Dear Readers,

The title "Not Ready For Prime Time Yearbook" has a twofold purpose. First of all, it is not prime time material because it follows a different format than books of the past and takes a new approach to layout and the presentation of material. More importantly, this yearbook is an attempt to show the events that we experience during the course of the year from a more realistic viewpoint. Instead of showing everything that's happened as turning out right and picture perfect, we will show both the mistakes and the successes. By presenting these things from a humorous viewpoint, we hope to let everyone laugh at themselves and by doing so lose their own fear of being laughed at by others. The staff of this "Not Ready For Prime Time Yearbook" hopes that you enjoy yourselves and our work and wish you all the best.

Sincerely,  
Jennifer Jonsson  
Editor-in-Chief

# Good Morning

Are... were those really Addidas once?

So there!

## The Arguments

Most people will admit that Mr. Brien does not look like someone to tangle with at seven in the morning. However, there are always a few brave ones. While these disagreements never turned into actual fist fights, there were a few rather heated arguments and on some days, more glares on faces than smiles.

As almost anyone who has participated in Marching Band knows, one of Mr. Brien's favorite phrases is "You're slower than molasses in January, going up a hill in a snowstorm". However, this past fall he also had to take into consideration the two feet of mud on what used to be a football field.

They say practice makes perfect. . . . . Name the day when school starts and Marching Band practice begins two weeks earlier with practice almost every night until dark. Then, when school does start, band members are up between six and seven a.m. So that they can be "out on the field" at 7:15. Now you know why those same students walk around like bleary-eyed zombies during the months of September and October.

## The Mud . . .

## The Practice

Why do they look so shocked?

Prepare for battle!

## Performance

Aside from marching the half-time shows at the football games, the Petoskey High School Marching Northmen competed in many competitions throughout the state.

The band started out their season with an exhibition at Central Michigan University on September 24th and then attended the third annual Marching Band Symposium held in Harbor Springs' Ottawa Stadium on October 1st. Their first competition was the Cavalcade of Bands held in Waldo Stadium at Western Michigan University on October 15. The Northmen achieved a score of 50.30 which entitled them to fourth place. Later that day, the band traveled to Reed City, Michigan where they competed against nine total bands, two of which were in Class A. The Northmen Band received a score of 69.75, achieving first place for the second consecutive year in that same contest. They also received the "Finest Percussion Section" award and the "Best Overall Performance Championship Award".

From there, the marching band went on to compete against ten other Class A bands in the Bridgeport Open. They received the top score of 67.75 in the preliminaries which entitled them to compete against the two other top rated bands, Marlette and Flint Northern, in the finals that night. The Petoskey Northmen Marching Band achieved first place with a point score of 69.05, qualifying them as one of the best bands in the state.

Now, if that sounds impressive-ask the band and they'll tell you, "That's only the beginning!"

Laurie Wills and Mrs. Crosby prepare to leave.

Patti and Bill perform in the "Annual 7:15 Band Rehearsal".

The percussion section during the half-time

By the time the competitions had started, the band was used to seeing the wee small hours of the morning. But leaving at six AM. and returning home at three AM. does not allow much time for beauty sleep. Needless to say, some people wanted to hit the hay and some didn't. For this reason, the "sleep" bus and the "rowdy" bus were their minds after they got on the bus and instead of sleeping, they cheered. Even ear plugs couldn't diminish that noise.

## The Bus Ride

Does Richie know he's undoing it?

Anticipation — when we hear that word we often think of the slowness of Heinz ketchup. However, that analogy does not apply in this case. Anticipation is what sits like a lead weight in the bottom of every band member's stomach when he is lined up on the competition field waiting for the starting gun to explode as a signal to the 106 marchers to "move out".

Regardless of the difficulties; the mud, the long hours of practice, the arguments, the bus rides, and the anticipation, everything goes into the performance.

# That Forever Freezing . . . .

Take a bow Wally

At this rate, it'll take me all year to get to Florida

The fountain of youth freezes over

Snowmobiling past the Point

Mr. Aspenlitter's cross-country class does the can-can

The months we spend in school go by slowly enough without us having to survive through the doldrums of the seemingly everlasting onslaught of winter. In fact, during at least half of the school year, that omni-present white stuff is covering the ground and infiltrating our minds with thoughts of shivers and shakes and cars that won't start.

But, given the conditions that we northerners find ourselves thrown into by good 'ole Mother Nature, we are presented with a three-fold dilemma. One can either spend the winter weekends sitting in front of the tube keeping informed as to whether the men or the women are winning the Battle of the Sexes, grasp the opportunity to watch three consecutive episodes of The Brady Bunch, or one can take hold of winter by the horns and use it to his or her advantage. Indeed, there are many Petoskeyites who couldn't be happier than when Mom Nature sends her first fluffy shower. Many people quickly run out to the ski hills to once again get a taste of living dangerously.

Bambi and friends look for Thumper and hibernating skunks in flower beds.

## Wickedly Wonderful Winter!

"Excuse me sir, but where did you get that fancy fudgie face?"

snow are inevitable. People would be almost committing a sin by failing to tap the many resources that they have here for enjoying winter. So many tourists, more commonly known to us a 'fudgies', go to great measures to be able to be a part of the winter wonderland which provides a 'prime time' for timeless enjoyment.

"Don't want no tall people. . ."

which is no cheap thrill at ten to twelve dollars a tickets. Fishing enthusiasts have to sit and wait patiently for the ice to thicken so that they can raise their fish shanties, after which they must once again sit and wait patiently for the fish to share their enthusiasm for the sport. While it's doubtful that snowmobilers head to the hills for quietude, that's definitely why cross-country skiers and snowshoers annually begin their mecca into the woods. For this sport, a trail can be made almost anywhere and while snowmobiling and downhill skiing expenses pile up until you think your money is flying around like snow from a snowblower, cross-country skiing usually requires no more than the initial cost of buying or renting skis.

For the first time in the state's and school's history, a high school cross-country ski team has been organized right here at PHS. The team has already shown great improvement and has helped to spread interest in the sport throughout the school. Michigan is Michigan and the winter and

facing down stares from icy homes.

## The Dancing Bears

The Varsity Club of PHS could be found in the kitchen this year preparing popcorn with their famous popcorn machine for basketball games and the Parent Teacher Organization Carnival. The popcorn money was divided up among the members for the purchase of athletic equipment. Mr. Swanson, advisor, and Bob Johns, president, supervised the club's kitchen work-outs.

Who says us jocks don't got no culture?

## Spencer And His Gang

The Student Council went through a series of phases this year. After an initial rush of excitement, activities slowed down to some extent. In the spring, we became concerned about the lack of rapport between the Council and the student body. In order to improve this situation, we placed a student suggestion box in the office and attempted to keep the student body more informed about our activities.

Our major contribution to the school this past year was the appropriation of funds for the purchase of additional trophy cases. We also planned a spring picnic and game day for the student body for May 21. Although we regret the fact that we were not able to accomplish more, we appreciated the opportunity to serve the school. We urge future students to take full advantage of this organization.

## A la Espana

"A la Espana" was the battle cry of the Spanish Club this year. They braved hundreds of sticky candy apples and candy bars during their quest for Spain. To relieve the stress of such hard work the club again sponsored a Fiesta de la Navidad, the Christmas party, and a banquet in the spring. On the fields of academia, club members jostled with other Spanish students throughout the state for the honor of the state's best all around Spanish student. This year Ann Collins was first place honors for the second year in a row, and Kathy Stark won first place for Spanish Level IV at the Michigan State University testing Center. Club officers were Laura Potts, president; Jeanne Cusack, vice president; Cindy Okerlund, treasurer; and Jennifer Joneson, secretary. Advisor was Senora Crawford.

## The Ball Club

The "Softees" formed a club team to generate interest for a regular varsity team in the future. The team, coached by Miss Peltoma, served as a scrimmage team for other girls' softball teams in the area. The team also held Cake Sales to raise money for equipment.

The officers were Sandy Leshner, president; Erin Leshner, vice president; and Denise Lindstrom, secretary/treasurer.

## The Ski Bums

For the Ski Club, Wednesday nights hosted excursions into the winter wonderland to Nub's Nob Ski Resort. All dues-paying members were allowed to ski free. The funds for this "freebie" came from the treasury that was left by past Ski Clubs and also from a bakesale held in mid-winter. This year's president was Kathy Kutcipal; Vice-president, Craig Swaby; secretary, Michelle Zundel; and treasurer, Maria Affendikas. The group was advised by Mr. Gunderson in carrying out their cold skiing excursions.

First Row: Arlie Hart, Mr. Gunderson, Brian Shorter, Katie Brown, Jim McCullough. Second Row: Bill Connaughton, Ed Harrington, Maria Affendikas, Kathy Kutsippel, Gloria Markel. Fourth Row: Cynda Norris, Amy Burch, Dawn Yoder, Kris Vorpagel, Jody Rudolph, Kris Gullege, Kelly Kline, Kristy Marquardt, Tina Donnelly, Lori Kondziela.

## Zesties & Other Crackers

The rowdy crowd of PHS, the Pep Club, did a lot for Homecoming Week, making locker tags, selecting royal crowns, and putting on the big Homecoming bash for the student body. The "zesties" also promoted school spirit by operating their button machine and bussing the local rowdies to an away game. Keeping this group in check were Mrs. Price, aided by President Sarah Newton; Vice-President Jenny Murphy; Secretary Maria Bremmeyr; and Treasurer Mary Peterson.

First Row: Terri Balsa, Kristi Kuebler, Laura Deschermeier, Denise Lindstrom, Kelly Terpening, Evie Gibbard, Marilyn Anderson. Second Row: Donna Marshall, Staci Collins, Anne Linck, Alice Schaub, Chris Eberly, Anne Foster, Bob Foster, Janet Coveyou, Scott McBryde, Mike Annable. Third Row: Mary Schwartzfisher, Nancy Bearup, Julie Rankin, Mrs. Vratnina, Tom Foster, Bill Zipp, John Jones. Off Wing: Joanne VanBerlo, Sheryl Conkright, Mary Sobleski.

## Arduum est se humiliare dum magnus est

One of the few clubs to meet during school, the Latin Club spends class time Fridays fooling around with Bob Foster's "Aquaducks" and planning their many activities. The Homecoming float, the Christmas Saturnalia, the Odyssey dance, and the Roman Banquet all helped the Latin legions live up to their motto-Arduum est se humiliare dum magnus est-meaning "It's hard for a person to humble himself while he knows he's great."

The head consuls were Julie Rankin and Bill Zipp, aided by Scribe (Secretary) Mary Sobleski, Quaestor (Treasurer) Joanne Van Berlow, and Aediles (Activities) Alice Schaub, Lorie Jurries, and Lynn Brown.

## Geniuses in Residence

The academicians met during school this year to plot strategy for the enhancement of academics at PHS. The "brains" inducted eighteen new senior members at the end of the first semester in order to give them a chance to participate in NHS activities before graduation. The new inductees helped in the Valentine's Day Carnation Sale and the spring induction of juniors. A group of NHS members also went before the school board in May to discuss their plans, activities and goals in relation to honoring outstanding academic achievement at PHS. Bill Zipp, President; Tessie Pierce, Vice-President; Patti Olson, Secretary; and Lori Pierce treasurer led the NHS members toward their goal. Mrs. Wills was the advisor.

Winter 1978 Senior Inductees: L-R: Rick Scholl, Jennifer Engler, Becky Green, Joanne Budek, Kelly Raney, Brenda Emshwiller, Kathie Stark, Jamee Jenson, Rob Gorman, Tom Foster. The "Not Ready For Prime Time" Editors' goal was to produce a "Not Ready For Prime Time" (but on time) yearbook. They devoted many hours toiling, talking, drawing and putting it together. There were a lot of laughs (Mock Election categories) and a lot of tears (not enough space for all the freshmen), but here it is, at last, the 1977-78 Not Ready for Prime Time yearbook!

Journalism does things to you

The Hi-Lite staff spent Journalism classes working, learning, and discussing the great and glorious art of newspaper production. Their endeavors produced several newspapers and a class survey. In April, staff members attended a Michigan Interscholastic Press Association conference in Mount Pleasant, coming home with a lot of new ideas and two honorable mentions, one for an editorial on Indian fishing rights by Colleen Jackson, and the other for a feature story on winter by Cindy Okerlund.

Karen Hilal and Carole Blount: "This is the way to advertise."

## Anywhere But Timbuctu

The future statesmen, the international club, engaged in some shuttle diplomacy this year when they hosted an International Weekend in January. The club held meetings in members' homes with slides from foreign countries as entertainment. On June 6, graduating seniors and exchange students were honored at a picnic at John Jones' house. President Craig Swaby was aided by vice-president Kathy Kutcipal, secretary Jennifer Fought; and treasurer Anne Foster. Mrs. Kalkbrenner and Mr. Sornson were advisors.

## The Wild, Wild Midwest

The Riflemen of PHS did not do much shooting this year. In fact they were rather quiet, meeting occasionally to discuss hunting and shooting techniques under the direction of Mr. Hartman.

First Row: Jim McCoullough, Gary Russell, Bob Shanahan, Bart Wangeman, Dennis Brown, John Schmoldt, Scott Jennings, Mr. Hartman, Walter Boyd.

Craig Swaby left Petoskey on June 20, 1977 for deepest South Africa. He wanted to become an exchange student to experience a different culture and to learn to rely on himself. He stayed with a white south African family and attended a private church school for two months while he was there. He traveled quite a bit, going on a six day trip to Capetown and an eight day back-packing trip to the Drakensberg Mountains. He returned to the U.S. on August 28.

Luciano Garruti came to Petoskey during the second semester to stay until the end of July. He came to the U.S. because he wanted learn English better after studying it for one year in Brazil. He enjoys two sports uncommon to Petoskey, surfing and soccer. While in Petoskey, he stayed with the Cutshaw family.

Nineteen year old Kathryn Markham came to Petoskey from Port Augusta, Australia. She wanted to become an exchange student because she wanted to travel, meet new people, and to study a different lifestyle. Before coming to Petoskey, she had already graduated from high school and had attended six months of college, so she has now had two senior years, and at PHS she has had an active one. She participated in girl's tennis, novice debate, forensics, and girl's track.

Before leaving for home at the end of June, Kathryn plans on taking a two week tour of the U.S. with other American Field Service (AFS) students. While in Petoskey, she lived with the Evashevski family.

Birgitte Beyer came to Petoskey from Frednicia, Denmark through the Rotary Club in her town. She liked Petoskey; she said it was a nice town, not too big, with good weather (changing seasons) and lots of activities. Although she missed her family and old friends at times, she managed to get involved in several classes and activities here. At PHS, Birgitte took a variety of subjects ranging from economics to American Cultural Studies, and she was active in choir and a good old American gym class. While in Petoskey, Birgitte stayed with the Fedus, Atchinson, Mainland and Williamson families. She went to Montana and experienced trail riding and returned to Denmark in late August.

## The Amazons

The girl athletics reorganized themselves into the Girl's Athletic Association from last year's Girl's Varsity Club. They kep us warm with Northmen sweaters which they sold in mid-winter. Their other money-making project was a concession at a game. The money was slated for athletic camp scholarships or the possiblity of a trip. Officers were president, Jenny Murphy, and secretary/treasurer Sandy Leshner. Miss Richwine and Miss Peltomaa advised the girls.

## Elegant Elocutioners

"Encounter with an Interviewer", "My Fair Lady", "Energy", "Now Inhale", and "Then again, Maybe I Won't" may not sound like they have much in common, but they do. They were all performed in Petoskey's forensics competition coached by Mrs. Howard and is divided into two fields. The field of public speaking is subdivided into two fields, radio broadcasting and oratory. The field of Interpretive Speaking is broader and includes Humorous Reading, Impromptu Speaking, Dramatic Duo, Story-telling, Serious Reading and Multiple Reading.

This year Petoskey's forensics team sent four students to the Regional competition, Kim Krusak, who competed in Informative Speaking, Jennifer Fought, Informative Speaking, Laurie Richardson, Impromptu Speaking and Barb Casey, who competed in Oratory. From regionals, only Barb Casey went on to state competition where she placed fifth, the second best showing for PHS in recent years.

Denise Lindstrom, Judy Baker, Mary Lynn Turcheon, Joan Deloria, and Paul Nelson: "Now Inhale".

Alan Mish, a participant in Humorous Reading for four years decides, "Then Again, Maybe I Won't".

## Our Friendly Francophiles

Our friendly francophiles raised a lot of money this year, replenishing their bank account after their trip to France in the spring of 1977. They sold suckers, stationary, and tootsie rolls. Their big big money-making projects were the homecoming concession and the Valentines Day dance. The money will be used for a trip abroad in the spring of 1979. The club honored Mrs. Liebler, their advisor, at a spring banquet at Natural Harmony Restaurant in Harbor Springs. Officers were: Ashley Kleinstiver, president; Dawn Yoder, vice-president; and Michele Zundel, secretary/ treasurer.

## Enjoying The Wildlife

The Ecology Club at PHS was once again open to all people who wanted to have fun with Mother Nature. Some of the activities which this group got its feet into were canoeing, winter camping, and a nature photography contest. The proceeds from the club activities went towards ecological foundations. This group definitely preserved the wildlife. The leaders of the lair were; President Scott Holowosko, Vice President Bill Dunstan, Secretary Mary Dwan, and Treasurer John Hall.

## All The World Play Your Part

Drama Club members were definitely "Cheaper by the Dozen" this year. The club presented that play in mid-February. The play was financed by an "interesting" \$200 that had been in the bank since 1952.

The behind the scenes people who made everything work were President Paul Nelson, Vice-president Dave Schneider, Secretary Julie Garlinghouse, and Treasurer Diane St. Amand. Guiding all these budding young thespians was Mrs. Smith.

"I can't believe he said that!"

## Farmers Are Okay

The Future Farmers of America of Petoskey were very active during the 1977-1978 school year. They attended conventions, entered contests, discussed agriculture-related issue and raised funds. The FFA members sent delegations to the national convention in Kansas City and the state convention in Lansing. They entered contests in soil, forestry, and land use. As a fund-raiser, FFA members sold garden seeds and citrus fruit. The officers this year were President, Mary Wiklanski; Vice-president, Tina Ward; Secretary, Debbie Leow; Treasurer, Mike Avery; Sentinel, Russ Ackerman; and Reporter Marge Krussel. FFA advisors were Mr. Hamilton and Mr. Stoldt.

Steve Smith and a Charlevoix debater present the cases for and against national medical coverage.

The opposition wished the debaters would always be found like this.

## Speak — easies are Fun

The debate club, known to some as Mom Howard's kids, was drawn together by common interests in logical reasoning, pitting one's mind against another's, and a general need to find someone who would listen to them for very long. Most members either debated as a novice, first year debater, or on the varsity level. Novice team members included Dan Daniels, Kathryn Markham, Monica Bremmeyer, Joan Deloria, Craig Swaby, Bob Brummeler, and Sue Burek. The novices finished in first place in their league and won numerous team and speaker awards.

The varsity debaters, who among them were juniors Jennifer Fought and Laurie Richardson, and seniors Steve Smith, Laura Potts, Denise Lindstrom, and Jennifer Joneson, also did very well by finishing second in their league. They went on to take first place honors at the district level which qualified them for state final competition. At state competition, the four senior debaters completed the tournament with a 4-4 overall record, receiving 13 ballots. This placed them twelfth in class B out of twenty-eight state qualifiers, one of the best performances recorded by a Petoskey team. Both Laura Potts and Steve Smith qualified for the John S. Knight individual speaker award for their excellence in district competition. Only the two top debaters in each district can qualify for this honor. Jennifer and Denise finished fourth and fifth speakers in the league respectively, with all debaters showing favorably.

The novice debate team of Rob Brummeler, Dan Daniels, Joan Deloria, Sue Burek, and Kathryn Markham finished first in their league.

Do you believe what Sue just said? Was it topical?

CROSS COUNTRY SKI CLUB Seated: Kelly Morin. Standing: Mr. Czarnecki, Bob Esford, Eric Rasmussen, Mark Fedus, Ron Snyder, Mr. Dickman.

## Doing It Differently

This year, for the first time in the history of PHS, there was a cross-country ski team. It was not an official team, merely a club team, but at least it was a start. The club held informal workouts in preparation for citizens races sponsored by clubs and ski shops. They seldom competed as a team, instead they competed as individuals. In races at Cadillac, Traverse City, and Sault Ste. Marie, ski team members finished high in their age group divisions. The club as advised and coached by Mr. Dickmann and Mr. Czarnecki.

## Drawing New Perspectives

The Artists congregation of PHS spent their time planning a sports mural for the Middle School gym. To get into practice, they painted the windows of downtown stores for Homecoming. Mrs. VanWagoner advised the group.

# But Mom...

## Everyone Has One!

Every fall students come home from their annual school shopping spree with the latest fad in clothing. And every year they are greeted with the same remark from parents, "You're going to wear that to school?"

"But everyone has one, Mom!"

With painter pants it was, "You are going to school not painting a house." And when kids donned their bibs, the parents quipped, "Oh, are you joining the FFA this year, dear?"

Of course fashions change each year, although it may take a little longer up here in northern Michigan. Almost everybody can probably dig through and find a "fashion" that was "in" last year but is now joining that ever growing pile in the back of the closet as an oldie.

Our first year in high school was a big step for a lot of people. At the beginning of the year most of us were afraid of what was ahead. As the year went on, we quickly adjusted to the atmosphere of the school. Our money situation did not turn out as we had hoped, but with the following years ahead we should do better. As the freshmen class president, I would like to thank everyone for making us feel comfortable during our first year at Petoskey High.

Pot luck people

## Doing What?

Petoskey High School participates in debate. Right, we say because everyone knows that. We may even know who's in the program. But, if one were asked "What is debate?" or "What in the world do those kids spend their time doing?", the answer would be a universal blank.

Some people have succeeded in mustering up answers like, "It's when four people sit down in a room and see who can scream the loudest", or "It's something like trying to talk to my father", or "Who cares? They're all crazy anyway."

These kinds of answers have made it necessary to explain more about debate.

Debate could be defined as an orderly process of argumentation and refutation. Each year there is a broad topic that the entire nation uses as their subject of discussion. This year it was that the US should provide medical care to all US citizens. Possible subtopics of that subject included Medicaid, national health insurance, or even heroin addiction. Because of this wide range of topics, a debator must do a great deal of research; each statement must be proven with evidence. It's a tool and part of the game.

In a debate, one team takes the pro and the other takes the con side of the resolution.

The people who are on our debate team refer to their coach affectionately as "Mom" Howard, which may be because she values the experience of debating more than winning.

The comraderie of the group was shown during Christmas time when they held their second pot-luck dinner and roast (Woman of the Hour).

The class of 1980 has accomplished much this year. We made \$500 on our magazine sale. We had a lot of bake sales which brought in a substantial amount of money. With a couple of concessions and a dance, our total was brought up to \$2000.

I hope that next year there will be more participation and the class will come together to make one. It seems that year by year our float gets a little better so maybe by our senior year, we can get a float to the stadium without having it fall apart! So, I encourage all the class of '80 members to get involved next year!

## A Sunday In May

The Student Council decided late in the year to sponsor an outdoor barbeque and recreation day. The menu featured barbequed chicken (a whole one-half bird), potatoe chips, baked beans, potatoe salad, and a selection of pop, all for \$1.50. The council also picked up the \$200 bill that paid for the band Harlequin to play from 4:00 until 7:00. The actual picnic began at 1:00 with a number of students and teachers playing frisbee and volleyball in the lot in back of the school, near the commercial foods area. As the afternoon wore on, more people filtered in and the council came closer to achieving their goal of bringing together students, administrators and teachers (who even brought their spouses and children) for an afternoon of fun. Besides volleyball and frisbee, baseball, soccer, football and kite flying joined the activities of the day.

Three of our four fearless leaders.

Brian yawns after a tiring run.

The Junior Class accomplished many things this year, although some were more successful than others. We started off early with three car washes in the summer, through the year we had a bake sale here and there, made a first place winning float, had a football concession, a candy sale, a really fun Christmas dance and a basketball concession.

The prom is underway and promises to be a good one. There are also plans for a T-shirt sale.

Being class president made me realize how much potential the class of "79" has. The only problem was getting people involved to use their potential. Participation in projects isn't work, it's joining with other people to use and develop potential while having fun.

Thanks to everyone who helped make the Junior year one of the best we've had.

The senior class of 1978 is proud to say that it has been one of the greatest classes at P.H.S. The year started off with a bang with the senior float. The year moved along, and during it we had a successful concession and dance. The most successful money-making project was the senior dinner. The year then wound down with our senior trip. I am proud to be associated with this class, and prouder still to have been chosen as your leader. You as a class have helped. Every one of you. The thing that impresses me the most is that people who have never done anything for their class did so this year. I only hope that I have given you the trust that you have given me. To tell the truth, I never would have survived without the help of the class officers. Good luck, and God bless each and every one of you.

Queen's Court: Dawn Yoder, Laurie Wills, Beth Howse, Robin Ford, and Monica Gruler.

King's Court: Spencer Damschroder, Rob Gorman, Dean Behan, Jeff Walker, and Tom Oelke.

Slow dancin' to the music.

The 1977 Homecoming was one that will long be remembered, especially by the Senior Class.

While the Northmen were busy defeating the Roger City Hurons 33-14, the crowd was cheering on the team along with the cheerleaders.

Beth Howse and Jeff Walker added to the festivities by claiming the honors of Queen and King at half time. Floats were also judged at that time and the Class of '79 won with Pop Go the Hurons. The Seniors took a close second with Whale on 'Em.

To set the night off, over two hundred students and alumni were present for the evening dance.

Dancing to the beat of Ukiah, Beth and Jeff started off the evening, and Homecoming was finished with a perfect touch.

Mark and Bobby J. prepare to crown Beth while Jeff laughs at the kids.

## Barry's Boys

The Northmen got off to a great start this season rallying five straight wins, two coming from tough non-conference foes, before dropping close games to both Cheboygan and Gaylord and putting out of reach any chance for a conference championship and an undefeated season. After losing to Cheboygan and Gaylord by a total point span of fifteen, the Northmen stormed back to take Grayling 32-7 and then looked forward to meeting an undefeated Charlevoix squad in what was expected to be a season-closing thriller.

And a thriller it was! At halftime the Northmen found themselves up 19-0. Visions of defeating the number one ranked Charlevoix team became reality for Petoskey, yet when the second half got into full swing, doom slowly settled in upon the Northmen. Due to fumbling, interceptions, and a weakening defense, the Northmen were overcome by the Rayders 20-19 in what was pegged as one of the most exciting games ever played at Curtis Field.

The Northmen finished their season with a 6-3 record overall, and a 4-3 third place tie, in the Michigan Huron-Shores Conference race. For the Northmen, Sulo Otto gained 667 yards, Don Hoch 422, Eric Swenor 412, and Mark Hoch 320. Sulo also ran for seven touchdowns, while Eric Swenor and Don Hoch added five each. Mark Hoch made 15 extra points of the season.

In total, Petoskey gained 2,473 yards, 1,987 in rushing, and had 184 points; they allowed their opponents 1,560 yards, 944 in rushing, and 97 points.

Petoskey started off the season with a bang!

Mark Hoch, Spencer Damschroder, and Sulo Otto were named to the most valuable player list in the conference, while Scott Johnston, Dennis Hass, and Adam Fruge were given honorable mention. The Northmen were coached by veteran Barry Aspenleiter, and the Assistant Coaches were Dwayne Swenor and Mark Smolinski.

Varsity Football Team Members include:

Bottom Row: Kurt Wangeman, Tim Wang, Dan Llewellyn, Harry Hibbler, Dennis Haas, Phil Shively, Ken Goldsmith, Mark Hrameic, Dave Elya, Pat Parker, Second Row: Manager Time Green, Don Hoch, Jim Cosens, Don Pennell, Alan Kruskie, Kevin Denker, Darrell Phelps, Mike Rockwell, Sulo Otto, Chris Johnson, Jeff Walker, Eric Swenor.

## Worth The Pain

"This is one of the most enjoyable years I've had as a coach. We had a group of young men who worked very hard, played hard, and had fun in what they were doing. We had a super bunch of football players."

Linebacker Kevin Collins had 64 tackles on the season, while Clark Hewitt compiled 5 interceptions and passed for 700 yards.

Steve King and Moses Cooper were also commended on their rushing as they filled the slots of second and third behind Dave Burek.

"The JV Northmen made a fine showing this year taking second in the conference. They showed that they will make a fine addition to the Northmen Varsity next year."

— Coach Harvey

The 1977 Freshmen football squad, under the direction of head coach Ralph Swanson, and assistant coaches Paul VanWagoner and Dale Latua, compiled an overall record of 4-2 this year in the Michigan Huron-Shores Conference race.

Dave Schuch took top honors in rushing and also ran 13 touchdowns, while Mike Juday received 15 passes and Reggie Smith made five interceptions. Leading punters and Kickers were Chris Fought and Chris Lyons respectively, while Dick Conti led the team in tackling.

Steve Hewitt filled the slot of quarterback this year for the Freshmen squad; and Jim Parker, John Walenta, Chip Goodrich, and Bill Keiser were linesmen.

The team's captains were Reggie Smith and John Scott, and Bill Hanson was the manager.

"A real strength of this team was the offensive line which made the running of Dave Schuch and Dick Conti one of the best combinations we have ever had at the Freshman level."

—Coach Swanson

## ...With Many A Winding Turn...The Road Is

Cheer up Wally! Only two more miles!

Freshman Doug Hill did a super job this season.

The Northmen Thinclads came away with a 5-5 conference record, and an 8-7 overall record this season as they took second place in the Michigan Huron Shores Conference.

Petoskey ran in four invitationals this season. At Alpena they placed ninth out of fourteen teams, at the Northern Michigan invitational second of nine teams, at Sault Ste. Marie second of eleven teams, and at Gaylord first of four teams. Their second place finish at the conference meet qualified them for the regional showing. Dan Pater, this being his first year in Cross-Country competition, placed 36th in the state meet, while Rick Duxtader placed 57th.

For the first time in the history of Cross-Country at Petoskey, the team had a girl member in freshman Kelli Morin. Doug Hill, another freshman, had a super year being in the top five runners for most of the season. Senior Kari Lindholm earned his fourth letter this year and after a slow start he came on strong and just missed qualifying for the state meet. Junior Dan Pater developed into the team's leading runner having many excellent races with his best time coming at the Northern Michigan Invitational at Traverse City, where he placed first with a time of 15:25. Another junior Rick Duxtader, repeated as a member of the All-Conference team and was a consistent performer. His best race was at the Alpena Invitational where he finished first for the team with a time of 16:19.

Joel Raddatz started out as the coach of the Cross-Country team, but due to his advancement to Assistant Principal, the position was taken over by Don Dickman.

"A coaching change in the middle of the season combined with a scheduling problem which forced us to split the team for two meets resulted in our win-loss record sliding. The team worked very hard and had a lot of talent which contributed to this being one of the best Cross-Country teams ever at Petoskey. With only three members of this year's team graduating, the future looks very bright also. I really enjoyed coaching the team and look forward to next year with much eagerness."

—Coach Dickman

## Ladies' Roundball Roundup

Every team needs a year for rebuilding and this was it for the Petoskey girls cagers. The girls, under coach Mary Richwine, finished their season with a 4-10 conference record, and a 4-13 mark overall. The team was very young and inexperienced with only one starting player returning from last year. The experience that they gained should prove to be very valuable to next year's team members.

Junior Cindy Okerlund led the team in both scoring and rebounding. She tallied 223 points and 213 rebounds. She was named to the MHSC most valuable player team, and was also recognized by the Detroit Free Press for all-state honorable mention.

Mo Titcombe, also a junior, had a great season for her first year on the varsity squad. She collected 133 points and 167 rebounds to take the second scoring position for her team.

Sophomore Becky Gengle, her second year on varsity, compiled 97 points and 88 rebounds, while Jane Wilbur pulled 85 rebounds.

The team was coached by Mary Richwine. Tori Alger, CMU student teacher, was the assistant coach. Nancy Sutton was the team's manager with Patti Hinkley and Carrie Ronan filling in as the team's statisticians. Sandy Leshar and Cindy Okerlund were the team's captians.

"We had a well balanced team with good height and scoring ability. Cab Behan, Becky Gengle, and Jane Wilbur worked beautifully together on defense and stealing the ball. The girls were quite young and inexperienced with only one starting player returning from last year. We should have a real strong team next year."

—Coach Richwine

Yes, it was a hard season, as seen on the faces of Jane Turcott, Sandy Leshar, Becky Gengle, Cindy Okerlund and the coaches.

### JV V-BALL TIE FOR 1ST IN MHS-C

The girl's JV Volleyball team compiled a 5-2 conference record and a 6-3 overall record this season as they captured a first place tie for the Michigan Huron Shores-Conference championship.

When asked to comment about the season, Coach Alger said that everyone put out their best efforts. They all learned at a fantastic rate and played beautifully. She also said that the team was very small in number so everyone got to play a lot. As a result, everyone contributed to the success of the team.

Senior Nancy Sutton served the team as manager for this season, while Sophomore Wendy Brown was the team's captain.

## The "Spikers"

Diane Zmickly makes a return.

The Girl's Volleyball team had a super season this year as they compiled a record of 6-2 in the MHS Conference, and an 8-2 record over-all.

In the conference playoff, Petoskey beat Charlevoix 15-14 and 15-13. They then played Rodgers City taking the first game 15-8, losing the second 5-15, and also dropping the third 15-17 in overtime.

Three graduating seniors, Sandy Lesher, Tessie Pierce, and Erin Lesher will certainly be missed next year. Both Erin and Tessie were named to the Most Valuable Player Team for our conference, while Cindy Okerlund, a junior, was given Honorable Mention. Mary Richwine coached the team and senior Nancy Sutton was the manager. The tri-captains were Sandy Lesher, Cindy Okerlund, and Erin Lesher.

"We had a championship team this year but didn't get the right point at the right time to get the trophy."

—Coach Richwine

For all of those who attended the Sadie Hawkin's Dance, they know how much fun it was. WJML provided the entertainment and Marryin' Sam, Lance Talcott, officiated the double ring ceremonies.

This dance is the traditional golden opportunity for the girl to ask the man of her dreams out for an evening of excitement! For some it was a night of fun to remember. For others it was a time to find out how a guy really feels on his first date.

Sadie Week was a success with a lot of people participating in the events throughout the week with the exception of only three people for Famous People Day! The winners were awarded five dollar prizes and door prizes were given away at the dance.

The Sadie will long be remembered. Who could forget dancing with straw in their hair, stars in their eyes, and that unforgettable, down to earth barnyard aroma!!!

# Northmen Power Burns Up Many Area Hoop Courts! Conference Champs! District Champs! #1 Defense in MH

Basketball season in Petoskey always adds excitement to the long, dreary months of winter, and this year was no exception. The Northmen stormed through four conference victories before feeling the agony of defeat on Alpena's home court. But the 75-51 loss didn't dampen their spirits. They plunged into the rest of the season, capturing a Michigan Huron Shores Conference co-championship and their second straight district title.

At the end of their season, Petoskey's record stood at 11-3 in the Michigan Huron Shores Conference and 13-10 overall. Although the Northmen failed to out-score any of their non-league competition, they did come within one point of defeating Traverse City, and also put up a great fight at Marquette in the regionals before falling to Ironwood 56-51.

Along their travels, the Northmen set some pretty impressive marks. They repeated as district champs. This is the first time in 23 years that Petoskey has claimed two district titles back to back. They also held Grayling to 24 points in one game and 33 in another.

The team was very well balanced with excellent effort both offensively and defensively by each member of the squad.

Jeff Vratanina and Wally Coffey were named to the Michigan Huron Shores All-Conference team, while Spencer Damschroder and Jack Neill were recognized for Honorable Mention.

Petoskey has always been a strong northern Michigan basketball team, and under a new coach this fact didn't change; but many new and

exciting things happened out on our courts that we haven't experienced before. Paul VanWagoner became head coach this year after last year's coach Bob Keefe moved away. Coach Wagoner brought a special excitement to basketball that hasn't been present in Petoskey in a long time, if it ever was.

A lot of substituting took place, and our team won with everyone getting to play. Coach Van Wagoner was assisted by Junior Varsity coach Mark Fralick. Spencer Damschroder, Jack Neill, and Jeff Vratanina were the team's captains. Jim Connaughton was the team's manager.

Razzle-Dazzle warm-ups! Something new at PHS!

Our opponent is boxed in as all five Northmen get in on this rebound.

We saw a new style of hoop this season.

We had a new coach, a well balanced team. . .

## “A Great Group of Young Men to Work With”

“We were a young and inexperienced team at the start of the season, but through consistent hard work in practices, the team earned a share of the Michigan Huron Shores Conference championship title and they also reclaimed their district championship title. This was a great group of young men to work with.”

—Coach VanWagoner

## Junior Northmen — Slow

The boys JV Basketball team at Petoskey High had a rough time at the beginning of their season as they lost six games before getting into the winners column when they edged Grayling 79-76. But this slow start didn't stop them from having high spirits dampened and improving with every game. And improve they did! After beating Grayling in the seventh game they went on to win the next half of their season games. They finished their season with a 7-7 conference record and a 7-13 mark over-all. They, as the Varsity, failed to outscore any non-league competitors.

Team captain Clark Hewitt led the team in scoring with a 19.5 point average per game. It was not uncommon to have Clark razzle-dazzle the crowd by pumping in as many as 25-30 points in some games.

Scott Hayes was also a very strong player. He averaged 15 points a game while Jeff Pettit averaged 7.7 per game. Rebounding was equally shared by four of the JV players. Moses Cooper averaged 7.7 rebounds per game, Clark Hewitt 6 per game, and Jeff Pettit and Kevin Rankin 5.5 per game.

This was Coach Fralick's first year at the JV helm. He really did have a rewarding year and should look forward to next year's JV team.

George Goalen served the team as manager, while David Pettit and Denny Hewitt were the statisticians.

Scott Hayes goes in for two points in a home game against the St. Ignace Saints. Scott averaged 15 points per game during the JV's season.

"The house is packed!" Everyone has turned out for the big game! Here, a shot goes up and the guys close in for the rebound.

## Start — Great Finish

"All right guys! We are ahead, now. . . let's take a break!"

Scott's already moving as Jeff Pettit jumps it up with an opponent. Both Scott and Jeff were high scorers for the Northmen.

"The JV Basketball team kept working and improving through the entire season. We lost our first six games and then went 7-7 for the remaining 14. This desire for continued improvement will be an asset for these young men forever in their future."

—Coach Fralick

"What? He didn't foul him, he tripped over his own feet!"

## Freshmen Win Big

Bill Keiser goes up with an impressive jumpshot.

The Varsity Baseball team got into full swing last spring as soon as track season finished up in early June. They compiled a 4-6 record in the conference by playing very competitive ball.

Senior Jerry Cosens was the team's leader. He hit and fielded very well, as did freshman Jeff Pettitt. Sophomore Dave Gaillbreth was very quick and an excellent throwing arm added to his skills. Freshman Dave Sobleski was commended for his batting, while Mark Neill, injured early in the season, was named an excellent catcher. Sophomore Grayling transfer Scott Johnston played well at any position and was valuable asset to the team.

The Petoskey High School Varsity baseball team was coached by Bob Keefe, while Larry Kirchner filled the slot of Assistant Coach.

"Although our record was not outstanding, we were very competitive in most games. We have a bright future with many excellent young players returning who can play many positions. I see our overall performance improving as our program becomes more established."

—Coach Kirchner

The shot goes up, and so do the rebounders.

The freshmen talk it over in a time out huddle.

The "little guys" of our school really put on a big show for us all year. The Freshman basketball team, under the expert coaching of Charlie Wilson, finished their Michigan Huron Shores Conference season with a record of 10-2. Their over-all record was 13-2. Some very interesting facts go along with these records. For instance, the two conference games that the boys lost were to Cheboygan and Grayling, and they were by a margin of three points, total!

The game with Cheboygan was 58-60, one basket away from victory and the game with Grayling was 33-34! Oh, how those games will be remembered for a long time! In Non-league action, the Northmen topped East Jordan twice and they also topped Sault Ste. Marie.

Jim Wareck and Dave Poquette were most constant scorers, but Phil Simard and Steve Hewitt were high point men during the season.

Jim Wareck, Chip Goodrich and Scott Okerlund were the team's high rebounders for the season.

Reggie Smith and Whitney Wilson were the team's managers.

"I was pleased with our improvement, especially on defense, during the season. The prospects for future basketball at PHS look great."

—Coach Wilson

# Conference Champs, Regional, State Meets, Yeah Skiers!

Ski team members pictured here with their conference championship trophy are: (L to R) Coach Shorter, Bruce Upton, Mike Peters, Brian Shorter, Coach Gunderson, Jim McCollough, Brian Burly, Terry Barrett, and Coach Shorter.

Jim McCollough takes a gate with ease and form.

Another Petoskey first headed for the finish line.

The boys' ski team, under the coaching of Larry Gunderson, Dean Shorter and Bill Shorter, had a fantastic season. They were undefeated in their conference with a record of 5-0, they placed second of 17 teams in their regional, and second of 10 teams at the state finals.

Bill and Dean Shorter were a great help to the team as they aided in coaching and took movies of the skiers' practices.

Graduating seniors will be Terry Barrett, Mike Peters, Bruce Upton, Rick Scholl, and Craig Swaby.

Terry Barrett was the team's captain, and Rick Kutcipal was the team's manager.

"It was an excellent year with some of the best skiers I've ever worked with."

—Coach Gunderson

Yawn! A long day on the slopes, poor Brian!

## Regional Champs, 3rd in State, Yeah Snow Bunnies!

Girls' ski team members with their conference championship trophy are: (L to R) Coach Shorter, Katie Brown, Katie O'Keefe, Lynn Brown, Kathy Kutcipal, Gloria Markel, and Laura Upton. (Back Row L to R) Coach Shorter, Julie Elkins, and Coach Gunderson.

The girls' ski team was very successful this year. They won a Michigan Huron Shores Conference championship by tallying a record of 4-1, they placed first in their regional which in turn qualified them for the state finals where they came in third out of 10 teams.

Larry Gunderson also coached the girls while Bill and Dean Sherter again offered a lot of help.

Graduating seniors are Julie Elkins, Laura Upton, and Michelle Zundel.

Julie Elkins was the team's captain, while Rick Kutcipal was the team's manager.

"We had a very good year with a lot of great kids."

—Coach Gunderson

"What was that comment?"; questions captain Julie Elkins.

Michelle Zundel skies slowly and easily down the slope.

Gloria Markel speeds toward the finish line.

Up and over!

## Grapplers Gain Respectability

The Northmen wrestlers finished their season with 5-2 conference mark and a 10-5 mark over-all. The team as a whole worked excellently together and pulled away from their season with a number of team records as well as individual records. This year marked the first time that a Petoskey team has beaten an Alpena team. That happened long about the middle of the season when the Northmen bested the class A power house by a score of 36-28. A week before that, Petoskey managed to tie a National Record! They shut out Gaylord in a home match 78-0. That game also lasted 15 minutes, which was the fastest meet ever at Petoskey. When Districts came around, Petoskey sent the most wrestlers that they ever had through on a winning note and continuing right down the line they did the same thing at regionals.

On the individual side, freshman Mike Pemberton was definitely a standout. Besides having the fastest pin in the history of Petoskey (13 seconds), and the most victories in a season (28), he was also the first freshman state contender from Petoskey. He was also the first to win a first in the districts and the regionals. He and his 28-4 year's record will be looked forward to next year and long remembered. The wrestling Northmen were coached by Roy Harvey, while the Assistant Coach was Randy Bingham. The team's captains were Mark Hoch and Brett McBryde. Brian Goalen was the team's manager.

With these two wrestlers in the thick of things the ref has his job cut out for him.

It looks like it might be an intense match.

WRESTLING —(Front Row) Robert Brummeler, Alan Kruskie, Dennis Haas, John Pemberton, Mark Kruskie, Jeff Kruskie, Bob Shannahan, Mike Annable, Brett McBryde. (Row 2) Coach Bingham, John Hall, Randy Sydow, Kevin Collins, Mark Eaton, Tom Jepson, Dave Galbraith, Mark Hoch, and Coach Harvey. (Row 3) Steve Brummeler, Matt Eaton, Tim Wang, Fred Gorman, Dave Olson, Jim Gibes, Wally Walsh, Ed Fortune, Mike Pemberton, Jim Kruskie, Tom Bellmer, Chris Lyons, Jeff Stradling, Pat Ball.

... and the competition continues. . .

Brett McBride gets control.

"Do it right now, boys!"

"Because of some outstanding wrestling this season the name of "Petoskey Wrestling" is now known and respected by many across the state."

- Coach Harvey

"MA, HELP! He's beating me up!"

"Take that you! I won't put up with that anymore!"

Rugged competition on the mats of Petoskey!

Alley-oop! John knows how to handle things!

Expressions of pain on both faces tell the real story.

The PHS varsity track team finished fifth in the Michigan Huron Shores Conference race this year recording an over-all four losses and five wins.

Barry Aspenleiter, David Patchkowski, and Don Dickman coached the team that defeated Cheboygan, Charlevoix, and Boyne City in regular season play and Rydyard and Onaway in non-league play.

Senior Jack Neill soars up and over the bar for a successful high jump.

Nice form, Bill!

Spanky's all smiles!

Many individual competitors peaked this season. Junior Dan Pater set a new school mile mark at 4:30.6. He was also conference champ in the mile event and second in the regionals which gave him a berth in the state finals. Eric Swenor, also a junior, was strong in both the 440 and the 880 all year. He finished fourth in the regional in the 440, and fifth in the 880 in the regional. Sophomore Clark Hewitt placed third in the pole vault in the regional which also gave him a berth into the state finals. The mile relay team of Spencer Damschroder, Mark Haramiec, Eric Swenor, and Bill Dunstan finished fifth in regionals competition. Tim Green was the manager for the team.

Breathe deep Dan. You can make it!

Clark Hewitt took third in regionals in pole vaulting.

Eric managed to stay "ahead of the pack" all season.

The team was young and inexperienced. They will be losing only three runners this year; Tammy Yell a sophomore 1-year veteran, Kathrine Markham a foreign exchange student 1-year veteran, and Jenifer Murphy a Senior 4-year veteran. "Due to cold weather, illness, and injuries we didn't do as well as expected, but the team will be more experienced next year, so we are looking forward to a better season." The Petoskey tennis team had a very successful season as they finished their MHSC play undefeated with a 5-0 record. They finished in a very close second place in the regionals which advanced them to the state finals. This was the first time an entire Petoskey team qualified for state competition.

Junior Steve Fisher again had a super year. Going into the state finals he carried a perfect 21-0 record. He advanced the furthest in the state competition until bowing to the top seeded entrant. Steve finished his season with a 24-1 record.

Other participants on the team were Lance Bawkey, number two singles, Kevin Rankin, number three singles, Dave Jensen, number four singles, Phil Douma-Dean Behan, number one doubles, Paul Douma-Chris Brehkert, number two doubles, and Pete Walenta-Rick Scholl, number three doubles.

In the spring of '78 the Junior class held their prom at the Harbor Inn in Harbor Springs. Their theme this year was "A Hawaiian Luau". Although the rain didn't provide much of a Hawaiian atmosphere, the juniors had the interior decorated with palm trees and leis were given to the couples attending. A table set with tropical foods was available to all. Entertainment was furnished by the band known as P.B. & J. For most of us, the prom of '78 will long be remembered.
