

# NORTHMEN 75

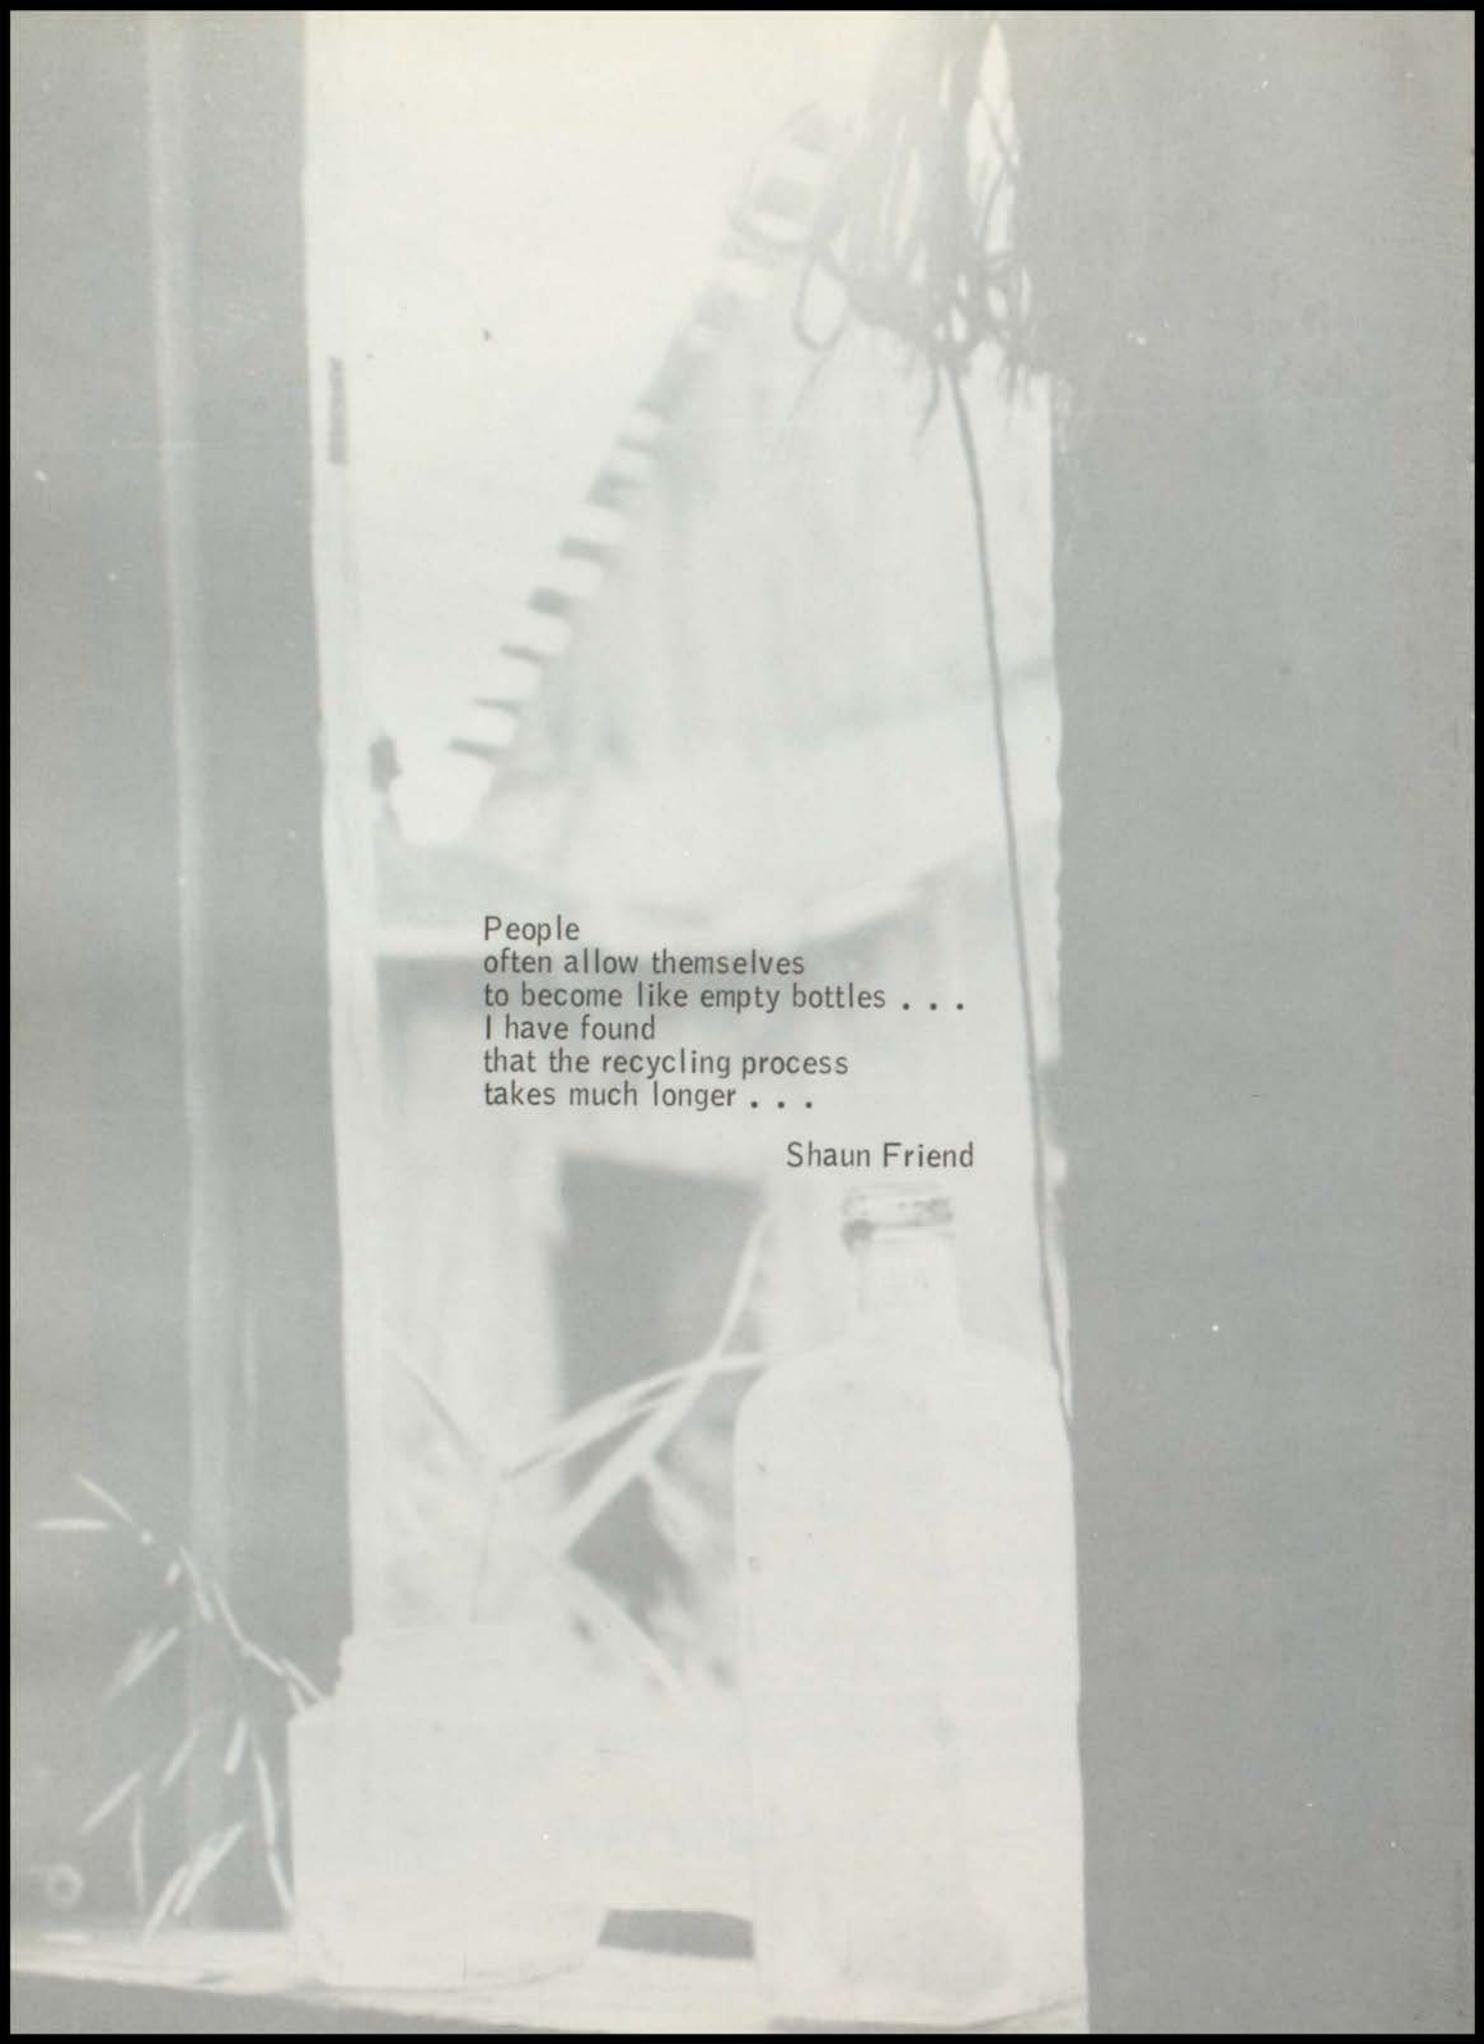

We would like to dedicate this yearbook to Mr. Gig Stewart. He has been our head librarian and chief audio visual specialist. This is his technical name. This title doesn't really do Gig justice. The work he does extends far beyond that.

This summer Gig and his family are taking to the sea. As the poster in his office reads they are "going to seek the great perhaps." Sailing is as much a way of life for Gig as is his music.

No matter how long Gig and his family are away, we can't help but remember him. There will always be a remembrance, everytime we walk through the library that he helped to design . . . or go into the auditorium where Gig spends many hours working on just the right lighting technique etc . . .

For those of us who know Gig personally, we have found him "more than good to know." There is no better way to express our feelings than to say that we love you Gig. May the wind be with you.

Sometimes,  
I find myself chasing rainbows  
even before the rain.  
And  
Wishing on a star  
even though it isn't the first to dance across a black stage.  
But  
Chasing rainbows isn't so bad.  
Who knows?  
Maybe I'll catch one.  
And  
So the star I wish on isn't the FIRST,  
I know that there are enough stars for ALL my wishes.  
I hope I never stop chasing rainbows  
or  
wishing on stars . . .  
after dreams . . . what else is there?

Strange faces and surroundings enclose you that first day. The halls are very crowded and noisy, and sometimes it's one high picture of whirling color. Four years lay ahead like an eternity.

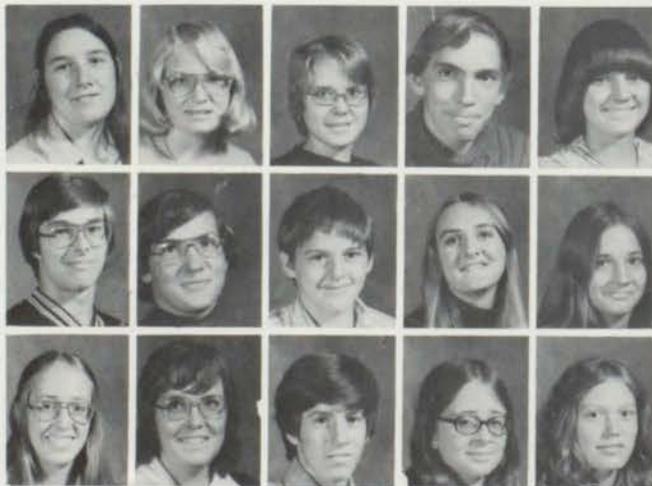

What seemed forever has passed in an instant. Preparations must be made to leave the now familiar halls of P.H.S. It is time to set out for the end of another eternity. - Missy Nicholson

# Best Season in 23 Yrs.

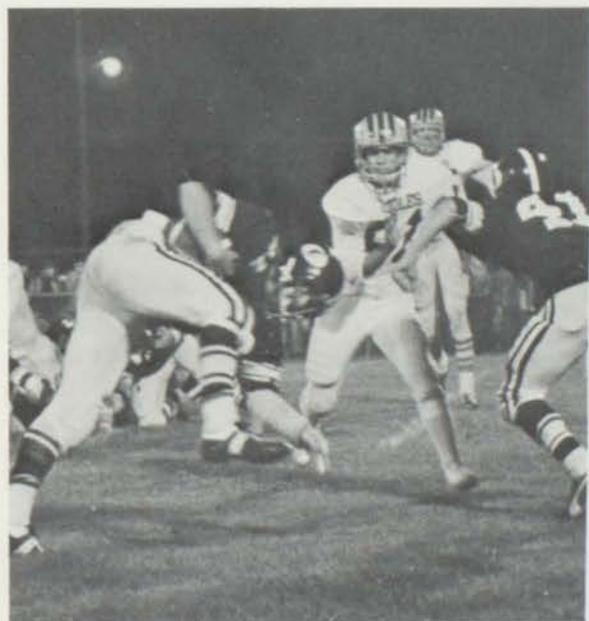

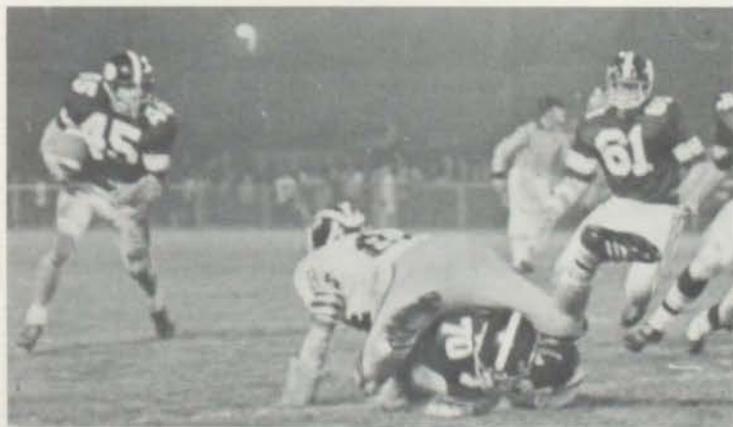

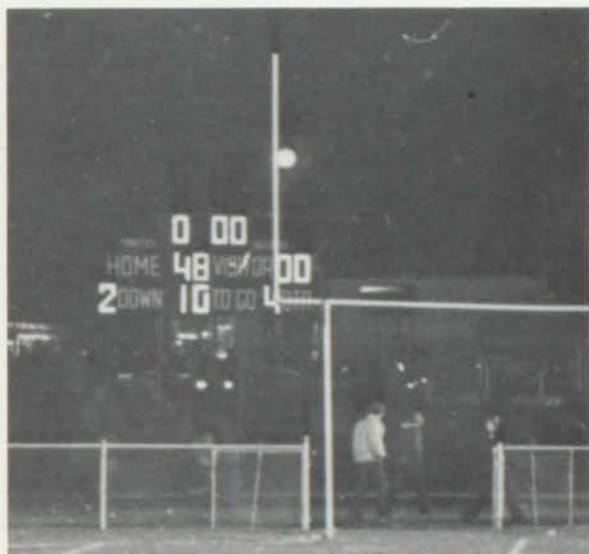

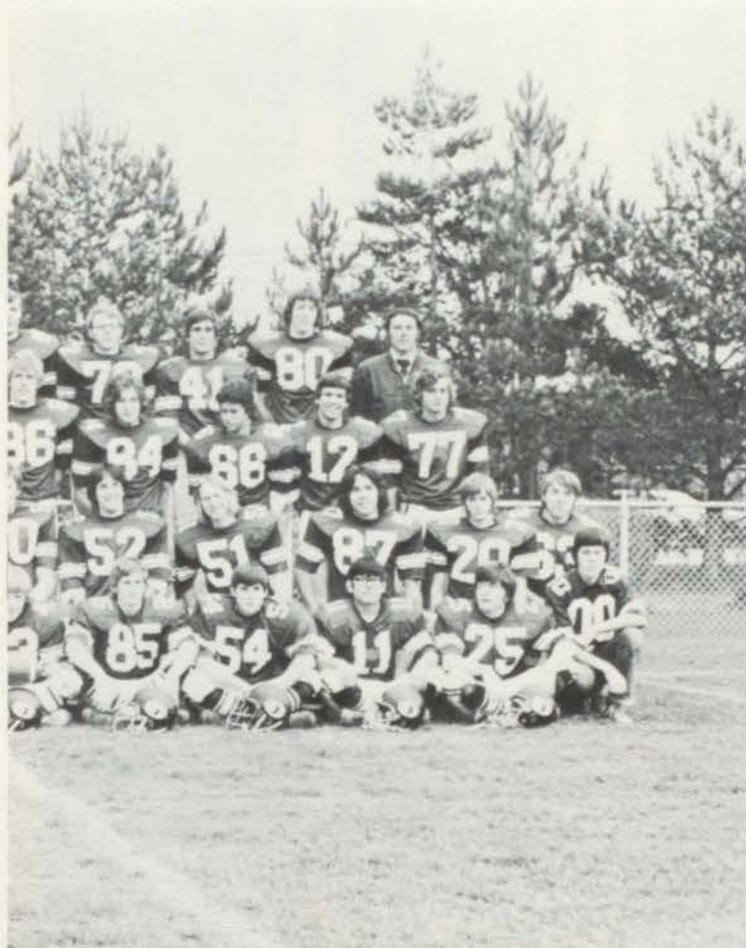

"It takes many items to put together a successful football team. My admiration for the members of this year's team has been unequalled. It takes more than size, speed and agility to make it on the field. It takes eleven guys to make it with each other as a single unit. Actually it takes all 40 working together, for an entire season. Everyone has to depend upon and be sincere about the efforts, abilities, and integrity of his teammates. This team had confidence in itself and whatever it had to, to come out on top.

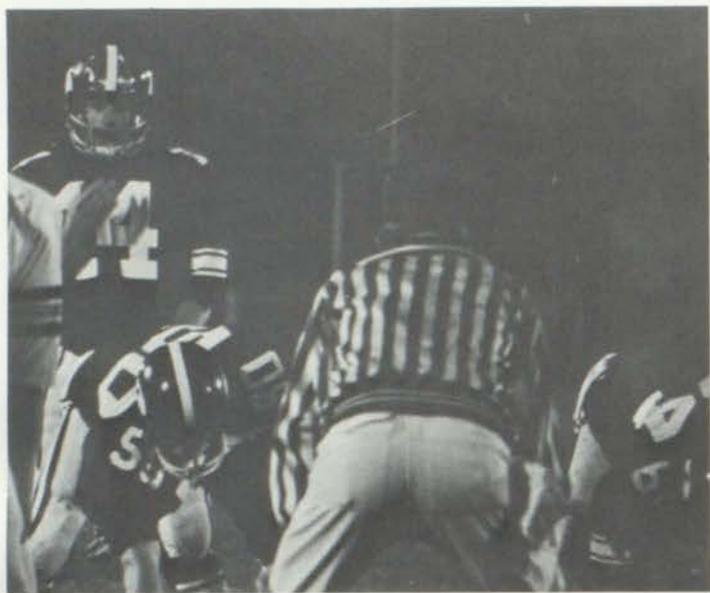

I would also like to give credit to Coach Swenor and Coach Smolinski for their dedication and hard work. They certainly played a huge part in the success we have had."

# A Super Group of Seniors

Bruce Hilton, Team Co-captain.  
 "Bruce was our leading rebounder for two years and has established a new career rebounding record. He has also been an excellent defensive player and our second leading scorer for two years. He has played at both ends of the court and consequently been named to the Michigan Huron Shores All-Conference team, given special merit on the VPI All-State Class "B" Basketball team. 'He has been one of the most enjoyable players I have coached and will be greatly missed.'"

Kim Thomson, Team Co-captain, "Mr. Hustle".  
 "Kim has been our playmaker and defensive floor leader for two years. He has established a new career assists record and was our leading scorer this year. Kim was named to the Michigan Huron Shores All-Conference team, given special merit on the VPI All State Class "B" Basketball team, and made the "4th Team All-State" in the Detroit Free Press. 'Kim has been the most competitive and determined young man I've ever had the privilege to coach-He has been a true inspiration for all of us.'"

Chris Weston.  
 "Chris was our most underrated basketball player. He always had the challenge of guarding an opponent 4-6 inches taller. His speed and shooting were most essential to our break game. Chris was a selected to the honorable mention Michigan Shores Conference basketball squad. 'Chris always performed best when the going was tough-which shows he was a real competitor.'"

Mark Giles.  
 "Mark helped lead us to our summer tournament championship. 'He has been a real pleasure to coach and have around practice.'"

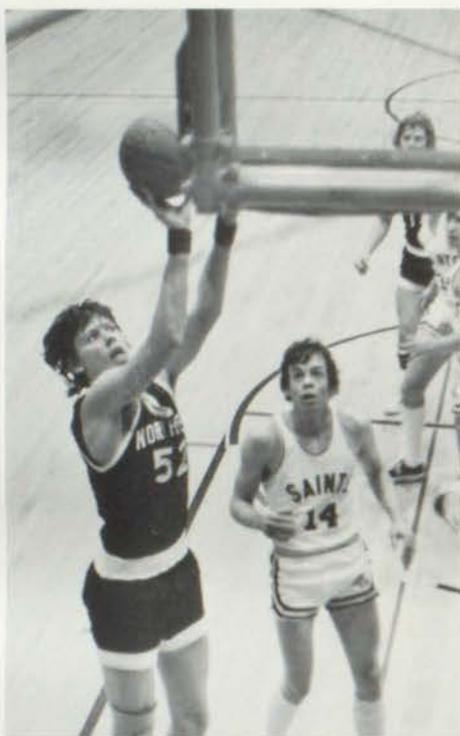

Rich Bourrie.  
 "Rich has been our most improved player over the past two years and has dedicated himself to the game of basketball his senior year. 'He has been most instrumental in sharing the rebounding load under the boards-his final performance against Saginaw Buena Vista in the regionals will never be forgotten.'"

For the first time in P.H.S.'s History, the Girl's Ski Team won the Conference Meet! They progressed throughout the season with a 2-3 record, coached by Carol VanWoerkom and her assistant Kathy Cybulski. The Team traveled to Traverse City for the Regional Meet. Out of twentyfive schools, the team placed sixth in the Region with freshman, Julie Elkins, winning two individual medals! Jane Keiswetter placed third in both Slalom and the Giant Slalom at the Conference, while Darcy Stevens took a second in the Slalom and the Giant Slalom out of the six participating schools. Other team members that did not go to the big meets are; Lori Jurries, Laurie Hodgekiss, Kathy King, Kathy Turcott, Gina Trippe, Laura Briggs, and Terrie Kuebler. These girls contributed a big part to this outstanding ski championship!

This year's boy's Ski Team, coached by Don Festerling, has had one really great year! They were undefeated in five dual meets of competition against other conference schools. Following regular competition the team went to the Regionals in Traverse City, where they competed against 25 other teams. There, they finished a much disputed second. This qualified them for the State Meet at Marquette, Michigan. This meet consisted of top teams from all over the state. A couple of unlucky falls put the Petoskey team out of the running and they finished a very disappointing eighth in the meet. Favored to take the conference championship they were still plagued by bad luck and finished second.

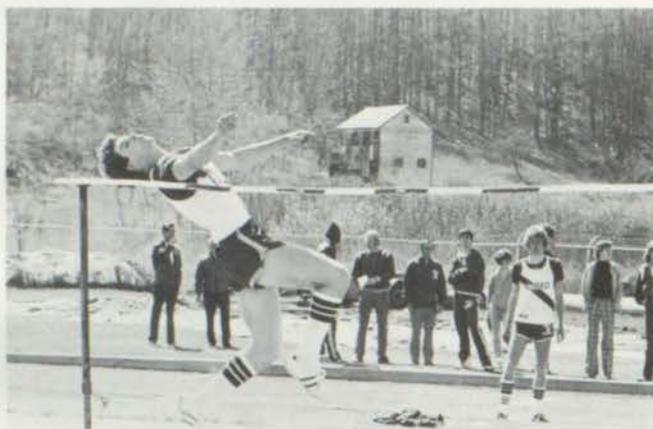

Bob Elkins, a senior, placed 7th in the slalom and eighth in the G.S. at the Regionals, and a 3rd in the G.S. at the Conference Meet. Marty Hill, a junior, finished 4th in the G.S. at the Regionals and has a 1st in the Slalom at the Conference Meet. Both Hill and Elkins were awarded All State Honorable Mention. Terry Barrett, a freshmen, placed 6th in the G.S. and 2nd in the Slalom at the big meet. Placing also at the Conference were seniors, Bill McCullough with a 12th in the G.S. and Dave Kondziela with a 10th in the G.S. and Mark Markel received for the Team a 5th in the Slalom. Others on the Team not attending the meet are; Rob McKenzie, Dave Mengebier and Robert Rosen, all seniors. These guys did great jobs in regular competition throughout the year.

Coach Festerling will lose some great skiers this year but hopes to have an even better team in the coming year.

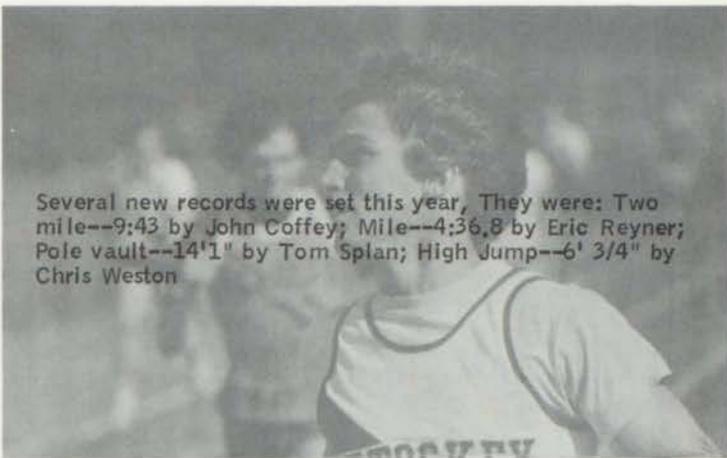

From Left to Right: Bob McKenzie, Terry Barrett, Mark Markel, Bill McCullough, Coach Don Festerling, Marty Hill (holding the 20 Minute Trophy), Bob Elkins, and Dave Kondziela. Pictured above are: Top; Bob Elkins, Left; Dave Mengebier, and Right; Robert Rosen.

A person is sitting in a field of tall grass, looking out over a hazy landscape. The person is wearing a dark jacket and a hat. The background is a soft, out-of-focus view of a field and a distant treeline under a pale sky.

## STARS

Alone in the night  
On a dark hill  
With pines around me  
Spicy and still,  
And a heaven full of stars  
Over my head  
White and topaz  
And misty red;  
Myriads with beating  
Hearts of fire  
That aeons  
Cannot vex or tire;  
Up the dome of heaven  
Like a great hill,  
I watch them marching  
Stately and still  
And I know that I  
Am honored to be  
Witness  
of so much majesty.
