

NORTHMEN '74

. . . Reach out,
Search,
Look to the world about
and within you,

Search,
Explore,
As one new in a new
and everchanging land,

Explore,
Discover,
Be not content with what is
and strive for what will be,

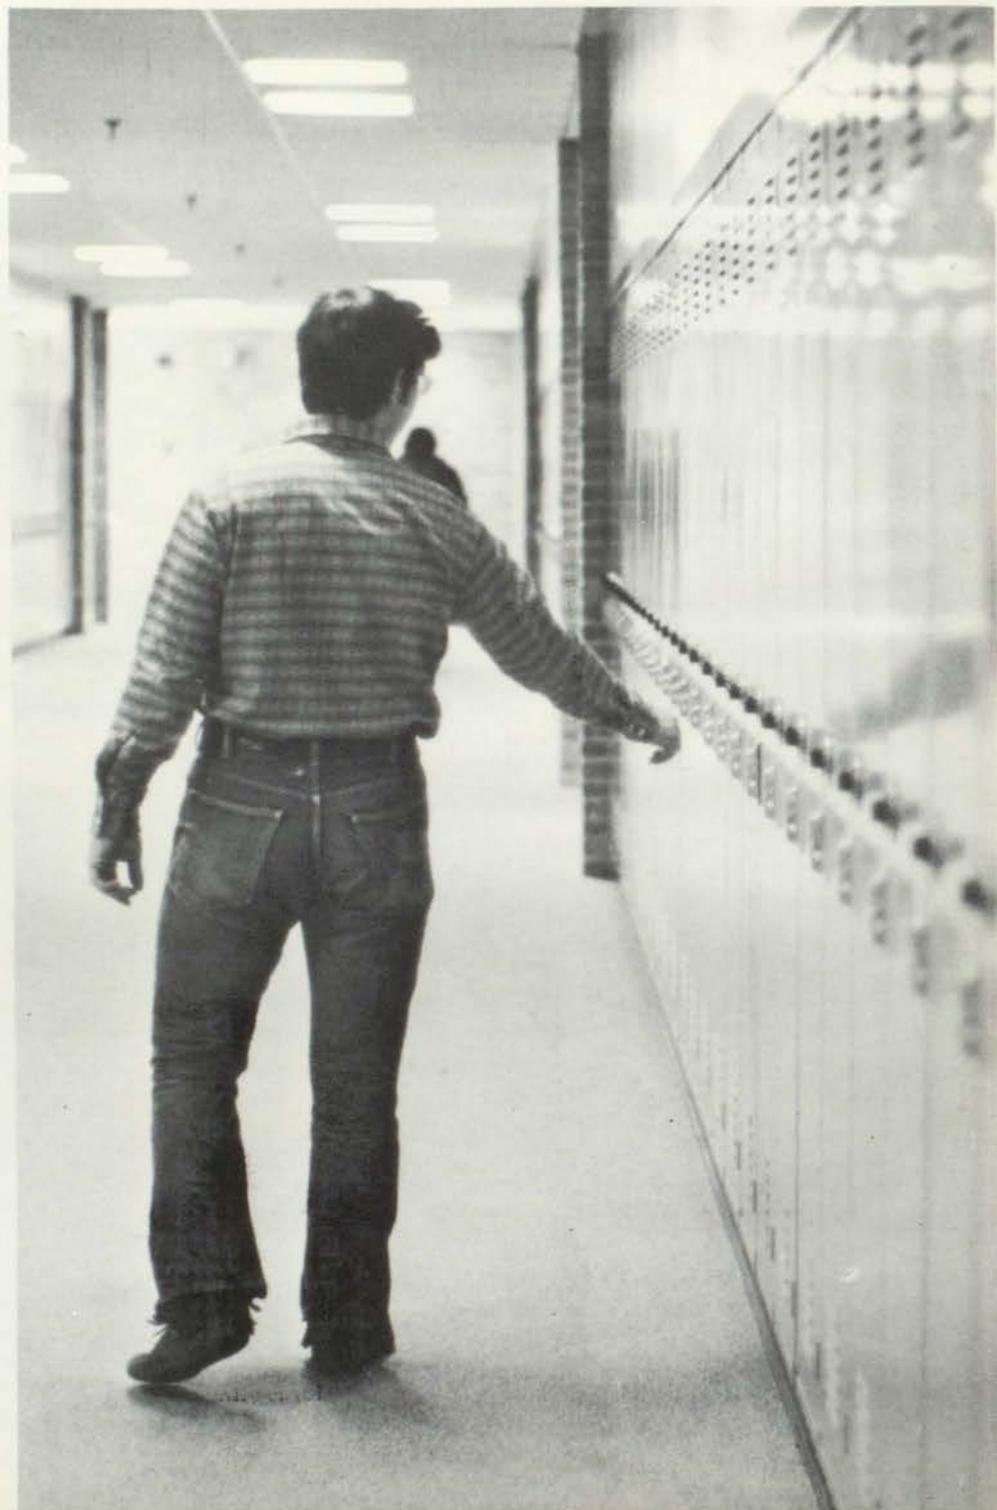

Discover,
Emerge,
Move into unison with the truth
and let the truth move you,

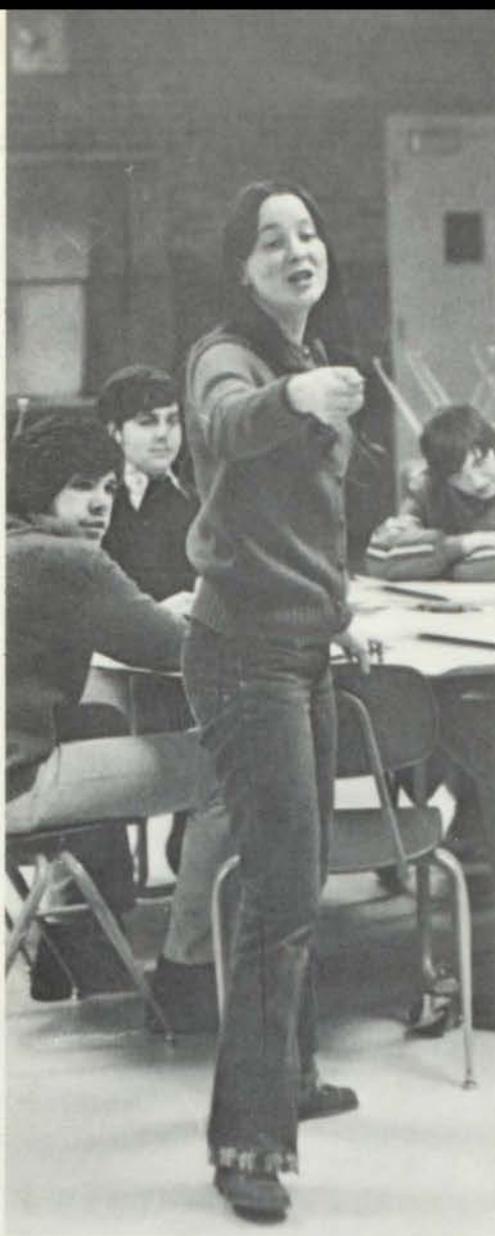

Emerge,
Reach out,
For the new
and the world will be ever new . . .

Remember,
Reach out,
One can only move on from solid footing
and memories are the foundations to build on

Reach out
from yourself
To life
To live -
If not
You survive
You exist
But -
You die

Search . . .

The roads and pathways to
travel,

The roads you have traveled,
the roads you will travel

Each strand of time

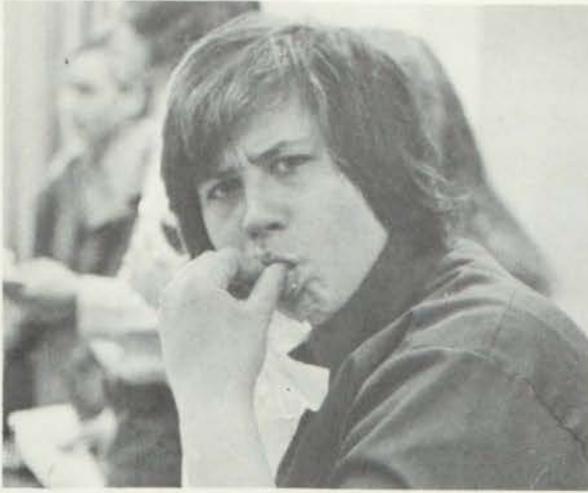

for threads of memories -
still alive.

This section of our yearbook is dedicated to the un-students of our school, the administrators, office staff, teachers, and all the other people that make this a place of learning.

For the last 5,000 years man has been compiling facts to work with, and in four years this establishment has undertaken to teach us the foundations of 90% of this accumulated wealth of knowledge, and with this we will build the foundations of tomorrow's history.

The Junior Class of P.H.S. this year is awesome. We have had (as of February 1) six dances, one concession (at the Charlevoix football game), three bake sales, one candy sale, one dinner, two button sales and a float.

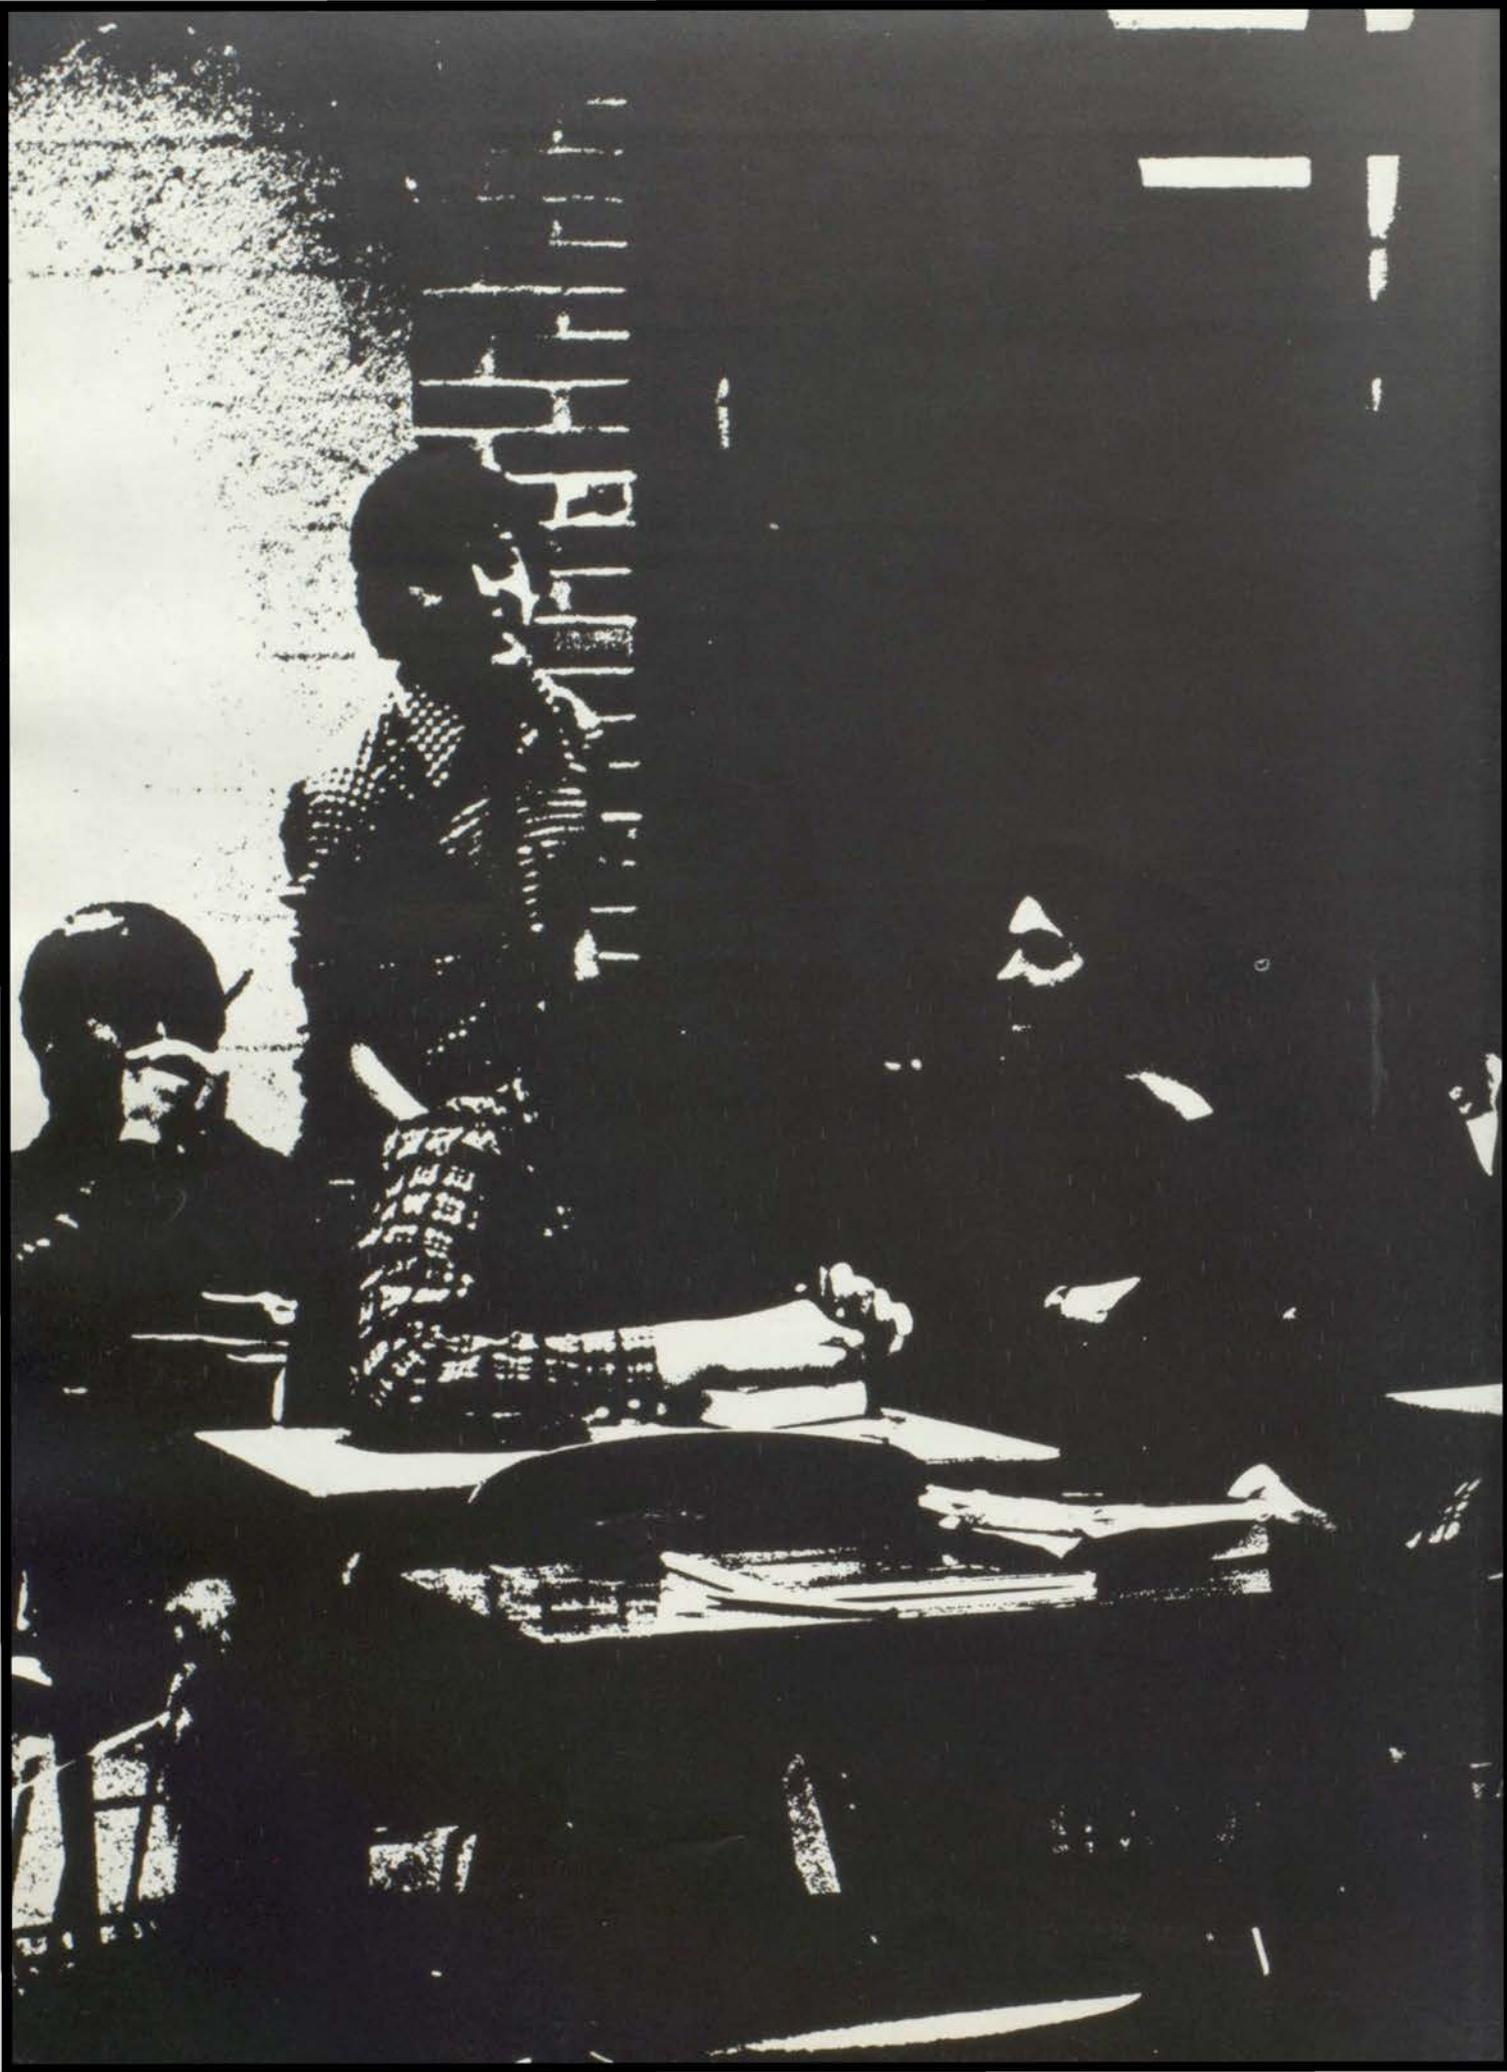

We are planning to finish this year with six more dances, a prom, a Junior and Senior banquet, three more bake sales, two more dinners, one more button sale, and a concert to finish the year off with a bang!

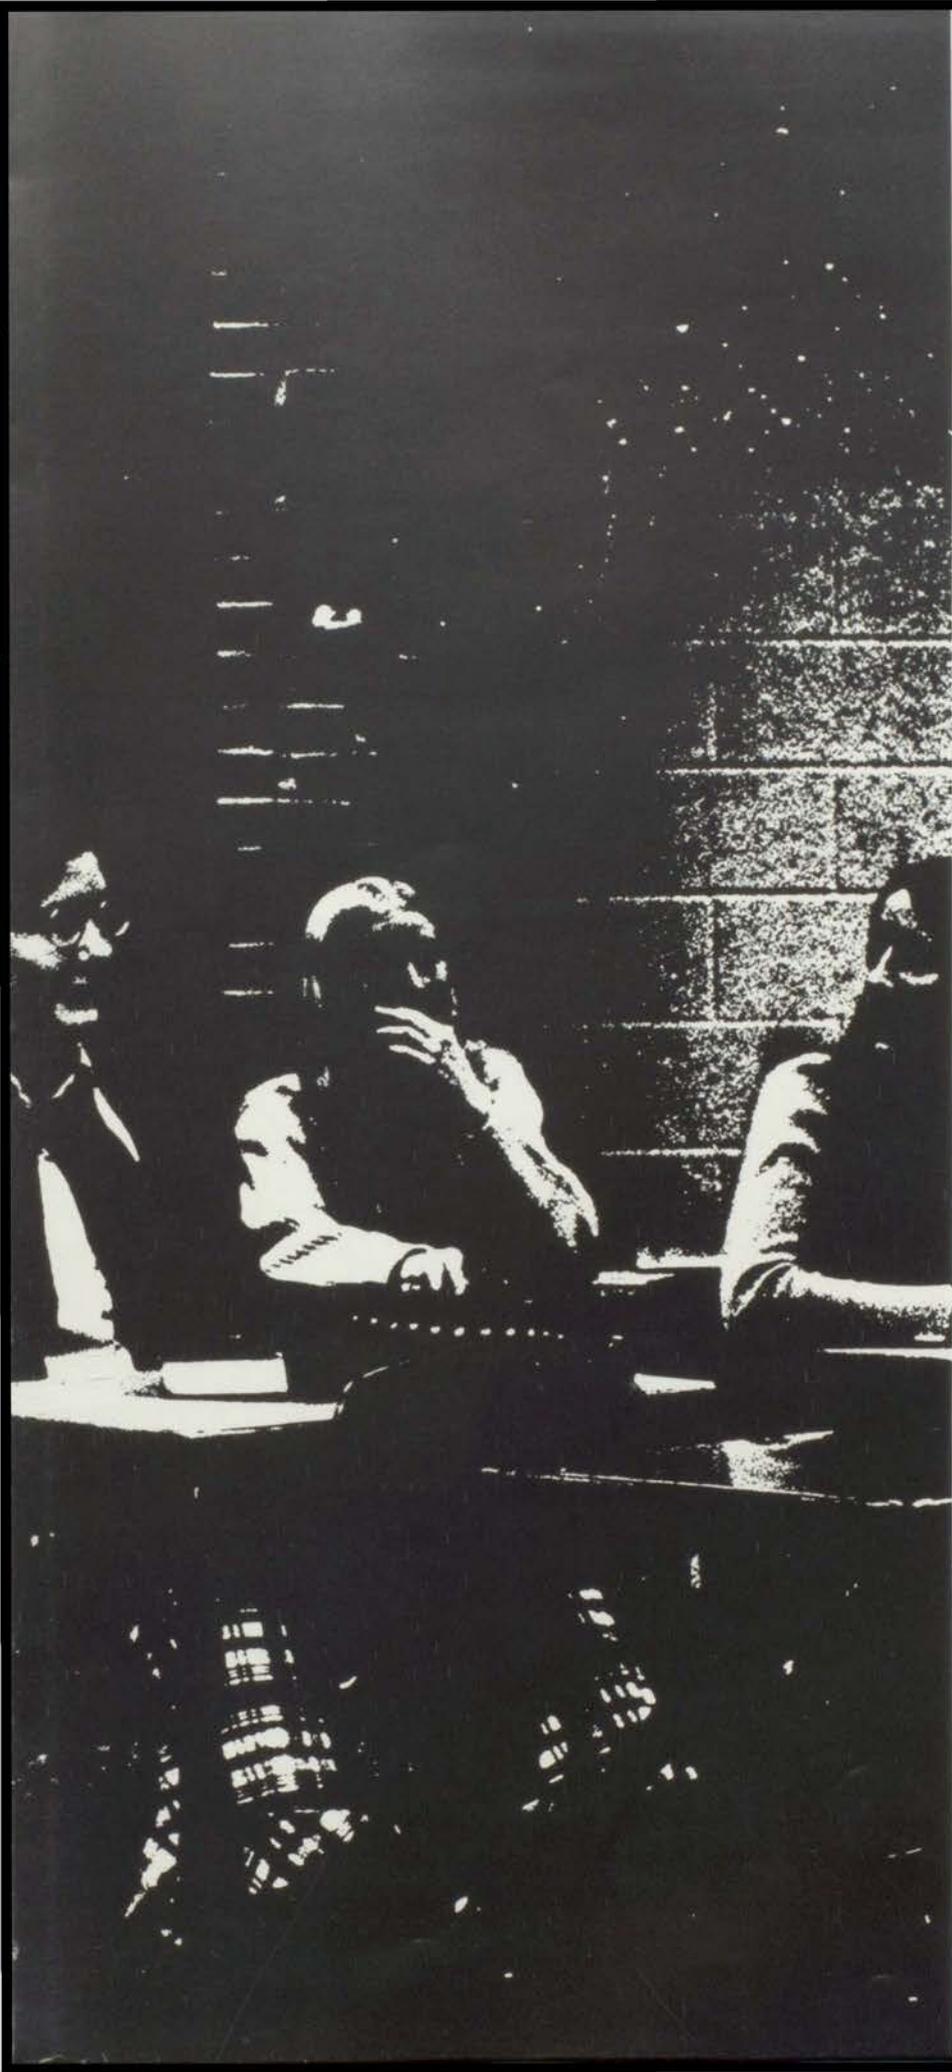

Our advisors are Mr. Patchkowski and Mr. Steffens.

We have an Action Committee of 72 members and about 25 actively attend meetings, the other 50 members are ready and willing to help out at anytime.

This just about sums up the Juniors this year. I believe that if we keep moving at the present rate, we'll have a Senior trip that can't be beat!

This year, with all it's different activities, has been an exciting year.
 One thing that really went over big with the sophomores this year was the magazine sale.
 We are glad that this year has been going so good and we hope that the following years will be too.

We the Freshmen class of 1973-1974 are proud to say we belong to Petoskey High School.

Sports were great this year. We had an undefeated football team and our basketball team had a fantastic time on the courts.

We as freshmen feel that we have been made most welcome by the upperclassmen. Thank you for a wonderful beginning!

HOMECOMING 1973

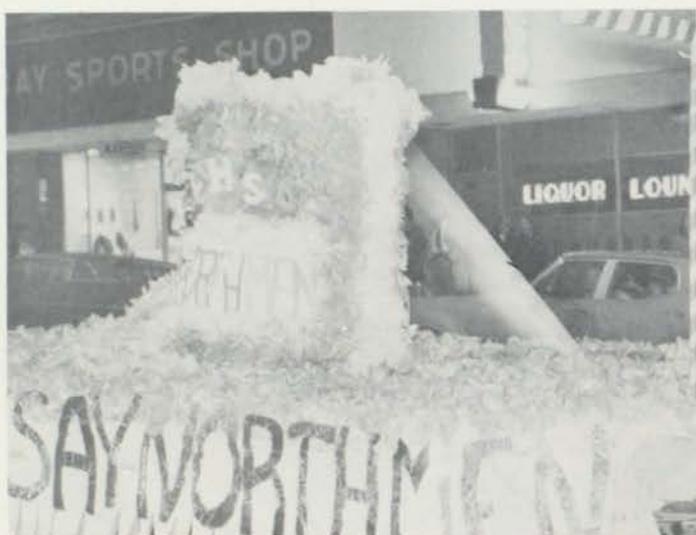

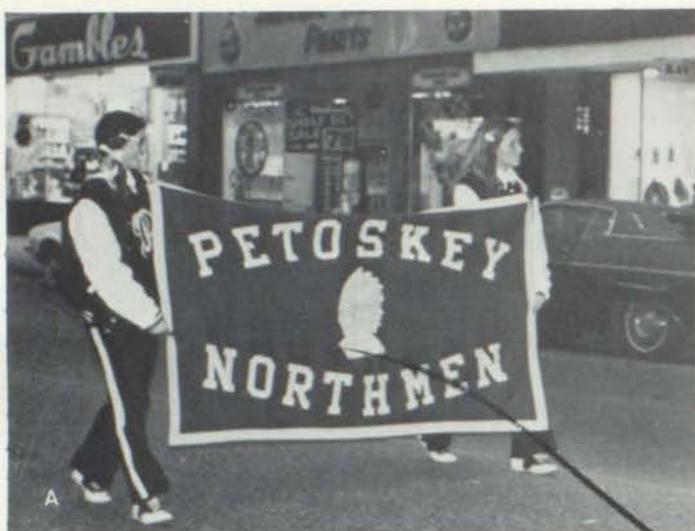

This years homecoming was fantastic, spectacular and, wild! It didn't start with the snake dance or bon-fire the night before but, when the football team started practicing at the end of August. Also remember that the floats and downtown decorations weren't done over night either.

A. Our queen, Andy Smith was crowned by the team co-captains, Dave Kalchik and John Waugh. Bet that's why the girls like homecoming the best!

A. Bet he couldn't do that again!
 B. Keep on truckin' band!
 C. Our loyal team gave a long hard fight against St. Ignace.
 D. This years queen candidates were (LEFT to RIGHT) Andy Smith, Jill Martinchek, Phyllis Cole, Carla Hughey and Lynn Williams.

A. Donna S. and Julie S. lead the homecoming parade through town,
 B. The traditional bon-fire the night before.
 C. Our true blue team in action!
 D. One of several floats that took long hard co-operative hours!
 E. The band performs before the queen and her court arrive.

A. Phyllis Cole, one of the queen candidates, B, and C. To help everyone to get in the mood for Friday night, everyone went all out for decorations.

Every event that made this years homecoming one of the best ever, was certainly well prepared. Thanks to EVERYONE who helped!!

APPRECIATION DAY FOR CONWAY SCHOOL VOLUNTEERS

On May 28, 1974 five of the seven Conway School Volunteers were treated to a day-long outing at Wilderness State Park in "appreciation" of their services. The appreciation turned out to be a water balloon fight and a dunking in Lake Michigan, but even that failed to dampen the spirits of the kids.

Joining in the fun from Petoskey High School were Dawn Mead, Nancy Miller, Jenny Smart, Don Walker, and Carol Warren.

Bruce set a new rebounding record for Petoskey and ended up being one of our better defensive people. His ability to frustrate our opponents proved to be an important factor in many games. Bruce was voted on the all-conference basketball team. "He is an outstanding jumper and became a very effective scorer for us during the last half of the season."

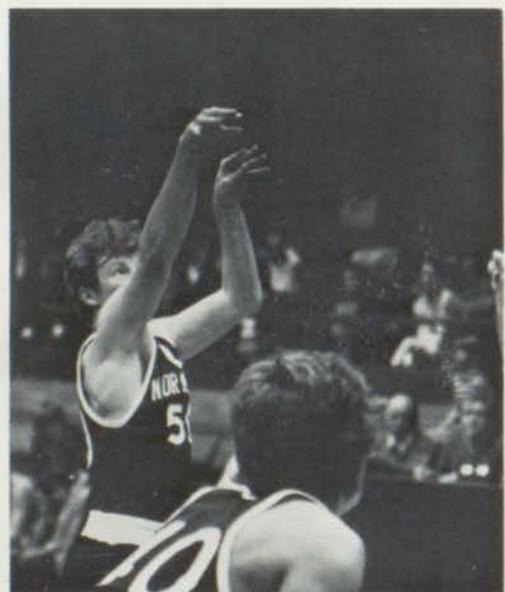

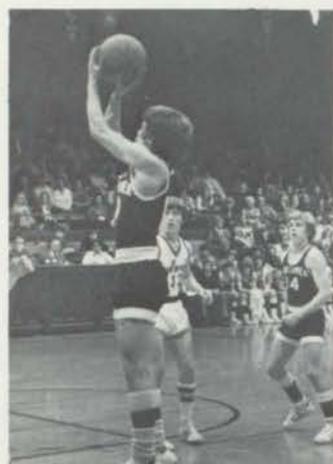

Coach Keefe

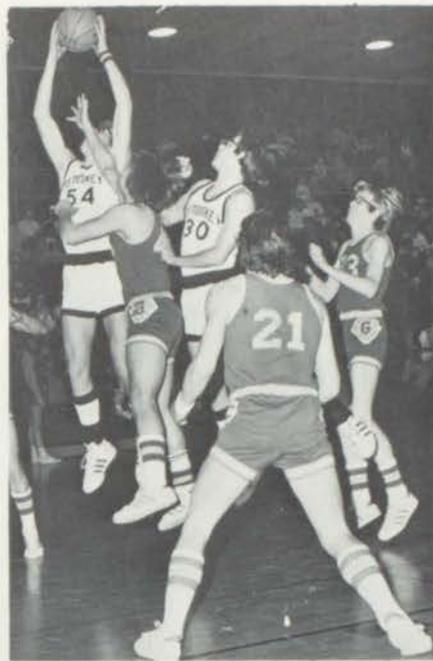

Dave can be referred to as "Mr. Competitor" because whenever he was on the court he was going as hard as he could. He is a very dedicated individual who was a leader both on and off the court. Dave was our leading scorer this year and was chosen on the all-conference basketball team. His teammates voted him as the most valuable player along with Kim Thomson. "We are really going to miss him."

Coach Keefe

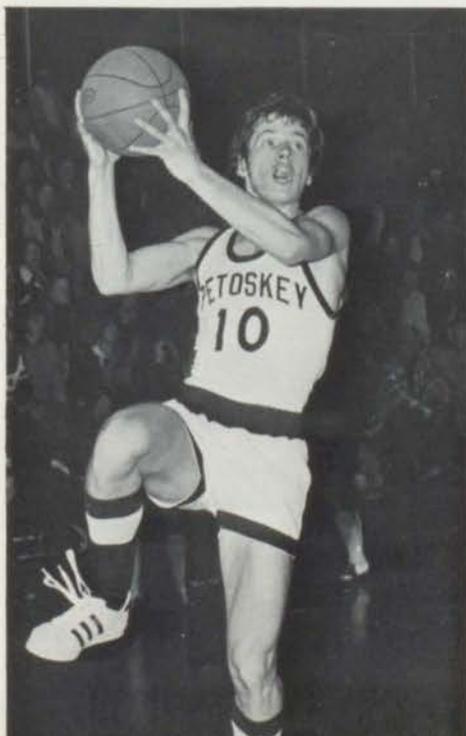

Kim is an outstanding basketball player and one that contributes 100% every minute of the game. He was our leader in assists and second leading rebounder. His determination was the difference in many of our games and make him a real pleasure to coach. Kim was chosen as most valuable player along with Dave Kalchik.

Discover yourself,
through your own eyes
Look out, instead of in.
Doing is a mere
form of telling.
Grab on to the winds
of life, but to only
let you drift upon
Their seas of adventure.

Emerge
Out from yourself
Away from your mind
To realize
There are others who
Need you and you
Need them.

Thanks to all the advertisers and patrons who made the publication of this book possible.

A special thanks to the Petoskey News Review who supplied us with many of the pictures in this book, without their help many of the outstanding events and activities of the year would not have been represented in this book.

Handwritten text, possibly a title or header, located at the top left of the page. The text is faint and difficult to read.
