928 Cadillac meet, graduated in 1928. This meant that the competing Class B schools last year did not meet the same calibre Petoskey trackmen that represented our school in previous years. Although Petoskey’s thin clads entered that meet rated to finish in the cellar position, they gave an account of themselves by getting fourth place. Cadillac, Traverse City, and Ludington were reported as having their best track squads in history.

Therefore, the season for 1929 is considered far from being poor. Coach Le Cronier is due great credit for the improvement shown in the track team from the start of the season.

Regional Meet

The Northern Michigan track meet held at Cadillac on Saturday, May 18, 1929, was won by Cadillac. This is the first time in fifteen years that any other school than Petoskey has won. The other places went to Ludington, Traverse City, Petoskey, Big Rapids, and Alpena, respectively.

The crowd was very small, compared to those that usually attend on such occasions.

Bellile of Ludington had the honor of breaking the only record, heaving the javelin six inches farther than March of Petoskey in 1928. Wells took first in the high hurdles and Harmon took first in the mile run for Petoskey.

Pole vault—McKellup, Cadillac, and Newberg, Ludington, tied for first; Barney, Alpena, and Dombroski, Petoskey, tied for third. Height, 10 ft. 3 in.

Shot put—Harvey, Cadillac, first; Bellile, Ludington, second; Troy, Cadillac, third; Fleeger, Alpena, fourth. Distance, 37 ft. 11½ in.

Javelin—Bellile, Ludington, first; McKinley, Cadillac, second; Soles, Cadillac, third; Ross, Traverse City, fourth. Distance, 140 ft. 11½ in. (New record.)

Running high jump—Hutchins, Cadillac, first; Wells, Petoskey, Hubbard, Traverse City, Hunt, Alpena and Thomas, Cadillac, tied for second, third, and fourth. Height, 5 ft. 9½ in.

Discus—Troy, Cadillac, first; Bellile, Ludington, second; Anderson, Cadillac, third; Knowlton, Petoskey, fourth. Distance, 107 ft. 10 in.

Running broad jump—Nelson, Traverse City, first; Hutchins, Cadillac, second; Corner, Cadillac, third; Ferris, Cadillac, fourth. Distance, 18 ft. 2¼ in.

120 high hurdles—Wells, Petoskey, first; Kelly, Cadillac, second; Nelson, Traverse City, third; Rockwell, Petoskey, fourth. Time, 19:1.

100-yard dash—Holland, Cadillac, first; Nelson, Traverse City, second; Harvey, Cadillac, third; Gibson, Cadillac, fourth. Time, 10:2.

One mile run—Harmon, Petoskey, first; Lardie, Traverse City, second; Soles, Cadillac, and Bell, Traverse City, tied for the third and fourth. Time, 5:11.

440-yard dash—McCrocken, Cadillac, first; Nelson, Ludington, second; Harvey, Big Rapids, third; Ostlund, Traverse City, fourth. Time, 56:4.

220-yard low hurdles—Kelly, Cadillac, first; Peterson, Cadillac, second; Kelly, Traverse City, third; Campbell, Cadillac, fourth. Time, 28:1.

220-yard dash—Holland, Cadillac, first; Osborn, Big Rapids, second; Suess, Ludington, third; Kelly, Traverse City, fourth. Time, 23:4.

880-yard run—Quinn, Ludington, first; Thomas, Cadillac, second; Barnes, Petoskey, third; R. Nelson, Traverse City, fourth. Time, 2:09:4.

Half mile relay—Cadillac, first; Big Rapids, second; Traverse City, third; Petoskey, fourth. Time, 1:42:2.

Total points: Cadillac, 75; Ludington, 25; Traverse City, 24; Petoskey, 18; Big Rapids, 8; Alpena, 4.
Dual Meet

Boyne City won a dual meet from the "Blue and White" by the close score of 63 to 62, on Friday, May 10, 1929. This meet will go down in Petoskey track history as the closest dual meet ever staged in Petoskey. The local thin clads ran away with their opponents on the track, but Boyne's athletes were too good in the field events.

Invitational Meet

Petoskey High won the invitational track and field meet Saturday, May 11, with 60 1/4 points. Boyne City came next with 59, East Jordan 19, Charlevoix 7, Mackinaw 5 1/2, and Alanson 3.

Petoskey showed to good advantage throughout, scoring in every event, and getting five first places, five second places, and tied with three others for all places in the high jump.

The feature of this preliminary meet was the mile run. Harmon for Petoskey and Anald of Charlevoix might have set a new Northern Michigan record had there been a dry, hard track.

Golf and Tennis

Golf, which was sponsored last year as a minor sport, was considered a success. Petoskey entered four players—Hugh Barnes, Edward and Stanley Wodek, and Henry Dombroski—in a tournament at Traverse City where they won fourth place with Manistee winning first. The Blue and White expect to have a stronger team this year.

A tennis tournament was held last year to determine a school champion. Robert Truesdell won the honor by defeating Thurlow Stone in straight sets. Petoskey did not enter a contestant in the Traverse tournament last year.
Features
Most Popular

Marian Feather is one of those people who are always ready to help when called on, and as a result certainly deserves her selection as the most popular girl. Marian has taken part in all the activities of the Senior class during the past four years so, "here's to her."

Stanley Kellogg is also deserving of this honor. Stan has done much for the class and for the school. The Class of "30" will always remember him for his genial smile and the willingness and thoroughness with which he did whatever he had to do whether in fun or service.
Best Looking

No one questions why Louise and "Vint" were chosen as the best looking students in our Senior Class, because one look at them removes all doubt of their deserving the honor.

They are both blondes, have clear-cut features and fine complexions, and really are very well fitted for the honor which we have given them.

STUDENT COUNCIL

Gertrude Lyons ........................................ President
Wesley Wells ........................................... Vice-President
Stanley Kellogg ........................................ Secretary and Treasurer

This year the Council was representative of the three upper classes, therefore it has been called the Senior Student Council.

Our year's business was started without having any old projects from last year to hamper our progress. We decided for some time before we decided where we were to center our efforts. Having a new gymnasium, we decided that an automatic scoreboard would be very appropriate.

As we looked over the building, our eyes centered on the old curtain in the auditorium. Here, we decided, an improvement could be made. Studying and discussing this question, we wondered if it would be possible for the Council to buy drapes for the windows. Both of these suggestions were carried out and now we have a fine looking auditorium of which we are all proud.

The faculty very generously consented to put on the play "Beau Brummel," the receipts from which were used to pay for the work already accomplished by the club.

The Council wishes to thank the student body and the faculty for their co-operation with us during the carrying out of our plans.

The extension of student participation in the governmental affairs of the school is evidence of the efficiency of the Council in its function of providing leadership for the student body.
The Petosega Chapter of the National Honor Society has carried on this year under the leadership of Lester Strickler as president and Miss Beebe as faculty advisor. The new members of the society selected from the Senior Class were Thelma Sullivan, Mary Margaret Reid, Gladys Brower, Jean Webb, Russell Spalding, Merrill Stark, Thurlow Stone, Naomi Hooker. The Senior Class congratulates these members on their success.

This society stands for high standards of Character, Scholarship, Leadership, and Service. Those attaining this honor are necessarily few and certainly have a right to feel proud of their selection.
The 1929-30 P. H. S. Pep Club has been successful in instilling lots of pep into the student body during the football and basketball season with the Porter twins and "Stan" leading the yells during the football season, and with Alexander Doherty and "Mert" Carter helping "Stan" during basketball. These yell leaders were known as the best in Northern Michigan and the school owes them a vote of thanks. The other members of the club have also done a great deal in spreading school spirit and pep.

Petoskey was represented in her first two debates by Robert Mitchell, Raymond Schaaf, and Earl Lawrence speaking on the question of the abolishing of the jury. These debates were held: one in Traverse against them, and another here against Cheboygan. The second semester Thurlow Stone was substituted for Robert Mitchell in debates against Traverse and East Jordan. Although we were unable to convince the judges that we were right, and that the others were wrong, we can well be proud of our debaters. It was decided to award the members of the debate squad monograms for their work. Mr. Rogers is to be congratulated on the forensic work this year.
Annual Banquet

The Class of 1930 entertained the Seniors at a banquet given at the Perry Hotel the last week in May, 1929. This event was followed a week later by the annual “J-Hop” at the Bay View Country Club.

The banquet was unusually successful, with its one hundred and seventy-five guests seated around small tables, which were decorated in yellow and blue, with centerpieces of daffodils.

Robert Mitchell was toastmaster. The welcome was given by Stanley Kellogg, to which Elbridge Starmer responded in behalf of the Seniors. Superintendent of Schools Spitler and Miss Beebe, faculty member, gave entertaining addresses, followed by a very interesting and amusing account of P. H. S. as it used to be, by Miss Alice Moore, an alumna and member of the faculty. Further in the way of entertainment was an unusually clever toe dance given by Miss Leone Lockhart. Porters’ Orchestra played during the dinner.

The “J-Hop” was also a success. The ballroom was gorgeously decorated in gayly colored streamers hanging from the false ceiling of lilacs. On one platform arranged in a bed of lilacs was the world-known “Globe Trotters” with Charley Fischer, whose music was greatly enjoyed by all. On the other platform was a huge “punch bowl.” The main feature of the evening was a dance by little Jeannie Shurtz.

Mr. and Mrs. Spitler and Mr. and Mrs. Bates were the official chaperones.
THE STRUT AND FRET CLUB

**Merton Carter** .......................... President
**Gwendolyn Griswold** .................. Vice-President
**Naomi Wilson** .......................... Secretary-Treasurer

The Strut and Fret Club has a large membership of upper classmen, many of whom were active in the club last year. The new members coming in were from the Junior Dramatic Club and have shown great interest in dramatic work.

During the first semester the club presented two one-act plays, “The Master Salesman” and “Good Medicine,” which were well received by the students at the bi-weekly programs.

Through the help of Mrs. Stech, the club has been successful in bringing out the dramatic talents of its members.

THE JUNIOR DRAMATIC CLUB

**Floyd French** .......................... President
**Dorman Shanley** ....................... Vice-President
**Arbutus West** .......................... Secretary-Treasurer

For many years there was but one dramatic organization in P. H. S. This club was open to upper classmen only. Two years ago the Junior Dramatic Club was formed. Now this society surpasses the Senior group in number.

Under the excellent supervision of Miss Merson, the members of the club have presented two successful one-act plays, “Three Pils in a Bottle” and “Miss Civilization,” which were given as bi-weekly programs in the auditorium.

Each member enjoys himself in this group, and their experience in it will help them when they wish to go further in this line of work.

THE GIRLS’ GLEE CLUB

**Evelyn Woodruff** .......................... President
**Faye Osborn** ............................ Vice-President
**Mary Margaret Reid** .................... Secretary-Treasurer

At the beginning of the school year the Girls’ Glee Club of forty members elected its officers and, under the direction of Miss Silver, the girls gave a number of interesting programs, appearing before the County Teachers’ Convention and the High School Assembly.

The second semester a chorus was formed as an elective club for all the girls desiring further musical training. Also a glee club of twenty-five members, consisting mainly of upper classmen was formed.

The club entered the Michigan State Musical Contest at Traverse City, where they won second place in the district.

Besides the regular work of the group, the girls have enjoyed several parties.

GORDON HENDRICKS .................. Treasurer

In the fall of 1929, because of the great demand of a large number of the High School boys, the Aviation Club was inaugurated and organized under the guidance of Mr. Jacobs, as an additional activity of the school.

The club has held some very interesting meetings in the past. During one of the meetings a moving picture on the Manufacture and Use of Parachutes was shown, and at the other meetings the boys have received many interesting talks on the science and principles of flight from Mr. Jacobs. Plans have been made to hold a model airplane contest in the spring.

THE GIRL RESERVES

The Girl Reserves have been very busy during their first year in P. H. S. At the first meeting the members were divided into three groups. Since that time, at each meeting, the work has been accomplished through these groups.

To aid Miss Barton with her work during Thanksgiving time the girls filled large baskets with canned food and presented them to her. Also they were helpful at Christmas time by providing clothing for a needy family.

Several parties have been enjoyed by the girls. The most outstanding of these were the Treasure Hunt, which ended at Magnus State Park, and the Masquerade Hallowe'en party, which was held at the Community Rooms.

The members of the club are very fortunate to have had Miss Moore and Miss Monningh for their advisors.

THE EDISON SCIENCE CLUB

GLADYS BROWER .................. President
EARL LAWRENCE .................. Vice-President
JOHN GRAHAM .................. Secretary-Treasurer

The Edison Science Club meets every two weeks in the lecture room and discusses scientific articles which are very interesting to the members. The members are required to be prepared to answer the roll call with a scientific statement.

Several movies have been given for the benefit of the club and have been found interesting and educational by the members. The club members feel that their advisor, Miss Grotemut, has given them some very worthwhile material in the course of the various discussions held.

The Petoskey Hi-Y Club was organized eight years ago by our present leader, Walter MacMillan, and since then has grown, not only in size, but in its purpose.

Until last year the club held its meetings during the activity period every two weeks, but we were not satisfied with having our meetings arranged this way, and so we arranged to hold them every Friday morning in the lunch room after a breakfast which the boys prepare. In this way we have much more time and realize the full meaning of the club, which is “To create, maintain, and establish throughout the school and community higher standards of Christian character.”

The club’s activities this year have been somewhat varied. The first task that it undertook was that of putting on induction services for the newly organized clubs in Gaylord and Cheboygan. Then we turned our activities toward home, and besides putting on a courtesy campaign, we have cleared up some misunderstandings concerning Student Government, and plan to do much more for the school in the future.

APPLES

Apples are born on trees, spend a large part of their lives in barrels and are buried in pies.

There are several varieties, such as "The Apple of Discord," "The Apple of My Eye," "Adam's Apple," "Apple Jack," and "Appleton's Encyclopedea."

There is also a variety known as "Pippins." These have a rosy skin and frequently look better than they are.

Apples, unlike melons, are eaten from the outside in, instead of from inside out, but sometimes, when green, produce an inside-out sensation.

The only part of an apple that cannot be eaten is the core; on reaching that part of an apple you may want more, but are compelled to stop, hence the origin of the familiar cry, "Encore."

The apple is said to have caused the "first fall of man," but since then the banana has given it a hard race.

The three personages who have done the most to make the apple famous are Adam, William Tell, and Colonel Teddy.
