The Petosegan staff is made up of a group of Seniors who signed up for a lot more work than expected, but also for a lot of unexpected fun. We, on the staff, spend our time clipping, measuring, and pasting pictures, writing, typing, proofreading, clipping, and pasting paragraphs, names, and titles.

Much credit is due to our advisor, Mr. Aho, who spends many an hour chasing down members of the staff to be sure we meet our deadlines, and working with us almost every night after school for a couple of hours, to say nothing to the grey hairs this experience must be giving him.

At times we wonder, but I am sure we can say in the end, that putting out the 1956 Petosegan has been one of the pleasant memories we will remember about Petoskey High School.

The National Honor Society, founded in 1925, is one of the oldest organizations of our school. The society is made up of fifteen percent of the senior class, five percent of the fifteen percent being elected during their junior year, and the remaining ten percent being added during the senior year. The students are elected by the faculty and members of the society on the basis of scholarship, leadership, character, and service. The Honor Society has done much to uphold the high standards of our school, and much credit is due not only to the present advisor, Mrs. Katherine Inglis, and the students who are members, but to every student and member of the faculty striving to uphold its ideals.

## Ink Slingers

Ink Slingers is a fairly new organization, having been organized on December 11, 1952, by the advisor Mrs. Thompson and ten girls who were interested in creative writing. The organization has grown from the first ten girls to a membership of thirty.

The Inkslingers put out its first publication, called the *Inklings* on April 27, 1953, and now has two publications a year. At first the *Inklings* contained only writings of the Ink Slingers, but with the first issue of the 1953-54 they began taking contributions from others. The organization has received many awards, such as being represented this year in the *National Anthology of High School Poetry* five times, and having two of the five pieces in the national Anthology win special awards. Also one of its publications of *Inklings* appeared at the AAUW National Convention of 1954-55.

Tri-Hi-Y is a Christian organization. Its purpose is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character.

An impressive initiation was held at the beginning of the year. Later Hi-Y and Tri-Hi-Y went together and put on their annual Christmas formal, this year called Holiday Hop. In the spring they combine for a picnic.

Meetings are held in the homes with varied programs, refreshments, and concluded with their traditional Follow the Gleam.

Help and kindness are given those in need in the community during the year and a donation is made to the Junior Red Cross.

We all greatly appreciate the guidance of Mrs. Bailey who has helped us through this fine year.

# Student Council

The Student Council, which is the student representative body of our school, is made up of one elected student or his elected substitute from each advisory in grades seven through twelve. The main purpose of our Student Council is to better the relationship of the student to his school and faculty. The Student Council, with the help of their advisors; Mrs. Conklin, Mr. Luttmann, and Mr. Catton, has been very busy with many projects this year. Among these projects has been the compiling of a student handbook which will be very useful to the upperclassmen and faculty as well as the new students. Another of the projects has been to buy furniture for the chaperones at our dances. Congratulations Student Council for a very fine job this year.

Fifteen years ago the Sub-Deb Club was founded. At the present time there are 25 members. New members are taken from ninth and tenth grades. Seniors are honorary members. Mrs. Marquerite Beckley is the advisor to the group.

Although primarily a social club, it's ideals are: good character, a spirit of friendliness, and service.

Money raising projects were held so that a needy grade school child could be helped. Also among their yearly contributions they gave to the Junior Red Cross.

At the end of the year the Sub-Deb Club holds a slumber party to honor their senior members.

## Future Homemakers of America

F.H.A. is made up of girls who are taking homemaking, or have taken it and are still going to school. The purposes of the F.H.A. are as follows: "To promote a growing appreciation of the joys and satisfactions of homemaking; To emphasize the importance of worthy home membership; To encourage democracy in home and community life; To work for good home and family life for all; To promote international good will; To foster the development of creative leadership in home and community life; To provide wholesome individual and group recreation; And to further interest in home economics. The club is a very busy one, with two of its money making projects this year being the sale of carameled apples and fudge. The F.H.A. also waits table every year for the annual FFA banquet.

## Hi-Y

The Hi-Y Club was founded in 1922 in this school by Mr. Walter J. Mac Millan. Our club is one of the oldest groups under the same leadership in the state and is the oldest existing club in this school.

It started as a small group of about fifteen and now has approximately forty members. The club is affiliated with the National Y.M.-C.A.

During this year money raising projects were held for the purpose of sending boys to Camp Ha-O-Wenta in the summer and helping needy families at Christmas time.

The group, with the assistance of Mr. Mac-Millan and Mr. Quade, has been maintaining its goal of a high standard for Christian character during this year.

The F.F.A. is a national organization composed of boys taking Vocational Agriculture in Public High Schools. The activities of the F.F.A. consist of carrying out projects which will be beneficial to the development of good citizens as well as being helpful to the community as a whole. It is the aim of the F.F.A. to aid boys in getting a good start in their chosen vocation. Through the projects and activities carried out, the boys are required to shoulder responsibility which will help them to develop confidence in themselves and in the future of farming. It is hoped that the members of the F.F.A. will become the future leaders of their communities and aid others in attaining better understanding of the problems which will help them in becoming successful farmers.

# Dramatics

The Dramatics Club is under the direction of Mrs. Stech, its founder. The purpose of the dramatics club is to promote the dramatic ability of the members of our school, whether in fields of acting, of directing, or working with stage settings, sound effects and other dramatics activities. Meetings are held every Tuesday at four PM, and one credit a semester is given if there are not more than three unexcused absences. The club not only presents the annual Junior and Senior plays, but also gives an assembly program of one or two short plays every year. We thank the sponsors and members of this club for some very fine entertainment.

PETOSKEY

NORTHMEN

The Pep Club is an important group in our school. The club does many things. It aims to promote better sportsmanship and to create an enthusiasm for the athletic events of our school. Each year the Pep Club holds a bonfire as a special pep rally.

Money raising projects have been held during the year so that some new outfits could be purchased for the cheerleaders. School pennants, beanies, souvenir dogs, and sweatshirts were sold. The organization is under the direction of Mrs. Price and Mr. Brown.

SCENES FROM

"THE PIRATES OF PENZANCE"

A welcomed look on the girls who are spared by a band of policemen.

Major General is concerned about his daughters being captured and married to Pirates. His daughters are consoling him as he broods over the situation.
