Foreword and Dedication

We, the Class of '53, present to you this 24th edition of the Petosegan. In doing so, our purpose is twofold.

FIRST: To dedicate this year book to our Petoskey High School Faculty, as a token of gratitude. We have been escorted through six years of our lives by these leaders, so we make this dedication in appreciation to them.

AND SECOND: To help each one of you discover an answer to the question — "Is the younger generation going to the dogs?"

SENIOR CLASS HISTORY

On a bright September morning in the year 1949, the bells pealed forth, "All ye who seek wisdom, come." And while the chimes still echoed, the Seniors of '53 became the Freshmen of '49. The class organized the first year with the following officers: President, Otto Kalmbach; Vice-president, Karl Stone; Secretary-treasurer, Dick Spitler. So quickly the months sped by that before we realized it, the freshman year reached a successful close.

The bells chimed forth again, calling the Sophomore Class to duty. That year Ken Clark was chosen president; Dick Sellers, Vice-president; and Bob McConnell, Secretary-treasurer. Once more the year closed successfully.

Again the bells called to learning in our junior year. We chose Otto Kalmbach, Dean Eaton, and Nancy Zimmerman as class officers. That year was a big year, for during it we had to plan the Junior-Senior Banquet, give the Junior play "Mother Was A Freshman," and present the J-Hop. The theme for the big party we gave the seniors was Moonlight and Roses. Thus our junior year ended.

The bells chimed out loud and clear last fall for our senior year, and with sad hearts we answered our last call to the bells of P.H.S. This year Otto Kalmbach, Dick Spitler, and Karl Stone were our officers. We attended the Junior-Senior Banquet and the J-Hop, for which we thank the Juniors. As Seniors we gave our play, and to end our year came the Senior Trip and Graduation.

The bells will never again call us, but P.H.S. will always be a beloved spot to us.

LEFT TO RIGHT—Thelma Bachelor, Vice-president;
Jim Crandall, President; Carol Hoch, Secretary-treasurer.

JUNIOR CLASS HISTORY

In 1950-51, our first year in high school we chose as leaders of our class Jim Crandall, president; Dou Ball, vice-president; and Jim Perkins, secretary-treasurer. On April 7, Mr. Dunlevy's 5th hour English class sponsored a Freshman Frolic, our only activity of the year.

As sophomores we selected Harley Hankins, Jim Crandall, and Carol Baker as our officers. That year we were very proud to be dubbed "a mighty class, one to mark and to remember" by our graduating upper-classmen.

As juniors we claimed the title of the "Class of '54." Jim Crandall was elected president; Thelma Bachelor, vice-president; and Carol Hoch, secretary-treasurer. With these leaders we successfully completed a great year, filled with work and fun. Events to be particularly remembered were our Junior play, "A Case of Springtime;" the Junior-Senior Banquet, where we played host and honored the departing Seniors; and our J-Hop, which beautifully transformed the gym into a "Japanese Garden."

And just think! Next year we shall be noble Seniors.

Sophomore Class History

We are bound to succeed! As freshmen last year we started to prove this statement by electing as our leaders Jess Kauffman, president; Ron Gibbs, vice-president; and Bonnie Elliott, secretary-treasurer. The usual first year of high school was spent in starting our four-year courses and in welcoming newcomers to the class from various out-lying schools.

This year we had one concession to start building our fund to pay for the J-Hop and the Junior-Senior Banquet next year. Our officers have been Dave Sikarskie, Maxine MacInnis, and Betty Jo Kearns as president, vice-president, and secretary-treasurer, respectively.

FRESHMAN CLASS HISTORY

The freshman year is that in-between one when part of the time we are classified with the junior high grades and the rest of the time with senior high. It is very confusing, but it is the year that we start thinking what definite courses we will be taking for the next three years, what clubs we might belong to as upperclassmen, and the possibility of making the future varsity athletic teams.

We have no class activities nor money-making projects as freshmen, but we elect officers. This year we chose Don Hufford as president, George Robinson, vice-president, and Ann Woodruff for secretary-treasurer.

I suppose you would like to know what we are talking about? It's the J-Hop of course. If any of you have planned on wearing your six-guns and ten-gallon hats you'd better take a look from us and find something new and flounces; "pardner, your sacks and dead escorts won't be in style with such a background, and soft

On May 29, 144 members of the senior class, their advisors, Luttmann, and Fletch Johnson will board buses in the week of the morning and be off for their destination — Mackinac Island where they will spend a day eating, drinking and being merry.

After working up appetites that would make Costello look like Abbott they will have lunch, after which they will continue to explore the wonders of the island until time rolls around to return home, tired but happy.

Through all the grief and strife,
With a golden joy in a silver mirth."

FOOTBALL 1952

The Northmen concluded their 1952 football season with a record of six victories and two defeats, the only losses coming on the gridirons of Class A teams by a narrow margin of one point in each game.

One of the highlights of the season was at the homecoming game with Cadillac when the Northmen ran the opening kick-off all the way back for a touchdown and then went on to whip the Vikings by a 24 to 6 score.

Another thrill-packed game was played at Traverse City where the Northmen had their 13-game winning streak snapped by the Trojans, who, after trailing 19 to 6 at halftime, came back strong to hand PHS a heart-break-in 20 to 19 defeat.

Other outstanding games were the 42 to 8 conquest of Ottawa Hills, and the 14 to 13 loss at Holland in another closely-fought contest, which saw Petoskey leading the Dutchmen 13 to 0 at one time.

PHS Basketball 1952-53

The clock turns red—one minute to go—the score tied—then a basket—and another—and the hysterical fans roar as Petoskey wins—or loses! So went the 1952-53 season with the Northmen victorious in nine out of seventeen games played. But despite the fact that it was not the most successful season in PHS history, it was certainly the most exciting. Eight of the games were won or lost by margins of five points or less, including two overtime games.

There were two highlights of the season. One came in the finals of the District tournament when Petoskey came from behind in the final period to score a sensational 57 to 55 victory over Alpena Catholic Central, rated number one team in the state and heavily favored to dump Petoskey. But Petoskey outscored the Thunderbolts 22 to 11 in the final quarter to win the game and the championship.

The other highlight was the fact that the Northmen broke the school single game scoring record on three different occasions, a total of 76 points scored against Rogers City being the all-time high.

The complete results of the season are:
