*In Honor of*

MISS DORA SILVER

*for her splendid school spirit, her friendship, and  
her leadership, which  
has endeared her to everyone.*

# *Programme*

Directed by the Petoskey High School Faculty.

## *Prelude and Interlude*

Leading up to graduation, the setting of "La Petosega" is first shown in the underclassmen. Preparation for the Senior year begins as the student enters PHS in his Junior class.

"La Petosega" portrays the student's career throughout the high school years from the angle of the out-of-class activities in which he engages. This does not in any way omit or minimize the importance of these classes but rather highlights them with the reflections from the practical applications of the material learned.

## *Act I Music*

As "La Petosega" opens, the student becomes concerned with vocal and instrumental organizations, participating in band, orchestra, glee club, chorus, choir, or small ensembles. Through his ability in music, he contributes to the school and gains understanding and appreciation of this field.

## *Act II Organizations*

The scene changes to a social horizon as the student joins clubs and is elected to honor societies. In these organizations he develops his leadership ability, forms friendships, and learns cooperation.

## *Act III Athletics*

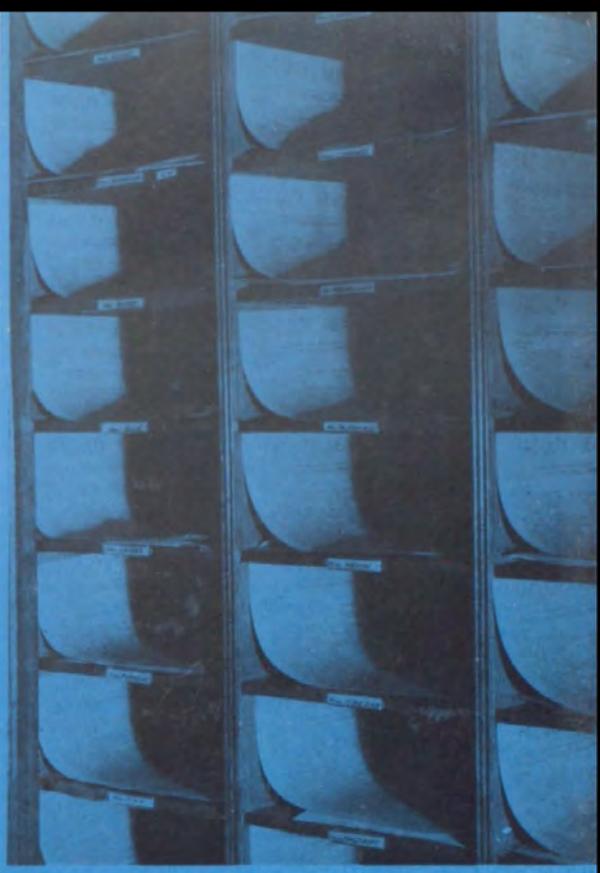

Athletics form the third factor in the student's school life, as he participates in sports. Attending games or playing for PHS he becomes proud of his school and eager to benefit it with his ability in athletics.

## *Finale*

Having completed four years in music, organizations, and athletics, the climax for the student comes as he graduates.

## *Curtain Calls*

The outstanding Seniors make their final appearance in "La Petosega."

*Conductors*

*H. C. Spittler*, SUPERINTENDENT

*I should like to extend my greetings and congratulations to the members of the staff and the many others who have made this publication possible.*

*Your issue of the Petosegan is being presented at a time of international strife and unrest. The democratic way of life is being severely tested. It is my earnest hope that your high school has served not only as a means of learning about the principles of democracy, but what is more important, that it has been a real workshop where you have learned to use successfully the ways of democratic living. I hope that you have learned the responsibilities that go with freedom in a democracy and that you with the many thousands of other high school graduates may do your part in proving the worth of the American way of life.*

*H. C. Spittler*,  
Superintendent.

*If the American form of government is to survive the present world crisis the youth of our land must come to a true understanding of the meaning of democracy. What we have to enjoy today is largely ours by virtue of the tireless labors and sacrifices of our forefathers. Realization of this fact comes with a full knowledge of the history of our country, its early struggles, its ideals and objectives, and its possibilities for future growth and development.*

*If we are to continue to enjoy the blessings and privileges which are now ours each of us must realize that true patriotism demands that we be trained in mind, be mentally alert, be strong in body, be morally right, and understand the duties of citizenship. Millions throughout the world have lost the right of free speech, free public schools, free enterprise, and the right to worship according to the dictates of their own reason. Is that to be our lot or will the youth of America reach out to grasp that which is within their reach and keep the light of Democracy forever burning? This is the challenge. Be prepared to do your part.*

## The Orchestra

Under the able direction of Frederick C. Schmyer the P.H.S. orchestra has again completed a year of successful public performances.

Composed of twenty-five members, it meets the third period on Monday, Wednesday, and Friday.

During the year, the orchestra played for the Junior and Senior plays. It participated in the Band and Orchestra Festival where it received a high rating, and the orchestra will play at Baccalaureate as well as pro-

## The Pep Club

By bolstering school spirit, encouraging sportsmanship, training cheerleaders, and promoting pep meetings, the Pep Club has proven itself a real aid to the student body.

Members are elected on a basis of the numbers of seniors graduating, with the membership limited to twelve. Qualifications for membership are good sportsmanship, active participation in school activities, and leadership ability.

This year juniors, Edwin Weber and Charles Baumgartner; sophomores, Jim

Wenz and Patsy Donnelley; and seniors, Martha Gibson and Gerald Ernst were admitted into the club.

The officers for the year were Dorothy Gruler, president; Ruth Ann Schomberg, vice-president; and Marion Mollhagen, secretary-treasurer. Miss Silver is the club adviser.

## The Band

Mr. Frederick C. Schmyer has directed the PHS band in another highly successful year. The band gave its support at all of the athletic contests, presenting at one football game an impressive and difficult formation in the form of a huge American flag.

The band presented two combined concerts with the vocal groups. The first included a piano solo, **Repartee**, by Miss Dora Silver and the march, **Burton**, conducted by Donald Miller, student conductor. The second performance in April included a Baritone Solo by Bill Adams, and the massed chorus and band gave as a finale Jean Sibelius' **Finlandia**.

This year the band played host to fourteen other bands at the annual festival. Mr. Roy Miller of Wayne University, guest critic, gave high recognition to the Petoskey band for its fine performance in the afternoon.

Following are the members of the Band:

They also sang at the Masonic Lodge and joined the Girls Sextet to sing for various occasions. They participated in the combined concerts given by the vocal and instrumental departments as well as taking part in the closing exercises in June.

## Quill and Scroll, the Journalists

Two formal initiations marked the school year of 1940-41 for the Quill and Scroll. Early in December, induction services were held for Gerald Ernst, Alfred Frank, Evelyn Ludlow, Lornajean Schneider, Verna Sommer, and Priscilla Zuiderhoek. Shirley Craig, Betty Dow, and Fred Rose were initiated in February.

According to the constitution, members must be chosen who at the time of their election meet the following requirements: they must be of at least junior standing, in

the upper third of their class, having done superior work in the journalistic field, recommended by the faculty adviser or the board governing publications, and approved by the international secretary-treasurer.

The officers of the society are: Jack Lee, president; Vernice Dalton, secretary; Bob Benjamin, treasurer.

FRONT ROW: Priscilla Zuiderhoek, Lornajean Schneider, Vernice Dalton, Secretary; Verna Sommer, Evelyn Ludlow, Gerald Ernst, and Bob Benjamin, Treasurer.

BACK ROW: Alfred Frank, Jack Lee, President; Shirley Craig, Fred Rose, Betty Dow.

## National Honor Society, the Scholars

Candidates for membership in the National Honor Society are chosen from the upper 25 per cent of the Junior and Senior classes. From this group only 15 per cent of the candidates are eligible for membership.

To be chosen a member of the organization, one must have a high scholastic record, show initiative in promoting and directing school activities, demonstrate sincere school spirit, and be willing to render cheerfully and enthusiastically any worthwhile service to the school.

The junior members were elected into the Society on May 15, 1940. These included Betty Dow, Betty Lou Friend, Bob Brown, Bob Bursian, and Fred Rose. Seniors elected on March 10, 1941 were Verna Ballard, Shirley Craig, Gerald Ernst, Alfred Frank, Jack Lucas, Reva Marquardt, Betty Stark, and Priscilla Zuiderhoek.

BACK ROW: Miss Beebe, Bob Brown, Jack Lucas, Gerald Ernst, Alfred Frank, Bob Bursian, Fred Rose, Betty Lou Friend, Shirley Craig.

FIRST ROW: Betty Dow, Mary Murphy, Reva Marquardt, Verna Ballard, Betty Stark.

## Student Council, the Go-Getters

The Student Council is an organization designed to aid in settling such problems that directly concern the student body. The council is composed of representatives from each advisory from the seventh through the twelfth grades, and certain class officers.

This year the council has been active in directing guests during tournament week. They have sponsored a school party and purchased lamp shades for social affairs in the gymnasium. One of the most important projects undertaken, was the clearing of the locker situation. This required a thorough check of open lockers on each floor every

hour as some students did neglect this necessary item.

The officers were elected at the first council meeting. They are: President, Charles Ballard; vice-president, Mary Lou Larson; Secretary-treasurer, Bob Brown.

Verna Ballard, Bob Benjamin, Louis Young, Betty Stark, Marian Mollhagen, Mary Rita Hegener, Edwin Weber, Vernie Schneider, Anne Dalton, John Pater, Don Miller, Shirley Jo Ernst.

Alice Townsend, Vera Lump, Lula Knight, Tom Travis, Maurice Case, Harold Cosgrove.

Jane Parks, Douglas Bain, Don Hodgkiss, Barbara Anderson, Audrey Crick, Louis Reyner, Bob Brown, Sec.-Treasurer, Bob Bursian, Priscilla Zuiderhoek, Mary Lou Larson—Vice Pres., Russell Hinds, Charles Ballard—President.

## Candle Club A Social Group

The Candle Club is composed of twenty-four junior and senior girls and has as its adviser Miss Ruth Bergeman.

With "be cheerful, wise and charming" as its motto, the club works toward friendship among its members and the entire school, and towards the promotion of school activities.

Unlike other organizations, it has no officers except a treasurer and club historian, but has a different chairman for each activity.

The activities began with a dinner for the new members, followed by a Hallowe'en party, Christmas Caroling, the famous Heart Sister week, a dinner given for the women

of the faculty, a tea for the mothers, and a senior party. This year the junior and senior girls were guests at a Christmas tea—an innovation taking the place of the Thanksgiving baskets distributed in previous years.

## Varsity Club For Lettermen

The Varsity Club completed its third year this spring under Coach Steve Sebo. The members of the club are players who have won major athletic awards, rank high with their fellows in sportsmanship, character, personality, and cooperative spirit. The winning of a letter does not insure membership.

The full meaning of the letter and its significance is enlarged and brought out by the fellowship in the club. A code of laws has been adopted with the main emphasis on promoting a true spirit of sportsmanship and clean living in school and in life as well as in athletic competition.

There are no club dues. Funds are raised

through projects and concessions at games. The club is not affiliated with any other athletic organizations of other schools; its activities are designed by the members under the supervision of the faculty adviser.

## Dramatics Club Presents Plays

The Dramatics Club, under the joint direction of Mrs. Rosalie Stech and Miss Alice Farnsley, is an activity offered to all students of Petoskey High School. Curricular credit is granted to juniors and seniors, and extra-curricular credit is given to underclassmen.

The course endeavors to acquaint students with dramatic technique and its practical application, with scenery, lighting, make-up, and the study of outstanding personalities connected with drama today.

## Hi-Y Promotes Leadership

This boys' club is one of the leaders from the standpoint of high ideals, accomplishments and programs. In the fall of the year, Petoskey entertained all the Hi-Y's of this district. The club sent several delegates to the State Hi-Y Convention in Muskegon, in addition to two boys who spent two weeks at Camp-Hay-a-Went-Ha.

The club meets regularly, twice each month, at which times several excellent speakers have spoken.

The Hi-Y program, "To Create, Maintain, and Extend throughout the school and community high standards of Christian character," has been in the foreground of all

meetings and enterprises. The club is divided up into seven committees: Finance, Service, Program, Publicity, Membership, Worship, and World Fellowship. Heading the organization was Mr. MacMillan, faculty adviser; Bob Bursian, president; Dick Harbaugh, vice president; Bob North, secretary; and Jack Lucas, treasurer.

## Washington Club Visits Capital

The Washington Club was by far the most active club in PHS this year. The organization whose aim was "To see Washington" was composed of 24 senior boys and girls, and their sponsors, Mr. and Mrs. John F. McDonald.

The group raised their own expenses by giving baked goods and candy sales, sponsoring the Donkey Basketball games, serving at various dinners, putting on card parties and working at the Winter Sports Ball.

The club started to Washington the day spring vacation began. Some of the hi-lights

of the trip were: dining with Representative Bradley and Senator Brown; visiting the White House, Capitol, and at the Bureau of Printing and Engraving; attending church; touring many of the congressional buildings and Mount Vernon; and witnessing the opening of the American League Baseball Season.

## Hi-Light Publication Gives Wide Experience

This year the staff has advanced the style of the paper by the use of original and novelty cuts, and the use of column rules. The Petoskey merchants, with their purchases of advertisements, have approved the idea in increasing number.

The exclusive interviews of two prominent celebrities, Governor Dickinson and Tom Harmon, were conducted by staff members for publication.

This year again a delegation of staff members represented the paper at the Michigan Interscholastic Press Association Convention held in Ann Arbor, May 1, 2, and 3.

The Hi-Light is a member of the National Scholastic Press Association, Michigan Interscholastic Press Association, and of the Quill and Scroll Society.

## Debaters Go To Eliminations

The PHS debaters opened their extra-curricular activities this year with practice debate tournaments at Cheboygan and Alma College.

In the preliminary series of the Michigan High School Forensic Association, Petoskey defeated Cheboygan and Onaway once, and Mancelona twice.

They were hosts at the elimination tournament, defeating Alpena, drawing a bye, and

bowing to the Traverse City team in the final round. Lornajeane Schneider, Alfred Frank, and Fred Rose took part.

Five speakers participated this season, taking five of six debates.

The topic for this year was Resolved: That the Power of the Federal Government Should Be Decreased.

Fred Rose, Audrey McPherson, Coach A. T. Rolph, Lornajeane Schneider, Alfred Frank, and Jim Townsend.

## Gridders Have Bad Luck

Petoskey's grid squad started to go places last fall, but bad luck—injuries, over-confidence, and underconfidence lost five out of eight games for them.

### Gaylord 27-0

On a field fit only for deep-sea divers, the Northmen outplayed Gaylord in every department and trampled them 27-0.

### Boyne City 0-13

In a drag-em-out affair, the Ramblers walked all over Petoskey to a tune of 13-0. This was the Northmen's first encounter with a 5-man line.

### Harbor Springs 6-8

Playing against the still mystifying 5-man line, the Northmen lost a hard-fought battle to the Rams, 6-8.

### Rogers City 6-6

With Petoskey's spirit and will over-riding Rogers superior weight, our team battled to a tie.

### Alpena 0-13

A powerful eleven from Alpena continued

its unmarred record by defeating a stubborn PHS team.

### Cheboygan 0-6

Petoskey should have won this game, but the essential punch was lacking in the crucial moments.

### Cadillac 14-6

Playing the type of ball of which they are capable, the Northmen smashed over 14 points, beating their worthy opponents.

### Traverse City 0-15

Playing on a rain-soaked, wind-swept field of mud, Petoskey's light squad administered a terrific physical beating to a Traverse team which out-weighed them 34 pounds to a man. The Northmen played for keeps and lost—but only by the score.

## Regional Class B Champs

During the school year of '40 and '41 the Northmen under Coach Steve Sebo scored the highest game average in twenty-two years. They turned in a high season score totalling 445 points or approximately a point a minute for fourteen games.

Boyne City, 29-17	Cheboygan, 28-18
Charlevoix, 33-21	Cadillac, 37-28
Cadillac, 36-19	Boyne City, 39-33
Traverse City, 28-40	Traverse City, 23-24
Harbor Springs, 37-29	Harbor Springs, 23-22
Charlevoix, 35-24	Rogers City, 42-38
	Cheboygan, 32-22

The Petoskey squad won the annual regional tournament from the Traverse City Trojans 20-13. It was the greatest comeback

for the Northmen in any games the two teams have ever clashed.

Again they took the game from Rogers City in a close battle. Both teams fought furiously to sink the ball and the game ended 35-33. This game sent us to Big Rapids to compete with the Mt. Pleasant squad. Their team was much larger in size than the Northmen and they took the game leading 29-27.

## The Cinder Sprinters

The 1940 track team, captained by Edward Stanley, came through with a successful season. It started with the annual inter-class meet, the class of '42 winning top honors.

The Northmen placed fourth in the Annual Big Eight meet held at Traverse City and won 24 points at the Regional Track and Field Meet at Cadillac. Those winning points and earning letters were: Ed Stanley, Dave Ross, and Dale Switzer. Bob Bursian, Pat Campbell, and Wayne Grossman also made the trips.

## The Girls Play

The Girl's Athletic Association was organized to interest girls in participating in all sports.

Each girl, in order to win an award, must earn 800 points, 50 points during each month. 400 of the required 800 may be earned by participating in individual sports, officiating and special activities, such as play day, tennis tournaments, and track meets.

## Within the School

This year intramural athletics received a large turnout. Mr. MacMillan, director, prepared a program which made a fair and honest division of the classes. There was the Senior League for sophomores and freshmen; and the American League for Junior high boys. In the Senior League it was a close fought battle between Jack Lee's team and Lawrence Longcore's squad, but Lee's team was edged out by a close decision.

## The Diamond Squad

The strongest nine in recent years represented PHS, in the 1940 season, by winning 10 out of 11 games.

Pitchers were Roger Weinrich, Hugh Winnell, and Wally Zaiger. Ted Garby caught, Rockwell Nelson held first base, Glen Anys played second, Bob Bursian third, and Dick Bonescours shortstop. ## *Class History*

In September, 1937, the names of 139 inexperienced freshmen were added to the Petoskey High School roll. This first year was somewhat uneventful as all were anxiously awaiting the mysterious future that the four years held. A very successful class picnic was held in Young State Park, which marked the close of the freshman year.

As the class of '41 advanced into its sophomore year, Bob Bursian was elected president; Dorothy Gruler, vice-president; and Verna Ballard, secretary-treasurer. Again the highlight of the year was the class picnic at Young State Park.

Enthusiasm reached its peak in the junior year with Bob Brown, Fred Rose and Betty Dow leading the class. Action started on December 8, when the class play, "Jonesy," was presented. This hilarious comedy placed the class in the public eye for the first time, and proved a fine success.

The class was again in the spotlight with the J-Hop banquet at the Bay View Country Club. It was followed by dancing in the high school gym, where an athletic theme predominated in the decorations. Blue and white streamers, pennants, and huge athletic figures made an attractive and colorful setting.

This extremely busy year culminated in the class picnic at Indian River State Park.

With graduation in the minds of all, the class of '41, now having 87 members, approached its final goal. The seniors re-elected Bob Brown as president, and chose Bob Bursian and Priscilla Zuiderhoek as assistants.

The first outstanding event was the Senior Alumni Dance held in the high school gym on December 27, where decorations followed the Christmas motif. On May 2, the seniors presented the class play, a humorous mystery entitled, "Tish." This production was directed by Mrs. Stech and was pronounced a brilliant success.

The Senior Prom, to be held at the Bay View Country Club, will be the last formal activity of the class.

Culminating their graduation, the class broke away from tradition and will present "On Our Way." This patriotic pageant takes the place of the customary exhibition and classnight, and brings forth the combined talents of the class and the accomplishments of the music department.

Thus with the presentation of diplomas, 87 seniors will pass another milestone in their lives.

## 1941 Petosegan Staff

The organization of the 1941 Petosegan staff was begun last fall immediately after the publication of the '40 annual. The Editor-in-chief, Bob Benjamin, was elected by the class of '41, and Priscilla Zuiderhoek was chosen business manager.

At the first meeting in September the staff decided that they wanted a theme, a stiff cover, more pictures and most of all, something to make their book last in the minds of the Seniors, faculty, and students.

After much thought and discussion a musical theme was conceived. Then the real work began: engraving, printing and cover contracts were let; the organization and activity staffs under the direction of Vernice Dalton and Betty Dow went to work; the photographers, Bob Benjamin and Fred Rose, along with their able assistants started taking the hundreds of pictures to be used; the formation of the book was under way.

After a year in which photographers could be seen everywhere, and no matter where you went you were approached by a salesman asking, "Have you bought your Petosegan yet?", the impossible came true, and the Petosegan of our dreams was published.

Verna Sommer efficiently handled all business transactions while the Sales Staff, assisted by Jack Lee's publicity drive, sold the annuals. Howard Thurtell and Gerald Ernst assisted with publicity. Ray Fotchman and Lornajean Schnieder provided the art work.
