This year's Northmen showed exceptional competitive spirit as they were able to find within themselves that "special something" that it takes to come out on top in close contests.

It was a pleasure for me to work with such a great group of young men who were willing to put forth hard work, sacrifice, and extra effort for a common cause.

We had one of the greatest teams in PHS history this year because of the quality of the men leading. We had great quality in our five seniors. These men were the leaders in every single drill we did in practice. This desire spread and influenced the entire school as the year passed.

I think the greatest tribute that can be paid this team is that they were respected as players and gentlemen by others they played.

BACK ROW: Bob Sussman, Coach Milner, and Dennis McGeath. FRONT ROW: Jeff Knight and Dick Oelke.

The Tennis team had a successful season this year with a 7 win and 4 loss record, the best in some years. After losing the first three matches to Alpena High, Traverse City, and Cadillac, the netters got on the winning track by defeating East Jordan for the first time in many years and went on to win seven of their last eight matches. In the class B Regional tournament at Mt. Pleasant we finished fifth in a field of ten teams.

With only one graduating senior on the team, next year's record should be even better.

Wrestling this year began more or less as an introductory activity, but due to the interest and enthusiasm of the boys, wrestling developed into an exciting sport. This coming year wrestling will be a Varsity Letter Award sport, and possibly a League sport.

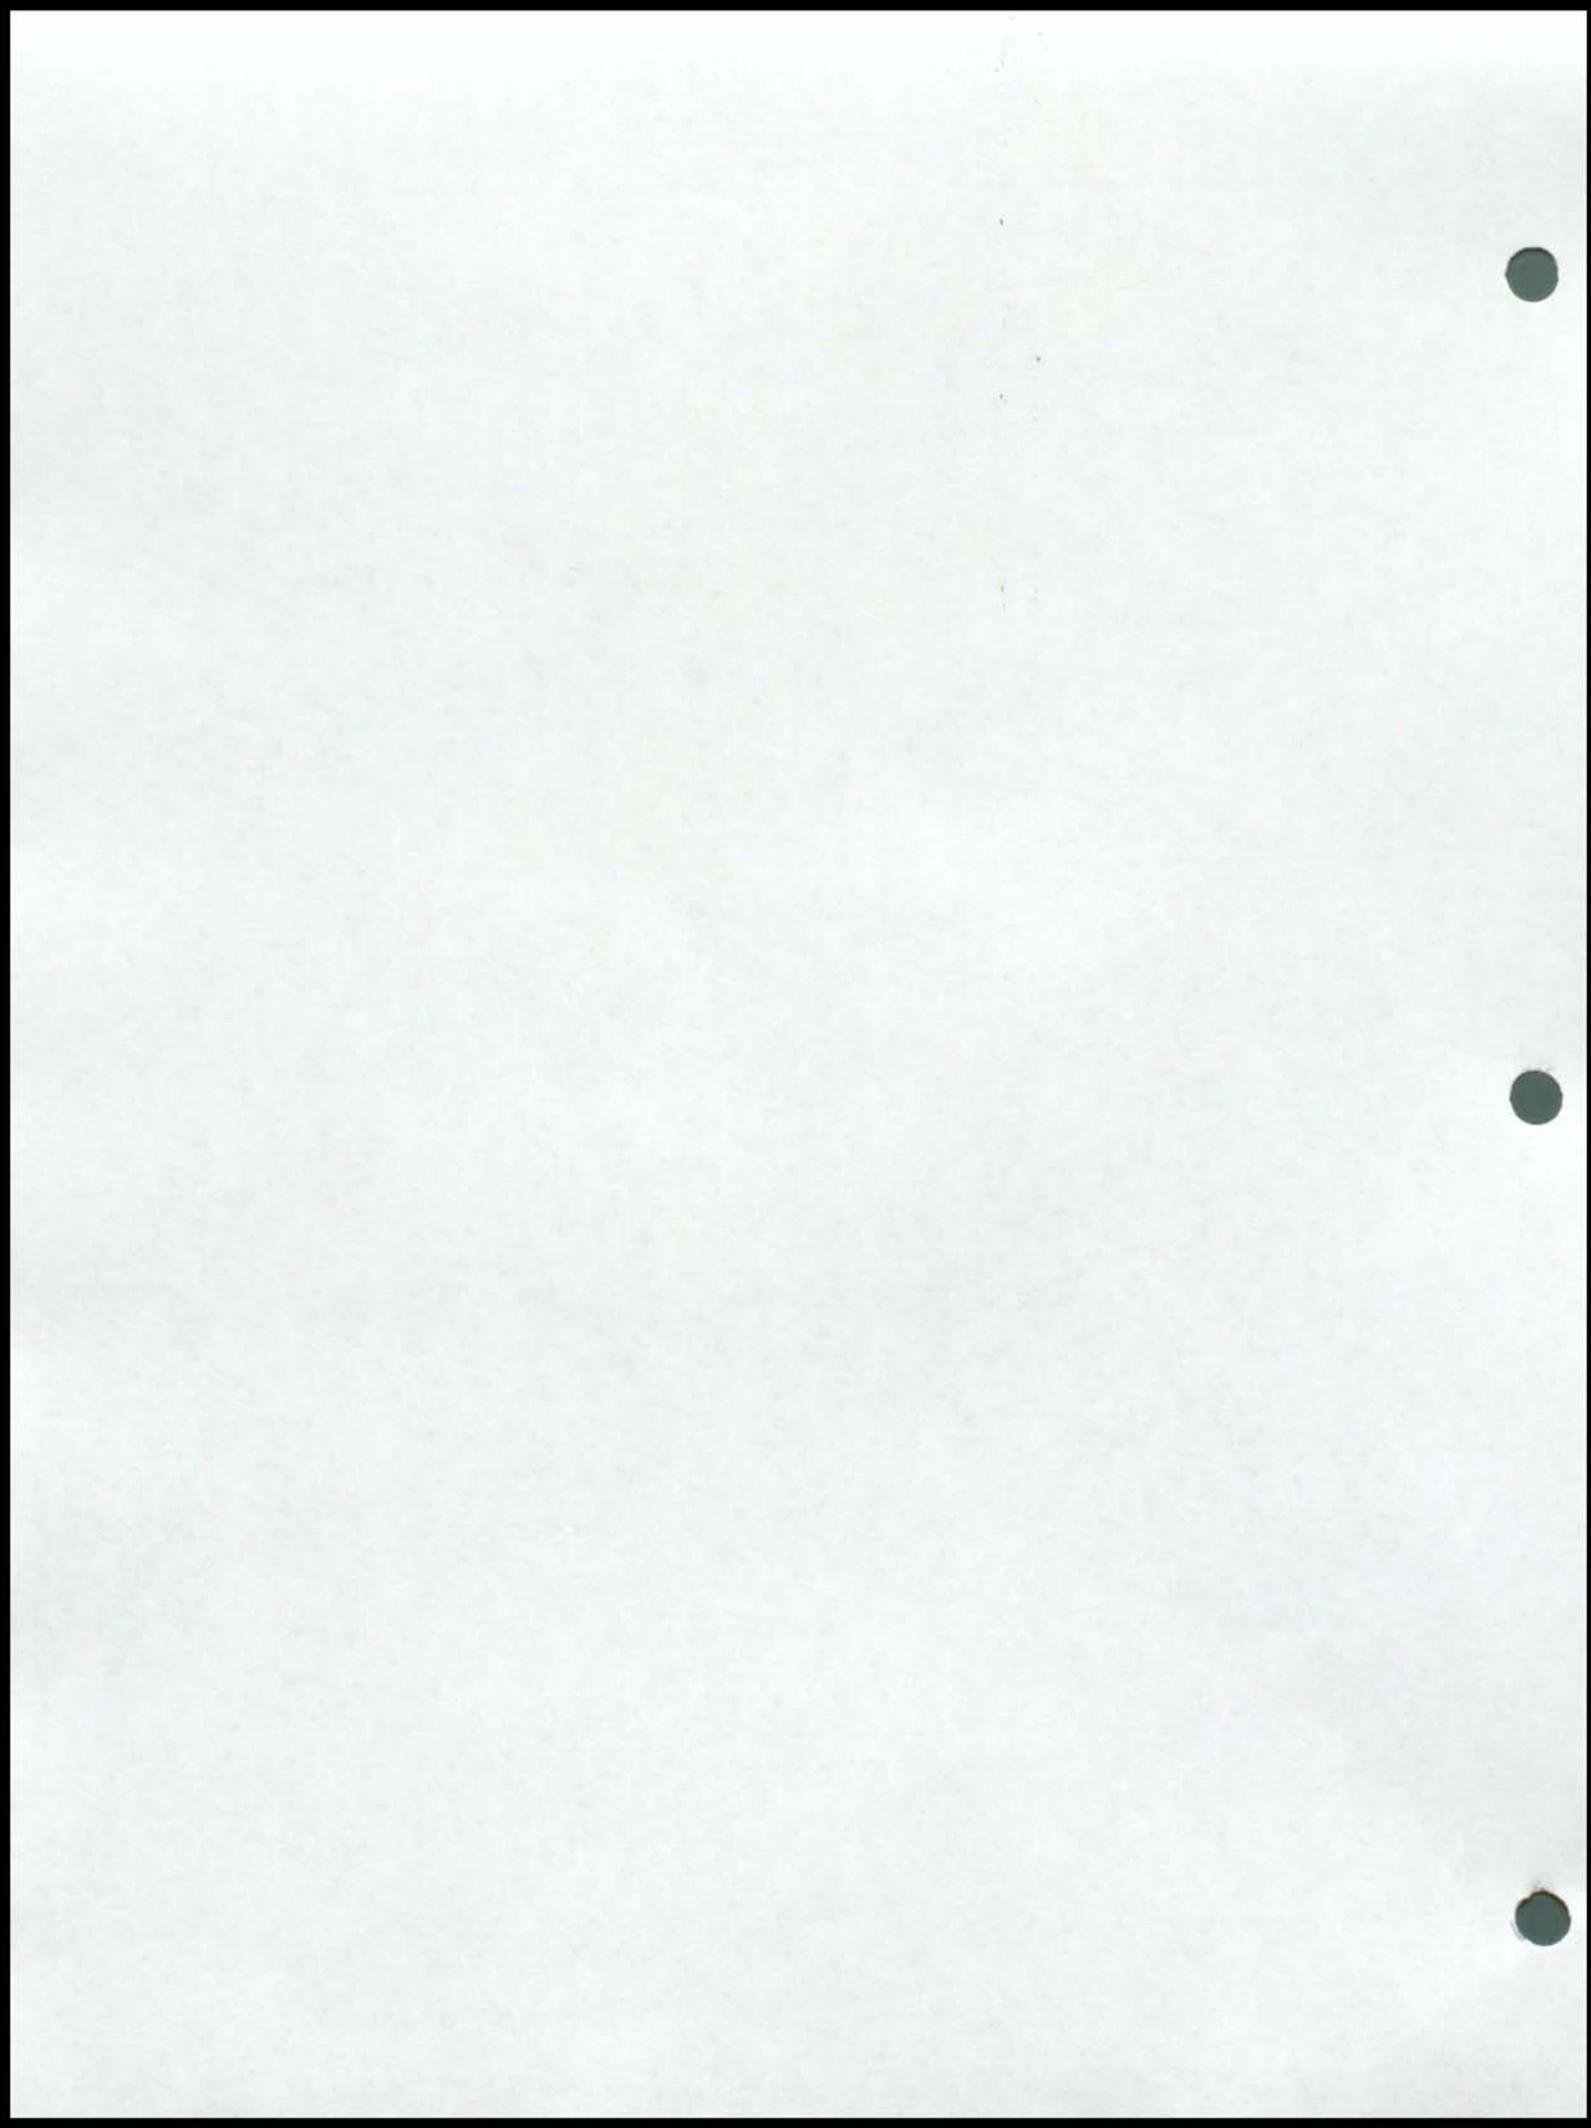

This year's season began with a loss to Manistee High's experienced Varsity, but the lessons we learned there helped us to win the next three matches with Rudyard and Gaylor (twice). The season ended with a runner-up place to Alpena in the Alpena Invitational tournament.

Wrestling is the fastest growing sport in High School today and is a tremendous spectator sport. Petoskey and their matmen will do their best to make this coming season an exciting and enjoyable one for you.
