# DEDICATION

We, the Graduating Class of 1947, dedicate our annual to the lighter side of life. Life in all its seriousness requires moments of fun and relaxation.

Contrary to the customary practice of making dedications to recognize the more sedate and intellectual phase of living, we realize wise use of leisure time as imperative for a balanced education.

So here's to the bright, leisure moments of the future, some of which may be spent recalling the care free days of high school.

## P. H. S. HISTORY

The building of the present high school was begun in 1913 and finished in 1914. Although bonds were issued for \$80,000, the total cost was about \$90,000. Previous to the construction of the building, high school classes were held in a building on the site where our gymnasium now stands. The original plan to have cement floors and iron stairs could not be carried out, because the war in Europe at that time made the required materials scarce. The present senior study hall and shop rooms rest on a bed of solid rock.

In the summer of 1927 the stadium was built at a cost of \$25,000. Before this time football games and track meets had been held at the fairgrounds.

In 1929 the taxpayers of the city voted to erect a new grade school and gymnasium and remodel the high school, at a total cost of \$20,000. The new gymnasium, with a normal seating capacity of 2000, made it possible to convert the older gymnasium into the Senior Study Hall, which seats 138 students, and a shop room. Two rooms were combined to make another study hall for Junior High students, which made possible the auditorium with a seating capacity of 1200, in the old study hall. Special rooms were provided for music groups—the vocal music room being made from the girls' locker room, and the instrumental music room from the old shop room. The installation of lockers in the corridor walls made the girls' coat room available for a classroom (room 27), and the principal's office was made from the boys' coat room.

The old-fashioned cooking classroom was remodeled in the summer of 1941. Small modern kitchens now replace the former rows of gas burners.

The mechanical drawing room was moved, in 1942, to the south end of the shop room, and the machine shop was placed in the former mechanical drawing room, thus separating the wood shop and machine shop.

At this point in the history of Petoskey High School, we the Class of '47, take our leave.

## SENIOR CLASS HISTORY

The class of 1947 during its freshman year was just active enough to let the upperclassmen know it was around.

We sponsored a dance for the school and took charge of a concession at a basketball game. In April we threw a "shindig" for ourselves in the gym and wound up the year with a picnic at Camp Daggett.

The class officers for this year were: Char Miller, President; Jean MacMillan, Vice President, and Ray Dombroski, Secretary-Treasurer.

Nineteen-forty-five found the present day seniors firmly establishing themselves in the life of PHS.

Arising victorious from hotly contested elections were John Batsakis, President, Ray Dombroski, Vice President, and Jim Price, Secretary-Treasurer. Mrs. Inglis' advisory contributed two of these officers, and in the three years following this famed advisory placed seven out of nine class officers.

After the Boyne City game the Sophomore Class sponsored a dance. This dance was the first one in the history of '47 with a live orchestra playing. Concessions were arranged for basketball games, and returns from these helped fill the coffers.

The Sophomore Class finished second in the inter-class track meet, beaten only by the Seniors.

A "wet" Picnic at Daggett rang down the curtain on our Sophomore careers.

The first event of a "banner" year started off with elections of our all important Junior Class officers. Those to be awarded positions respectively were: Ormond Pailthorp, President, Tom Ritter, Vice President, and Dick Leshner, Secretary-Treasurer.

The annual class dance was first of numerous tasks to be conquered. With the fine cooperation of the class and their advisors, the affair was a success.

We were fortunate in gaining a portion of the annual tournament concessions, which added a substantial sum to our treasury. By this time spring had arrived and with it the highly successful Junior-Play, "The Doctor Has a Daughter." Due to class co-operation, the ticket sales and profits were higher than those of any preceding year.

In May a banquet was given by the Seniors of '47 for the hopeful Seniors of '46. Decorations consisted of spring flowers and candle lighted tables

Highlight of the season was the gorgeous J-Hop, made possible by the efforts of every member of the class under the expert supervision of Miss Pailthorp. The theme carried out depicted the "Arabian Nights" stories.

Completion of our Junior year found us with a deflated treasury and inflated spirits for the coming year.

The class officers chosen for our Senior year were the following: Byron Buck, President, Eugene Knight, Vice President, and John Batsakis, Secretary-Treasurer. The class took a fourth of the profits from the tournament concessions, which added much to our treasury. Also we managed a concession for a basketball game and dance.

Early in the year our selection of blue caps and gowns was made. Invitations were picked at the same time. It was noted by the class to subsidize the Petsoegan \$200 with the agreement to add to the sum if necessary.

"The Fighting Littles," the humorous Senior Play, was given in April. In May we were honored by a wonderful banquet and J-Hop given us by the Juniors. A class picnic was enjoyed by all participating. Baccalaureate services and Commencement exercises, with a reception following, ended the class of '47's most beneficial high school career.

So long everybody, and the best of luck!!

# JUNIORS JUNIOR CLASS HISTORY

Featured during the class's freshman year was a Christmas dance and a spring picnic at the municipal cabin. The sophomore year was spent sponsoring dances and concessions to help build the treasury up for the big year ahead.

In February the annual Junior Class Play, "But Fair Tomorrow," was presented. This year the Juniors worked on the tournament concessions, which enabled them to give the Seniors a banquet and a wonderful J-Hop the last of May. The Mardi Gras theme was cleverly carried out for this occasion.

The class officers this year are: Doris Temple, President, Bob Stafford, Vice President, Betty Bailey, Secretary-Treasurer.

## NATIONAL HONOR SOCIETY

To emphasize the four cardinal objectives: scholarship, leadership, character, and service, and to hold them before the student body as the goal for which they should strive, and the purposes of the Petosega Chapter, and all chapters of the National Honor Society. The Petosega Chapter was organized in 1925, and during the past twenty-two years its membership has reached a total of 270. The candidates are chosen from the upper twenty-five percent of the junior and senior classes, on the basis of their recorded scholarship and of the leadership, character, and service which they have shown in school life. Members are elected by the joint vote of the faculty and members of the Society.

On May 21, 1946, five percent of the present senior class was formally initiated into the organization in a ceremony held in the music room, at which the parents of all members were guests. At this ceremony John Batsakis,

Mary Batsakis, Dorothy Brockway, Joan Guillaume, Peter Lashmet, Jean MacMillan and Mary Edith Scott were initiated. Officers for 1946-47 are Dorothy Brockway, president; Jean MacMillan, vice-president; and Joan Guillaume, secretary.

Eleven members, elected in February, filled the quota of approximately 15 per cent of the senior class enrollment. These new members—Billielea Bivins, James Clouse, Mary Dunstan, Marilyn Fettig, Mary Gronseth, Jeanne Kerwin, Eugene Knight, Dorothy Meyer, Charlotte Miller, Gertrude Peterson, and Gladys Taylor—were initiated into the society March 24, 1947, in an open meeting held before the general assembly of the high school.

Members of the Junior Class chosen by combined vote of the faculty and seniors were initiated in May. They will continue the life of the society throughout 1946-48. Miss Beebe is faculty advisor of the Honor Society.

## STUDENT COUNCIL

The Student Council is an organization composed of several elected students, whose purpose is to concern themselves with the immediate problems of the student body and to represent the latter in opinions and solutions.

The Council receives a representative from each advisory, starting with the seventh grade and continuing through the twelfth grade. In addition to these, the senior class president, vice-president, and secretary-treasurer; the junior class president and vice-president; and the sophomore class president are automatically members of the council.

The Council has solved wisely many questions in regard to student activities, and its most useful contribution was the affirmative opinion given concerning the question of the hall monitors who presided at each end of the hall during the class hour and kept frequent check on lockers and unnecessary hall disturbance.

The unprejudiced tact which the Student Council has employed throughout the year has made it a reliable and successful organization—a real asset to the high school.

The officers were Eugene Knight, president; Jean Pletzer, vice-president; and Helen Garnett, secretary-treasurer.

## Y-TEENS

Officers: President, Mary Edith Scott; Vice-President, Helen Garnett; Secretary, Metta Ann Hinds; Treasurer, Achsah Herrington.

"Everywhere, always, in sunshine, in shadow;  
 In joy, disappointment, success, or defeat;  
 Our goals are clear; our hearts sincere,  
 Onward we go, ever we strive.  
 If once we fall, we rise to face the light;  
 If once we fail, we fight again to win.  
 We can not be lonely, for we stand together,  
 We know the one we follow, Christ, the Lord."

This is our quest which we have followed this past year as Y-Teens.

Y-Teens are affiliated with the Young Women's Christian Association and were first organized in 1881, fifteen years after the Y. W. C. A. was founded. In 1918, we were

named Girl Reserve, which meant the reserve force of the Y. W. C. A.—the girls who would be its future leaders. In the spring of 1946 we adopted the name of Y-Teens and our local club formally accepted it in an impressive ceremonial on October 14, 1946. At this time we also formally initiated twenty-one new members.

We have had a very busy and successful year in which we sponsored concessions and school dances, sent a leader and Y-Teen delegates to two different conferences, held a bazaar and baked goods sale to make money, and joined with the Hi-Y in a banquet and a dance. Our annual Christmas formal dance, the "Snow-Ball" was a gala affair.

We have been ably assisted in all our activities by Mrs. Doris Bailey and Miss Jean Hart, our advisors.

## HI-Y

The Hi-Y Club has been one of the most active participants in this year's school life. Its theory, which advocates Clean Athletics, Clean Speech, Clean Living and Clean Scholarship, has brought before the students an alive characterization of idealistic living.

The club's social life this year has been a satisfactory experience for all, due considerably, to the interesting home meetings, Christmas caroling, and spring Mother's Day meeting and the highlight of the year, which was the recognition of Mr. Mac Millan's unequalled faithfulness and work as the sponsor of this club for twenty-five years. Mr. Quade has also assisted him for several years.

This organization is the oldest of its kind in Northern Michigan and has a potential long life ahead.

The Hayo-Went-Ha Camp is the recipient of many Hi-Y Boys throughout the state with a yearly generous representation from Petoskey.

## SUB - DEBS

The Sub-Deb Club is an organization composed of girls in grades nine through twelve, with the purpose of working and playing cooperatively and pleasantly together. To start the year's social activities off with a bang, eleven new members were given an initiation dinner not to be forgotten, and the club sponsored a "dance after the game." The next big event was the New Year's Eve dance at the Chippewa Hotel, when the gals and their escorts really saw 1947 in right, amid confetti, balloons and streamers. The Spring of the year found them eating their way across town at a Progressive Dinner which came to a happy conclusion with a theater party. Also, during this part of the year, a hay ride was sponsored, which proved to be great fun.

In order to earn money to run the Club the girls worked hard at the one meeting a month devoted to the social side to make many

and various things for a bazaar. Their efforts were well rewarded, as the treasurer happily reported. They also took charge of the concession at a game which helped the financial part.

Not enjoying self pleasure alone, the Club has worked hard this year to help out with the Junior Red Cross projects, and more than once they have been seen pasting, cutting and sticking for the good of others.

Talks by outside vocational speakers proved to hold a lot of interest for the girls and also helped some in decisions for life work.

The sponsor who gave a lot of her time and efforts to keep this "gang" of happy, healthy gals coralled is Mrs. Marguerite Beckley, who well deserves a hearty "Thank You."

## VARSITY CLUB

This year's Varsity Club completed its ninth year as a successful school organization under the guidance of Coaches Corgan and Buckmaster.

Membership in the club is decided mainly by the individual's attributes of sportsmanship, personality, character, and sense of cooperation in the field of sports.

Money raised as a result of concessions and projects is the sole source of the club's funds, as there are no dues.

The club is an independent group, entirely free of any connection with other schools, and its members determine the activities for the year with the aid of the faculty supervisors.

The main event of this year's activities was the banquet given by the men's clubs for the Varsity members.

## PEP CLUB

The Pep Club was organized for the purpose of promoting pep and school spirit among students, backing the team, and assuming responsibility for the pep meetings. The special feature of the year was the football rally and the burning in effigy of Rogers City, down at the lake front.

Members of the club are chosen by a nominating committee consisting of the president and three members of each class, assisted by their class advisors.

The nominees representing each class, one of which is elected into the club by their respective class members, are chosen by the nominating committee. The club then elects one representative from each class. Choosing cheerleaders is also one of the many duties of the club, and they automatically become members.

The Club was under the very efficient leadership of "Pop" Menold.

## DRAMATICS CLUB

The Dramatics Club has had a successful year with Mary Batsakis as president; Bentley Lenhoff, vice president; Ann Cahill, secretary; and Mary Louise Dean, treasurer.

This year's members are from the sophomore, junior, and senior classes only. The total membership is seventy, of whom six are boys.

Through the year, each student acted in one or more short plays, some of which were try-outs for the class plays. In addition they participated in tongue twisters, pantomime acts, and recitations. But it is not all acting, since several members are chosen to assist with make-up, stage settings, directing, and costuming for the class plays. For research and further study of dramatic technique, Andrews and Weirick's *Acting and Play Production* was used as a text book.

*But Fair Tomorrow* by Parkhirst and *The Fighting Littles* by Tarkington were given as this year's class plays. The casts for the school plays are chosen largely from these students.

Mrs. Stech is sponsor of the club and director of the plays.

The club sponsored a school dance and a basketball concession.

## FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America, under the Supervision of Miss Marcia Griffen, is an organization of ambitious girls who are striving toward their goal of better homes and more profitable domestic organization. Mrs. Johansen is Chapter Mother.

The purposes of the F.H.A. are: To promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home membership, to encourage democracy in home and community life, to work for good home and family life for all, to promote international good will, to foster the development of creative leadership in home and community life, to provide wholesome individual and group recreation, and to further interest in home economics.

The activities of the club in the past year have been worthwhile and enjoyable. An afaghan was made and a style show was given for all the students who so desired to see the latest modes of fashion.

The formal and informal initiation of members was the key to membership in the F. H. A.

# MUSIC AND ART

These photographs are the panels which were used for the 1946 J-Hop. The theme of the Arabian Nights was carried out in the throne, the flower-decked and taper-lighted table, and the panels, which were lighted by flood lights and separated by colored screens. The panels represent the tales of the Flying Horse, the Cloud City, and the Talking Bird. The main figures on these panels were made by Joan Guillaume, John Perry, and Betty Lou Smith, respectively. All high school art classes helped in the work. Dick Leshner was general art chairman. Miss Frances Pailthorp supervised.

## P.H.S. BAND

Our Class B band has had a very successful year. Its members have worked hard and diligently under the capable leadership of Mr. Smith, to come up with the performance of two concerts in combination with the vocal groups, and one of band alone. Along with the concerts they played at games and other school functions through the year. A few of the members which were well liked by the audiences were: "Rhapsody in Blue" (George Gershwin), "Begin the Beguine" (Cole Porter), "Ciribiribin" (Alford-Pestalozza), and "Cypress Silhouettes" (David Bennett). Another practice that met with enthusiastic response from the audience was the use of soloists in certain numbers during the programs. All of the music used brought separate sections of the band into prominence, and thus showed the excellent instruction each is given. The band played at a qualifying meet in Charlevoix on March 10, at which time they received a top Class B rating. Unfortunately, due to the distance and other factors involved, they were unable to attend the Festival in Ann Arbor this spring, but they have hopes of attending next year. There was also a District Festival held here on May 2, when our band was host to those from other schools. *Page Forty-six*

## A CAPPELLA CHOIR

The '46-'47 A Cappella choir has had one of its most active years under the competent direction of Mr. Moyer. Several enjoyable musical productions were given this year, namely the Christmas Concert, two combined concerts with the band and Glee Club, and an operetta, "Pirates of Hawaii."

The vocal favorites sung by the choir were "The Sleigh"—Kountz, "Hallelujah Chorus" from the "Messian" by Handel, and "Hospodi Pomi-lui"—Lvovsky-Lamont.

Other activities of the choir were in the form of concessions and numerous assembly entertainments.

A new system of ticket sales was introduced with gratifying results. Season tickets, which gave the owners entrance to the year's concerts, were sold.

The accompanist for this group was Mary Edith Scott.

L. to R.—D. Meyer, D. Brockway, M. Scott, accompanist, C. Courteau, J. Krieg, S. Jacobs, B. Bailey.

## SEXTET

The Girls' Sextet, directed by Mr. Moyer, has completed a very successful year. It has made many public appearances at which it received expressions of approval from all. The favorite numbers presented by the group were "Italian Street Song"—Herbert, "Just a Cottage Small"—Hanley, and "May Day Carol"—arr. by Deems Taylor. The group travelled to East Lansing in early May to participate in the State Vocal Festival.

Members of the group, in addition to those shown in the adjoining picture, were Joyce Wurst and Marcia Shane, the understudies. The accompanist was Mary Edith Scott.

## THE PETOSEGAN

The largest Petosegan staff in many years, numbering twenty-one in all, has worked long and diligently to bring PHS a Year Book to remember. This staff was chosen from the large number of volunteers by a Publications Board comprised of three English teachers, the superintendent, and the principal.

Though due to prices and other reasons we could not increase the size of the book, we have done our best to insure your pleasure in its contents.

The theme was chosen from many ideas, and was discussed carefully and fully, regarding its suitability, before we finally reached a decision. Much planning was done in carrying through the theme in each section of the book.

As has been the practice in previous years, the funds were in part contributed by the Senior Class, and the remainder by individual purchases.

We hope we have succeeded in our attempt to bring you a book of interest and originality.

## THE HI-LIGHT

The Hi-Light, the voice of Petoskey High School, is edited semi-monthly by a staff of students under the supervision of an advisor appointed by the school administration.

The Hi-Light staff is divided into two main departments, the editorial staff, and the advertising staff, both equally of importance.

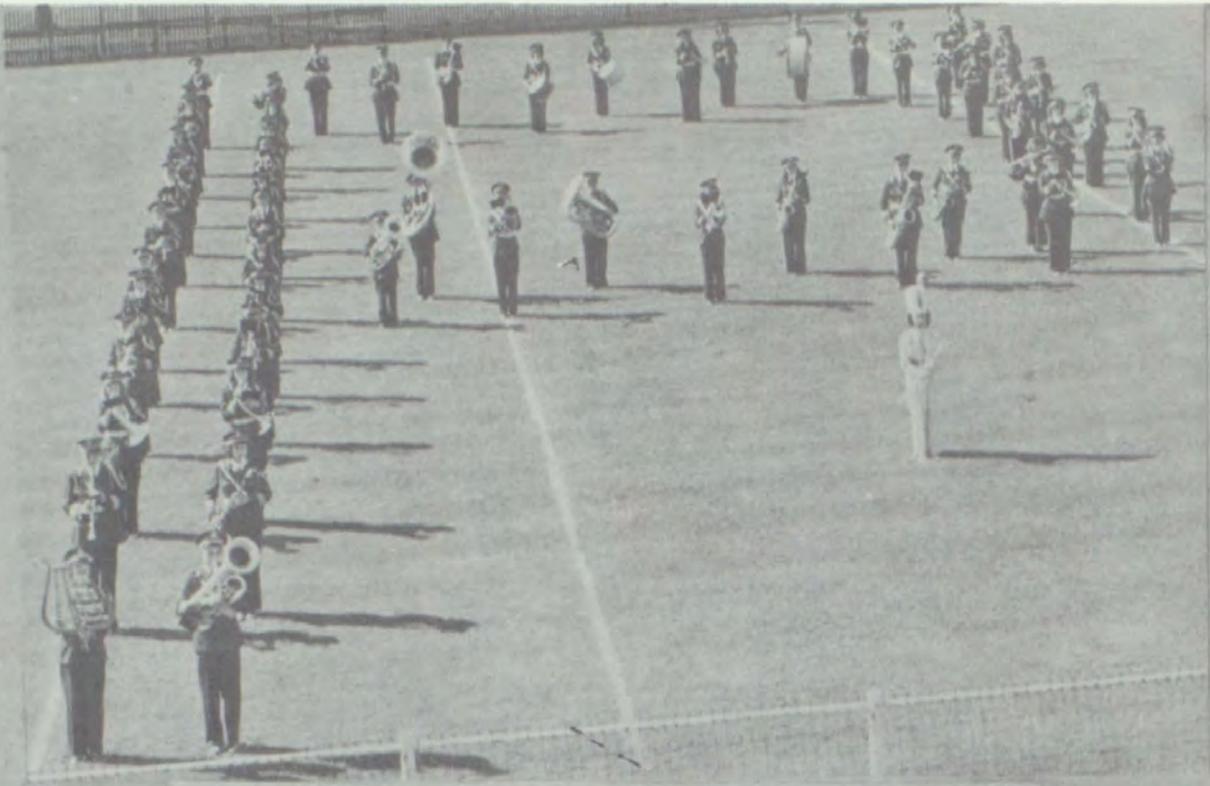

Here is the group of hard workers who gave you your paper this year. The staff began publications October 2nd under the supervision of their advisor, Mrs. A. Dean, with Dorothy Brockway heading the staff the first semester, and Mary Louise Dean the second semester.

Besides putting out a paper every two weeks, the staff published a sixteen-page Tournament issue.

Selection of students for the staff is the responsibility of the student body itself, as the staff members are voluntary workers.
