On March 13th, the PHS Northmen traveled to the Regionals in Mt. Pleasant and nine enthusiastic busloads of students accompanied them. The trip was a highlight of many of the wonderful memories we'll have of our senior year.

We pay tribute to the memory of Ron Olson, a member of our class who passed away in the summer of 1967.

Though a bright and promising future awaits us, we members of the Class of 1968 regret leaving the school we have become so devoted to. Memories of four wonderful years are the only remaining source of unity we have left.

We shall never forget our event-filled Junior Year. First came the Junior Play as we combined "The Hot Line" and "The Lottery". Then our Junior-Senior Banquet at the Bay View Inn was a delightful success. Remember the slides and "life stories" of a few very surprised seniors? The Prom was the hi-light of our Junior Year activities. We chose "Camelot" as the theme and transformed Boyne Highlands into a castle right out of the days of King Arthur. No one could have asked for a more lovely or original setting.

Soon our Senior Year was upon us and though it may have seemed to pass slowly at times, we feel it went much too quickly now, as we look back. Everything seemed to be better than previous years at PHS. The athletic victories of our Northmen is something we shall never forget. Queen Susan and her court were so lovely as our Homecoming royalty. We spent many long and hectic hours working on our float. It was all worth the combined effort because we not only accomplished something to be proud of, but we did it as a class and had fun at the same time.

The girls' slumber party in the gym may have set a new tradition among future senior classes. Fortunately, all the pictures were taken before the short slumber time and not the next morning!

Our Senior Play could hardly have been more successful as the very best acting talent of our class, combined with the efforts of many "behind-the-scenes workers", presented "The Diary of Anne Frank."

The Juniors honored us at a well-attended Junior-Senior Banquet, but the event that will stand out most is their beautiful Prom at Boyne Mountain.

Our Senior Trip to Mackinaw Island on May 31, was a great way to spend the last regular school day. Most of us had a riot as we covered the island with PHS seniors.

We've left the halls and classrooms of Petoskey High but we'll never forget the good times we had there.

"It's amazing what a group of individuals can do when no one cares who gets the credit." This was Coach Rowan's reaction in reviewing this year's football season. Winning the Huron-Straits Conference Trophy was evidence of a tremendous team, outstanding coaching, and a new school spirit.

"It was truly a refreshing and gratifying experience to coach these fine young men. It is my fervent hope that the men who will take their places in the years ahead will have the same sense of loyalty and dedication to our team as these men did. Should this be the case, Petoskey will continue to be a championship contender."

Student Council

The student council consists of an elected representative from each advisory and the class presidents. The purpose of the council is to better student-faculty-administration relations and to determine the general attitudes of the student body. This is accomplished by bringing student opinions to the meetings and taking faculty and administration opinions back to the advisories. This year, student council projects consisted of getting music in the cafeteria, the Christmas dance, refreshments after school, and attending the area student council meeting at Alpena.

Peggy Scott, the hardest worker on the Pete staff and why not, she's the editor. The entire school owes a lot to her for this magnificent yearbook. On behalf of the school, we thank you, Peggy.

Pete Staff

The Pete staffs over the years have followed in the steps of the preceeding staff. This year, 1968, the Pete staff has taken a new course to a better year-book. We express our thanks to the people who have made this course available. We sincerely hope that future staffs will also add new and better ideas to the Petosegan as we have done.

Belonging to Pete staff requires the interest to create a better yearbook and the devotion of one's time and effort to work on this project. Layouts, cropping, and deadlines are part of the work involved. At times one meets frustration but it is truly a most interesting and worthwhile experience to be a member of the staff.
