*The time is ours . . .  
Minutes are hard to hold on to  
Although they embrace the memories of our past.  
We reflect on yesterday's time  
And look upon it with tomorrow's dreams.  
Time keeps moving  
And so do we.

# THE MARCHING NORTHMEN

This year the Petoskey Marching Band had a terrific year. They played songs like the theme song from the movie *Blues Brothers*, "R.E.S.P.E.C.T.," "I Feel Good," "In The Stone," "Wipeout" a percussion solo, and "Joy to the World." They competed in one competition this year. It was at Jenison, Michigan where they received 3rd Place. Other band activities included half-time shows of the Petoskey football games and Central Michigan University's Homecoming parade. In the spring, the band is supposed to perform at Cedar Point. The soloists this year were Ann Turcott, Dan Teske, Wendy McCoy, and Chris Bielinski playing trumpet in "I Feel Good" and Mary Jakab playing trombone in "In The Stone." There were close to eleven seniors leaving the band this year which will be accounted for by upcoming freshman next year. The Petoskey Marching Band has done an outstanding job this year. # CONCERT BAND

Stella Gauthier (95) and Penny Walworth (94) were two Petoskey band students picked to be in the Honors Band.

The PHS bands, under the direction of Mr. Carl Brien and Mr. Barry Bennett, had another successful year. Marching Band once again excited fans at the football games and participated in competitions. The Concert Band performed several concerts and also competed during the year. Many of the band graduates go on to play in college bands around the country thanks to the skills they acquire through participation in the program at PHS. It was another outstanding year on the musical scene at Petoskey High School.

# CHOIR, CHOIR, CHOIR

The PHS Chamber Choir has had a very interesting year. This year they started out with a new director, Mr. Bolitho. Chamber Choir gave a beautiful performance at the Christmas Concert. To add to their list of accomplishments this year they went to District and State Choral Festival. This year there was a terrific turn out for the Pops Concert. Next year the choir should be just as great as it was this year.

The chamber choir sings their hearts out at their annual Christmas concert at St. Francis church. Good job guys!!

The Madrigal season was filled with fun. At the beginning of the year we didn't know what to expect. We started out with a pretty new group as well as a new director. The end result was great. Madrigals isn't just a group, it's a family. This year we have made friendships that will last a long time.

The yearbook-season started early in the 93/94 school year. The fall sports gave us the first few pages to lay out. As the year went on, the pages got piled up on Mrs. Lucky's, the yearbook adviser, desk. But with the beginning of the second semester, the first ever "Independent Study Yearbook Class" in PHS history also became reality, and 12 students joined the class. As you sign up for that class, you also sign up for many different responsibilities. The students make most decisions concerning their pages, it is our responsibility to get all the work done on time. We worked together as a team, more than as a class. That is what made being a member of the yearbook staff a great experience. Roman Grossrieder (94)

# FRENCH CLUB

The French Club in Paris in front of Versailles: (back row, L-R): Mr. Tramontini, Amber Crim, Lisa Whyte, Jane Poquette, LeeAnn Duncan, Jennifer Malak, Jenny Hardy, Kate Biggs, Grant Berakovich, Amanda Roth (middle row, L-R): Becky Whyte, Susy Turcott, Emily Teske, Libby Kutcipal, Julie Kinney, Erin Behan, Dan Corcoran, Mrs. Berakovich (front row, L-R): Amy McGarey, Lindsay Millard, Jamie Swarzfisher, Jenny DeCapua, Leah Furgeson, Jennifer Bodzick, Heather Gilbert.

The 93-94 French Club had an exciting year concluded by a successful trip to Paris, France. The club officers were: president: Amber Crim (95), vice president: Erin Behan (94), secretary: Susan Turcott (96) and treasurer: Jenny DeCapua (97). The year started with the annual French-Spanish volleyball tournament. From there, the French Club worked hard to raise enough money to send twenty-three students and three chaperones for a seven day stay in Paris. The fundraising included pie sales, can drives, and a first ever Friday popcorn sale. After careful planning, the twenty-three students flew to Paris to stay with host families living just outside Paris. In France, the French Club visited Mont-St-Michel, a cathedral four hours away and Chartres, a small town roughly forty-five minutes away, as well as many famous monuments in Paris such as the Eiffel Tower, the Arc de Triomphe and the Louvre. The trip was a success and everyone enjoyed their time in France. Amber Crim (95)

Above: This year's club officers were: (L-R) Anne Murphy (94) — treasurer, Andi Glaser (96) — president, Sarah Liebler (96) — vice president, Brandi Lewandowski (96) — secretary.

Left: Spanish Club members were: (L-R) Mr. Esterline, Audrey Church, John Pickarski, Julie Platte, Carrie Fawcett, Amanda Guess, Katie Klymeer, Christina Clacko, Mr. Machesney.

The Spanish Club did many fun activities this year. A night out at LaSenorita and cooking Mexican cuisine were two of the favorite events. The club members also made pinatas and participated in a scavenger hunt. The club did some fundraising activities including a car wash and a candy sale. Next year, the club hopes to take a trip to a Spanish-speaking country during spring break. Mr. Esterline

# DEBATE AND FORENSICS

The PHS debate and forensics teams both had highly successful seasons once again this year. They swept the district and regional competitions with decisive victories over their competition. These wins enabled the debate team to travel, for the second year in a row, to state finals where they made the quarter finals.

In Forensics Petoskey ended up having five state qualifiers after a long competitive season. There were many individuals winners at the various levels as well as team trophies from several invitationals.

The debate and forensics teams are coached by Mrs. Elece Howard.

# Foreign Exchange Students

These were our foreign classmates this year: (L-R) Karin Larsson, Karin Florman, Roman Grossrieder, Stephanie Moureaud, Katsura Nakagawa. Like every year, exchange students come to Petoskey from all over the world, they leave their home countries for a year to live in a more or less different culture. Another goal for them is to learn English and to be able to fit in the new environment. The 93-94 exchange students got involved in all kinds of sports and activities and they seemed to fit in well and enjoy their stays. For myself, I can say that I had a great time in Northern Michigan and that I enjoyed being an exchange student at PHS. Keep in touch with your foreign friends, write them and let them know what is going on in the good old U.S. Roman Grossrieder (94)

# SNOWCOMING

Snowcoming this year was a great success. The POSSE club was the sponsor of this year's dance and spirit week. The dance's theme was Sadi Hawkins and the girls had the opportunity to ask their favorite guy to the dance. The dance was country style and held in the high school gym. POSSE worked hard to create a full country effect by building a barn in the gym. Spirit week added the final touches to a fun filled week.

Braden Graham was the first to the gum, but can he chew fast enough and blow a bubble to win?

The 1993 Petoskey Varsity Football Team experienced many hardships over their nine-game season. Winning, however, was within Petoskey's reach every time they took to the field. Finishing with a record of 3-6, the varsity accomplished a majority of their pre-season goals. The Northmen managed to keep every game close and lost only one game by more than seven points. Coach Dave Farris was proud of his players and commended them for their noble efforts. Leading the Northmen in tackles was Don Thorn (95) with 96 tackles (65 solo tackles) and three-time letter winner Jon Kallio (94) with 90 tackles. On the offensive side, Jason Brecheisen (95) passed for 8 touchdowns and Jake Villemure (95) ran for over five-hundred yards and five touchdowns. Special teams were led by Mark Bost (94) and Dan Marben (94). All-Conference honors went to Jon Kallio (94) and Dave Keller (95), both 1st team defense, and Dan Marben (94), Don Thorn (95), Jason Brecheisen (95), Earl Flynn (95), and Jake Villemure (95) received All-Conference Honorable Mentions.

# Freshman & J.V. Football

The 1993 Freshman Football team, under the leadership of head coach Jeff Greene and asst. Coach Weston, finished with a successful record of 2-4-2. The offense was led by quarterback Tyler Swenor while the rushing yards were primarily left up to Ryan Chamblee, and Joe Wannacott. Matt Bride, Shawn Worden, and Eric Fettig led the team in receiving yards and touchdowns. On the defensive end leading tacklers were inside linebackers Matt Bride and L.A. Vanliew, defensive tackle Keith Bromely, and free safety Joe Wannacott. The team dropped the first 2 games of the season to Ogemaw Heights and Cadillac but tied Pellston's JV team on a controversial call at the goaline when Petoskey was about to score. The freshman finished up the rest of the year by losing to Bellaire's JV, Cheboygan's freshman team, tied Gaylord in 0-0 defensive struggle, and beat Sault Ste. Marie and Central Lakes JV team. Co-captains were Tyler Swenor and Joe Parker.

The 1993 J.V. Football team was another successful one. The young Northmen went 5-4 and were coached by Steve Ross & Mike Greene. The Northmen's passing attack was led by Adam Wells. The running game was highlighted by Jesse Sprague. On the offensive line Nat Chingwa, Willie McWatters, and Travis Standish all worked very well. Defensively McWatters, and Brad Conklin were the dominating forces. Casey Stradling was also a key defensive stopper. The northmen's exciting season was highlighted by a shutout win against Cadillac.

The golf team had another good season this year with a winning record. They achieved most of their goals by placing highly in all invitationals including a first place class B finish at the Traverse City Invitational. The team placed second in the conference finals led by Kevin DeGroot and Jim Reid who were named all conference. At the end of the season they finished second in their league, only a half of a point behind rival Gaylord. Despite strong scores by Joe Beattie and Kevin DeGroot, the team missed going to the state finals by two teams finishing fifth out of the twenty team competition. Lettering of the squad this year was Jim Reid, Kevin DeGroot, John Likins, Joe Beattie, and Braden Graham. The golf team is looking forward to next year when all but one varsity golfer will be returning. The team is also looking for support from Bryan Watt and Jason Barr who both were strong members of the J.V. squad this season.

Megan Grannis looks ahead to pass another winner.

Kelly Smith rounds the corner to the finish line.

The Cross Country season began with Wednesday fun runs, a week at Camp Daggett which included two training sessions a day, and a nine mile run from Camp Daggett into the first football game. The team was dominated by upper classmen, with only three under classmen, all freshman. Five of the top runners will graduate leaving 12 returning.

The girls started with a European-style meet, it included jumping hurdles and hay bails, and running through knee deep mud holes. The season ended with a 5th place finish at the state meet. In between they ran in 7 invitationals, 2 dual meets, and in one quad meet, achieving many personal and team goals.

Varsity placed 2nd at the Regional meet qualifying them for the state meet. Kelly Smith won the race and was named All American. Other medalers were Kalbfleish, Grannis, and White.

After weeks of practice and mental preparations the girls were ready for the State meet. With strong finishes from the whole team, they placed 5th.

Jaya Brossard, Kim Farrimond, Jessica Kalbfleish, Julianne Shuman, and Mary Carolan prepare for the Ludington Invitational.

Tina Eaton starts the race with a strong pace.

Andy Algur looks ahead for the finish.

Brad Smith passes Gaylord's runner.

The 1993 Boys Cross Country Team season marked a year of new beginnings as the team's numbers doubled as thirteen new boys came out, setting a record high of twenty two members. In addition only three of the teams top seven runners from last year returned. This young team, however, will grow and work together, steadily improve and reach many of its goals.

While the team was not only a contender at some invitationals, they became a force in conference competition, winning several meets and coming in a close second at many others. Throughout the season many boys significantly lower their times and achieved many of their personal records. As the season drew to a close the team came in third at the conference meet with Brad Smith (94) earning All-Conference honors. The team made its final appearance at the regional meet where it improved over last year's finish coming in tenth place, just fifteen points out of fifth place.

Overall the season was a very positive one and with only two seniors graduating the Boys Cross Country Team will definitely be a power in the up coming seasons.

This years Tennis team had a hard year trying to fill the empty positions. Many of the girls went to a week long summer camp and attended practices held by coach Langs and Coach Thompson. Coming into August the team was still undecided. The beginning of the season was very challenging but everyone pulled through and improved greatly. Heading into Regionals the team was unsure of what to expect. Everyone was hoping to get to states, unfortunately so did the other teams. It was quite a battle and Petoskey was left a couple of points behind for state qualifications. Still it was a very challenging, very busy and a great season. Congratulations on a great year.

Rachel Brown (96) puts it up strong for two!

Emily Teske (95) is no fool. She knows where the basket is.

This year's Varsity Girls Basketball team started off a great season at U of M's team camp early in August. The young team consisted of only one senior, nine juniors, and two sophomores to begin the season. Midway through the season Mary Brecheisen and Amber Corneillie were welcomed onto the team. The group all pulled together for a very successful season. Finishing 12-8, they ended the season with the best PHS Varsity Girls Basketball record since 1982. In addition to their record, they went out with a victory at districts over Gaylord 54-44. A difference of one point kept Petoskey from capturing the title against Cheboygan at district finals. Rachel Brown was picked to be on the first team all conference and all conference honorable mention awards went to Emily McDonnell and Emily Teske. Coach Matt Tamm is looking forward to another great year next year. Everyone except Meganne Hausler (94) will be returning.

## Freshman Basketball

This year's Girls Freshmen Basketball team started out with a bang. Their determined attitude and hard work paid off with the best Freshmen Girls Basketball record ever: 16-2. Coach Charlie Wilson led the girls to a great season. Even though some of the games were close, the fans were never let down. Their effort & spirit really showed off when they pulled off the Traverse City game by one point. When people think of the Freshmen team, sportsmanship is what comes to mind.

Here are quotes from two of the team members. Andrea Cunningham, "when we slacked off in practice, it really showed in the games, then we strived harder & hustled in practice, the outcome was much greater, and we were proud." April Johnson adds, "we all had patience, and it pulled off in the end."

## J.V. Basketball

Anna Pellum (96) concentrates on her form, while Kristen Larson (96) looks on.

The 1993 J.V. Girls Basketball team had an outstanding season this year. Our season resulted in a 16-4 record. Although we had many blowout games, we also had some heart-stoppers, too. Our hard work and dedication proved that we were the best. We earned the recognition of League Champs with a record of 9-1, and our lone loss was to Cheboygan. Since we have a great deal of talent on the team, we will certainly be even better next year. Everyone is looking forward to next year and being on the varsity team.

# BOYS' VARSITY BASKETBALL

The 1993-94 Northmen basketball season was filled with a number of highlights as the Northmen charged to an 18-4 campaign. The school, the team, and the community had high hopes for the season. With four seniors, Dwayne Harrison, Dave Taratuta, Frank Holzchu, and Jason Black all returning from the 92-93 season, plus juniors Jeremy Huffman and Kevin Degroot, adds up to a very experienced team (Plus the incoming juniors, and one newcoming senior Dan Welch). This would prove to be a promising lineup for a fantastic season.

Final Record (18-4)

Frank Holzchu swats away another shot from a Rudyard opponent.

Dwayne Harrison dazzles the crowd with yet another fantastic move to the basket for two more points.

Jason Black rises over a defender for the shot against Boyne City.

Dave Taratuta glides past a Boyne City defender for two more points.

The Northmen started off the season with a bang, winning the first ten out of eleven games. One of those games was a victory over undefeated Grayling. After this eleven game stretch the Northmen, despite a strong effort by the entire squad, lost a heartbreaking conference game to St. Ignace. A few games later the Northmen faced a strong Class A, Traverse City team whom Petoskey had not beaten in 18 years. The Northmen stormed in defeating the Trojans by one point in overtime, when Jeremy Huffman hit two free throws to win the game. Next, the Northmen got their revenge by beating Boyne City, who had defeated them earlier in the season. Then for the first time in five years, Petoskey defeated the Cadillac Vikings twice in the same season. The last regular season home game ended up in a heartbreaking overtime loss to St. Ignace.

The next step of the season was the district tournament. Cheboygan was the victim of a 61-50 victory for the Northmen. The Northmen then faced Grayling in the district finals. Grayling ended the Petoskey season in a heartbreaking loss for the Northmen.

The Northmen were lead by senior forward Frank Holzchu, and junior guard Kevin Degroot and guard/forward Jeremy Huffman. Strong rebounding came from senior Jason Black. The defense was paced by senior guards Dave Taratuta and Dwayne Harrison.

Though Petoskey did not win the conference title, or the district title they still had a terrific season. A number of juniors are back next year for another great season. Though not accomplishing some of these goals, the Petoskey Northmen put together one of the best seasons in PHS basketball history.

# FRESHMAN & J.V. BASKETBALL

Coached by Charlie Wilson, the 1993-1994 Freshman Boys basketball team ended the year with a 6-11 record. Though this record might not compare well to freshman teams of the past, this record indicates a large step towards improvement from an 0-22 record in their last middle school season. Tyler Swenor led the team with a consistent double double, game in & game out. Additional scoring came from Shawn Worden, Matt Bride, Eric Fettig, & Garret Wright. Swenor also led the team in rebounding along with Worden, Fettig, Grant Berakovich, Pete Foltz, Ryan Rosevear, & Josh Wyss. Defensively the team was led by Ryan Chamblee, Swenor, Worden, Matt Glaser, Steve Cole, Mark MaGeath, & Greg Gerhardt.

Northmen 1993 - 94

The 1993-1994 Boys J.V. basketball was another successful season for head coach Matt Tamm. Coach Tamm inspired the squad to an exciting 16-4 season. The young Northmen were led by Mark McClutchy. The inside game was highlighted by center Adam Wells. Tim Hoover, Phil Clacko, and McClutchy established the perimeter game, while Dana Andrews led the defense. Their season was highlighted by big wins over Traverse City, and two over Cadillac.

# J.V. AND FRESHMAN VOLLEYBALL

Sarah (97) sets up the ball.

Kim (97) Spikes the ball as the team covers.

The J.V. team, led by co-captains Emily Niswander and Wendy McCoy, had a good season. Made up of five returning sophomores and seven freshman, the team ended the season with five wins and five losses, not including tournaments. In the Kalkaska tournament the team placed third out of eight teams, higher than ever before. With very few character conflicts, the team had a great season.

The freshman team was a new addition to the volleyball program. This being their first year they were a club, but if interest is as high in up coming years the club will be considered a team. Although their record did not show it the girls learned to play as a team and improved their skills a great deal. Area J.V. teams were great competition for the girls. On their last night they won their last game ending on a positive note, even though they lost the match.

# GIRLS' SKIING

## STATE CHAMPIONS 4th YEAR!

### GIRLS' SKI TEAM

"I would rather look ugly and win, than look pretty and lose, Hey T.C.!" Following this code, the Petoskey Girls' Ski Team raced to a Conference title as well as their fourth straight State Title. All season long the team was in fierce competition with the Traverse City Girls' Ski Team, winning some of the meets and bowing to T.C. in others. The All Conference team included Libby Kutcipal, Jennifer Crockett, Jaime Johnson, Courtney Johnson, and April Johnson. The team won the regional with a nearly perfect score, almost 100 points ahead of runner-up Harbor Springs. The State Meet was very tense because the team was eight points behind after the morning event. Led by the one-two punch of Libby Kutcipal and Jennifer Crockett, the team came out on top in the State Meet. In the slalom, Libby Kutcipal was the individual champion and Jennifer Crockett was the runner-up. Crockett, Kutcipal, and Jaime Johnson all were named to the All State Team. Other contributors in the State Meet were Courtney Johnson, April Johnson, Erica Smolinski, and Sarah Liebler. The B team also had a successful season as they ran neck in neck with the Traverse City B team. We expect to see these B team members as a future State Champion team.

## BOYS' SKI TEAM

The Boys' Ski Team had another successful season. All season they tried to catch the unbeatable Traverse City Team. In the conference, several boys were named to the All Conference Team. These included David Phillips, Adam Olsen, and Nick Tierney. Tough competition from Harbor Springs and Charlevoix prevented the boys from competing in the State Finals. Adam Olsen and David Phillips did qualify for the State Meet as individuals. Though the team did not make it to the State Meet, they were undoubtedly one of the finest teams in the state, and they had a very good work ethic. The boys' B team made leaps and bounds from the beginning of the season, achieving many personal goals. We can only hope for great things in this team's future.

The Petoskey wrestling team, under the direction of Coach Ray Arthur, had yet another outstanding season this year. After graduating eleven of thirteen starters last year, the Northmen obviously had a tough season ahead of them. With seven sophomores, two juniors, and only four seniors, this year was viewed by many as a rebuilding year. However, with some dedication and a lot of hard work the Northmen surprised many by finishing with a 20-5-1 overall record and adding a fifth straight district title to the wrestling banner. Many athletes on the team also had success as individuals. Four wrestlers qualified for state competition this year: Cody Jonecheck 112 lb. sophomore, Jesse Sprauge 125 lb. sophomore, Don Dunkel 103 lb. junior, and Josh Lamb 135 lb. senior.

# BASEBALL

The varsity baseball squad had a very successful season this year. They secured twenty-three wins and only ten losses. Many goals were achieved including having twenty or more wins, winning the Petoskey Invitational, and clinching the conference championship. "We had a great season and I enjoyed working with both coaches. I am looking forward to next year." (Don Thorn '95) The season wound to an end after losing to Sault Saint Marie in the district finals. The Northmen beat Cheboygan to advance to the finals, 3-0.

# GIRLS' SOFTBALL

The softball team had a terrific season this year. They accomplished their goal of twenty wins. This was a tremendous improvement from the year before, when the team only won six games. Although dropping the first game at districts, the girls played hard and never gave up giving their best. The team grew together and not only became teammates but they also became close friends.

This year's track team had a successful season, five school records were broken. Jen Crockett 17.04 in the 100 high hurdles, Kelly Smith 453.5 in the 1600m, 59.3 in the 400m, 2:12.7 in the 800, and state records in the 1600m with a time of 4:48 and in the 800m with a time of 2:12.19, Emily McDonnell 51.4 in the 300 hurdles, and Racheal Brown tied the high jump record at 5 ft. These were not the only highlights of the season. Many consistently lowered their times, threw longer, and jumped higher, as the season progressed. The best part of the season was the Conference meet, the girls came from fourth place in the middle of the meet to win the meet by 2/3 of a point. Five girls made it to state, Racheal Brown, Amanda Farris, Kelly Smith, Christina Williams, Sabina Kallio. The team was very young with only four seniors, Erin Vows, Carrie Montel, Megan Grannis, and Kelly Smith. There is a hopeful outlook for next year's team.

The '94 PHS girls' varsity soccer team kicked off a great season. Besides gaining a new official J.V. program, the girls' team also gained a new coach. Coach Scott Batchelor led the team to many victories including a first place finish in the Petoskey tournament. Another outstanding performance came with tying Traverse City's varsity team, and winning two district games to make it to district finals.

Although the team is losing seniors Libby Kutcipal, Katie White, Shannon Seldon, and Maggie Caird, the future of the PHS team looks promising and very exciting.

Social Studies is one of the general subject areas that a student needs to take to graduate from PHS. Three years are required and most colleges require at least that many at their freshman entrance levels. Classes such as American Government, U.S. History and World Geography can greatly expand a person's knowledge as well as their social and economic awareness.

The math department at PHS is tremendous. Students are able to take everything from Fundamentals of Math to Advanced Geometry. Even though only one year of math is required for graduation, most students take more than that and many students take four years. After graduation, Petoskey math students are more than qualified for whatever comes their way.

# ENGLISH

English must be one of the hardest classes to teach. All the students think they know everything they need. Yet our teachers make it interesting and the different classes make it fun also. There is an English class for everyone, from basic English to Forensics and Speech. PHS's Journalism let's us have the school paper the *Blue and White*. Trying something new next year, Yearbook will become a class, hoping to give you another English possibility.

Grasping the science world can be not only challenging but rewarding as well. Explaining everything from the nucleus of an atom to the patterns of the solar systems, science teachers pursue student understanding. The hands on trend in learning not only gets students involved, but helps them use the knowledge available to them. Whatever their scientific experiences, students can go away from P.H.S., with a strong background in all scientific fields.

Drafting, electronics, wood shop, metal shop, auto mechanics, cosmetology, and commercial foods are a few of the classes offered at P.H.S. Some take these classes simply for the experience and knowledge, others use them to find out different job opportunities that are related.

The library department gives the students the opportunity to get a better education being open from 7:30 a.m. to 4:30 p.m. The computer system in the library has a new program on it. The new program gives students the opportunity to get information from NCMC and other libraries. The PHS library is a great way to expand your horizons.

## GYM

Gym is lots of fun. There are several different types of classes for students to take. Such as Freshman P.E., General P.E., Athletes P.E., and Advanced P.E. Gym is a great way to keep physically fit.

# PROM 1994 "WONDERFUL TONIGHT"

Prom was held at Club Malibu on April 30th. Before attending the dance many ate at a nice restaurant or had a candle light dinner prepared by their parents. Everyone had a great time and made many memories.

Kyle Hall, Jeanine Stout, Derek Neumann, Maria Harrington, and Greg Garms entering the dance with a grin.

Brad Seppala and Jill Bimel lookin' pretty.

Megan McDonald and Jason Brecheisen smile for the camera.

Jackie, Rose, and Amy take time off from softball.

Adam Olsen and Nik Tierney clean up well!!!

A bevy of beautiful girls.

Ahmyr Masci and Jessica Masek looking good for the prom.

Dressed up and ready to dance the night away.

Jodi Dunshee and Megan McDonald smile for the camera.

Hula hooping after dinner.

# CEDAR POINT OR BUST!

The senior class once again this year traveled to Cedar Point for their trip. The buses left the high school at 1:00 a.m. on June 10, 1994 and returned the following morning. A great time was had by all and many memories were made.

# Class of ... 1994

*Graduate verb; 1. To grant a diploma or degree to.*

*2. To receive a diploma or degree indicating completion of a course of study*

Graduation took place at 8:00 p.m. on June 16, 1994 at Voorheis Hall in Bay View. The senior class loaded the buses at Petoskey High School and made the trip to graduation with their classmates. The speaker this year was Mrs. Babs Kutcipal. Dr. Ronan and members of the Board of Education passed out the diplomas. The Chamber Choir sang for the graduates one last time and the band lead the ceremonies with Pomp and Circumstances. Although bitter-sweet, excitement and a sense of accomplishment was evident throughout the evening. Best wishes to all the 1994 Petoskey High School graduates.

# FIESTA

## '94 All Night Senior Party

The senior party started at 11:00 p.m. and lasted until morning. There was an abundance of activities to participate in and door prizes were distributed throughout the evening. Seniors took part in lip sync contests, virtual reality games, bowling, dancing, and "mucho" eating. Everyone had a great time and will long remember their last senior party.

*You are here for a purpose. There is not a duplicate of you in the whole wide world; there never has been, there never will be. You were brought here now to fill a certain need. Take time to think that over.*
