## Senior Class History

For thirteen years we have been acquiring knowledge for the goal in education that we all strive for, that of graduating from high school.

We began in the kindergarten, and we were soon promoted through the elementary grades. The next step in building our education came in junior high. Then we made many new acquaintances and learned how to study for our training in high school, that was fast approaching.

To begin our first year in high school we elected Dean Still, Gordon Grigsby, and Esther Everts as our leaders. During that year the class sold Winter Sports memberships to raise money for our treasury.

As our second year in high school came around we elected Mike Lashmet, Bob Fochtman and Ron Treloar to lead us. Our big project as sophomores was to raise money for the big events coming the following year, the J-Hop and the Junior-Senior Banquet.

With the arrival of our junior year came the responsibility for the two top social events of high school, the Prom and the Banquet. We chose Mike Lashmet, Gordon Grigsby and Tom Wolf as president, vice-president, and secretary-treasurer. The theme of our prom was "Snow White and the Seven Dwarfs." Five per cent of our class were elected to the Honor Society that year. We held our Banquet at the Colonial Inn.

As leaders for our most important year in high school we chose John Kelbel, Tom Wolf, and Neva Beard. We had ten per cent of our class chosen for the Honor Society. This year the Juniors gave us a wonderful Prom and Banquet.

To sum it all up, the class of '51 has had a very wonderful time during their stay in the halls of P.H.S. We are all happy to get our diplomas this year, but we can't help remembering what we left behind, a school and faculty that to us is tops.

## Class History

The officers for this year are Dale Johnston, president; Lee Willson, vice-president; Beverly Jepson, secretary-treasurer.

We started with the Canadian Soo football concession and later had concessions for both Harbor Springs basketball games.

The play, "Don't Take My Penny", was presented and it was a success.

We took the seniors on a jungle journey for the J-Hop and entertained them at the Country Club for the Junior-Senior Banquet.

The juniors were represented on both football and basketball teams.

## Class History

In the fall of "47" the Senior High was greeted by a new batch of hall speedsters who called themselves the Class of "53". We spent most of the first year studying like mad and trying to find out how the higher classmen got away without doing any work.

In the eighth grade we had begun to get organized as a class and elected Bill Todd as President, Dick Spittler as Vice President, and Norm Wells as Secretary-Treasurer.

The ninth grade saw Otto Kalmbach with helpers Karl Stone as Vice-President, and Dick Spittler as Secretary-Treasurer.

The new tenth-graders seemed to like boys as officers better, so they elected Ken Clark as President, Dick Sellers as Vice-President, and Bob McConnell as Secretary-Treasurer to lead us through a busy year. We started off with the Cheboygan basketball concession. Not only did we have a financially successful year, but we also saw several of our boys make good in sports. We are proud to say that four of the junior cheerleaders are of our class.

## Class History

As seventh grade students the class of "54" elected Douglas Ball, president; Ronnie Barney, vice-president, and Jim Perkins, secretary-treasurer to guide them through their first year in Junior High.

In the year to follow Doug Ball, Ronnie Barney and Jim Perkins held these positions.

We are grateful to Mr. Dunlevy's fifth hour English class for sponsoring the April 7th dance, Freshman Frolic.

The present officers are Jim Crandall, president; Douglas Ball, vice-president; and Jim Perkins, Secretary-treasurer.

## Student Council

The Student Council this year began its work in August before school even started. Plans were made for Orientation Day, and members were assigned duties in helping the new students find their way around. They continued the project of feeding the athletic teams after games; they furthered the start of a school hand book; they sponsored a "locker clean out". On Career Day members were stationed to help visiting students find their way. Plans were suggested to split the Student Council, with juniors and seniors in one group and 7th, 8th, 9th, and 10th graders in another; then they would meet together at certain times during the year. They bought new ribbons for the "little brown jug". A group of five of our members had a meeting at Traverse City with their council, and suggestions for having district meetings of the councils were brought up.

The Student Council has not had too much publicity, but you can see by this list of projects that they are an active organization and are doing a good job.

## Honor Society

The Petosega Chapter of the National Honor Society was organized in 1925 with the purpose of holding this society before the student body as an example of outstanding scholarship, leadership, character, and service, which all should strive to attain.

The candidates are chosen by the joint vote of the faculty and members of the society; approximately five percent of the junior class and ten percent of the senior class. On May 23, 1950, six members of the present senior class were initiated into the organization in a ceremony at which the parents of all the members were guests. At this ceremony Sally Coveyou, Mary Lou Dow, Sally Hubbard, Michael Lashmet, Joyce Lippincott, Andrea Mollhagen and Peter Wolgast were initiated. Officers for 1950-51 are Peter Wolgast, president; Mary Lou Dow, vice-president; and Sally Hubbard, secretary.

The senior class quota was filled with the election of Neva Beard, Dennis Conway, James Douma, Nita Jean Eppler, Esther Everts, Re Lou Johnson, Robert Miller, Audrey Mummert, Gerald Price, Ronald Treloar, and Joan Usher. These new members were formally initiated into the society at an open meeting held before the general assembly of the high school on April 18, 1951.

The Petosega Chapter of the Society had been under the able leadership of Miss Beebe from its organization until 1949. At that time a committee was chosen from the faculty to be in charge of the society with Mrs. Inglis as chairman and Mr. Luttmann, Mr. Spitler, Mrs. Stech, Miss VanNess, and Mrs. Dean assisting her.

## Y-Teens

The Y-Teens had a large number of girls this year than there has ever been before. There were sixty memberships.

For the service projects we found them busy doing work for the Red Cross and folding bandages for the hospital, and during Christmas they sang carols. They also donated money to the Red Cross.

Their main social events for the year were a very successful annual Y-Teen formal and the Hi-Y-Teen Conference. To close the year they had an initiation picnic.

The officers for this year were Carol Cannon, president; Sandra Stanaback, vice-president; Beverly Moore, Secretary; Georgia Malloy, treasurer.

The club's advisors are Mrs. Bailey and Miss Kirkwood.

## Hi-Y

To create, maintain, and extend standards of Christian character is the purpose of the Hi-Y Club, one of the oldest and most active organizations in the high school.

Under the excellent guidance of Mr. MacMillan and Mr. Quade, the club has again completed a highly successful year. Twenty-nine years ago "Mac" started Petoskey's first Hi-Y club, and through his efforts the club has always been a success. Mr. Quade has been with the club seven years and has given the club much valuable assistance.

The club chose for its main project for the year the stimulating of interest in Hi-Y in the surrounding areas of northern Michigan. Other activities this year were a sleigh-ride party, the annual Alumni meeting, the Hi-Y-Teen banquet, and a parent's day meeting.

Officers are: Ron Treloar, President; Pete Garrett, Vice President; Bob Fochtman, Secretary; Dean John, Treasurer.

## Sub-Debs

The Sub Deb Club is composed of girls from grades nine through twelve. Its purpose is to learn working and playing cooperatively and pleasantly together, and the club has become one of the most fun-loving groups in school.

Making favors at Christmas time for the Red Cross and sponsoring a game and a dance were some of the club's activities. The annual winter party was postponed because of icy roads, but plans were made for a spring party.

The officers of the year are Alice Mac Arthur, president; Elaine Nasson, vice-president; Mary Burns, secretary; and Ann Davey, treasurer. Advisor is Mrs. Marguerite Beckley.

## Pep Club

The Petoskey High School's Pep Club was organized; first, for the purpose of promoting better school spirit among the students, and also to promote better sportsmanship and pep among them; second, to take charge and give pep meetings to familiarize the student body with school yells and songs to create general enthusiasm over athletic events.

Members of the Pep Club are chosen by the class and by the club. Each year there are eight new members taken into the club, one boy and one girl from each grade, nine through twelve. One of these members is chosen by the class to represent them in the Pep Club, and the other member then is chosen by the Pep Club itself.

Each year after the first Pep Club meeting at which all the new members are present, the club

proceeds to elect new cheer leaders from a group of girls in senior high who are trying out for cheer-leading.

At the end of each year new officers are elected to run the club. This year the club was under the leadership of: President—Andrea Mollhagen, Vice President—Lyle McNamara, Secretary—Libby Holtz and Treasurer—Nancy Zimmerman.

Plans were set up to have an open membership club next year. This was suggested to get more students interested and more enthusiasm over athletic events for the next year.

We have had a very able leader this year. Mrs. Price has been with us for the last two years and has done a very fine job. We hope she will be here with us again next year.

## Dramatics Club

The Dramatics Club, organized in 1924, is composed of boys and girls in grades 10 through 12, having as its purpose to create interest in stage and production work. Throughout the year it has given various plays for the club members. An assembly program was given by the members of the club for all of the classes in the school. The plays were "Yes Means No" and "Namesake Girl." The Dramatics Club gives experience to those wishing to take part in the Senior and Junior plays.

## Future Homemakers of America

The F. H. A., under the supervision of Miss Helen Brooks, is a group of ambitious girls striving to become good homemakers.

The purposes of the club are to promote appreciation of the joys and satisfaction of home-making, and to encourage democracy in home and community life.

This year among the club's activities were a Daddy Date, helping a needy family, and several informal activities.

Officers for the year were Beverly Shanley, president; Maxine MacInnis, vice-president; Carol Baker, secretary; Thelma Bachelor, treasurer.

The club's chapter mothers are Mrs. Wilford Shanley and Mrs. Stump.

## Hi-Light and Quill and Scroll

Every second Thursday comes the moment the eager students have been waiting for, and the fatigued staff has been working for. The Hi-Lights are then distributed, and for the remainder of that glorious day, a school full of noses are buried in, and double that amount of eyes, follow the lines of the tabloid pages, absorbing all the latest events, escapades, sports achievements, humorous incidents, and serious notes.

Behind this finished product, however, are the countless hours of filling assignments, pounding a typewriter, dreaming up phrases, or perseveringly seeking Inspiration. The journalism class of the high school is responsible for this work, for it constitutes the staff of the Hi-Light; the editors, reporters, and typists, creating the paper, the ad staff furnishing its "ways and means", and the circulation staff seeing to it that readers from P. H. S. to Hawaii get their copy of the Hi-Light.

It's a lot of work, a lot of fun, and a wonderful institution — The Hi-Light.

The dream of every high school journalist is to join the ranks of the National Honor Society for High School Journalists. This organization is better known as the Quill and Scroll. To be eligible for this honor one must be in the upper-third, scholastically, of his class, having at least ten journalism credits and on the basis of his interest in the field of Journalism.

The members recently elected this year are Bob Miller, Ruth Peterson, Joyce Lippincott, Betty Kalmbach, and Esther Everts.

# Petosegan

The efficient members of the Petosegan staff worked under the difficulties of a curtailed budget. Supplies, which were expensive and scarce, made the road tough going for awhile. They overcame these obstacles to publish this year's "Pete."

## Girls' Athletic Association

The feminine counter-part of the school's male athletic program, the G. A. A. strives for many of the same goals.

Girls in grades 10 through 12 with an active love of sports are eligible to join this Girls' Athletic Association. The members of the Club participate in sports ranging from their mainstay, basketball, to tennis, football, swimming, skiing, skating, badminton, hiking and volley ball. The organization attempts to provide the girls with the time and place to give free rein to their athletic impulses, to sharpen their ambitions and interests, to develop qualities of kindness and friendliness, and to teach, above all, a lasting sense of good sportsmanship.

## Future Machinists of America

The FMA is a comparatively new club in P. H. S. Its aims are to give boys instructions in machinists' work, job opportunities, and to help them find their places in modern industry after they get out of school.

This year's officers were George Eldred, president; Bob Mackie, vice president; and Jerry Price, secretary-treasurer.

Every second year the club takes a trip to a large industrial center. During each current year the boys hold dinner meetings with special guests, also social events such as hay rides, dances, and outings.

There is a special project under way of purchasing a metal bandsaw for the shop. The club also fosters good maintenance of present equipment.

The shop now has ten lathes, two milling machines, two power hacksaws, a surface grinder, a shaper, a heat-treating system, arc and acetylene welder, a drill press, a universal grinder, and a well-equipped stock room for the use of the students.

## Chess Club

The Chess Club was organized at PHS last year under the supervision of Mr. Dunlevy. During its first year there were about ten members. The year's activities were climaxed by a tournament. The club has grown considerably this year and finished up with 35 members.

The purpose of the club is to play, teach and promote chess in PHS. There is only one qualification for membership which is that the student attends PHS. Evidence of success in our purpose is borne out by a survey conducted by Mr. Dunlevy. It shows that 175 students can now play chess.

Our officers for this year are: Bill Essler, president; Leon Murray, vice-president; Jackie Kan, secretary-treasurer.

The annual Class A tournament was won by Don Murray with Bill Essler as runner-up. Class B was won by Karl Robinson with Duane Pierce runnerup. A club news-letter was printed twice each month with David Sommer and Bill Essler as editors.

Members of the club who were not present when the picture was taken are: Dick Beldin; Fred Born; Lee Hoyt; Shirley Hubbard; Leon Pearson; Vic Shanley; Jim Snyder; Patty Sellers; Gordon Wilson; Grant Born; Jane Plevinski; Elsie Heaver; Edith Baker and Judy Wolgast.

## Art Department

In the upper left-hand picture we have our March work up. The project was "Better Homes", and the group are working on it in the picture.

The upper right-hand picture shows the group working at new objective sketches. A few of the finished ones are mounted and can be seen at the back of the room.

The pupils in the lower left-hand picture are looking at art films. Many of these we have obtained from a list we use from the American Federation of Arts in Washington.

The group in the lower right-hand picture is working on a Petoskey Centennial project. These are quick sketches, for backgrounds, of our sun- sets, our bay, our trees and hills. Some are illus- trating stories that are to be put in the Centennial book about Petoskey.

## A Capella Choir

The choir is under the direction of Mr. Moyer. The group has had a very successful and enjoyable year.

This musical group made their appearances before various clubs. They made their visit to the District Festival at Traverse City, which was presented April 14.

"Bow Low, Elder" and "Grant Us Peace" were the two songs which they sang.

The choir sang the fine selection in the Christmas Concert of "The Song of Christmas," the arrangement as sung by Fred Waring and his Glee Club.

The choir took part in the Baccalaureate services.

## Girls' Glee Club

The Girls' Glee Club this year consists of 35 voices. They added a very enjoyable part in the "Christmas Concert," at which time they sang "Angels We Have Heard On High," "O Little Town of Bethlehem," "Carol of the Shepherds." Mr. Moyer skillfully directed the group. Some of their favorite songs were: "Czechoslovakian Dance," "Dream Seller," and "The Little Sandman."

## Senior Band

The senior band this year has had a very busy and successful year under the direction of Max Smith.

Sally Hubbard, the drum majorette, led them through half-time shows at all the football games in spite of the weather. They also presented the music for the basketball games.

In February the band attended the District Qualifying Festival in Traverse City and came back with flying colors and a "1" rating. This rating qualified the band to attend the state festival in Ann Arbor, but due to circumstances they did not attend.

Many of the students entered the solo and ensemble festival and two of the ensembles received "1" ratings, but they chose not to attend the state festival.

On April 6th the band held their annual band circus, at which a good time was shown everyone. Aside from this the band has sponsored the U. of M. Concert Band, which played a concert here; they have given concerts, led the hometown parades and furnished music for the various plays and pep meetings throughout the year.

To add a final touch to their year's activities they attended the spring festival held at Gaylord and had a special trip in the spring.

## Varsity Football

Looking at the team before the season started, we could see that it was not to be a large and burly bunch of fellows. It was mostly made up of small, tough, strong men. The team played decisive and tricky ball all season to win. It ran up large scores against stronger and larger teams by playing fancily and decisively. Their only defeat of the season was taken from Cadillac. This defeat was partly due to playing in foggy and wet weather against a much stronger team. The ball was fumbled many times on account of the slippery condition caused by rain.

This one loss was way over balanced by eight wins. Seven of the eight were won by at least a margin of twenty points. The points scored against us added up to sixty-two, and points scored against the opponents added up to three hundred and twenty-three.

Eight seniors will leave from able Coach Corgan's squad at graduation this year. We wish Coach Corgan and the future Northmen lots of luck.

## Varsity Basketball

Starting off with a slow beginning this season, our team shaped up as having an average or a little above average height team. Speed was slow but increased as the season progressed. The first game of the season was dropped to Rogers City by the score of thirty-eight to forty-two. This loss to Rogers City was just one of four of the season's losses. In contrast to these losses the team won fifteen games.

This ended the season for the Northmen and upon going into the Regional tournaments we had little better than a fifty-fifty chance of coming out of Regional play on top. We took Cheboygan, which put us up against Traverse City for the Regional Champs. Winnings from Traverse, we advanced then to a game with Marquette. Winning this game sent one happy bunch of kids down-state to the Boys Vocational School for a game with St. Joseph, which was lost in a hard fought game by the team.
