

**THE
PETOSEGAN
1955**

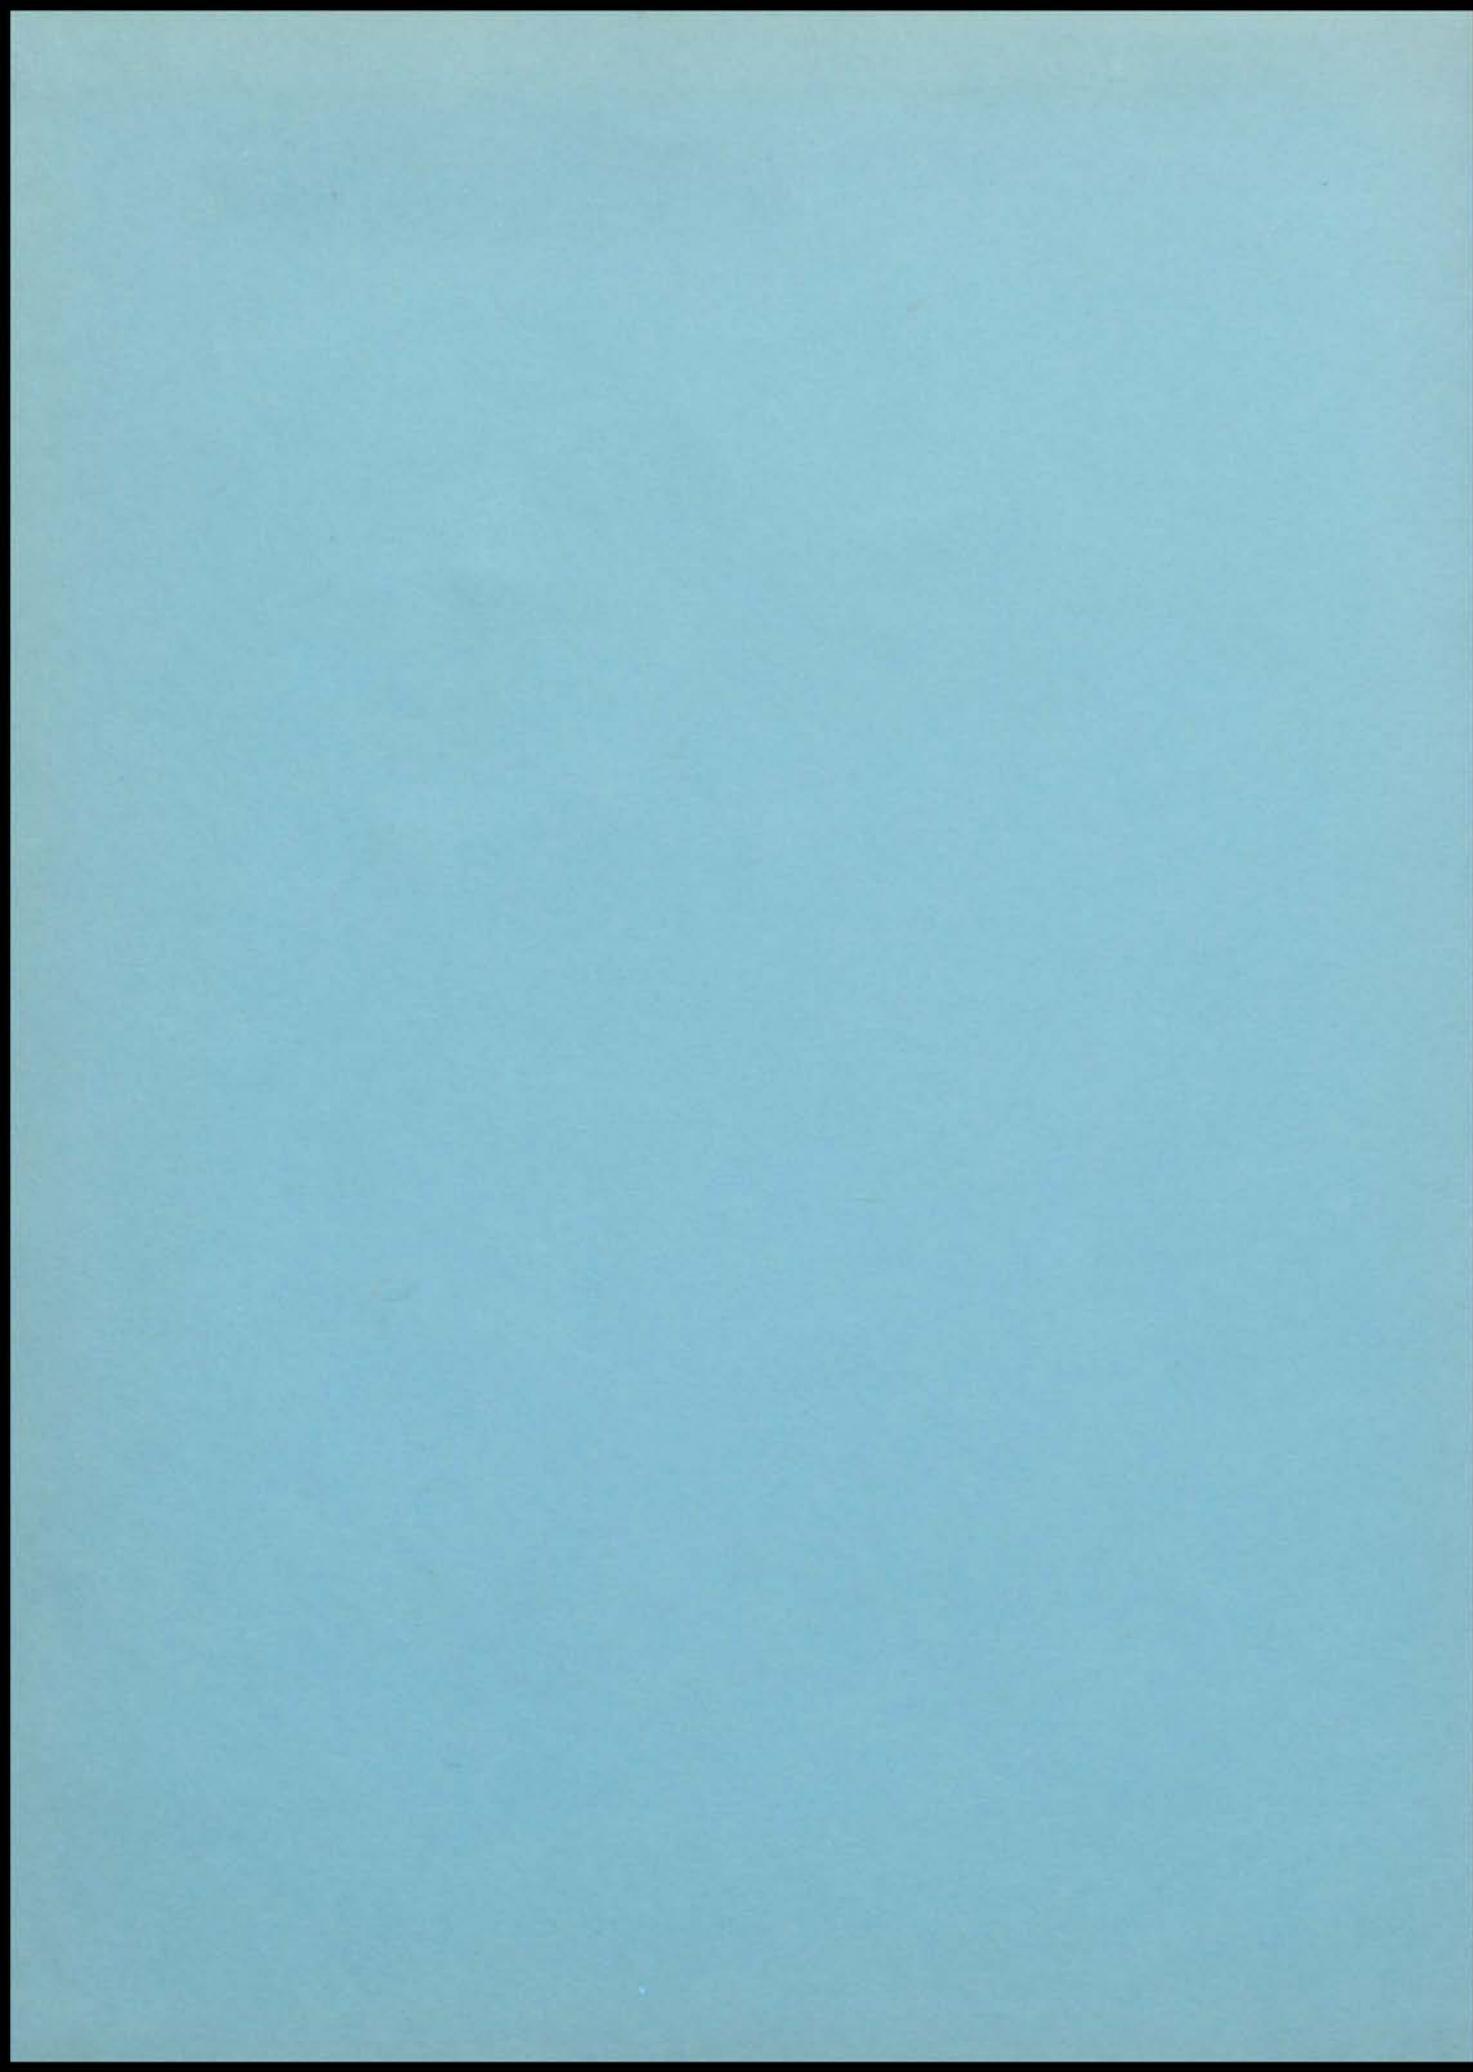

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses, income, and any other financial activity. The text explains that proper record-keeping is essential for identifying trends, managing cash flow, and complying with tax regulations.

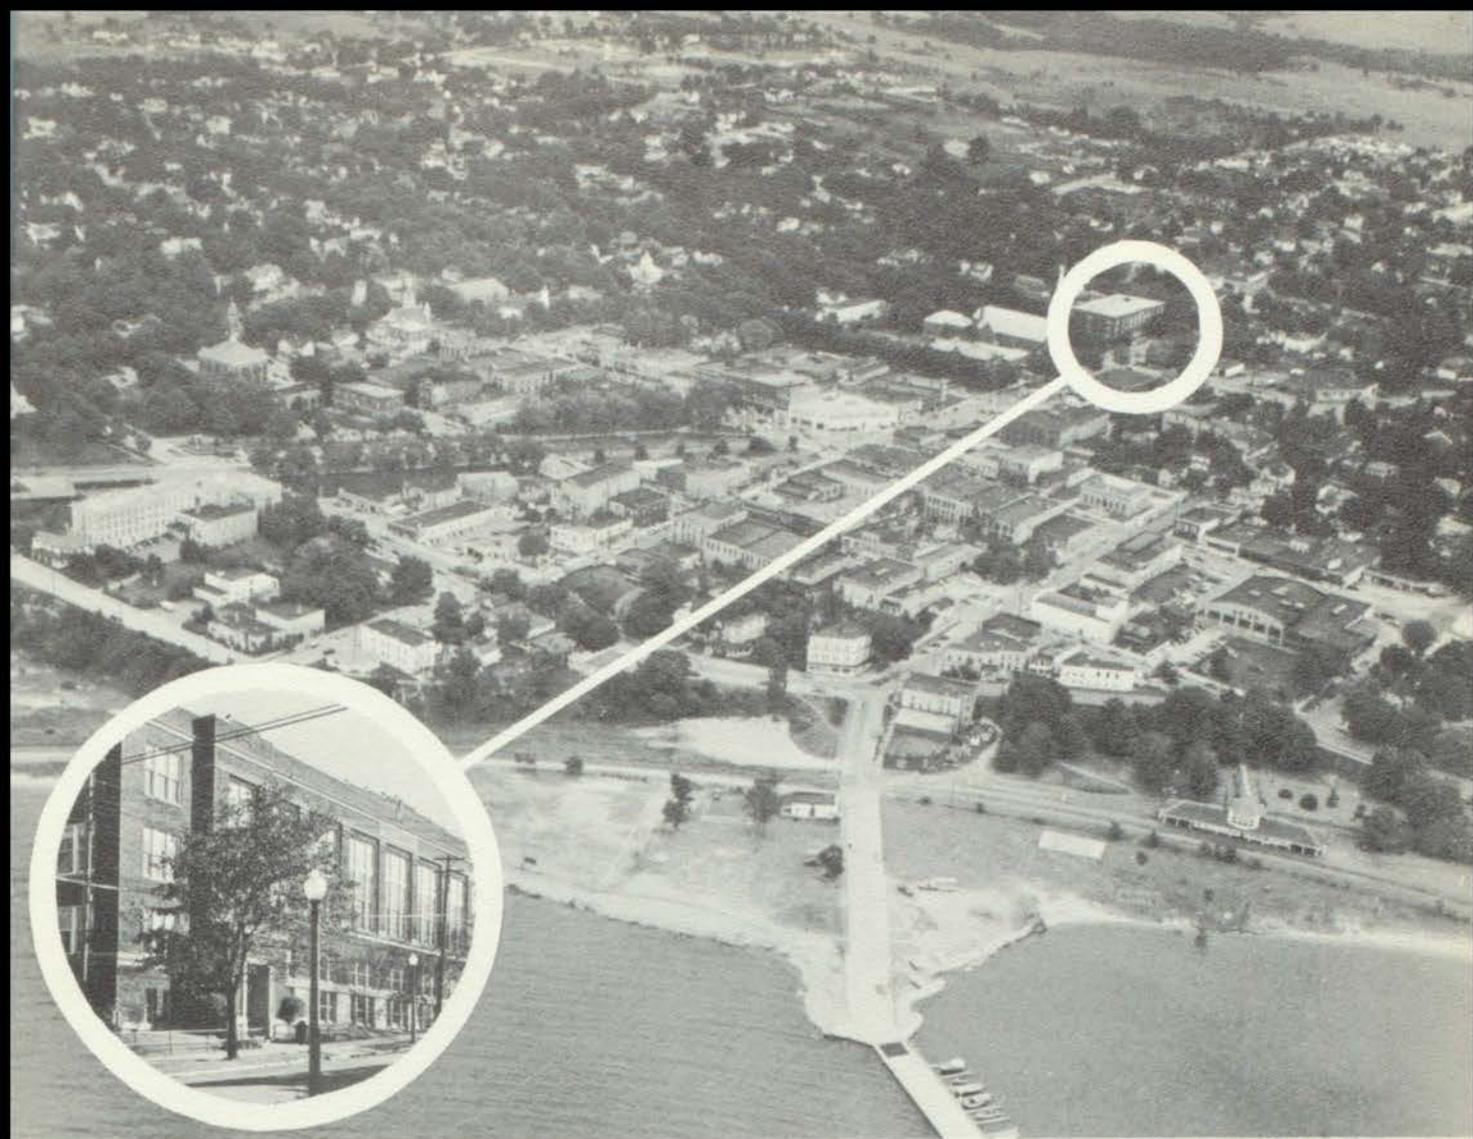

Next, the document addresses the process of reconciling bank statements. It provides a step-by-step guide on how to compare the company's records with the bank's records to identify any discrepancies. Common reasons for differences, such as bank fees, interest, or timing differences, are discussed. The importance of resolving these discrepancies promptly is highlighted to prevent errors from accumulating and affecting the overall financial picture.

The third section focuses on budgeting and financial forecasting. It outlines how to create a realistic budget based on historical data and current market conditions. The text discusses the benefits of budgeting, such as controlling costs, improving profitability, and providing a clear financial outlook for the future. It also touches upon the importance of regularly reviewing and adjusting the budget as circumstances change.

Finally, the document concludes with a summary of key financial management practices. It reiterates the importance of accuracy, transparency, and proactive financial planning. The text encourages business owners to take control of their finances and seek professional advice when needed to ensure long-term success and stability.

dedication

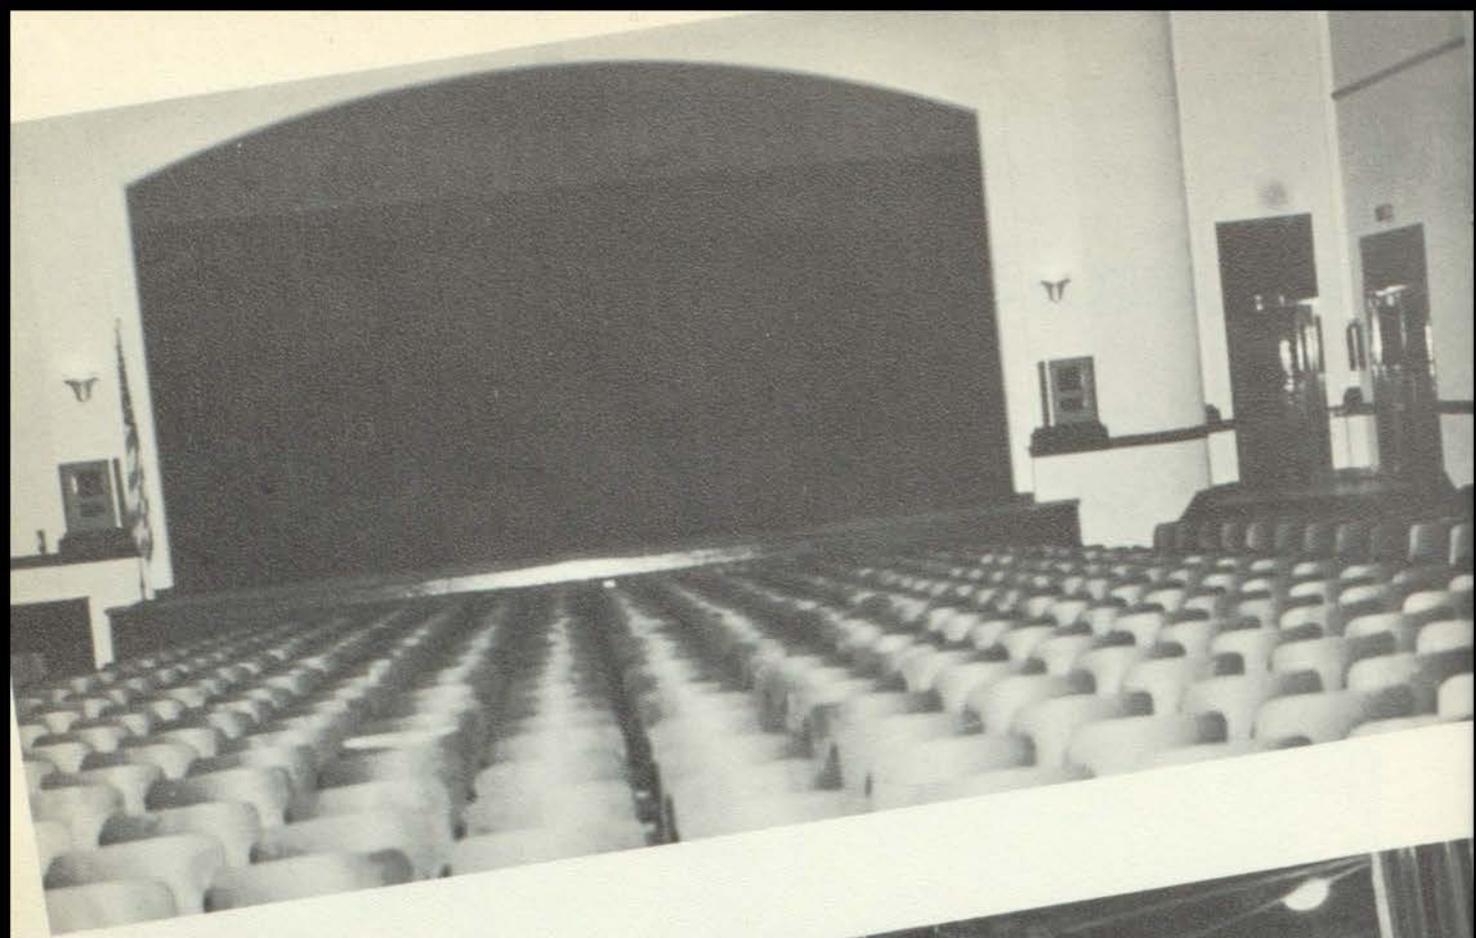

ROSALIE STECH

The Senior Class of 1955 is proud to dedicate this Petosegan to one who has given her time, boundless energy, and erudition to the students of Petoskey High School.

Mrs. Stech will always be remembered by her work with the Juniors and Seniors in producing the annual high school plays. Although Mrs. Stech retired at the close of the last school year, we are happy she is still among us carrying on with her work in dramatics.

class history

Those unforgettable memories! How they come crowding in upon us now as we the Class of '55 face commencement and the end of our high school days.

Once we were freshmen. Remember? Remember, Jess Kauffman? You should, for you were our president. Ron Gibbs and Bonnie Elliott ought to remember too; they were our vice president and secretary-treasurer.

We sometimes stayed after school or part of the noon hour, knitting our brows over money-making projects or activities in which we were to participate.

During the next year we learned how to spell the word "Sophomore"; it ceased to be "sophomore" or "southmore". We meant to be good ones. We meant to be rich too, so we sponsored concessions, working to build up a cash reserve. Our officers? They were Dave Sikarskie, president; Maxine MacInnis, vice president; and Betty Joe Kearns, the secretary-treasurer.

Then came the Junior year, that one that stands out so vividly both socially and scholastically. Gordon Mummert was our president; Dennis Sellers, vice president; Betty Jo Kearns again was secretary-treasurer. We had found she guarded our coffers well.

We did something rather original too in the way of money making; served a chili supper to those with stout digestions, who can stand their food highly seasoned. They came, and stayed to dance afterward. It helped our fund.

And there was the Junior play, "Seventeen Is Terrific", a success of course; and the J-Hop, of

which we were proud. We had reason to be, for didn't we work evening after evening, some of us, to convert the gym into a "Forty Fathom Fantasy?" The same theme was used for the Junior-Senior banquet served at the Perry Hotel, honoring the Senior Class. Near the end of the year, the five percent of our class ranking highest in scholarship, leadership, character, and service (according to vote) was initiated into the National Honor Society. We were ready for June 13, near exhaustion but well satisfied with our accomplishments.

And, finally, we began our Senior year at PHS, led again by Gordon Mummert as president; Doug Mummert, vice president; and—guess! Betty Jo Kearns, secretary-treasurer. She was beginning to dream of money bags.

The year's big undertaking has been the PETOSEGAN. Especially big because it had to be financed. Of course, there have been concessions; and a rummage sale which emptied our attics, poured nickels, dimes, and dollars into our treasury.

We have been the honored guests, this year, at the Junior-Senior banquet and J-Hop; and fifteen percent ranking at the top in the qualities required by the National Honor Society were received into membership of that organization. "Skip Day" came and went with a boat ride, laughter, pranks, songs, picnic lunch, et al, on Mackinac Island.

And now Commencement. Yes, as those memories come crowding in, we realize what High School has meant to us—knowledge, experience, fun, friendships. The memories always will be with us. We shall never forget.

For twelve boys, the days of high school football playing are over. These boys are Gibbs, Born, Kauffman, Vaughan, Rought, Sikarskie, Kondziela, Dunham, Hewitt, Livingston, Griffin and Gregory.

The whole team played good football this season. Although they only won three out of eight games, the school can really be proud of the 1954 team. One of the biggest games of the season, with Grand Rapids' Ottawa Hills, was won by P.H.S. by a score of 26 to 14.

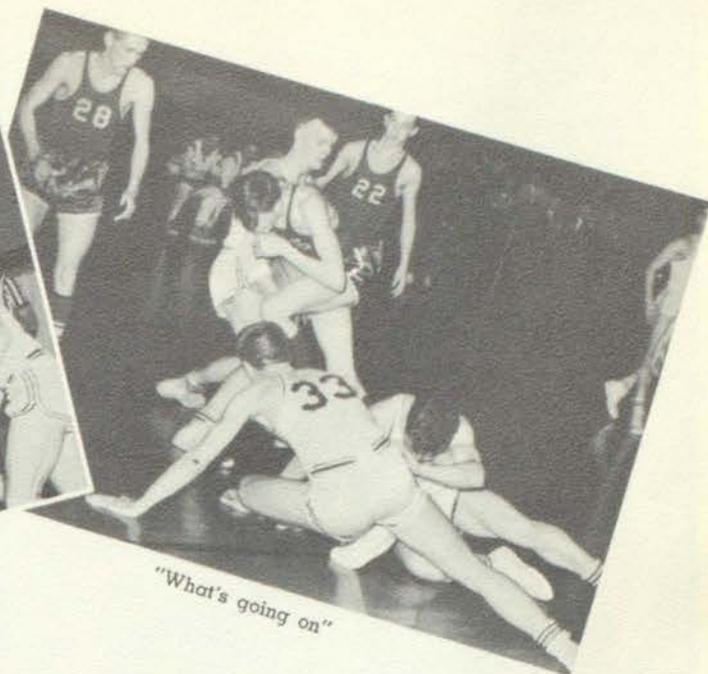

Under the capable leadership of coach Schuster and his assistant coaches, Mr. Splan and Mr. Neveaux, the team scored at least one touchdown every game. If all of the scores were added together, they would add up to our opponent's defeating us by the narrow margin of three points.

"What's going on"

And the "Cinderella Team" did it again. After a season of 9 wins and 7 losses, Petoskey then proceeded to win the District Tournaments which were comprised of four teams: Rogers City, Alpena, Catholic Central, Cheboygan, and last but not least Petoskey. P.H.S. disposed of Rogers City, Alpena Catholic Central eliminated Cheboygan. This left Alpena C.C. and Petoskey to play for the District Championship. Although Alpena C.C. proved to be a very powerful team, the Northmen conquered them for the title. After winning the District title, Petoskey drew Mt. Pleasant to play in the

Regional Tournament. Petoskey played one of their best games of the season, but could not quite dump through enough baskets to down the powerful Oilers. Petoskey fans can be very proud of the way the Northmen performed both in team spirit and sportsmanship. We wish to acknowledge our congratulations to Coach Zographos and the team. The boys who played their last season of basketball for P.H.S. are Ron Gibbs, Tom Rought, Arnie Gregory, Jess Kauffman and Barry Peacock. We wish to give these boys special recognition for their very fine service to the team.

student council

Pres. Ron Gibbs
Vice-Pres. Doreatha Dittmar
Sec. Treas. Veda Smith

The Student Council is the representative group for the student body. Its main purpose is to better the relationship of the student with his school and the faculty. It also tries to promote student participation in activities of the school.

Council meetings are held at noon on certain designated days. Mr. Luttmann acts as chief advisor. The members of Student Council are voted in by taking one student from each advisory. This year the group compiled a student handbook for the use of our own students and for other schools who want to know more about how our school operates.

The Student Council discusses and works out many projects, but its chief aim is to work for the student body.

The Hi-Y Club under the direction of Mr. Quade and Mr. MacMillan have had another successful year. They endeavored during the past year to uphold their aim which is to create, maintain and extend throughout the school and community high standards of Christian character.

Last December the boys of Hi-Y and the girls of Tri-Hi-Y went together and presented a formal. Only members and their guests and alumni were invited to attend. This was very successful and enjoyed by everyone.

In the spring a bake-goods sale was held for the purpose of sending boys to Camp Ha-O-Wenta during the summer.

Tom Smith our president, gave us fine leadership which we appreciated deeply, and our heartiest thanks to Mr. MacMillan and Mr. Quade.

TRI-HI-Y

Tri-Hi-Y is a Christian organization. The purpose is to promote Christianity throughout the school and community.

Every year Tri-Hi-Y and Hi-Y get together and put on a Christmas Formal, and in the spring, a picnic. The theme of the formal this year was "Silver Snow."

Under the capable leadership of Mrs. Bailey, our advisor, we have had a very successful year.

SUB-DEBS

The Sub-Deb Club was founded in 1941. At the present time there are 25 members. New members are taken from ninth and tenth grades. Seniors are honorary members. The advisor to the club is Mrs. Marguerite Beckley.

Primarily a social group, it has as its ideals; good character, a spirit of friendliness, and service.

This year one of the projects was a Christmas cookie sale. Some of the money earned was used for a needy grade school child. One of the yearly contributions of the club, is to the Junior Red Cross.

Each year in the spring a slumber party is held honoring the senior members.

pep club

Pres. Bonnie Elliott
 Vice-Pres. Carol Stanaback
 Secty. Linda Stueck
 Treas. Marcia Blum

The duties of Pep Club are many; to promote better sportsmanship to promote pep, to give pep meetings, to familiarize the student body with yells and songs, and to create general enthusiasm for athletic events. The officers are voted into office at the close of the year preceding their term. They consist of a president, vice-president, secretary, and treasurer.

Pep Club meetings are held every other Thursday during football and basketball season.

During the past year the Pep Club had various money-making projects; sold blue and white shakers during the football season, during the basketball season, booster ribbons in the colors of the opposing team, with slogans on them were sold, and had concessions for a football and a basketball game. They bought new sweaters for the cheerleaders and sold emblem sweatshirts to members of the club. One of the major undertakings of the Pep Club is the huge annual bonfire held once each football season.

Dramatics Club gives students the chance to participate in plays. Every Tuesday at 4 PM the club meets. Usually at this time a one-act play is presented. Every year we put on two or three short plays at an assembly program for the entire school.

This club is open to all Sophomores, Juniors, and Seniors. In addition it prepares us for the Junior and Senior plays which are given each year.

The Dramatics Club was organized by Mrs. Stech and under her excellent directions many successful plays have been given.

"The Ink-Slingers" of Petoskey High School is a fairly new organization devoted to furthering creative ability through writing. The organization is open to all students who can show a real interest in creative writing, with the exception of seventh grade students. The group was organized in 1953-54 by Mrs. Ruth Thompson of the English Department. Officers are Betty Jo Kearns, president; Doris Lemble, vice president; Norma Barker, secretary-treasurer.

The Future Machinists of America is a club devoted to making better machinists for the future. During the past year they have participated in various money-making activities, including concessions at basketball and football games. The money which they made from these activities goes into a fund for a bi-ennial club trip to Lansing.

Mr. Murray is the adviser of this group and we are sure that they will enjoy as much success in the future as they have in the past.

The Petoskey chapter of F.H.A. varies in its number of members each year. Any girl who has had at least one semester of homemaking and is interested in joining the club is eligible.

The F.H.A. elects a president, vice president, secretary, treasurer, reporter, parliamentarian, and historian. The advisor is usually a homemaking teacher in school.

The club belongs to the state and national F.H.A. associations. The colors are red and white, the flower the American beauty rose.

This year our club has had a candied-apple sale, and has given a christmas basket to a needy family. We plan to have a Valentine's dance along with other dances this spring. Before school ends this June an election and formal installation of officers will be held.

The purpose of the Girl Athletic Association is to provide recreation for any girl from ninth through twelfth grade. The girls earn money during the year for letters and pins. These pins and letters are given to those who have participated in G.A.A. and have not missed more than three meetings.

Miss Mary Roberts is director of this club. Members play basketball, volleyball, bowl, and during the winter months participate in winter activities such as skating and jumper-riding. The meetings are not only enjoyable but are healthful too.

Maybe it is the sound of the seed cleaner, being cranked by some hard working freshmen; or maybe a heated debate as to whether Durhams are better than Herefords; or it may be pen-type barns versus stanchion-type barns.

But whatever it is you can be assured there is always some activity going on in the Agriculture Room, the headquarters of the Future Farmers of America, an organization of our high school.

Here, we learn the principles of today's farming, the theory of tomorrow's farming and, the principles of citizenship which are the same yesterday, today, and always.

We have enjoyed group activities throughout the year, such as; our Parent-Son banquet, our pig roast, several hayrides and barn dances.

As the senior F.F.A. members look back on the year we are sure it is one that never will be forgotten.

The emblem of the National Honor Society is the keystone and the flaming torch. At the base of the keystone are the letters S, L, C, and S. which stand for scholarship, leadership, character, and service. These are the primary principals which are held before the school as goals, and all students are encouraged to strive for them.

Five per cent of the class chosen in the Junior year and ten per cent chosen in the Senior year are eligible for Honor Society.

The initiation ceremony for Juniors is held in the evening with parents attending. The ceremony for Seniors takes place at a school assembly program. Both of the ceremonies are held in the spring.

The founding of the Society took place in 1925 with seventeen charter members. Miss Nellie Beebe was the sponsor from its beginning until her retirement in 1949. Since this time the chapter has been sponsored by a committee composed of Mrs. Inglis, Mrs. Dean, Miss VanNess, Mrs. Stech, Mr. Spitzer, and Mr. Luttman.

We have reached the first step in our stairway to success.

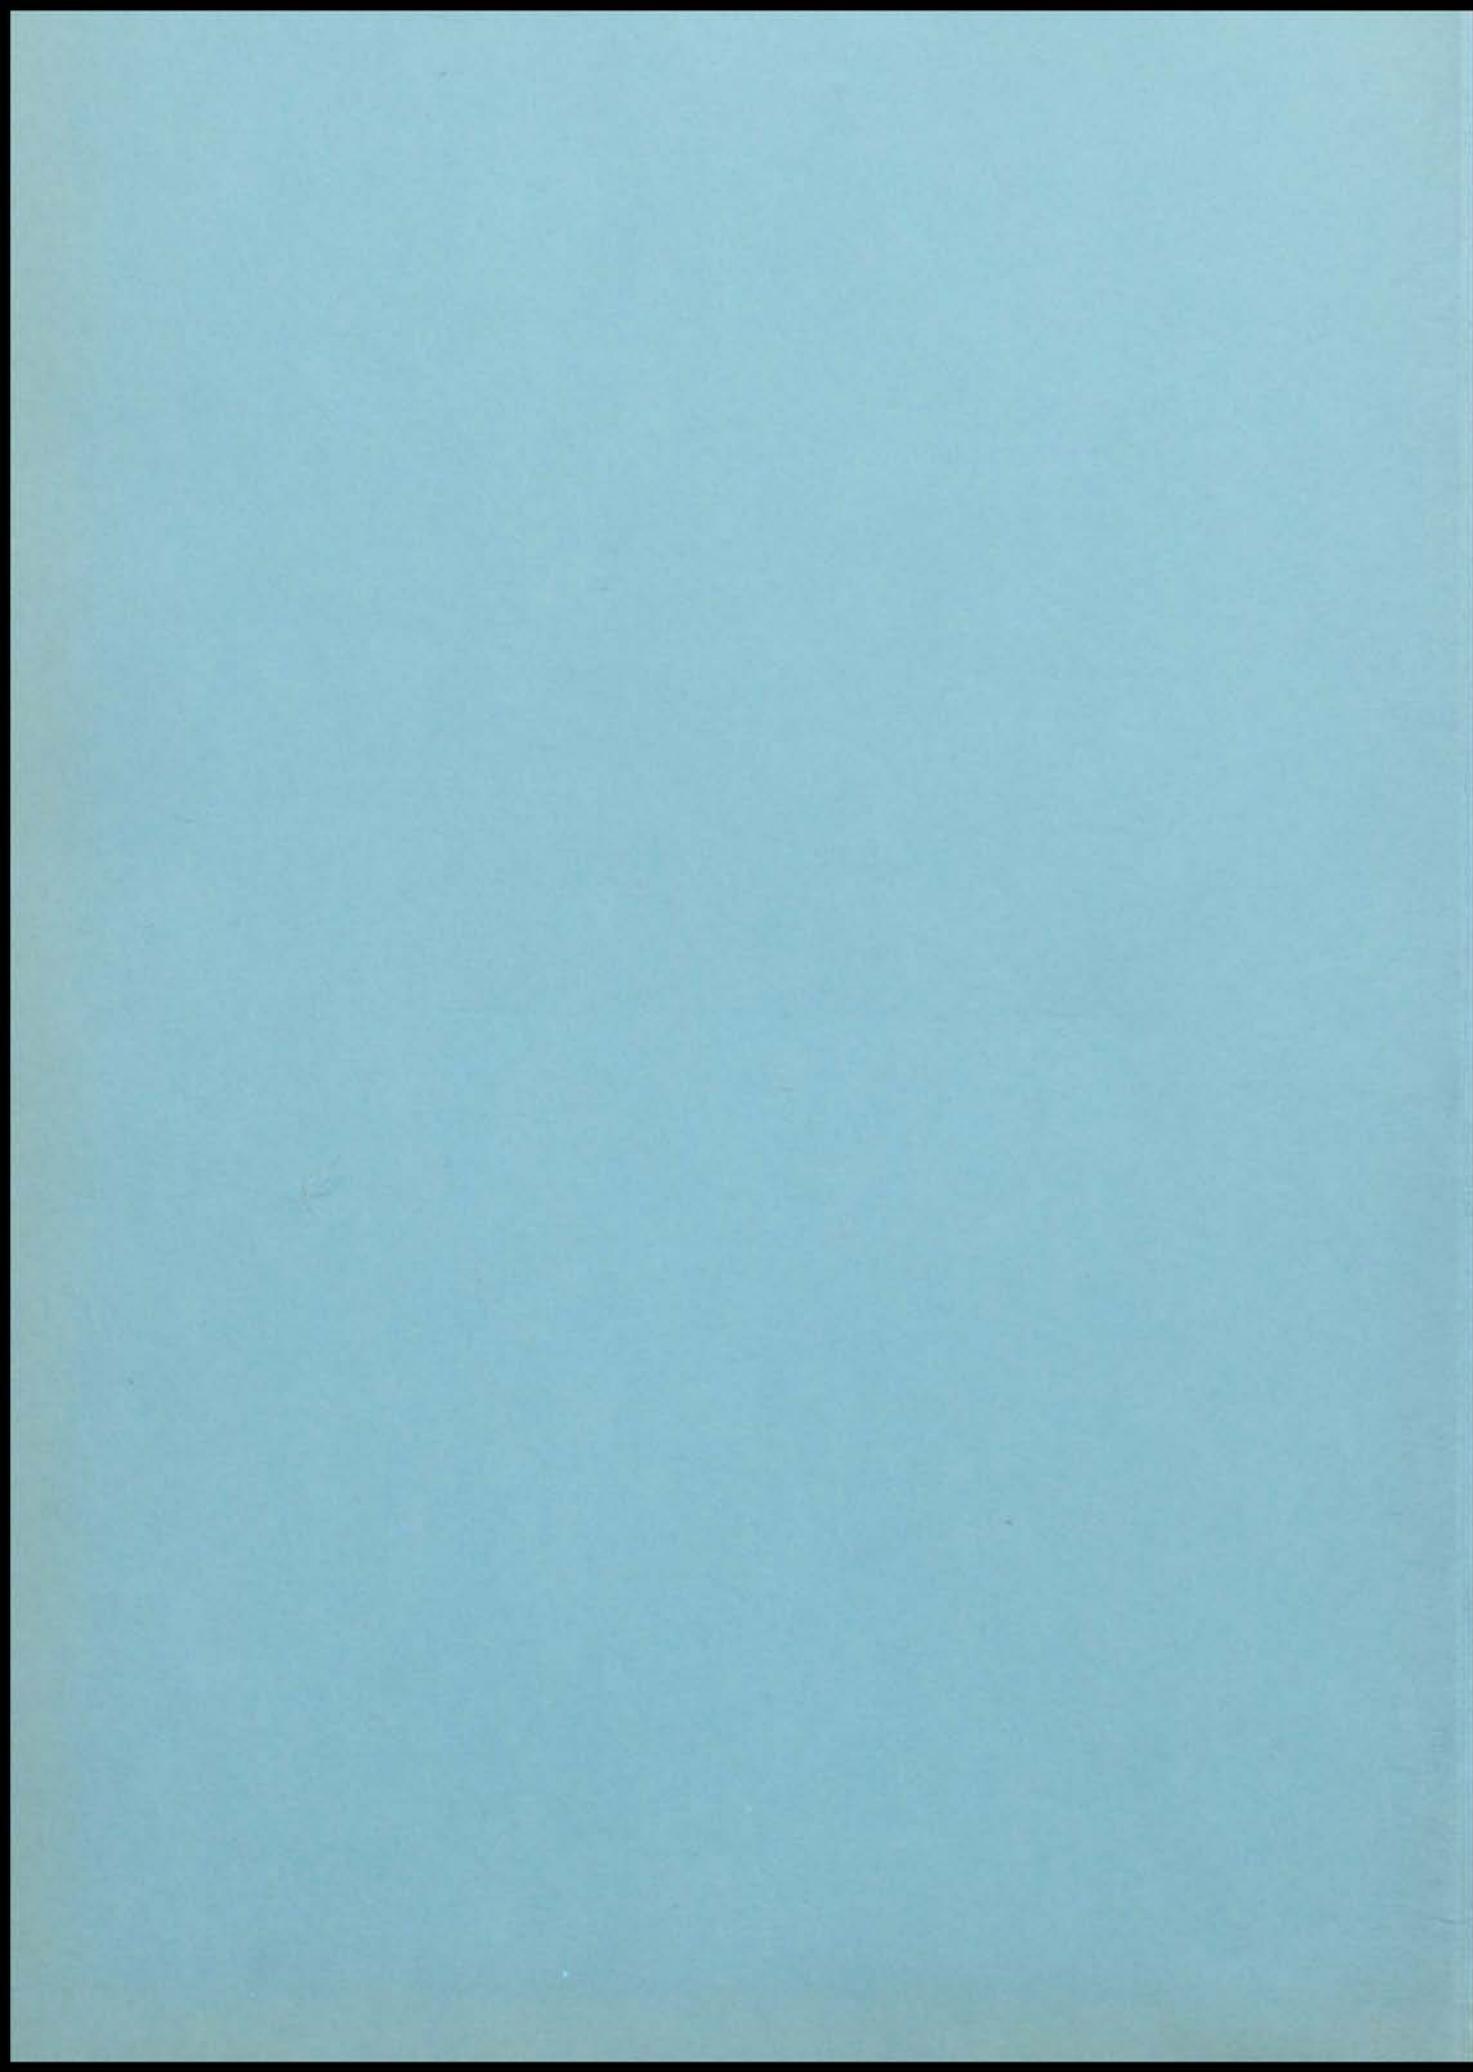

As we go out these doors we face many more which we must pass through before we attain our goals.

Whatever we do and wherever we go, may we keep the high ideals we have learned at PETOSKEY HIGH SCHOOL.

ACKNOWLEDGMENT

To the many people who gave so generously of their time and material to help make our school annual one of the best, the staff expresses its sincere appreciation.

the 1990s, the number of people with health insurance rose from 70 to 80 percent, and the number of people with private health insurance rose from 40 to 50 percent.

As a result of the 1990s reforms, the number of people with health insurance rose from 70 to 80 percent, and the number of people with private health insurance rose from 40 to 50 percent. The reforms also led to a significant increase in the number of people with health insurance who were employed by large firms. In 1990, only 10 percent of people with health insurance were employed by large firms, but by 2000, this number had risen to 30 percent. This increase was due to the fact that large firms were required to provide health insurance to their employees, and many firms chose to do so.

The reforms also led to a significant increase in the number of people with health insurance who were employed by small firms. In 1990, only 10 percent of people with health insurance were employed by small firms, but by 2000, this number had risen to 20 percent. This increase was due to the fact that small firms were encouraged to provide health insurance to their employees, and many small firms chose to do so. The reforms also led to a significant increase in the number of people with health insurance who were self-employed. In 1990, only 10 percent of people with health insurance were self-employed, but by 2000, this number had risen to 20 percent. This increase was due to the fact that self-employed individuals were encouraged to purchase health insurance, and many self-employed individuals chose to do so.

The reforms also led to a significant increase in the number of people with health insurance who were employed by government agencies.
