We'd like to thank the cafeteria cooks who prepare their usual delicious lunches. The students are always anxious to be the very first in line to whet their appetites.

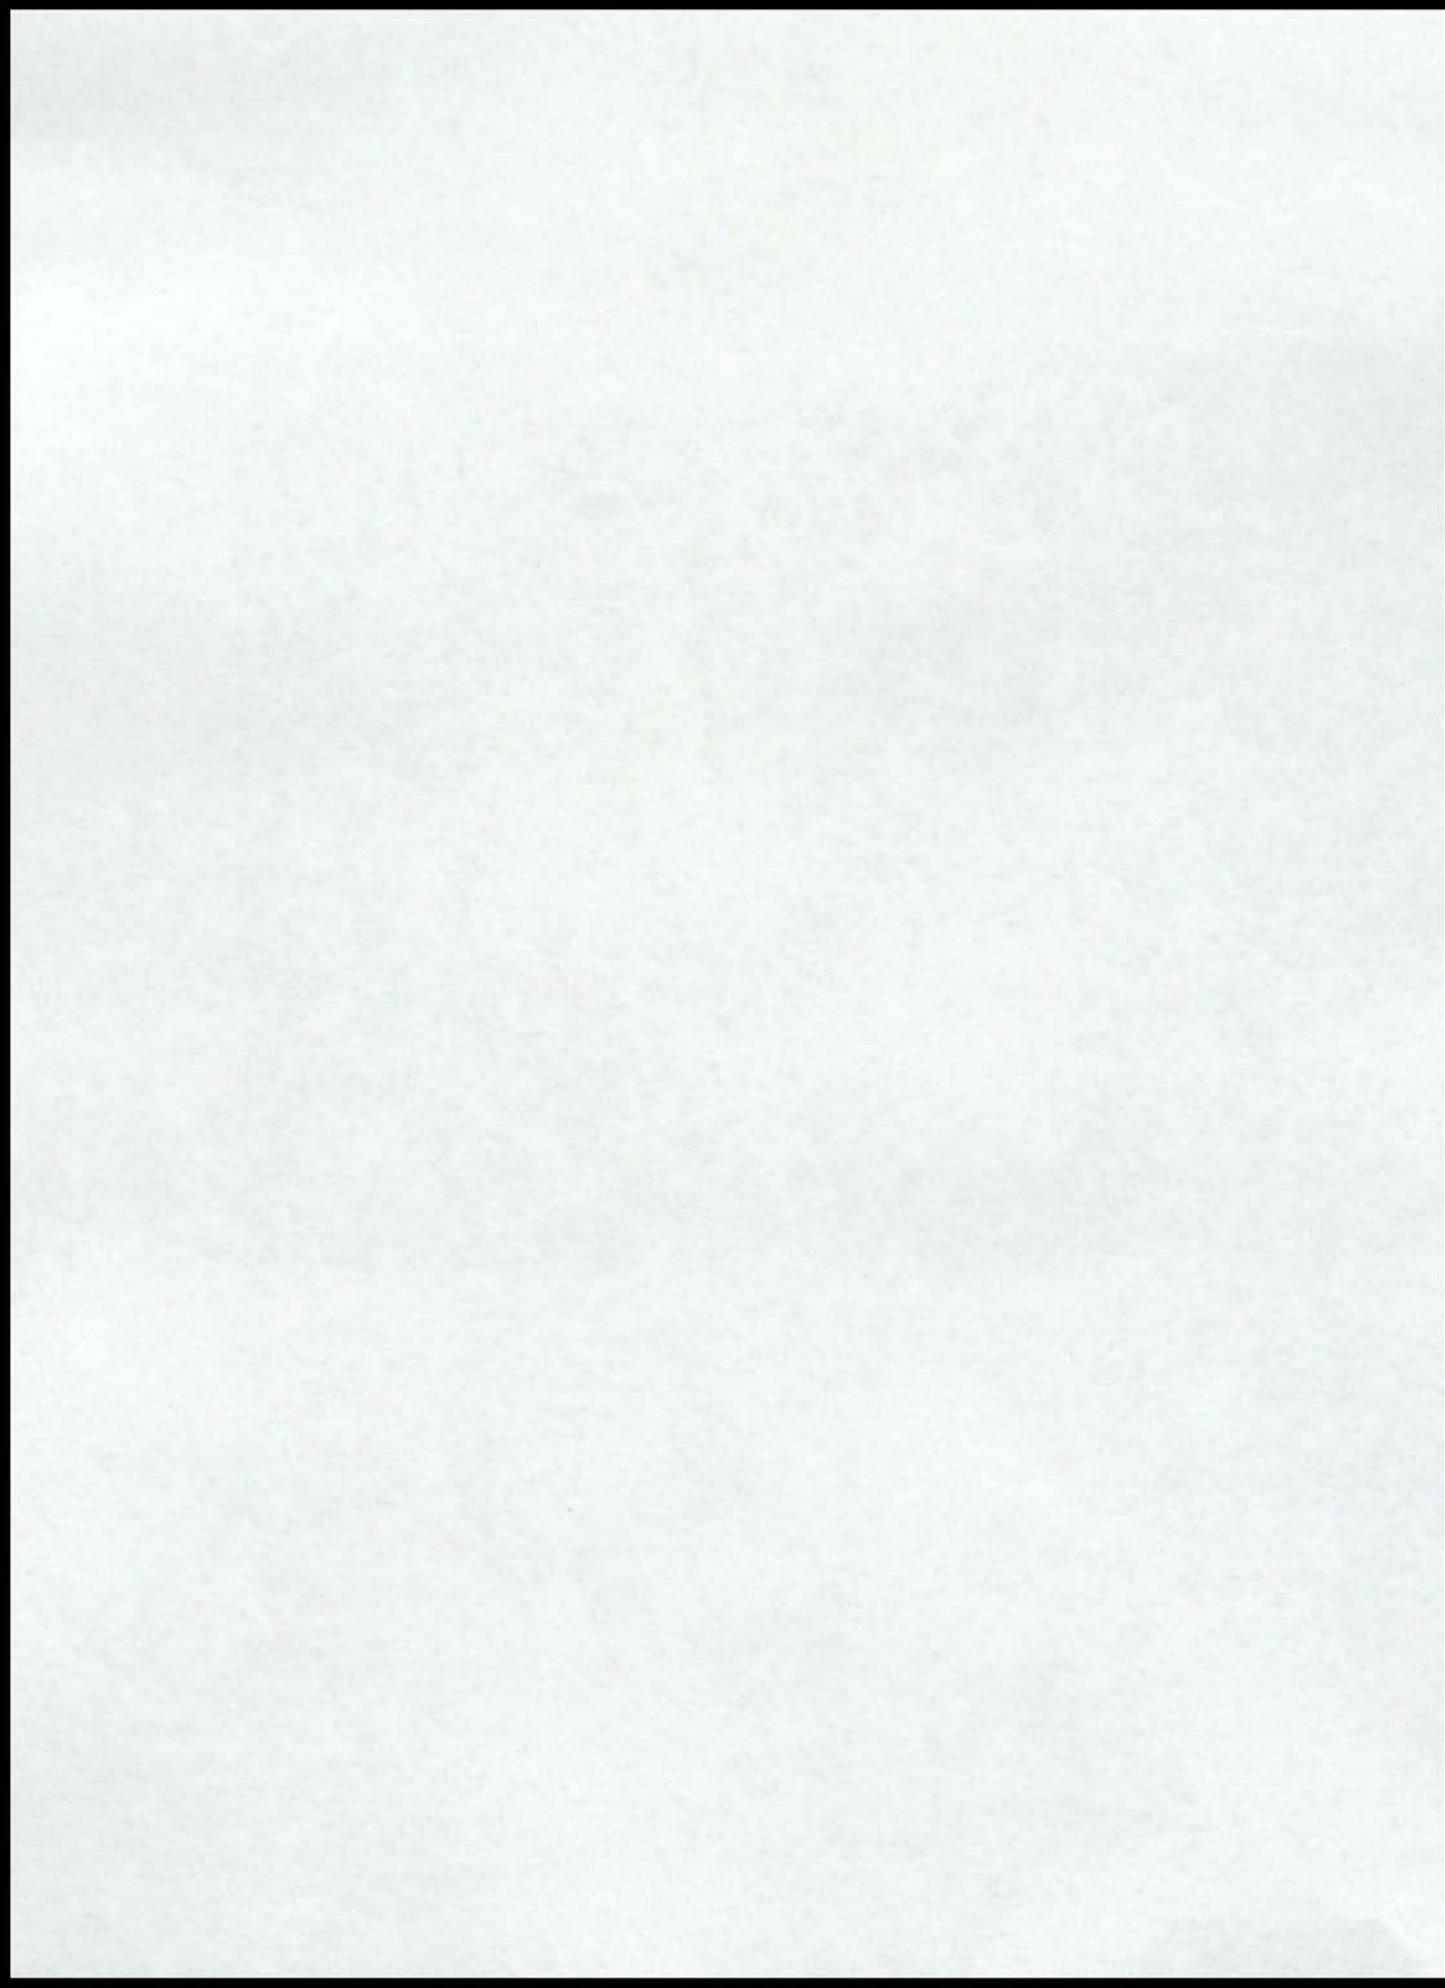

Our custodians have made our school year pleasant and comfortable by their faithful service. We are thankful for their efforts in keeping our school neat and clean.

This years team of fighting Northmen finished the season in third place behing St. Ignace and Charlevoix. They ended with a 11-6 record. They also set a new Huron Shores Conference record by allowing only 43 points per game. This years team of 15 had four seniors on it leaving 11 returning players for next years team. The Northmen also had two of its members selected to the All Conference team. They are senior Gary Urman and junior Mike Davies. With all the returning players and the boys coming up from the Junior Varsity nexts years team should be even better.
