PETOSEGAN

Peteosegan 1965

Each senior has read 90 books, climbed 1,560,000 stairs, opened his locker 7,980 times, attended classes 6,840 hours, eaten 1,140 cafeteria lunches, and attended 48 football games. Our Unity faded, June 10, 1965. Our Spirit shall prevail in memory.

Superintendent Warren Luttmann

PETOSKEY SCHOOL BOARD: Left to right, Dr. R. E. Todd, Dr. Calvin Kiffer, Mr. A. J. Christopherson, Mr. Warren Luttmann, Mrs. Martha Drake, and Mr. Robert Starmer.

SEATED, Mr. Oliver Aho, Principal; Mr. Dale McAlvey, Guidance Director. STANDING, Mr. Earl Lawrence, Assistant Principal; Mr. Clifford Buckmaster, Vocational Director.

Plan Petoskey's New Schools

When planning new school buildings, many long hours are spent in discussion of materials, costs, and preferences. Where is the best location for the library, biology lab, and vocational wing? What kind of desks should be used? Should a window go here? These questions may imply quick decisions; but, on the contrary, tedious study of drawings and proposed changes expand the work day into a work night.

High Honors

Danny's a little camera shy!

Initiation of Junior Members

The Constitution of the National Honor Society recognizes four basic standards upon which the candidates are to be considered for election--SCHOLARSHIP, LEADERSHIP, CHARACTER, and SERVICE.

Members are chosen from the Junior and Senior classes. Qualifications require that a student must be in the upper quarter of his class scholastically, with five per cent of the Junior and ten per cent of the Senior classes being admitted. Members are elected by a combined vote of the faculty and present society members.

The Student Council consists of elected representatives from each advisory, the presidents from each class, and Mr. Aho as the advisor. Its main purpose is to discuss the problems of the student body and ways to improve the school as a whole.

This year the main project was the purchase of the mats for the ends of the gym. At the left, Mike Winnell, the President, is standing with pride (and a little embarrassment) in front of the mats that were purchased.

Another important project this year was the discussion of school spirit. From this discussion a committee of Student Council members was developed. With the help of various teachers the committee is trying to produce a handbook with everything from school cheers to school rules.

Below, Student Council is discussing one of its projects at a meeting in the auditorium.

The staff meets for a workshop every Tuesday to work on the paper and to learn journalism in general. A big project of the Hi-Lighters, the Sadie Hawkins Dance, is put on every November and has always been a big success.

This year the Hi-Light has added a special Junior High section. The Junior High staff is pictured at the left, and the Senior High staff is pictured above.

Workers for Better Family Living

Future Homemakers of America is the national organization of girls studying homemaking in high schools of the United States, Puerto Rico, and the Virgin Islands.

As an intergral part of the homemaking program, F.H.A. provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking.

The over-all goal of the organization is to help individuals improve personal, family, and community living, now and in the future.

The motto is "Toward New Horizons." This motto is a challenge. It reminds members that their contributions to home life today will influence the kinds of homes they have tomorrow; that the family life of members will influence the community and the world.

The Choir H. M. S.

The Choir is composed of mixed voices and represents the highest goal for music students. It meets three times per week with emphasis on vocal techniques which help in producing a good balance in tone. The Choir gives concerts, assemblies, operettas, and participates in festivals. These activities help to give the group a variety of experiences. The Choir also performs at the Graduation Week exercises.

Our Concert Band

The Petoskey High School Concert Band is very active during the school year. During football season, the band plays and marches during the halftime of each home game. At the District Festival held at Petoskey this year, the band received a 1 excellent rating which entitled it to attend the State Festival or to take a trip. The band also gave a successful concert this March. Another important event during the school year is attending of the mass band concert hosted by different bands every year. When the school year closes, the Concert Band looks back upon a full and profitable year.

Coach Rowan Brings New Spirit

This year's football squad was one of the most dedicated athletic squads it has been my pleasure to work with. They started out to bring back some of the past glory that had been associated with the "Northmen" name and they didn't quit until this was achieved. With a fine group of Juniors and Sophomores stepping in to fill many gaps left by graduating seniors we hope to keep the winning tradition alive.

Come Men Jonny-Ja-Ja Ziggy, Ziggy, Ziggy!

Our 1964-1965 basketball record will never show the sacrifices or the obstacles this team was asked to make or overcome. It would be grand if all the lessons of life could be learned through only happy experiences, but this was not the case for us. Whenever I write or talk of our 1964-1965 basketball team, it will always be with deep admiration and respect. Our banner is ragged from conflict, but the spirit that supported it never let it down. This was truly a group of "Fighting Northmen" in every sense of the word.
