We, the 75th Graduating Class of Petoskey High School present with great pride the

1885 1960
The first graduation exercise of Petoskey High School took place in 1885—just seventy-five years ago. At that time it was an unusual event when a young person completed a full high school course. In some instances no further education than the mastery of the "Three R's" was required to begin a teaching career! Although we often complain about the foreign languages, complicated science courses, social studies, and arts of our present curriculum, we must acknowledge a deep feeling of gratitude to those who have made our present education so much more complete than that of an earlier day.

Although it is not unusual to complete a high school education today, the same pride of accomplishment grips each graduate of 1960 that was evident in 1885; the same eagerness to begin a new walk of life; the same gnawing fear of the inventions of his day; the same strange mixture of relief at having obtained a diploma, and reluctance to leave the school he has secretly loved for thirteen years.

This year of 1960 represents the Diamond Anniversary of our school. For seventy-five years graduates have gone from its doors into a challenging new life. May we humbly accept this challenge with a genuine determination to give the world what it has the right to ask of every generation—our very best.
We dedicate this Petosegan to a vigorous and public-spirited man. Walter J. Mac Millan is widely known and respected for his work with young people in this area. We at Petoskey High remember “Mac” best as a kindly, helpful teacher and advisor of the Hi-Y Club. Thirty-eight years ago, in 1922, he started the first Hi-Y Club in Petoskey and remained as its guide for thirty-six years. Although Mr. Mac Millan retired in 1959, his interest in the club continues, and he is seen often at the meetings. His influence will long be felt in this school and in this community. With thanks for his long years of service, we affectionately dedicate this yearbook to “Mac.”

The future was uncertain when we entered high school in 1956, but the freshman year quickly sped by as we became accustomed to the different environment of high school participation.

As sophomores life was worry-free and gay until our first thousand-word theme was forced upon us.

Picking up tempo, time swiftly moved on for our junior year. Joyful hours were spent planning and preparing our Junior-Senior Banquet at the Ramona. Our J-Hop, “Sayonara,” enchanted everyone and proved to be very successful. Our float, “The Team That Can”, received highest honors at the Homecoming festivities. Our junior play was a light comedy, “Nuts in May.”

Queen Mary Switzer and her court represented our class as we proudly watched our float, “It’s In Our Reach”, place second in the third annual Homecoming. For two weeks we tried our skills at salesmanship during our magazine drive. “Dino”, our senior play, was one of the most difficult and dramatic plays ever put on by a senior class. In the spring we were honored at a most enjoyable J-Hop. Every moment was filled with adventure. The climax of the year came when we slowly walked up to receive our diplomas. The memories of these years that shaped our futures will always be happy ones.
Jean Wimer  Robert Woodruff  Toni Yennor  Jack Zaiger

Time is the maker of traditions and customs. Through it, the Juniors have had handed down to them the traditions of supervising and planning the J-Hop, the Junior-Senior Banquet, and the Junior play. A Junior is one of the most busy, harried people around, but he maintains his equilibrium by making wide use of his well-developed sense of humor.

Throughout the 75 years of school life, being a freshman has always constituted the same wonderment and anxieties. New and strange decisions have had to be faced while making adjustments to high school living. Nevertheless, each year the "freshies" are as lively and fun-loving as ever.

Come With Me to the Casbah...
Persistent rain did not prevent the 1959 Homecoming festivities from being gay and exciting. Although a snake dance could not be held Thursday because of the slippery streets, loyal fans burned the Ludington dummy in a crackling fire. On Friday the rain let up just enough to allow a parade of the clever floats through town. After a successful—though somewhat muddy—football game, Queen Mary Switzer received her crown from Barbara Wilson in the gym while members of her court Mary Ellen McGeath, Rena Martinchek, Shirley Kent, and Marcia Veurink looked on.

After losing to top-rated Manistee and then to Newberry, the Northmen proved why they were called "the team that wouldn't quit" by upsetting Cheboygan 7-6. This victory, sparked by Bob Woodruff's smashing line plunges, fired up the Northmen enough to overpower the vaunted Vikings of Cadillac 14-13. Even a muddy Homecoming couldn't drown out the Northmen's fire as they slipped and slid to a 6-0 victory over Ludington. But disaster struck to the tune of 39-7 as the Trojans stepped in to cool Petoskey's winning streak. Against an enthusiastic Rogers City eleven the Northmen tied 7-7 on the frozen gridiron to end a thrilling season.

PERFECT RECORD - 7 WINS

J. V. Basketball

Although on the wrong end of a losing season, the Northmen cagers were no easy touch. Coach Zographos’s starting five had height, speed, and desire to win. School spirit ran high as they beat Alpena Catholic Central by a large margin in the districts, but Rogers City caught Petoskey on a bad night in the next game. Yet the Northmen played hard throughout the season and gave their best.

Coach Splan
Coach Splan's ski team flashed through a full schedule of ski meets with a winning record. Under stiff competition, Jim Ranney led the boy's team to a record of three wins, one second place, and one loss. The girls did slightly better by winning four and placing second in the remaining meet, relying on Carol Bates. As usual, Coach Splan can be very proud of the fine showing of the P.H.S. Ski Team.
