“Just A Regular Guy!”

I go to Petoskey High School and sure do have a grand time. Arlene Wurst planned and originated me while Pat Doherty is my Edgar Bergan. Pat Campbell managed all of my business and Russell Hinds sold me! Without the willingness and co-operation of many members of the staff and the careful advising of Mr. McDonald, I would not have been a success.

SAY! I’d like to show you around. Come on along. I’m on my way to school now.

And Organizations
They Represent Our Student Body

With leadership and service as its aim, the Student Council was organized about 17 years ago. To date it has a long list of achievements behind it. This year the organization has directed the sale of Defense Stamps and Bonds. The group has introduced our assembly speakers and entertainers; members also helped the Seniors to sell candy during the Tournament concessions.

At the first meeting of the office: Gerry Behan, president; John Murphy, vice-president; Janice Keller, secretary. Representatives of the various advisory and class officers compose the remainder of the council.

All This and Honor Too!

The Petoega chapter of the National Honor Society was established in 1925.

Candidates are chosen from the upper twenty-five per cent of the junior and senior classes. Seniors are eligible after the first semester of their senior year, and juniors may be chosen in the last four weeks of their junior year.

The Honor Society is a reward not only for high scholarship, but for leadership, character, and service as well.

Miss Beebe is the sponsor of the local chapter. Officers for this year are: Mary Lou Larson, president; Audrey McPherson, vice-president; Janice Keller, secretary.

SEATED (Left to Right) — Lorna Johnson, Janeta Keller, Mary Lou Larson, Janice Keller, Miss Beebe.

We like action and action too!

Pep Club

The Pep Club, an active organization which encourages school sportsmanship, trains cheerleaders, and promotes school spirit, has been revived under the leadership of Mr. Stech and Mr. Burton Cole. Its purpose is to be of service to the school and to give the students more of an opportunity for social life.

The membership consists of twelve boys and twelve girls from the senior class. In the spring of the year the members select Juniors to carry on the work of the club the following year.

The club meetings are held twice a month with the president presiding. The meetings usually consist of informal business discussions. The officers for this year are: president, Pat Doherty; vice-president, Dick Friend; and secretary-treasurer, John Steffel, first semester; Pat Campbell, second semester.

Toppers Club

Tops among the clubs is the Toppers Club, an all-senior organization! It was formed in the fall of 1939 under the leadership of Mrs. Stech and Mrs. Burton Cole. Its purpose is to be of service to the school and to give the students more of an opportunity for social life.

The membership consists of twelve boys and twelve girls from the senior class. In the spring of the year the members select Juniors to carry on the work of the club the following year.

The Girl Reserves attempt to follow their Quest: Everywhere always, in sunshine and shadow, in joy, in disappointment, in success, in defeat, we, the Girl Reserves, follow the Gleam. If once we fall, we rise to face the light; if once we fail, we fight again to win; we cannot be lonely, we stand together; from North to farthest South, from East to distant West, ours is the surest Quest—we know the one we follow.

There are 35 members in the club. Membership is determined by the girl's showing a sincere interest in the club and a willingness to live up to its standards.

The following girls served as officers for this year: Mary Lou Larson, president; Anne Dalton, vice-president; Margaret Wheat, secretary; and Dorothy Benjamin, treasurer. Meetings are held twice a month, under the direction of Miss Helen Helwigel.

Twelve Pretty Girls

With a membership of twelve senior girls, with Mrs. Fink as adviser, the Candle Club ended the school year with Leona Kondziela as president and Evelyn Campbell, secretary-treasurer.

The purpose of this club is to bring the girls together in various forms of social activities.

The club started the year with a successful football game concession and followed it up with a Christmas tea and a unique party called a "Spinster's Spin." Other club events were a pot-luck supper, a Mother's day tea, and a tea for the women of the faculty.

Blossoming Forth

Hayrides, candy sales, St. Patrick's Day Dance, and a hike through the snow at twilight are some of the many Sub Deb activities that have been carried on during the past year.

The Sub Debs are girls chosen from the Eighth to the Eleventh grades. When the girls become seniors, their membership is transferred from an active to an honorary status.

Present officers of the club are: Shirley Fryman, president; Suzan Miller, secretary; Marvel Platt, treasurer; and Miss Schreur's faculty adviser.

Down through the years Hi-Y has stood for truly democratic living. Their purpose is to create, maintain, and extend throughout the school and community, high standards of Christian character. Each year they undertake several worthwhile projects. This year they have lived up to their purpose by sponsoring, jointly with the Girl Scouts, a Vesper Worship Service on Palm Sunday open to high school students.

At an annual project, the Petoskey High School Hi-Y sends delegates to the Annual Mackinac Conference. This year the club sent Paul Rehkopp, George Bowman, Pat Campbell, and Jim Townend, with Mr. McDowell as adviser. The Club also sends two delegates to Camp Hoy-O-Went-Ha, a Hi-Y training camp on the shores of Torch Lake. Last summer the MacMillan Chapter sent Paul Rehkopp and Jim Townend.

Petoskey High School is extremely fortunate in having so fine an adviser as "Mac" MacMillan. In recognition of his twenty years of service in Hi-Y work the fellow voted unanimously to name this school organization the MacMillan Chapter of MacMillan.

Upon recommendation from state Hi-Y leaders, our Hi-Y has brought about a new system of selecting members for the club. Instead of each member nominating a friend, now any boy who pledges to carry on its purpose may become a member. The MacMillan Chapter started off the fall of 1951 by electing a Campbell president, Dale Switzer vice-president, Charles Baumgartner treasurer, and Dave Ross secretary.

The "Rough Riders," P. H. S. debate team, whose nickname has some connection with Coach A. T. Rolsby's car, pounded to an excellent finish during the season of 1941-42.

The question debated was: Resolved, that every able-bodied male citizen of the United States should be required to have one year of full-time military training before attaining the present draft age.

For Audrey and Lornajean, this was the last season.

Other students out were Ralph Gillam, Peggy Left, Marilyn Lee, Jean Liberty, Patsy Donnelly, Ruth Ann Schomberg, George Bowman, and Douglas Kirp.

SEATED AT TABLE—Jean Liberty, Ralph Gillam, Audrey McPherson.

STANDING—Marilyn Lee, George Bowman, Lornajean Schenck, Ruth Ann Schomberg, Peggy Left, Jim Townend, Mr. Ralph.
The first semester, Dramatics was sponsored by Mrs. Rosalie Stech, and the officers were as follows: Anne Dalton, president; Gloria Gordon, vice-president; Shirley Jo Ernst, secretary; Edwin Weber, treasurer.

Mrs. Burton Cole took charge of the second semester Dramatics course. There were two re-elections: Evelyn Campbell, secretary, and Nancy Beard, treasurer.

Subject matter for the first semester was "the nature of drama and the technique of acting," while the second semester took up "stage settings and make-up."

The club meets an hour after school every Tuesday. Upperclassmen receive two solid credits providing they take Dramatics both semesters.

There were two short plays given for the benefit of the public. The first was "The Unseen," presented in the auditorium during the Education Week program with parts taken by Anne Dalton, Janice Keller, and Edwin Weber. The second was "The Rehearsal," with Gloria Gordon, Nancy Beard, Lorna Notestine, Shirley Fryman, Vernice Schneider, and Ruth Marie Nevins. This playlet was given before the first hour English classes.

Several short plays were given by the class for the members alone to study the technique of acting.
"It" Finally Arrives
After Much Delay

It's about time it arrived. I thought I'd never see the day when it would be finished. I counted on it being finished about two years after I graduated; but it's here! When I nearly fell over when I walked in here and saw it back there. As nice as you please. Just waiting for some busy people to work on it.

What is it? ? ? Well, it's about time someone told you. Gee, I can't get over it. It's brand new...

Gee, I never thought I'd live to see the day when... Oh yes, the "It". Well, guess what? ? It's completed. Just think, it took them all that time to make it and it is finally here. What ? ? ?

Annuals Exhausted In Sales Campaign

Purchasers May Have Names Imprinted

The 1942 Petosegan Sales staff completed the allotted number of copies available on the print order and no more are available. It was announced today by Pat Campbell, business manager of the Yearbook. Sales, slow in starting, took a quick spurt close to the deadline so that the print order was reached without trouble. Because of a limited budget it is impossible to print more than are ordered and books are not being ordered for those who did not reserve them. Names Will Be Imprinted Again

Again this year it will be possible for students to have their names stamped on the book making a personal copy which will not be mislaid or exchanged during the autograph season. Those who wish their names personally stamped may do so by paying an additional 15c to their salesman or leaving it at the Petosegan office in Room 11.

New Type Theme Featured

"Petie," the gay young squirrel, will be featured as the theme in the book and will cavort gaily through it, giving a touch of friendliness never before achieved in a yearbook here. "Petie" is made available through a new process of printing by which the staff is able to give a yearbook better than ever before without increasing the budget.

Class Of '42 Will Publish Lucky Book

Lucky will be the class members of '42 in the publication of the yearbook this year because it is the 13th volume. The new, exciting 1942 Petosegans will be on sale beginning February 20. They may be bought by full-payment or by the installment plan which consists of making a first down payment of 35c to your own Petosegan salesman and the two remaining payments to Sales Manager, Russell Hinds.

This year the yearbooks are going to be published by a new and improved method which will enable us to have from 48 to 64 pages. This means it will be possible to have more action shots than ever before. Editor-in-chief, Pat Doherty says that this year we are going to be escorted clear through the book by "Petie", the cutest little fellow you ever laid eyes on.

A Cappella Choir

The A Cappella Choir is composed of thirty-three people who deserve much credit for their work this year. In the fall they presented several numbers for the Michigan Education Association, and at Christmas time they gave a beautiful vesper concert.

This group also took part in a "Bundles For Britain" Concert; the Band and Vocal Concert held here in early April; Student Vesper Service on Palm Sunday.

"Song Birds"

Twenty-four boys "with a song in their hearts" composed this year's boys' glee club. Sea songs, negro spirituals, college songs, and musical comedy hits were among the many types of music sung by the group throughout the year.

Under the excellent directorship of Mr. Walter W. Haberaecker, the Petoskey High School band completed an unusually successful year.

The band performed at all of the football and basketball games by offering novelty marches and college songs, which added much color to the games. The band also marched for the last home basketball game with Cheboygan. They formed the two letters "C" and "P" besides forming "USA" and "V" for our victory slogan. They made an out-of-town appearance at the Rogers City basketball game, February 28th.

The band made their first concert appearance at a Christmas program before the entire student body.

The first public appearance of the concert band was on February 5th. They played to a fine crowd who received their program very favorably.

A mid-winter concert was given with the combined efforts of the vocal department. A group of fifty voices sang with the band "Crusaders' Hymn," and "Onward Ye People," by Sibelius.

Listed among their other performances was a Spring concert and their appearances at the annual band festival, Baccalaureate, and Commencement. Adding to all their public appearances were their flashy new blue and white uniforms.

A definite program of personal advancement was followed this year. Instruction was given in conducting and every member of the band had to direct at least once during the year.

Thanks should go to Mr. Post of the University of Michigan, and Mr. Max Smith of Charlevoix, who took over Mr. Haberaecker's duties for a period of six weeks in the fall when he was unable to be with us.

Be a SPORT-S-man
One of the greatest thrills to all lettermen comes when they are taken into the Varsity Club—that "honorary society" for athletes. All members must have a letter in a major sport to their credit and rank high with their fellows in sportsmanship, character, personality, and cooperative spirit.

The outstanding event of the year was a banquet at which Mr. Treloar related some of his experiences with athletics in Petoskey High School.

Officers elected at the first fall meeting are: Dale Switzer, president; Vincent Fochtman, secretary-treasurer; David Ross, vice-president. Coach Middleworth is the club's adviser.

For the past thirteen years the Girls' Athletic Association has been an active factor in promoting girls' athletics and good sportsmanship in our school.

Each girl, in order to obtain an award, must earn 800 points, 50 points during each month. Four hundred of the required 800 may be earned by participating in individual sports, and special activities, such as tennis tournamements, play days, and track meets, and at games.

The three types of awards given are as follows: special award, a small gold charm designed for the G. A. A.; chenille letter "P," and the chenille class numerals. The following girls received awards in the spring of 1942: Marion Johansen, Viola Kage, Leona La More, Peggy Left, and Irene Stowe.

In the fall of 1938, 123 of us banded together to form the Freshman class. We elected Floyd Potts, Charles Baumgartner, and Bruce Craig as president, vice president, and secretary-treasurer respectively to guide us through our first year in Petoskey High School. At the end of the term, we celebrated with a Freshman Frolic at Young's State Park.

The second year we really did things under the capable leadership of Charles Baumgartner, Hugh Winnell, and Mary Rita Hegener. Our first social affair was the Sophomore Dance, which was a huge success, and our last splurge was the annual picnic held at Youngs State Park.

Our junior year was the year in which we resolved to be different; consequently, we held a very spirited class election and finally decided upon Mary Lou Larson, Russell Hinds, and Lorna-jean Schneider to fill the leading roles. Of course, the main attraction that year was the J-Hop given in honor of the Seniors. We chose a patriotic theme that was carried out both in the gym and at the banquet at the Petoskey Bay View Country Club. The play June Mad was also another highlight of the term. Our annual picnic was different this year in only one respect—it was held in a down-pour.

With Russell Hinds, Charles Baumgartner, Jerry Behan, Miss Van Ness, Mrs. Stech, and Mr. Bartlett leading the fields, we entered the final step of our high school course—Graduation! The first big social affair of the season was the Senior-Alumni dance at which the Alumni were honored. Then, too, the Senior play, Ever Since Eve, met with wide acclaim and was lauded a great success. In keeping with the progressive idea, the class decided that the girls should wear white robes and the boys blue robes for their graduation exercises.
Service With a Smile

The 1941 tennis squad competed in the state tournament at Cadillac, with Allan Townsend, Quinton Banwell, and Jim Townsend participating.

Jim Townsend, Quinton Banwell, Allan Townsend, Jim Wenz, and Bill Lesher represented Petoskey at the first Annual Big Eight Class B Tournament in May on the Petoskey Courts. Three match meets were held with Cheboygan and East Jordan.

Much has been accomplished in promoting good sportsmanship between these schools. Tennis has developed fair play because meets are officiated by the players themselves.

The Runner-Uppers

Captained by Dick Harbaugh, the 1941 Track Team came through with a successful season. The class of 1942 took top honors, making two successful years for them in the interclass meet.

At the Annual Conference meet the Northmen showed up well, and also the following week at Cadillac where they took part in the Regional Meet.

They ended the season by taking the Annual Triangular meet between Alpena, Onaway and Petoskey.

Those earning letters were Switzer, Ross, Harbaugh, North and White. Ross was elected captain for the 1942 season.

Walls Do Not a Prison Make

Following the football season, between 95 and 100 fellows turned out for intramural. Fifteen teams were formed with the average of six men to a team participating.

The refereeing, timing, and officiating were carried on by student help under capable direction of Mr. MacMillian.

Senior High League honors were won by Louis Stark's team, with nine wins and no losses. The Junior League came through with Carl Muller's team totaling ten wins and no defeats. The Eighth Grade honors were taken by "The Hawkes," captained by Merton McWatters. In the "Grapefruit League," formed by seventh-graders, Homrich's team won.

Future Big Leaguers

With four lettermen back from the 1940 Diamond Squad, the Northmen ended the 1941 baseball season with a very good record of six wins and two losses. Don Miller and Hugh Winnell, rated as two of the North's best pitchers, did much to pile up the team's excellent record.

The following fellows played for Petoskey: Fryczynski, catcher; Nelson, first base; Sherwood, second base; Kelly, third base; Tousain, shortstop; and Friend, Marquardt, Sterzik, and Bhan alternated in the outfield positions.

Club Swingers

The 1941 Golf team was made up of Howard Meehan, Harold Cogrove, John Pater, and Carl Tousain.

Rainy weather cancelled most of the games, but of the two played, Petoskey was victorious. At the first annual Big Eight Class B Meet, held at the Petoskey-Bay View Golf Club, Petoskey placed fourth.

Mr. Roberts and Mr. MacMillian deserve much credit for their coaching.
Coach John Middlesworth deserves much credit for the good showing of the Blue and White this season. Competition for the Northern Michigan Big Eight title was very strong and Coach Middlesworth had only four veterans back around whom to build the team. Lettermen were Ketchum, left guard; Greenwell, full back; Fochtman, left half; Switzer, tackle.

Honored as most valuable player was Captain Dale Switzer. Those chosen on the Michigan Honor Squad were: Switzer, tackle; Ketchum, guard; Fochtman, half back. On the second team Ecker as guard, and Hayner as fullback were listed.

Awarded letters this season were: Switzer, Campbell, Cooper, Ecker, Fochtman, Friend, Glaser, Greenwell, Harbaugh, Hayner, Hinds, Horniman, Rehkopf, Kelley, Ketchum and Kalbfleisch. Student manager, Harry Coats, also received a letter.

Victory Is Their Habit

The Petoskey Northern, coached by John Middlesworth, came through the season with a 30-0 record. Middlesworth, taking a great many things for granted, reasoned the Northerners could win the state championship by winning six games during the first semester of the season, then going on to win 6 of the 10 games in the second semester to reach the championship. At this stage of the game, however, the Northern dropped their Regional Championship in Traverse City by a score of 27 to 29.

The second team coached by Mr. Bartlett should be mentioned for its exceptionally good showing year after year. The squad went through the season with only two losses. Jerry Cooper, George King, and Jack Harbaugh, completed the line-up for the year, with Jack Harbaugh being voted outstanding player. Hugh Wernick, from the line-up.
