The "Pete" this year is not the proud presentation of the class of '62 alone. It came to be as the result of the time and effort of the sophomore, junior, and senior classes.

This annual serves as a memory book for the graduating senior class. As this group approaches the end of their high school days, its members go their separate ways, the cherished memories of high school life will continue to exist. Through this book, old friendships and old activities will live again.

This book is also a historical record of the undergraduates' year at PHS. It contains all of their activities, clubs, and photographs.

The Pete staff sincerely hopes that this record of your work and play will be fondly cherished at some time in your future.

We are very proud to dedicate the 1962 Petosegan to Miss Ethel Shepard. Miss Shepard has been our friend and helpmate for many years. We know her best as elementary supervisor of schools, but she has done many other things and held many other positions. She taught at several rural schools, and even fought forest fires to protect the school at Kniesley. She also taught at Alanson, Harbor Springs, and at Sheridan and Central Schools in Petoskey. She has been recognized as an outstanding teacher by the NEA, the National Honor Society for Women Teachers, and many other worthy organizations. Miss Shepard is recognized by her students as a faithful friend as well as an outstanding teacher.

We would like to say "thank you" for your unselfish services to the community and the schools. You will always have our respect and affection. And so, to you, Miss Shepard, we dedicate our yearbook.

## Autumn

When the green leaves begin to turn to red and gold, the mind of the student begins to turn to school once again. Turning his back rather reluctantly on a carefree summer, he now steps eagerly into the world of golden fall. With this world, comes the freshly-waxed floors, the shining lockers, and the newly-painted walls of the rejuvenated school building. Between the balmy fall weather outside and the bright atmosphere inside, a great desire to excel is instilled in the student. He becomes determined to let the old leaves of his life fall and wither like the golden leaves outside. This is a time of re-awakening, of a new birth taking place in his mind and attitude. In some, the desire to excel lasts only a short while; but in others, it continues the whole year and makes it a memorable one for him.

The student enters the fall of his school life, confident and determined. He waves his brilliantly colored leaves and defies destruction. His state of mind is now eager for knowledge and he is ready to learn.

# Freshmen Class

Seated: C. Blanchard, D. Bates, Mrs. Price  
Standing: Mr. Garthe, R. Clancy, Mrs. Sikarskie, Mr. Steffens

This eager and active class of 65 entered high school with much enthusiasm. They were, at first, perhaps a bit confused at the idea of a new routine, but they adjusted very soon. They eagerly accepted the new scholastic challenges offered to them, and they entered activities they were eligible to undertake.

Yes, this class has added much to the spirit of the school and we can be sure that as sophomores, they will add even more!

# Homecoming

Making yardage

Queen Judy

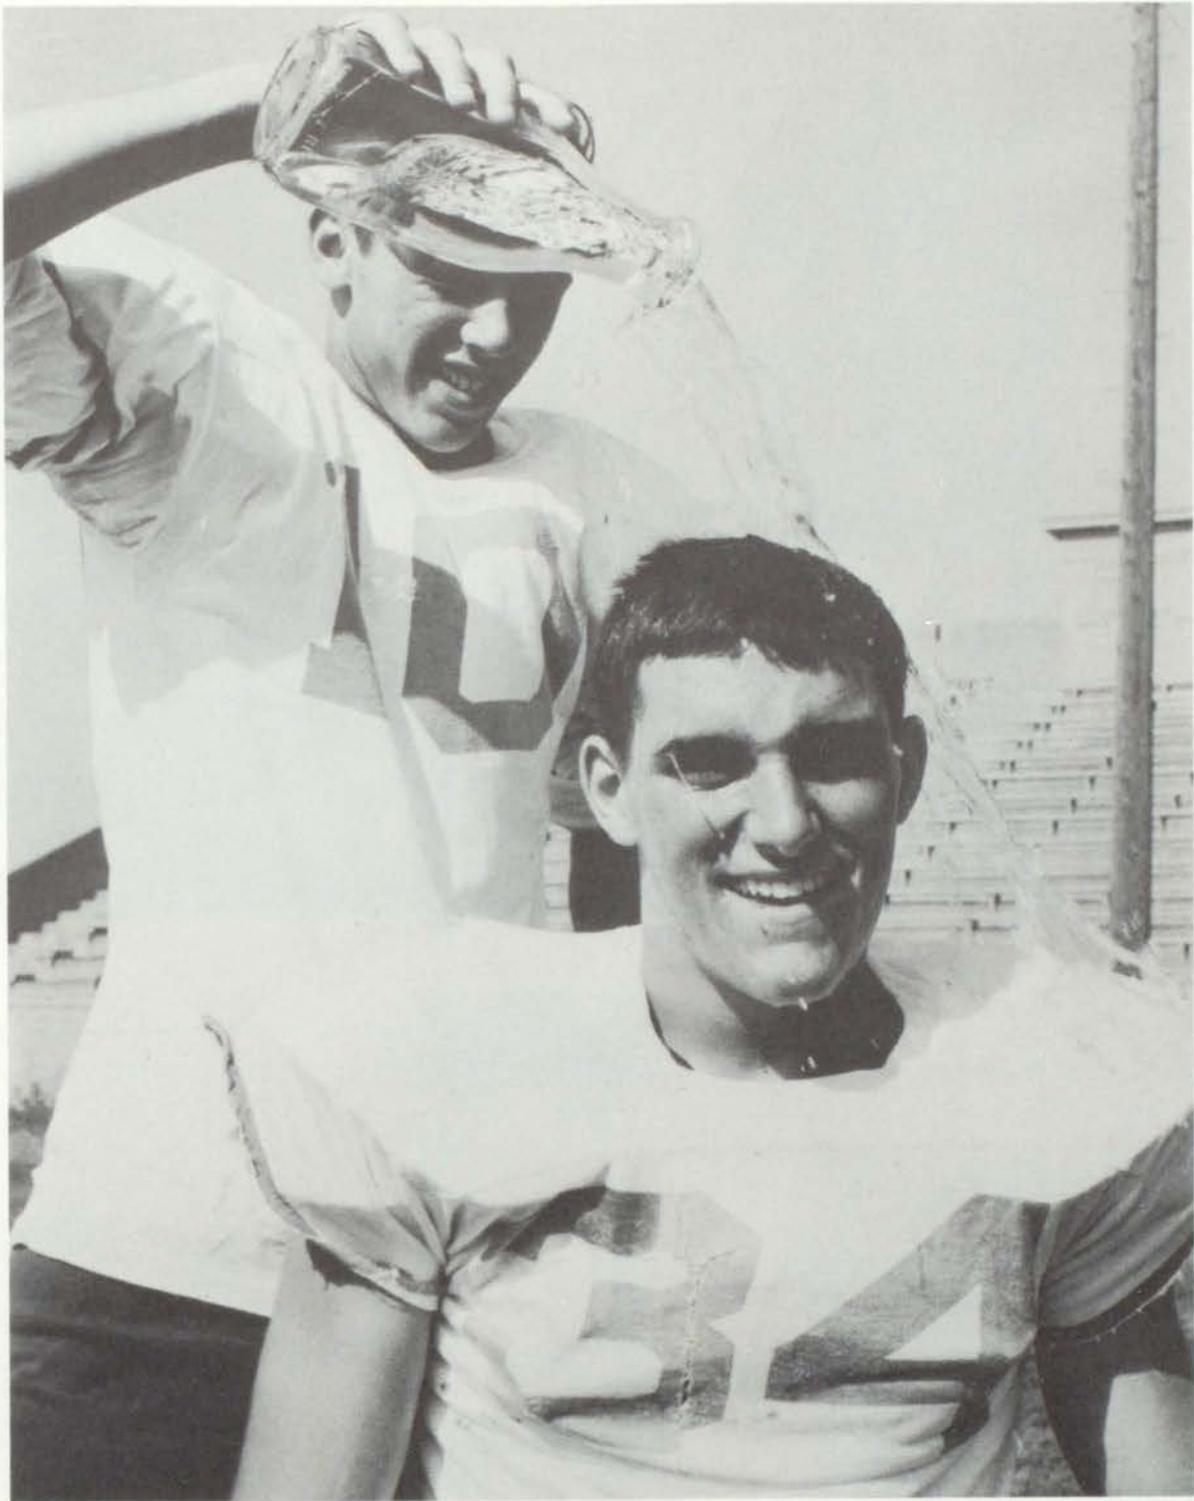

In spite of the good record our football team carried this year, one black spot appeared at Homecoming when the Manistique Emeralds ran over the Northmen with the symmetrical score of 41 to 14. Our sorrows faded, however, as radiant queen Judy slowly made her way to the throne of honor at the dance after the game. Sharing the honors was queen Judy's lovely court: Arlene Bayha, Carolyn Brown, Wanda Newberg, and Jane Wells.

## THE 1961 FOOTBALL RECORD

Petoskey	18	Boyne City	19
Petoskey	36	Cheboygan	0
Petoskey	14	Manistique	41
Petoskey	37	Newberry	7
Petoskey	37	Cadillac	20
Petoskey	44	West Branch	0
Petoskey	38	Rogers City	7

Season Record—Won 5 Lost 2

The team was prepared and ready to go this year. Full of spirit and determination and backed by weeks of physical training, we looked forward to a great year. Then calamity struck! Boyne whipped us in the season's opener, and Manistique polished us off two weeks later. The won column looked barren, and the outlook seemed bleak. Did the team give up? No! Its spirit remained undampened, and the will to win increased. With great might, and yet with apparent ease, we soundly defeated our last four opponents, becoming the "winningest" Petoskey team in a decade. It is clear why the Detroit Free Press has labeled us "THE COMEBACK TEAM OF THE NORTH".

## Junior Varsity Football

The Little Northmen have a near perfect year in football. The only mar on an otherwise perfect record was a 0-0 tie with Pellston.

Many of the sophomores will fill big holes on the varsity squad left by graduating seniors.

## Winter

With the advent of winter, the shining floors take on a comfortable, warm glow caused by the passing of many feet. The fresh paint on the walls has been dulled by the brushing of many shoulders. The once immaculate lockers are now overflowing with things of all natures. The school has assumed that "lived in" look that makes the student feel at home.

While icy winds whistle around the corners, the student seeks a quiet spot to study for semester examinations. He studies feverishly now, but not as desperately as he will in June.

School is operating on all its engines now. The students are working quite steadily, the teachers have gotten to know most of their pupils, and even the basketball team is in full swing.

Northmen Reach  
Regional Tournament

For the first time since 1953, the Petoskey Northmen Basketball Team qualified to play in the Regional Tournaments. This feat was accomplished by defeating the Cheboygan Chiefs by a score of 50 - 49, and the Alpena Catholic Central Wildcats 48 - 44.

Although the Northmen were defeated by Ludington in the first game of the Regional Tournament at Central Michigan University, the Northmen's huge delegation of fans were very happy with their team's showing.

The class of '64 has created wonderful memories for themselves, memories that they will never forget. This year the Sophomores were able to join more organizations. For example: Tri-HI-Y, HI-Y, Concert Band, and Choir. With this privilege came new responsibilities and new ideas. Along with the challenge of new clubs and organizations came the challenge of new classes to inspire the thinking of each individual.

Yes, even though this year has been busy, it is one we will always cherish in our memories.

This lively and hardworking class is looking forward with much enthusiasm to being seniors.

The officers of the junior class are President, Jerry Hand; Vice President, Sharon Buckmaster; and Secretary-Treasurer, LaVaun Hewitt.

The Juniors' play "The Many Loves of Dobie Gillis" was a hilarious success. Also their honoring of the senior class at the Junior-Senior Banquet and their presentation of the J-Hop was accepted most graciously by the seniors.

## Spring

A new sun is shining; a fresh breeze is blowing; and small flowers are beginning to uncurl. It is the month for proms and happy afternoons at the track and the tennis courts. A strange lightheadness carries the student far from his classroom. The teacher smiles and kindly brings him back, wishing she could be outdoors, too. Sunlight filters into each classroom, making it bright and inviting. Every window is thrown open to trap the many sweet breezes. Spring is truly a time of joy and happiness. Yet while spring fever rages in the student's heart, a greater desire to end the year successfully rules his activities. Here in a season of beauty, there comes a need for seriousness. The student trains himself to ignore the distractions of spring, and finishes the year with confidence and satisfaction.

Dave McCarthy  
Vice-President

Frank McGeath  
President

Ed White  
Secretary-Treasurer

Our years at P.H.S. have been filled with many activities and experiences which will fondly be remembered by each one of us. As freshmen we attended to choosing our class officers: Frank McGeath, President; Ed White, Vice-President; Doug Treloar, Secretary-treasurer.

The following year, as sophomores, we found ourselves eagerly looking forward to graduation. We realized, too, that there would be difficulties and disappointments as well as joys and encouragements in our assent to such an esteemed goal. For this year we chose as officers: Tom Sutherland, President; Ed White, Vice-President; Dave McCarthy, Secretary-treasurer.

As juniors we noticed with awe and wonder that we were now three-fourths of our way toward our goal. Our officers were: Frank McGeath, President; Ed White, Vice-President; Doug Treloar, Secretary-treasurer. This year held many and varied activities. First came our junior play, "The Egg and I." A smashing success, it offered students the opportunity to use their talents and to work and co-operate with each other. No sooner had we recovered from the play when came along the J-Hop for which we used the "Evening In Paris" theme. Next came the Junior-Senior Banquet which the juniors present as a token of respect to the class above them.

Almost before we realized it, we found ourselves Seniors. At last our goal was right before us. But yet, as the year progressed, a feeling of nostalgia and unwillingness to leave this familiar "second home" swept over each of us. The officers who lead us through this, our last year, were: Frank McGeath, President; Dave McCarthy, Vice-President; and Ed White, Secretary-treasurer. Our senior play, "Red House Mystery" was a thriller and a success. The juniors honored us at the annual Junior-Senior Banquet and the traditional J-Hop. The senior trip to Mackinac Island was especially delightful to all. As the year came to a close with Baccalaureate and Commencement and as we received our long-awaited diplomas we knew this was the end of a worthy and successful four years. But as each of us goes our separate ways we shall always hold many fond memories of the experiences we shared and the fruition of a warm and wonderful fellowship.

Mats Aberg, our exchange student, plans to become a language teacher, a journalist, or a musician. Mat's hobbies include travel, dance-band, sports, and stamps.

Kirsten Aho will always be a favorite of the class of '62. Her most cherished honor was being elected to National Honor Society.

*Best of luck to the best advisor in P.H.S. Kirsten*

In 1961-62 the Petoskey High School Concert Band received a straight I rating at the district festival. This feat continues the tradition set by former bands. A I rating goes to the most skillful bands for their excellent concert performances. We would like to thank the band for the many honors they have given our school and community. Our appreciation goes to the director, Max Smith; Without him it could not have been done.

# Track

The Northmen track squad of 1962 look forward with enthusiasm to the coming of spring. With its coming the agony of training begins in earnest. An ambitious schedule looms up with two dual meets, 2 triangular meets, the Central Michigan Relays, the Huron Straits Conference Relays, our own Petoskey relays and finally the State tournaments.

Coach Splan has several returning lettermen which should give depth and strength to the squad. The nucleus of the squad include such familiar names as McGeath, White, Brecheisem, Hickman, J. Hand, Bare, Crosser, Garret, and Kinert.

Our best wishes for a most successful season.

# Farewell

With the summer, comes the end of the school year. In a blaze of final exams, final grades, graduation exercises, and yearbook signings, suddenly the year is gone. As each class leaves the school building they are able to look beyond the summer vacation to the exciting challenges of the next school year. The graduated seniors leave with mixed emotions; jubilant to be out on their own, yet somehow strangely attached to their memories of high school. To reflect back over the past nine months brings many vivid memories—some serene, some sad, some happy, and still some quite frustrating. Whatever your memories and whatever your feelings, we hope that you have had a successful year and that you, the student, feel just a little bit wiser than you did in the cool fall weeks of last September.
