SENIOR YEAR BOOK
OF THE
CLASS OF 1937
PETOSKEY HIGH SCHOOL

Two
Foreword

So that in after years, the dust blown from its edge, the cover turned, to waft us gently back over the stream of time to view again the haunts of long lost hours, is the object of this 1937 year book.
Dedication

It is hard to find words to express our thoughts for our highly respected Principal, who has done so much to make dear old PHS a better school both scholastically and spiritually. So as a small symbol of our sincere appreciation, we dedicate this year book of the class of '37 to

Class History

The Kin of the Family of “37” rallied forth at the “Call to Learning” in September, 1933. No time was lost in organizing the group into one big happy family for a happy four year reunion. The officers for that year were: President, Vernon L. Kemp; Vice President, Virginia Buettner; Secretary and Treasurer, Ruth Kage; Class Sponsor, Miss Hesling. Near the close of that school year, instead of the conventional picnic, our class had a banquet in the cafeteria. Representatives from our clan secured for the family honor, the Interclass Debate Trophy, after debating the Sophomores and Seniors. After a very successful year, the class was granted an honorable discharge for the summer recess.

The Sophomore trumpet call reunited the family in Sept., 1934. To enlarge the family exchequer, several concessions were managed by the class. “The Gypsy Ronda,” a party given by the family in the gym, was conceded to be one of the best for the year, and the social prestige of the class was well established. “37” was again placed on the Debate trophy, after our “oral warriors” defeated the Freshmen and Seniors. A new laurel was hung in the family hall of fame by capturing the Field Meet. As a climax to this year of reunion, a big Sophomore Picnic was held over at Young’s State Park. The family organization which contributed to the success of the Sophomore year were: President, Vernon L. Kemp; Vice President, Betty Townsend; Secretary, Ernestine Emboden; Treasurer, Paul Kleber; Class Sponsor, Miss Olson.

In September, 1935, as Juniors we returned to the pursuits of education and class reunion, determined to accept and administer the larger responsibilities in a bigger and better way. No time was lost in organizing the Clan of “37.” The officers elected were as follows: President, Vernon L. Kemp; Vice President, Dor Ernst; Secretary and Treasurer, Ruth Meister, Class Sponsors, Mr. Treloar, Miss Furman, Miss Baldwin, and Mrs. Stech. A huge financial drive was promoted by the family for the main purpose of presenting to the Seniors “The Best J-Hop Ever.” As a result of diligent work and joint effort the family purse assumed rounded proportions and on May 8th the purpose was, by general consent, fully accomplished. This year, under the able direction of Mrs. Stech, 16 members of the class presented a 3-act comedy, “Growing Pains” which was indeed a success both as to material gain and pleasure to the audience. Again the debaters won the inter-class debates. This year again our trackmen won the Field Meet. The climax to this delightful year was the Family Frolic over at the Beach Club on Little Traverse Bay.

For the last time the trumpet pealed forth the Call of the Clan of “37.” To make “37” the happiest and best year ever was the determination of every member. The officers are: President, Vernon L. Kemp; Vice President, Alfred Phillips; Secretary and Treasurer, Margaret Lesher. Several concessions were taken by the class, and two school parties in the Gym. On January 3, we presented the annual Alumni Party. The Track and Field Meet was again easily won by the class of “37.” After the enjoyable J-Hop provided for us by the class of “38,” we are looking forward to the Senior Picnic, Circus Day, Senior Prom, unfortunately, spring exams, and then a grand and never to be forgotten graduation.

For attaining success in our undertakings we are indeed indebted to the untiring aid and diligent work of our Faculty and School Administration. Near the completion of our happy experiences in Petoskey High School, we feel that we have accomplished our ambitions as a class together, and we are confident that we are now spirited to move forward as individuals, possessed with a spirit of loyal cooperation.

Senior Honors

The honor of having the highest scholastic average in the class of 1937 goes to Betty Townsend with an average of 3.964. Because of having spent the first semester of her Freshman year at Grand Haven, Betty was ineligible, according to a local custom, for selection as Valedictorian.

Dolores Sterzik, with an average of 3.857, was named Valedictorian and Ruth Meister, with an average of 3.786, was declared Salutatorian.

In addition to their excellent scholastic attainments these girls have been very prominent in class and school activities.

Other seniors to receive B averages or better are:

Virginia Bueettner  Helen Hoffman
Jennie Gregory       Margaret Kelbel
Harold Guillaume     Vernon Kemp
                     Merle Lambertson

DOLORES STERZIK

National Honor Society

The Petosega Chapter of the National Honor Society was established in 1925, four years after the first National Honor Society was founded. Up to the present time we have had one hundred and forty-five members in our chapter.

This year the society carried out its usual activities under the direction of Miss Beebe, our faculty advisor. The new Senior members were voted upon in the last part of March. On April 22 the initiation of these members took place in front of the student body. In the latter part of May members will be selected from the Junior class. Their initiation will take place at the Annual Honor Society Banquet which is for the faculty, alumni members, the present members and their parents.

The members are chosen from the upper twenty-five per cent of the students highest in scholarship. Not only do the members have to excel in scholarship but also in leadership, character, and service. The faculty and members elect the new members. Only fifteen per cent of the class is eligible for membership. During the last semester of the Junior year five per cent is chosen, while the remaining ten per cent is chosen in the Senior year.

The Seniors elected in their Junior year were: Vernon Kemp, president; Virginia Bueettner, vice president; Betty Townsend, secretary-treasurer: Doloris Sterzik. The Seniors elected in their Senior year were: Helen Hoffman, Don Angus, Harold Guillaume, and Merle Lambertson.

Nineteen
I-Hop 1936

On May 8, 1936, our class, as Juniors, presented to the Seniors a J-Hop that will long be remembered as a distinctive High School Party. The accumulated finances for the party were the result of a three-year campaign to sponsor the “Best Hop Ever.” Space does not allow us to give the deserved credit to the many members of the class who worked untiringly to bring about the desired result. The evening started with a lovely banquet at the Petoskey-Bay View Country Club, where a lovely dinner had been arranged for and planned by a committee from the class with the generous aid and supervision of Miss Furman. Following the banquet was a most interesting program planned by a committee of which Miss Baldwin was faculty sponsor.

The second part of this lovely party was presented in the high school gym. The bare walls and wide open spaces of the gym were completely displaced by lovely decorations. The decorations produced a truly Dutch atmosphere. The “Ohio Lucky Seven,” the orchestra for the occasion, played from a huge wooden shoe. On either side of the gym were large colorful windmills with revolving vanes. The sides of the gym were covered with panels of life size Dutch characters doing various things. The lighting was reflected from these panels with colored flood lights. The entire west end of the gym wall was covered with a beautiful panorama of Dutch country life. The foundation for these lovely decorations was an imitation rock wall which extended completely around the gym. The ceiling represented a night sky with glittering stars. The appearance created by these lovely decorations was certainly all that could be hoped for to create a beautiful place for the party. The result was, of course, a very lovely time for everyone, and an occasion which the class of “37” can long be proud to have given.

The class is deeply indebted to Mr. Treloar for the lovely decorations in the gym. His work as faculty sponsor for the decorations can only be fully appreciated by those who worked with him, and knew the time and effort which he so generously gave. The party was a grand success and the class aim was fully accomplished.

I-Hop 1937

On May 7, 1937, the Juniors presented to the Class of “37” a very delightful party and banquet. The lovely banquet was served at the Petoskey-Bay View Country Club. A very interesting program was arranged after the banquet. Mr. Wolgast was the very efficient toastmaster and introduced the speakers in order. Richard Brown, president of the Junior Class, welcomed us as guests to the party which they had prepared for us. The Senior Class president, Vernon L. Kemp, returned the lovely welcome, expressing the appreciation of the class to the Juniors. The guest speaker was Mr. Frank Jacobs, principal, who gave us a very interesting as well as sound talk. He directed our thoughts along the lines of service and making life worth living.

The second part of the evening was an enjoyable party in the gym. The decorations were of the nautical type and were nicely arranged, giving the desired effect. Scottie Campbell’s orchestra provided delightful music for the occasion. The grand march was a feature of the dance with the Junior president, Richard Brown, and his guest, Louise Brill, the Senior president, Vernon L. Kemp, and his guest, Corinne King, leading. In summary of the event it was a highlight in the activities for 1937, and the Class of “37” again extends its gratitude to the Juniors.
Speech Activities

Petoskey was well represented in the Speech contests this year.

In the local contests Janet Chattaway won first place in Declamation, with the topic, "Qualities That Win." Don Angus represented Petoskey in Oratory. His speech was "Relief from Relief." Vernon Kemp won first place in Extemporaneous Speaking. His topic was "Social Securities."

In the Charlevoix Sub-District Contests Vernon Kemp placed first in his division while Don Angus placed a close second in his division.

In the District Contest held at Gaylord Vernon Kemp captured first place. The banner, which he won for Extemporaneous Speaking, has never been won by a Petoskey student before. Vernon also won a dictionary for himself.

Much of the success of the Speech department has depended on the sincere efforts of Miss Baldwin. The Petoskey High School should be grateful to Miss Baldwin for the time she has spent in making our speech activities so highly successful.

Debate

The subject for our Varsity debate this year was "Resolved, That the Government should own and operate the electrical utilities industry."

Nine people answered the call for candidates. After practice debates with Alpena, Rogers City, and Pellston, a varsity team was chosen for our first debate. Our first debate was lost to Cheboygan by a 2-1 decision. The second debate of the year was won from Traverse City with a 3-0 decision. Our third debate was won from Pellston unanimously. Our fourth and last preliminary debate was won from Rogers City by a 2-1 decision. We were admitted into the elimination debates with twelve points out of a possible sixteen. After a close debate with Frankfort, we lost by a 2-1 decision. Three people who participated in all five debates are members of this year’s Senior Class. They are Don Angus, Vernon L. Kemp, and Merle Lambertson. The group of people who are left will no doubt be outstanding debaters of Petoskey High in the next year or two.

Interclass Debate

The subject for Interclass Debate was “Resolved, that the present ferry system across the Straits of Mackinac should be replaced by a bridge.” The Freshmen defeated the Sophomore team in their first debate. The Freshmen met the Seniors before the entire school body to win by a 3-0 decision. It was one of the best inter-class debates. The Senior team was composed of Alfred E. Phillips, Reginald Greenway, and Francis North. The Freshman team was composed of Bill Zipp, Albert Linnell and Bob Brown.
Athletics

The system of athletic training in the annual events of Petoskey High School has continued to up-hold the outstanding ideals which are characteristic of this school’s physical education. The competitive field of our school conveys the responsibilities to fully train and develop the sports in her students. Sports emphasize many qualities derived from rudimentary exercises and beneficial training such as clean sportsmanship; active and fit bodies and minds; the desire to go forward and have a winning—spirited school; and the building of the characters of an enthusiastic student body so that the Blue and White will still have its supremacy.

Fighting for this supremacy in the realm of interscholastic athletics was Petoskey High School’s Football Team, which was inexperienced, yet it placed its efforts against veteran teams of other schools. The Varsity team’s line up had an average of one hundred and seventy pounds in the line, and an average of one hundred and fifty pounds in the backfield. Under all the heat of the competitive games there were events that are worth comment; for example, this season, Gaylord challenged our team for the first game of 1936, which was won by Petoskey 14 to 0 on the home field. In the course of the game Swenor caught a pass which was carried thirty yards for a touchdown; also, in the Manistee game a significant spectacular incident happened when Cope intercepted a pass near our thirty-two yard line, and carried the ball for a touchdown, and Petoskey won by a score of 26 to 0; in the

Twenty-two
game with Alpena, the score being 6 to 13, the same characteristic spirit of hard fighting was shown after gaining the six points through a sprint to the goal line by Slaughter, who handled a pass from Still, who was on our five yard line. Traverse City held Petoskey in a game much closer than the score will admit, and Petoskey demonstrated a much improved team full of hard fighting enthusiasm for the last game of the season. The game ended with a score of 0 to 7; yet Paulus caught a pass within inches of the goal line where Petoskey was held until the game ended with still two downs to go.

The Basketball season was destined to see our Varsity team fighting for its supremacy with an effort that had to move forward through steady steps of progress. The group of Sophomores and Juniors that has made up the main body of the team seems to give Petoskey High School a very prosperous looking squad, and has already given us cause to be greatly gratified. The team's progress really reached a high point in the regional tournament when our opponents, Alpena, changed the score, after the end of a game and in the overtime period, from our one point lead to a one point lead for them by a basket which was made from the center of the floor just as the game ended.

We owe our expressions of sincere gratitude to Coach Arnold Wolgast and to Assistant Coach Lynn Bartlett, who have made the improvement of both Football and Basketball teams very laudable.
Music

The Petoskey High School Band, under the direction of S. M. Trickey, has been heard of very much during this school term of "37." Our first band in 1916, had 18 members, while our of "37" has 68. Most of the increase has been due to the continuous efforts of the present director. A new and important feature established by him this year was a possibility of taking band as a solid academic credit. Under his waving baton this organization made a fine showing both in the festival at Charlevoix and at Traverse City. At the festival held here this May, Mr. Norton, Director of Flint Symphonic Orchestra, highly complimented our band.

No athletic contest was complete without the presence of the band. In the autumn they put in their weekly appearance at the football stadium. During the basketball season they were there for every game to play and to do their share of cheering. Dressed in new uniforms of dark sweaters and white trousers, the band presented various difficult letter formations at these games.

The band will take part in the coming P. T. A. Convention and later in the Commencement Activities. Well, good luck, Mr. Trickey, and may your success continue in the Petoskey High School.
**Vocal Music**

The Glee Clubs of Petoskey High School are very active. Each year in the spring, they present a concert or operetta. When we seniors were freshmen, our clubs presented “An Old Spanish Custom.” The last three years we have given concerts, combining in our Junior year with the instrumental department for a massed program and joining this year with the Mothersingers. At the concerts in the last two years the girls have worn the blue robes which they designed themselves.

It is traditional for the mixed glee clubs to sing for Baccalaureate, Class Night, and Commencement, and they will do so again this year.

In addition to the larger groups we have two ensembles: the girls’ sextette whose members are Virginia Buettner, Phyllis Schmitt, Joyce Smith, Lois Veith, Marie Wilbur, and Patty Bowman and the boys’ quartette composed of Merle Lambertson, Clifford Riley, Harold Guillaume, and Harold Beyer.

The activities of the girls’ group are under the leadership of Virginia Buettner, President; Phyllis Schmitt, Vice-president, and Betty Townsend, Secretary-treasurer; and in the boys’ group Merle Lambertson is chief pilot and Harold Guillaume is aid. Assisting these officers and sponsoring our entire program is Miss Dora Silver, our able director.

**Plays**

As Juniors, the class of “37” presented the comedy “Growin’ Pains,” to a large and delighted audience. The play was a marked success, both financially and educationally.

As Seniors we gave a mystery farce, “Officer 666” and our efforts were greeted with much enthusiasm from the public. In this play we gained our highest degree of perfection.

In regard to our dramatic activities, we, the class of “37” wish to thank our splendid director, Mrs. Stech. But for her friendly and able management, we would have made no such success as we have.

We wish also to express our deep gratitude for the splendid help of Miss Farnsley and that of the members of other classes for the unusual amount of cooperation they have given to us and the assistance which they gave so freely.
Hi-Y Club

The platform and main principles of this club are to create, maintain and extend, throughout the school and community, high standards of Christian living. Its aim is to develop a four-fold life of clean speech, scholarship, athletics, and clean living.

Jolly meetings were held on the second and fourth Mondays of each month during the school year. At these meetings everybody took part and worked. The refreshment and recreational activities were delegated to committees. Speakers who were well-informed on their various subjects, gave inspiring talks. Thanks to Mr MacMillan, leader of this group of boys, the Club was a decided success.

The Club always sends a delegation of boys with a leader to the Older Boys' Conference and to Camp Hayo-Went-Ha. These assemblies were organized and are operated by the Y. M. C. A. They develop leadership for future clubs of this sort.

Each year the Club receives new members. A list of candidates is prepared and then voted upon. Those taken in are subjected to the formal initiation.

All together the Hi-Y Club is a fine group of boys all striving toward one goal—the government of four-fold life, clean speech, scholarship, athletics, and clean living.

The officers elected for 1936-1937 are as follows:

President ..................................... Vernon Kemp
Vice President .............................. Merle Lambertson
Secretary ................................. Richard Brown

Twenty-six
Margaret Lesher's friendly smile and attitude of gay co-operation in all class activities have made her the most popular girl, while Kemp's many and varied activities as well as his devastating charm has so endeared him to us that he could be nothing but most popular boy.

The girl of the most outstanding beauty in the Class of "37" was the blonde goddess Dorothy Lustig. Her fair hair and glorious eyes are so outstanding that the Seniors are backed in their choice by the judges who gave to Miss Lustig the title of Winter Sports Queen. "Dub" Johnson's fine dark eyes and crisp black hair coupled with a fine manly cast of features gave him his place as most handsome man of the class of "37."
