1 *These Are The Days*
Opening

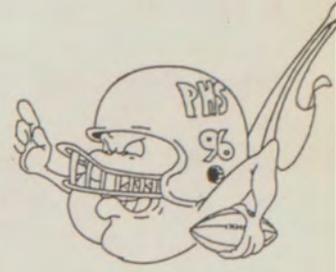

We are the music-makers,
And we are the dreamers of dreams,
Wandering by lone sea breakers,
And sitting by desolate streams;
World-losers and world-forsakers,
On whom the pale moon gleams:
Yet we are the movers and shakers
Of the world forever, it seems.

Arthur O'Shaughnessy

Music, sweet, sweet music;
there's music everywhere!

These are the days;

These are the days of friendship and fun, of work and play, and of good times and bad times. As another school year at PHS comes to an end, despite everything, we will look back on these days as a melodic memory in the symphony of our lives.

Music heard so deeply
That it is not heard at all, but you are
the music
While the music lasts.

Kristen and Katie were the winners for blue and white day during spirit week for Snow Coming 1996.

These are the days that we will always remember; our high school days at P.H.S, from the excellent academics, to the great sports teams. This year we saw the athletes excell to another level by winning three state championships; boys' soccer, wrestling, and girls' skiing. The boys' basketball team made it to the Quarter finals, which was the farthest since 1977 and the girls' cross country team made it to the state meet.

The Freshmen are finally finding their way around the school and learning the ins and outs of high school life. The Sophmores are beginning to get their drivers' licences and trying to control the streets. The Junoirs are well adjusted to everything from school rules to the personalities of various teachers and are now simply waiting to become the "Kings" of the school. The Seniors are counting downto their big day of **graduation**. Leaving the school as legends in sports as well as legends in the classrooms, the seniors will never forget their days at P.H.S.

This year was another interesting year at P.H.S. From the banning of the screw top pop bottles to the new disciplinary enforcer, Mr. Donlan, we were all kept on our toes. In School Suspention, or I.S.S. was also new this year. Instead of the students being off school grounds they spent their time in a room completing assignments. Some students thought this was better for the students because the teachers get their work and the students have a chance to keep up with their assignments.

All of these factors make Petoskey High School the place to be.

The Snow Ball of 1996 was a smashing hit. Students were involved in a week long, high energized, spirit week. Many of the PHS students dressed up for P.J. day, Harley day, Crazy day, and Blue & White day. The students also decorated each hall. The senior class took first place, the sophomore class took second place, and the junior class took third place. The freshmen class finished with fourth place.

Friday night the court walked out escorted by either their mother or father. The crowning was held at the dance on Saturday night. The King and Queen were Nick Terney and Jamie Hoggard. The Prince and Princess were John Schwall and Meggane Kallio.

The Marching Northmen

1995-1996

The Marching Northmen had an outstanding season. The horn and drum line won many awards. The color guard this year also proved to be outstanding by breaking a long tradition and winning an award at Jenison. The color guard has come a long way and they have struggled to perfect their show, but in the end they pulled it off with a great year.

The Marching Northmen went to several competitions and two exhibitions. One competition was in Grandville and another was in Hastings where they brought home second place. The last competition was at Jenison where they were awarded first place in M&M, drum line, horn line, and color guard. They also went to two exhibitions; one in Traverse City and the other at Kentwood.

The Marching Northmen also had a great advantage this season; brand new uniforms. The uniforms were very expensive but they were needed and are greatly appreciated. Thank you to everyone who helped the Marching Northmen have a very successful season and good luck to them in the future.

MAKING MUSIC IN

Below; Angela and Rachael. Above; The Wind Ensemble takes time out of their busy practice to pose for a group shot.

The Wind Ensemble and Concert Band season started off great by receiving straight ones at the District Band Festival which was held in Petoskey. Both bands played a wide variety of music from classical to tribal African music. Also, during their Spring Concert they had a packed house that cheered them on throughout the entire concert. All in all both bands had a great year.

Homecoming: A Smashing Hit!

Go Blue! echoed through the stands as the Northmen led Petoskey to a 24-19 victory over the Gaylord Blue Devils. The game was one of the highlights of the week. Touchdowns were scored by Matt Bride, Tyler Swenor, and Marty Joslyn. The entire team, however, worked together to achieve this victory.

Many students turned out at all of the festivities. Seniors won the float contest with their "BBQ the Blue Devils" theme, and the Freshmen came in second. This year's spirit week winners were Melissa Rash, Jason Bock, Nick McGuiness, Jamie Hoggard, Dave Graham and Andi Glaser.

This year's Homecoming Court consisted of a great bunch of students. The candidates were Dana Andrews, Mary Kathleen Brecheisen, Gregg Fettig, Courtney Johnson, Cody Johncheck, Sabina Kallio, Mark McClutchy, Kate Biggs, and, our King and Queen, Adam Wells and Sarah Liebler.

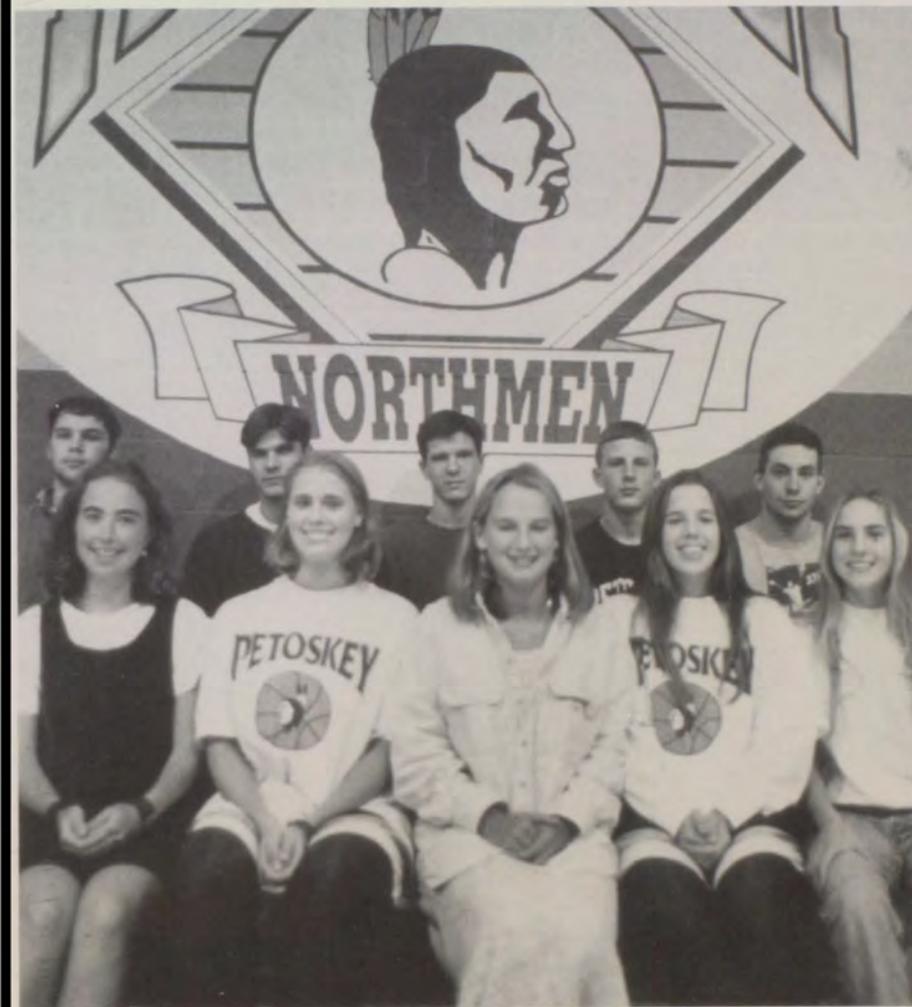

The dance was also a complete success. Music was provided by Harvest Moon while the decorations provided a spirited setting.

All in all, this years Homecoming activities were fun filled and exciting. With Petoskey's powerful victory under its belt, everyone was full of enthusiasm for the whole weekend.

Petoskey Madrigals

The Madrigal Singers have once again completed a very successful year. Receiving a 1 rating at District Choral Festival, they were the only choir participating that got perfect scores. The girls also combined with the Belles choir, helping them receive a 1 rating. From the first day of school, they worked intently on learning the new music, and blending for the mature sound they eventually produced. In early October, they had the honor of singing with other top choirs in the state at Michigan State University. Their hectic Christmas schedule took off in late November and kept them very busy while performing for dinners at the Perry Stafford Hotel, Audie's in Mackinaw City, and the Rowe Inn in Ellsworth. Above their musical gains, they've gained many friendships and memories that will last a lifetime!

Chamber Choir Belts Out Another Good Year

The first day of class is always nerve racking. For some, it was a first look at what the Chamber Choir would become. Students from each grade were thrown together in one classroom with one thing in common; music. Some had been in Chamber Choir before, but for others it was the first time. Miss Waterson was new to the school, and no one knew what to expect. From the first time singing together they knew they had their work cut out. Their first piece of music took them weeks to learn. However, within three weeks they preformed in the fall concert. Many people were impressed with by how well they did with so little time. By the time the Christmas concert rolled around, learning music had become easy and fun. "We not only learned to sing together, but to sing with emotion" said Michael Shirilla. They had a very sucessful year by receiving a division II rating at the district festival in Traverse City. Great job Chamber Choir and Miss Waterson.

Petoskey Belles

From seniors to freshman, the rockin' sixth hour class of Belles consists of a variety of hand-chime ringin' gals. Instructed by Miss Waterson, seventeen girls sing while ringing hand chimes in this elite all-women's choir. From going to see "Joseph and The Amazing Technicolor Dreamcoat" to the crazy weekend at Camp Daggett, the Belles perform with a fun, energetic attitude and a mature sound of excellence. Concerts for the Belles included a fall, Christmas, spring, and Valentine's Day dinner at the Perry Hotel.. It's evident that this all women's choir has shared many happy memories. As Haley Smolinski put it, "Even when we're apart, we're together!"

On an island in the South Pacific during W.W.II, Nellie Forbush (Meggane Kallio) a young Navy nurse from Little Rock, Arkansas, meets and falls in love with a gallant, middle-aged, Frenchman, Emile de Becque (Grant Berakovich). Also stationed on the island are a group of restless sailors, seabees, marines and a Tonkinese dealer, Bloody Mary (Monica Haynes) and her beautiful daughter Liat (Lindsay Millard). On the island Bali Ha'i, Liat falls helplessly in love with the handsome Lieutenant Joseph Cable (Nick Tierney). Nellie, confused about her feelings, decides to play it safe and announces steadfastly, "I'm gonna wash that man right outta my hair!"

But Emile convinces her of his love, and when he invites her to dinner at his home so his friends may meet her, Nellie accepts and has a wonderful evening. At the same time Joe Cable, despite his deep love for Liat, is caught in a trap of his own prejudices and, decides he cannot marry her. Both Cable and Emile are feeling recklessness of lost love, and with that recklessness comes the willingness to take greater risks. They embark on their spy mission to a neighboring island. Eventually they are discovered, however; Cable is killed, and the radio contact is cut off. Nellie is faced with the sudden realization that she might have lost Emile. She put her feelings aside and decided to help with the care of his children. Emile returned home on surprise notice and is reunited with his children, and with Nellie.

Prom '96

With the music of the Dopes to dance to, the students at PHS's prom enjoyed the Mardi Gras atmosphere. Most couples began the evening with dinner at some of the area's finer restaurants ranging from Big Boy to the Pier. Afterwards, students arrived at Nub's Nob for the dance and were greeted by doormen Eric Leibler and Matt Behan.

Friends welcomed each other in the spacious lodge, pausing in conversation long enough to enjoy the vast arrangement of hors'd'ouevers and desserts offered. Mary Brecheisen summed up the night in four short words, "Prom was a blast!"

Student Council

This year the student council made some changes and reforms to become a more effective organization. Led by president Wendy Sobleski, the group meet weekly at 7:00 a.m. The council worked hard to form many new committees such as recycling, a service committee, and a welcome wagon committee. On top of that, the traditional student council events were very successful; Prom was a night of celebration and Homecoming was a blast. At the end of the year, the council worked hard to rewrite their constitution so they would be even more effective for years to come.

HOSA

HOSA: Health Occupations Students of America had another exciting and eventful year.

Regionals were held on March 16th at Gaylord High School. Everyone that participated in Regionals qualified for States which were held on April 21st through 23rd in Kalamazoo. At States the HOSA Bowl team, consisting of Jenni Kanine, Dana Andrews, Nick Tierney, and Wendy Sobleski, placed 1st. Stacy Parent placed 2nd in Medical Terminology. These students qualified for National competition held in Chicago on June 25th through 30th.

Visual Arts

Under the direction of Mrs. Margaret VanWagoner, some wonderful products were produced by this year's art classes. The students worked with all the various art mediums from pastels, to oils, to clay, and numerous other art forms. Many students made jewelry, glass etchings, silk paintings, and murals. The culmination of this year in art was the annual K - 12 art show that was held in the PHS library, foyer, and cafeteria.

French Club.. Meets France

The Petosky French Club, under the capable direction of Mr. Tramontini, had an exciting year. The club had many fund raising activities this year in order to help finance their trip to France. The pumpkin pie sale at Thanksgiving time was once again a huge success. Ten students, and three chaperones, made the trek to France over spring vacation. A great time was had by all.

STAT CLUB

This year's 1995-96 wrestling stat club was kept quite busy due to the tremendous success of this year's wrestling team. The girls had a blast cheering on the members of the wrestling squad as well as keeping up with all of the statistics. The stat club members traveled to most of the meets this year to watch our guys in blue win. The stat club members are looking forward to another great year in 1997.

FFA

FFA, Future Farmers of America, is a national, state, and local organization for students interested in agriscience, agribusiness, and production agriculture.

This years FFA members, under the guidance of Mrs. Becky Scholl participated in a variety of activities throughout the year to help to finance their trips to local, regional, and state competitions. Not only does PHS have outstanding sports teams but it has outstanding clubs, like FFA, also.

Nicole Knapp, Kristen Robbins, Abby Graham, Holli Jepsen, and Mrs. Scholl show off their award.

SADD

The SADD chapter stayed very busy this year with numerous activities. The chapter members passed out red ribbons to community members during the downtown Christmas openhouse. They also spent prom week promoting drunk driving awareness by having a casket on display, passing out money for phonecalls, and enlisting the crash test dummies, Larry and Vince, to visit PHS. Their final activity was attending the state SADD conference in Belllaire.

The group was led by Mrs. Stasha Simon.

DECA

DECA, coached by Mr. Larry Gunderson, had another fantastic year! Eleven PHS participants made it to the state competition with three students, Trevor Gunderson, Trevor Bryan, and Steve Spsychalski, making it big at state. Trevor Bryan and Steve Spsychalski went on to qualify for national competition held in sunny Florida. There are numerous ways to participate in DECA. Some of the events include; advertising, apparel and accessories marketing, finance and credit services, food marketing, quick serve restaurant, and marketing math. DECA, once again, made PHS proud.

Taking Care of Business

The Petoskey High School Business Club had a very successful year. Members of the club consist of President, Vice President, Secretary, and Treasurer. Even if you do not hold one of these positions each member is still an important part of the club. The Business Club participated in many activities such as the rose and carnation sales, candy cane and wreath sales at Christmas, and their biggest project was holding the "Nights In White Satin" fashion show. Earlier in the year the club participated in the Wizards of Wallstreet in Gaylord, MI. Wizards of Wallstreet was for high school students and it was a simulation of working in the stock market.

The Business Club earned money for their Chicago trip that was in late April.

The advisor of the club is Mrs. Judy Tuthill. She welcomes anyone into the club that is interested in computers and business.

The 1995-1996 Petosegan staff once again took on the gargantuan task of producing the yearbook. In trying to keep the price of the yearbook down so that the student body could afford it, they once again sold an abundance of advertising to offset the book price. This year the staff also sent out mailers to every student giving them the chance to purchase the book at a discounted price.

The 1996 Petosegan is once again filled with the highlights of the past school year--from the three state championship teams to the everyday activities that make PHS one of the best schools in the country.

The yearbook was laid out and designed using Pagemaker and student designed templates. It was printed by Josten's in Topeka, Kansas. The type styles used were Times and Times Italic. Gretchen Lucky was the advisor, Sarah Shaw served as the editor and the staff was composed of a great group of fun loving, hardworking PHS students.

Rich is proofreading intently.

Everyone enjoys the last edition of the paper.

National Honor Society

The National Honor Society was involved in many activities this year. Out of the forty inductees last year, only twenty-four were 1996 seniors. The first activity on the agenda was an M&M sale. NHS needed to raise money to buy flowers for the induction ceremony this year. They raised plenty of money and even had some left. Second on the agenda was the first blood drive. The Red Cross came from their Mitchell Street offices to help draw blood from 110 students. The Red Cross received 90 pints of blood. "It was a great success", said Mary Kathleen Brechesein. The biggest event, and third on the list of tasks, was the induction ceremony. This year 17 students were inducted in the spring, but only twelve will be around for next year's campaign. The ceremony went as smoothly as planned and Mr. Trudeau and Dr. Ronan both enjoyed greeting the new inductees. Dr. Ronan was this year's speaker. To be inducted a nominee must have at least a 3.3 grade point average and have four special qualities. They are: character, leadership, scholarship and service. The NHS members have already voted on next year's officers. These will be; Rosie Duggan - President, Tyler Swenor - Vice-President, Secretary and Blood Drive Coordinator. The final activity on the agenda was the final blood drive of the year. This one was as big of a success as the first one, but as Phil Clacko put it, "More blood was given this time and that was the main point anyway". CONGRATULATIONS TO THE NEW MEMBERS !!!

Front: Mary Kathleen Brechesein, Matt Bride 2nd row: Rosie Duggan, Becky VanSlembrouck, Kate Biggs, Wendy McCoy, Wendy Sobleski, Anna Pellum, 3rd row: Judy Radcliffe, Krista Hickman, Krissy Williams, Julie Stanhope, Zach BruinSlot, Courtney Johnson, Sarah Liebler top; Matt Walz, Carl Rochon, Andy Walz, Gus Morrison, Joe Parker, Nick O'Neill, Tyler Swenor. Debate & Forensics

It was a turbulent year for the debate and forensics teams this year due to the unfortunate illness of their longtime coach and friend, Mrs. Elyce Howard. Her dedication and commitment were sorely missed as others stepped in to help and fill her shoes. Mrs. Tina DeMoore went more than the extra mile in helping to teach, coach, organize, and transport the team. The team did exceptionally well under her tutelage and advanced to the state finals once again this year.

The forensics team also have a debt of gratitude owed to Mrs. DeMoore who took the reigns along with Mrs. Stoltz to keep forensics alive and well at PHS. The students traveled with Mrs. Stoltz and Mrs. DeMoore to several tournaments and competitions where success was once again the name of the game.

All of the students, and faculty as well, missed the guidance and expertise of Mrs. Howard but certainly made her proud by their dedication and success.

Front row: L. Millard, H. Wilhelm, R. Brown, K. Gustman Back row: J. Murray, D. O'Donnell, M. Barber A. Bielaczyc, L. Alofs, D. Willens, S. LaMont, S. Brown, L. High, M. Jaquith

Front row: R. Brown, K. Gustman, S. LaMont, L. Duncan, N. Groh, A. Clark, M. Rash, Mrs. Stoltz 2nd row: B. Compton, P. Schaller, L. Alofs, J. Stakoe, M. Friday, J. Murray, L. High, K. Zenor, M. Barber Back row: M. Jaquith, P. MacColeman, C. Steele, R. Smith, K. O'Neill

JUNIORS

Have you ever wondered what a day in the life of a junior involves? Picture this: the alarm rings between six and seven a.m. The snooze button is a juniors best friend. Before you know it it's eight o'clock. The idea of breakfast is tempting but time is limited so you grab a bagel or a Pop-Tart and head out the door to meet your ride. You drag your body to the car and head to school for a day of education. The first bell rings at 8:15 foreshadowing the 8:20 final bell that indicates the start of the school day. Between 8:20 and 3:10 your day is filled with classes, work, and socialization. When the bell rings at 3:10 you make your way through the crowded hallways to gather your possessions and rush to your next event. Juniors at PHS scatter to various activities; athletic practices, games, work, or home to chores and homework. Finally, you surrender to the feeling of drowsiness and succumb to the inevitable; sleep. In what seems like no time at all the alarm rings and the process begins all over again.

Now since you're not the picked on little freshmen anymore, what are you? You are far from having seniority, but you at least deserve a little respect. Some might think that being a sophomore is boring and there is nothing to look forward to because you will be stuck in the middle for the next two years. But, the PHS sophomores tend to dance to a different beat.

Many sophomores associate with juniors, seniors, and even freshmen. Many sophomores are on varsity teams and very involved with our school. Sophomores have one of the biggest sides in the pit and love to use every last bit of it. So, if you think being a sophomore is boring and mundane, take a look at these sophomores and you'll see you couldn't be farther from the truth.

It is always an adventure to start high school.. School life takes a different tune. As a freshman you are at the bottom of the academic and social rung once again. There are many questions running through your head. Will I get the classes I want and need? Will I be able to find my classrooms? Will I be able to sit in the pit? Will I survive the entire freshman experience? Just when you're beginning to think you'll never make it through this first year of high school things start to come together. The Children Are Our Future.

Faculty:

The teachers here at PHS are dedicated and determined to prepare students for the real world. Whether they are going to college or entering the work force, PHS students will be a step above the rest. Teachers provide a friendly learning atmosphere and make school as enjoyable as possible. "Out of the several schools I've taught at, PHS is definitely my favorite." -Gretchen Lucky, English and Speech teacher. PHS offers many varieties of classes such as Building Trades, where the students actually build a house, Yearbook, where the students design their own yearbook, and Health Careers, where the students learn about the human body and what they need for medical careers. There are tons of other classes offered that allow students to get hands on knowledge. PHS has a positive atmosphere and almost all the students who graduate have a successful career and a happy life.

Although lacking the experience of seniors, the golf team completed an 8-4 season. Beating Cheboygan, who led the conference, sparked a four game winning streak. Chris Chandler, Nic Bueby, and JonSchwall kept the team morale up all year long. "When other people were in the slumps, we were there to help them." said Jon. Coached by Lee Milner and Bradon Graham(assistant), the team finished 8th overall at regionals. Sophomore Nic Bueby qualified for the Class B state golf finals. "He just played his best golf on a day when the pressure was on, so to speak, and that is what it takes." Coach Milner said. "This is a good boost for the program because we have all those sophomores, and for Bueby to do it leaves the other guys saying, 'It can be done.' "- Coach Milner

With the entire team returning next year, the Northmen golfers will be tough to beat.

Hoping for a hole in one, Jon Schwall swings with all his might.

Varsity Football: Back to Back Conference Championships

This year the Northmen football team once again was picked to be a conference doormat. Even after last season's success, very few area coaches and fans believed that the Northmen could still be a contender in their conference.

Many people that believed this season could be nothing more than a rebuilding year for the Petoskey. They felt that this season's team didn't have last season's depth, experience, or size since it saw twenty seniors graduate, nearly all of which were key contributors.

These critics believed that the remaining thirteen seniors didn't have enough character, leadership, ability, or heart to lead the Northmen to a second straight winning season, or another Lake Michigan-Huron Shores conference championship.

But, from August 9 to October 27 practice went on with few mentions of the doubters' comments. Leaders quickly emerged from the senior class. Dana Andrews, Adam Wells, and Gregg Fettig were chosen as the team captains. A championship attitude returned to the Petoskey area.

The first two games of the season were losses to Ogemaw Heights and Cadillac, but the second home game against Sault St. Marie marked the start of the conference schedule, and a return to the winning ways so many of us have become accustomed to.

The varsity team fought its way to three straight conference victories over Sault St. Marie, St. Ignace, and Gaylord. And the Doubters began to be silenced.

The winning streak ended on the road with a heartbreaking loss to the Cheboygan Chiefs. At this point the Northmen were three and three, and still looking for some respect. A hard earned win against Rudyard the following week gained them this respect.

It can be safely said that this was a very special year for the school, team, and most importantly the players. They showed that they are legitimate contenders and a conference powerhouse. This year's team has also helped establish something special, a tradition. This tradition is about hard nosed football. Team football. Championship. We are proud to have shown all doubters that we did have the depth, the experience, character, leadership, and most importantly the heart to be champions. This is a tradition that will endure.

Congratulations to the Varsity football players on their second straight conference championship.

Junior Varsity; Moving on up

The JV team was coached by Steve Ross and Asst. by Mike Green. This season, the JV was lead by the outstanding play of Mitch Shuman who was the leading tackler and rusher. Quarterback Adam Foltz also had an

outstanding season, which included two 100 yard games. Coach Ross had this to say about the season, "As a whole, the team fought hard and ended the season with a winning record."

Freshman; Simply Unbelievable

Stephen Bartha checks the looks to the crowd for support.

This years freshmen had an outstanding season, with an 8-0 record. The freshmen team was so intimidating that they scared the Sault St. Marie Blue Devils from coming to Petoskey. This seasons team scored an amazing 325 points while only surrendering 36 points on

defense. This year the freshman were joined by new assistant coach Jaime Buchanon. The freshmen enjoyed having him as a coach. The junior varsity is looking foward to having you join next year.

State Champs!!

On a cold November day the varsity soccer team proved that they were the champions. In the second half and in over four inches of snow, the Northmen took over Mount Clemens Lutheran North's 1-0 lead to take their first soccer title in their first championship game.

Petoskey went on to defeat the Mustangs 3-1 with goals scored by Corey Cook (assisted by Trevor Huffman.) Matt Vandernald , and Charlie Matz (assisted by Matt Vandernald.)

The Northmen ended their season with a 16-6-2 record. Hard work and determination took them all the way and made them State Champions. Proving that; "There's a fine line between ice water in your veins and ice cubes in your shorts, but that is what it takes to be champions."-Paul Hayes.

The 1995 girls freshman team had an excellent season, finishing with a record of 12 - 5. They started out the season being 3 - 3 but, when they decided to buckle down and start all the quarters like the third quarter, when they were warmed up and ready to play. The girls ended up winning 9 out of the 11 remaining games. To show how much they wanted to win the girls went back to beat all the teams they lost to, except Charlevoix, who held tough against them. One of the team's goals for next year is to come back and beat Charlevoix.

The J.V. girls finished their season with a winning record of 11 - 9. They had a lot of trouble during the season. For example: "At the game in the Sault, six of our players were taken out of the game because of injuries." Sara Corneillie. The girls had a strong finish at the end of their season when it counted. Coach Terry Wright was a rookie this year and she did a great job pushing the girls to do their best. The girls are looking forward to playing ball next year.

10-0 "Tough"

It was another spectacular season for the girls' varsity basketball team coached by Matt Tamm and assistant coach Cindy Okerlund. The girls' winning season included twenty wins and two losses, and a conference title (10 - 0).

With their tenacious defense, the girls swept the first seven games from their opponents. The first and only loss of the regular season was to the Traverse City Trojans. The final score was 34 - 35. "The game could have gone either way. It was TC's luck that they were ahead when the buzzer went off." Mary Brecheisen.

The girls continued their winning streak by consistently working hard and hustling. During a triple overtime breath taker against Sault Ste. Marie, Petoskey won by one point. Brandi Lewandowski hit key free throws, while April Johnson assisted Rachael Brown for the winning basket. Not only did the girls play the opposing team, but it appeared they played against the referees and the official score keeper, who 'accidentally' gave the Sault an extra point. It was a long game, but the girls never let down their guard.

Moving into district play, Petoskey stomped on the Sault to advance to district finals. They encountered their second devastating loss when they played Gaylord in the district finals.

"We worked together through all the rough times and became very close. I will always remember my teammates and coaches as dear friends." Amber Corneillie

These girls made history that the school will never forget. With outstanding coaches and twelve determined girls, the Girls' Varsity Basketball team ended with an outstanding record and many memories and friends to take with them in the future.

Thanks for all the great memories, girls!

Cross Country:

Both the boys' and girls' cross country teams ran to many victories this year. The boys' varsity had only five steady spots instead of the usual seven. These spots have been filled by Steve Cole, Andy Walz, Dan Glaser, Matt Glaser, and Jeremy McGuiness. One of the Northmen's top runners, Steve Cole, was very happy with the season this year. "The team has certainly improved from last year. I feel that we are one of the best teams in the state."

The boys' varsity team has improved greatly in their runs. Many personal bests have been met and all the team members ran faster than they expected. Coach Don Dickman said, "We're running the best times we've ever had. We've had faster individuals but never a faster team."

The girls' varsity team also had a great season. They were second in conference with three people finishing in all conference. Second team all conference was Megan VanderNaald with an eighth place finish and Heather Lequia with a ninth place finish. Chrissy Williams, with a second place finish was in the first team all conference.

The boys' and girls' teams both took second at their regionals and ended their seasons with a strong finish at states.

GIRLS' VARSITY TENNIS

With an overall record of 9-1-1, the 1995 Girls' Varsity Tennis Team was successful in obtaining its two main goals: to have a winning record and to advance on to the state competition.

"This year's team was senior dominated, so we were even more determined to go to states," said Sarah Liebler.

This unique team of six seniors, four juniors, one sophomore, and one freshman started out fantastically by winning their own Boyne Mountain Invitational. Throughout the season the team traveled from Alpena to Okemos showing their skill on the court.

As Coach Karen Langs said, "We surprised and scared many teams with our victories. We were tough!"

The team finished third in their regional with flight champions Katie Maloney at two singles, and Kate Biggs and Meggane Kallio at third doubles. At the state level the team played well and placed fifteenth.

The words of Emily Niswander summed the season up perfectly, "We worked hard, competed our best, accomplished our goals, and had a great time doing it."

Varsity Basketball Hits a

The 1995-1996 boys' basketball season was record breaking. The team set many new records: most games played in a season, 26; most victories, 22; and most points scored in a season, 2013. They shared the Michigan Huron Shores Conference title with Gaylord, with a league record of 9-1. From there the Northmen won the District title, beating Grayling, Gaylord, and Sault Ste. Marie. Next, they won the Regional championship, by eliminating Harrison and Standish-Sterling. That was the first time since 1977 that any Petoskey basketball team won a Regional championship. Finally, they traveled to Ferris State University to play DeWitt in the Quarterfinal game. After a defensive slugfest, the Northmen fell 71-65. The Northmen finished with a record of 22-4.

"The team bonded well and it showed throughout the season," said senior Matt Johnson.

"We were on a rocky mountain high. We couldn't be beat. I mean we were unstoppable," remembers senior Gregg Fettig.

"The season started with a lot of questions, but at the end we answered them all. We surpassed all our expectations," said senior Adam Wells.

The varsity team includes from top left: Phil Clacko, Matt Vandernaald, Mark McClutchey, Adam Wells, Coach Dennis Starkey, Chad Bollinger, Matt Johnson, Dana Andrews, Gregg Fettig. Bottom left: Shawn Worden, Grant Berakovich, Tyler Swenor, Trevor Huffman, and John Flynn.

Senior Adam Wells takes it strong to the hole.

Matt Vandernaald scores an easy two.

Petoskey had a strong start as they finished second in their first two tournaments during the 1995-96 season. In fact they were the only team to go undefeated in pool play at their own tournament. "We were very focused and we played like a real team. It was what we needed to get us prepared for the rest of the season." - senior Emily Niswander. The rest of the season was often questionable, yet they maintained a winning record. Some of the highlights of their season were a strong win over Traverse City, a record-breaking serving performance from Katie Thurman, breaking Anna Pellum's record of 91 aces, and a seventh place finish in the L.S.S.U. invitational, competing against hard-hitting Canadian teams. "Although we weren't very successful in the books, we had a great time. I'm really going to miss it." -senior Anna Pellum.

GIRL SKIERS ARE #1

The P.H.S. ski team ended their 1995-96 season with the ultimate victory at Boyne Mountain. This winning team beat their competition at the state meet by a landslide. April Johnson captured two state medals by finishing in the top ten.

The state championship was not the only big win for the season. The girls defeated Harbor Springs to claim the regional title. The girls also did well during their regular season. Two other seniors, Sarah Liebler and Courtney Johnson, also won many medals throughout the season. The team's only losses were to Traverse City and Cadillac. Senior Sarah Liebler summed up the season perfectly when she said, "It was a very successful season. I am proud that we pulled together and ended with a championship."

BOYS SHOW TALENT

This year the P.H.S. boys ski team was lead by two of its seniors Nick Tierney and Adam Olsen. These guys had a productive season by coming in third at most of their conference meets and in their regional. This year the team was full of young talent that will make the team very successful in future years.

Although they did not qualify for the state ski meet, Adam Olsen qualified as an individual. He was successful in being first in the state in both Slalom and Giant Slalom, a feat that no P.H.S. boy has accomplished for years.

The entire ski team lines up for a group shot with their coaches.

This year the Lady Northmen soccer team had one of their most successful seasons. Despite the fact that this team was very young and had only two seniors, Sarah Liebler and Hilary Stover, they managed to have a winning record and to hold their own against very competitive teams such as Traverse City and Harper Woods. Led by top scorers, Jane Rossi and Kelly Vorenkamp, the team pulled together to win their home town tournament by beating out rival Flint Powers. In tournament play, the Lady Northmen beat Harbor Springs and Charlevoix to win their District and advanced on to Regionals. Sarah Liebler, senior summed up the season when she said, "We had a young team, but I am proud of the way we improved over the season."

1996 Wrestling State CHAMPIONS!!!

The 1995-1996 Wrestling team returned nine state qualifiers from last year's squad. The Northmen were ranked third in the early season polls, but they soon found themselves ranked first in the state after easily beating the defending State Champions at the Big Rapids Tournament early in the season. From that point on, the young men would not bend. They won every tournament and dual meets through the big show at Battle Creek. All of the men that qualified for the individual state meet came home with honors, placing in the top eight of their weight classes. 12 out of the 14 members on the team were conference champions. They are: Pat Ecker, Shaun Gray, Cory Kimball, Jessie Sprague, Cody Johnnecheck, Casey Stradling, L.A. VanLiew, Travis Adkins, Jeremy McGuiness, Willie McWatters, Matt Farnsworth and Brad Conklin. Jim Marek and Mark Drinkall were runners up. Four wrestlers received "All State" recognition for their outstanding performance at state competition. They were: Cody Johnneckeck, 135 lbs., placed 7th, Casey Stradling, 140 lbs., placed 6th, L.A. Vanliew, 145 lbs., placed 5th and Jeremy McGuiness, 160 lbs., placed 2nd.

Baseball: Blame It

Baseball this year got off to a bad start due to the wonderful Michigan weather. Rain delayed their first twelve games, but they finally got off to a good start. Once the season began they relied on three year veteran Adam Wells to lead the team. Ryan Fouch, Greg Fettig, and Dana Andrews were the other seniors on the team. The rest of the team included Juniors, Wes Goodrich, Matt Bride, Ryan Rosevear, Keith Bromley, Eric Fettig, Matt Glaser, and Dan Glaser. There were also three sophomores making an impact on the team; Corey Rice, Adam Foltz, and Justin Marshall.

1995-96 Cheerleading

The cheerleaders this year had a lot of happy moments. To start off the season they went to a self run cheer camp at the state park in Petoskey. It happened to rain and there were a lot of problems to deal with but, all in all they had a blast.

In August, the JV and Varsity went to the Cherryland Mall competition. The JV took third place and Varsity took fourth place. The JV cheerleaders attended three other competitions taking a first place in Kalkaska and in East Jordan. The last competition was in Pellston where they took a second place.

This season was a special because the assistant, Coach Kathy Shaw, was hired. The season was great and the young ladies are ready for another one next year.

Winterguard Pride

The Petoskey Winterguard was outstanding this year. They had a total of twelve members, consisting of nine juniors, two sophmores, and one freshman. They performed their show to songs that everyone loved. The slow beat song, "Kiss from a Rose," showed their gracefulness and brought out the beauty of guard. Then they turned corners and let the crowd get into the good old song, "Jack and Diane". There was also a special effect to this year's guard. Coach Jim Kan, bought six new sabors and six new rifles for next year's marching band. This gave an overwhelming effect of sabors and flags being used simutaneously. The costumes were made by an outstanding lady, Connie Belinski, who we all appreciate greatly. The girls are planning on having another successful season next year.

1996 Seniors

The year was 1978 and most of us were either already born or were on the way. Jimmy Carter was President and the economy was predicted to greatly expand. Many of us do not remember what happened during that year or many of the years that followed. Well, in 1978, George Lucas's famous film, "Star Wars," was considered mindless fun and Joe Namath retired from football at the age of 34. Sex on TV was

becoming a controversial subject with the public, and Phil Donahue was the king of talk shows. Disco on roller skates was a popular fad and wearing furs was making a fashion statement. In the automobile world, a Pontiac Grand Prix only cost \$4,880.00. The Volkswagon Rabbit was the number one selling import of the land. In today's world, George Lucas's "Star Wars" is considered a legend and helped shape movies and television

shows. Phil Donahue is finally retiring after his long term reign as king of talk shows slowly declined, and the Grand Prix costs over \$18,000.00. In the past 18 years, many historical events happened that helped shape each and everyone of us in more than one way; like the explosion of the Challenger in 1986, and the fall of the Berlin Wall in 1989. Even though we may not realize how history has shaped us, it has. Just like the future is

in our own hands, we are the future of this world. We don't know what the future holds in store for us but, we hold the key to the future. We can make what's wrong, right and what's right, better. We, the graduating class of 1996, can help to create and insure a brighter future for the rest of the world.

Rockin' in Sanduskey

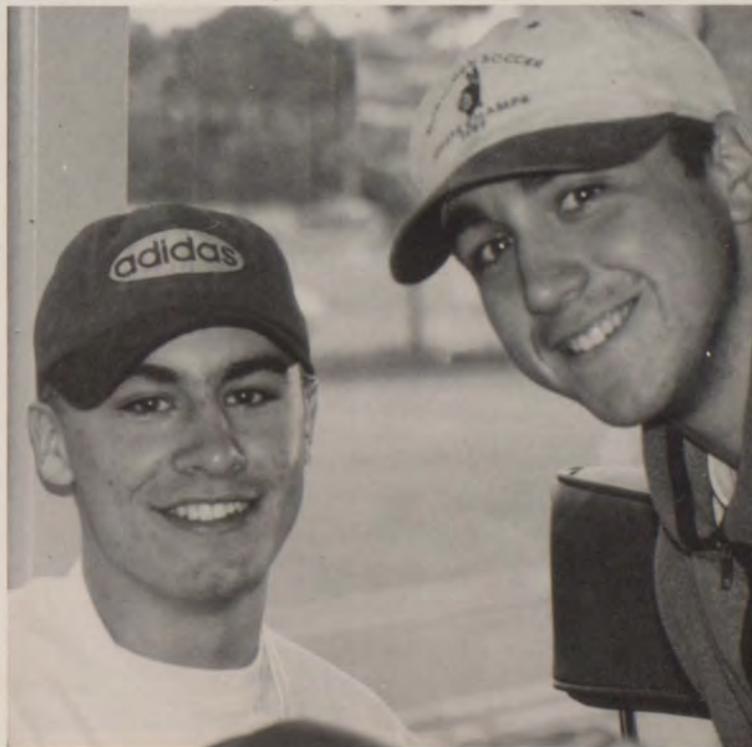

On a wet, early, Friday morning approximately 150 PHS seniors and their chaperones left Petoskey High School and headed for Cedar Point. The day was spent seeking the thrills and chills of the rides and one last good time together as a class. Even though the day started out rainy, the weather cleared up and the seniors had a terrific day of fun, food, and frolic at the amusement park.

Emily and Nicky wait for the gates to open.

Commencement Exercises

GRADUATION

The Board of Education held its annual commencement exercises on Sunday, June 9, 1996. Even though there was a threat of rain, that didn't stop the excitement that filled each senior. The band played, the choir sang, and Mrs. Biggs gave an inspiring speech about how the senior class will dream, risk and persist. She held a copy of the Petoskey News Review, dated June 9, 2025 that said, "Class of 1996, Dreams, Risks and Persists". She challenged each senior to not be afraid to tackle these three requirements of a successful life.. After her speech, the most anticipated moment of the evening was next. Mr. Trudeau recommended that all of the seniors receive their diploma. Excitement, nervousness, anticipation and just about everything else went through each senior's mind. After everyone received their diplomas, Kate Biggs told all of the seniors to turn their tassles, they were officially graduated. High School was just a memory now. After her speech, the class threw their hats and marched out with pride. Everyone took pitcures outside even though there was a few sprinkles. The whole class and their families were invited to a short reception before heading to the all night party at Victory Lanes. It was certainly a memorable day!!

Senior Party...

The class of 1996, "stepped into their future" at the all night senior party that was held at Victory's. There was bowling, dancing, and a casino where many graduates won prizes from the chips they won. Line dancing was also available for those who wanted to learn.

The Casino featured black jack, a roulette wheel, and craps. Mary Brecheisen won the pot of money that came to \$196.96. Anna Pellum won \$100 that was donated by the parents. Other winners were Jamie Moeggenberg, Sabina Kallio, Ernie Richards, Andi Glaser, Nick Tierney, and Andy VanderWall.

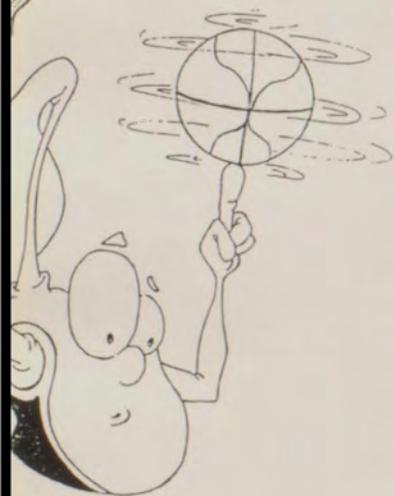

"The casino was the best, until Mrs. Johnson got kicked off of her black jack table." said Sabina Kallio.

Thank you to all of the parents that helped put the All Night Party together to make it a success! - the Class of 1996!

Step into the Future.

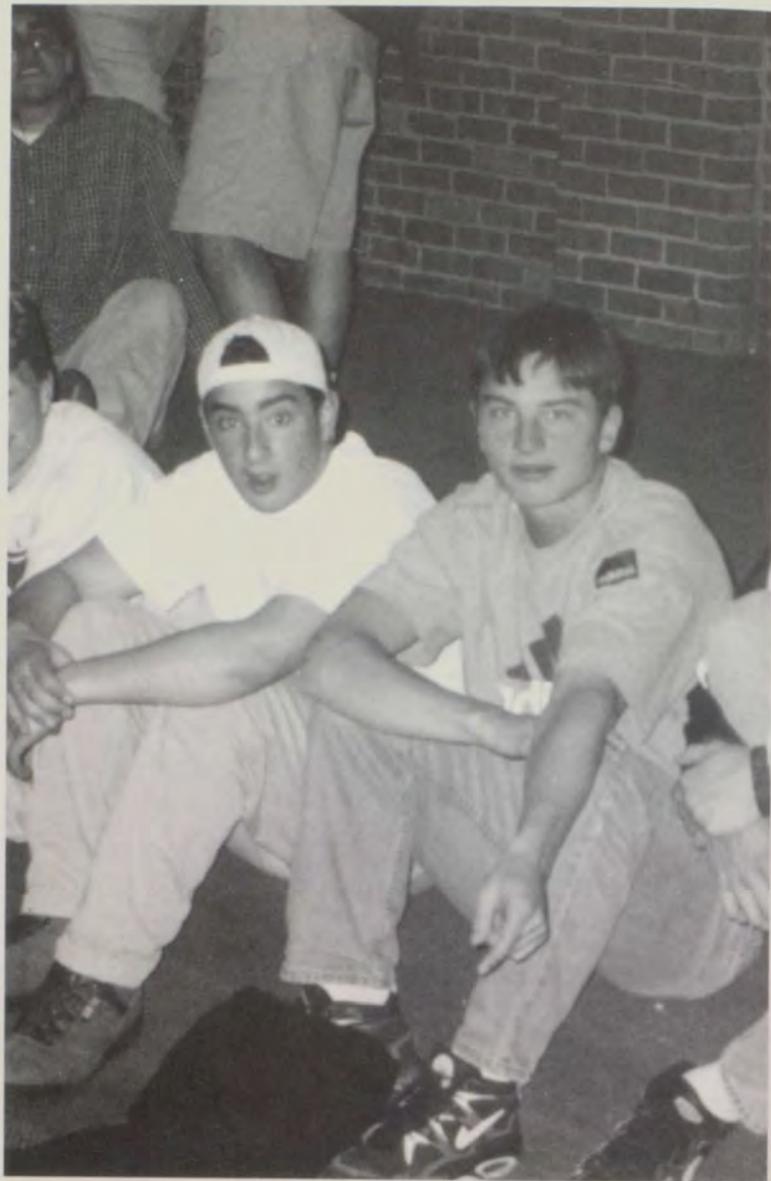

We are the music-makers,
And we are the dreamers of dreams,
Wandering by lone sea breakers,
And sitting by desolate streams;
World-losers and world-forsakers,
On whom the pale moon gleams:
Yet we are the movers and shakers
Of the world forever, it seems.

Arthur O'Shaughnessy

Music, sweet, sweet music;
there's music everywhere!

These are the days;

These are the days of friendship and fun, of work and play, and of good times and bad times. As another school year at PHS comes to an end, despite everything, we will look back on these days as a melodic memory in the symphony of our lives.

The Happiness, Health Security and Well-Being of Each Resident is Our Commitment

In 1958, my father, Donald J. Bortz, Sr., founded the company. Since that time, the company has expanded and is now the largest privately-owned and family operated nursing home in the state of Michigan.

Our philosophy is to provide superior care to enhance the quality of life for those no longer able to care for themselves. Ours is a people oriented profession - people caring for people. The key word is "CARE;" and through dedication to this principle, Bortz Health Care Facilities have earned a reputation of providing quality care to those people whose lives have been entrusted to us.

The staff and I welcome you and hope your visit is informative and enlightening. If you have any questions or concerns, we will be happy to help you in any way

Sarah Shaw

You've brought us great happiness and joy and we wish you the same as you continue on your way.

Much love,

Mom, Dad, Karen, and Kevin

Mary Kathleen:

To our baby who has brought us much happiness.

You have made us very proud.

May all your dreams come true!

With all our love,

Mom & Dad

Mandy Dunaske

Congratulations on a job well done!

You are loved with an everlasting love!

Dad, Mom, and Nick

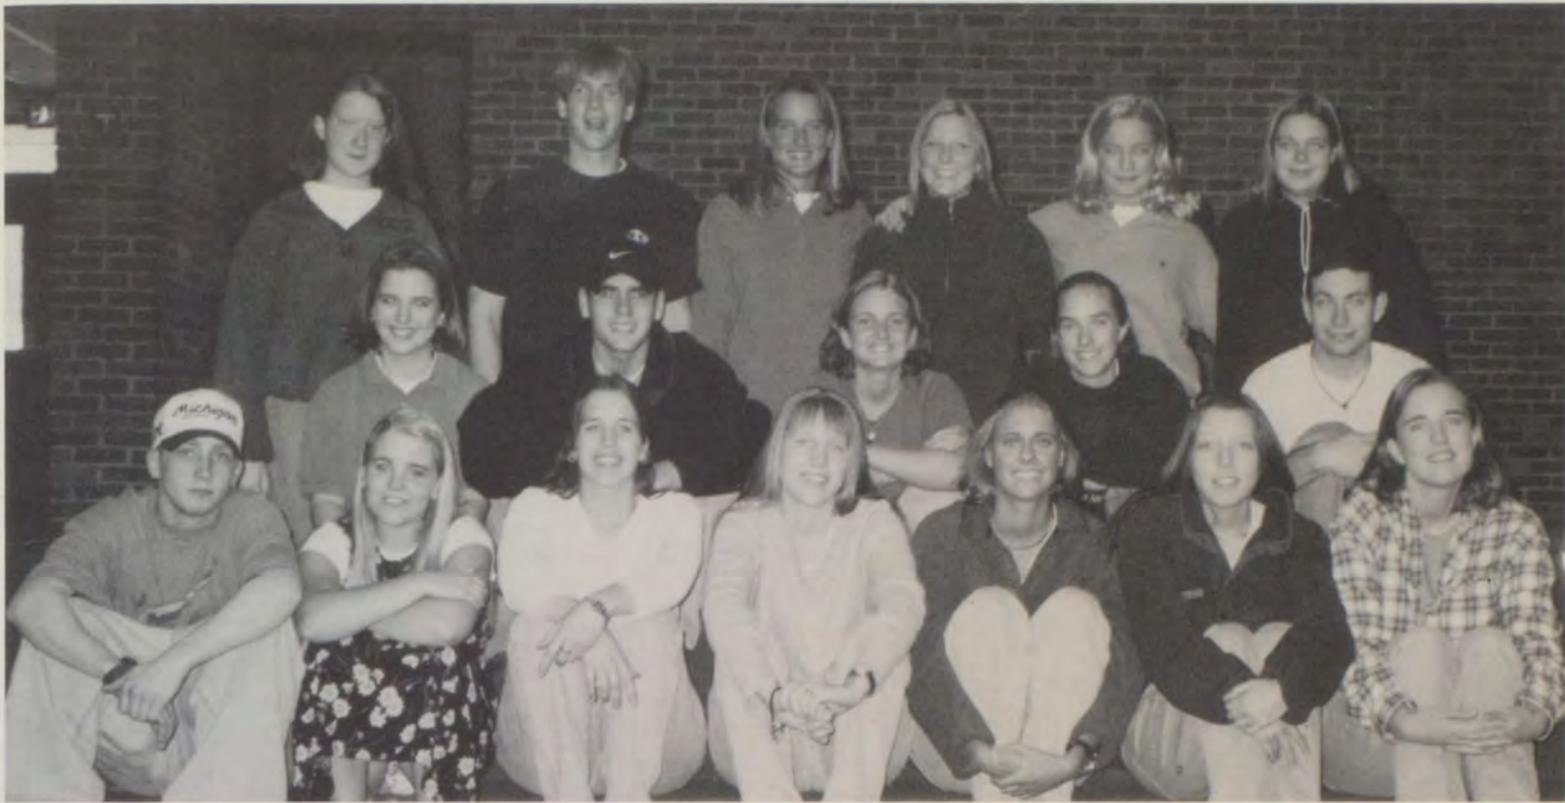

Hilary Stover

Hilary:

You have been a source of great joy from the beginning. In all you endeavors, always remember: happiness or unhappiness depends more on the way we meet events, than the nature of those events themselves.

We're very proud of you! Continue to reach for the stars and go after your dreams.

*All our love,
Mom, Dad, Peter, & Abbi*

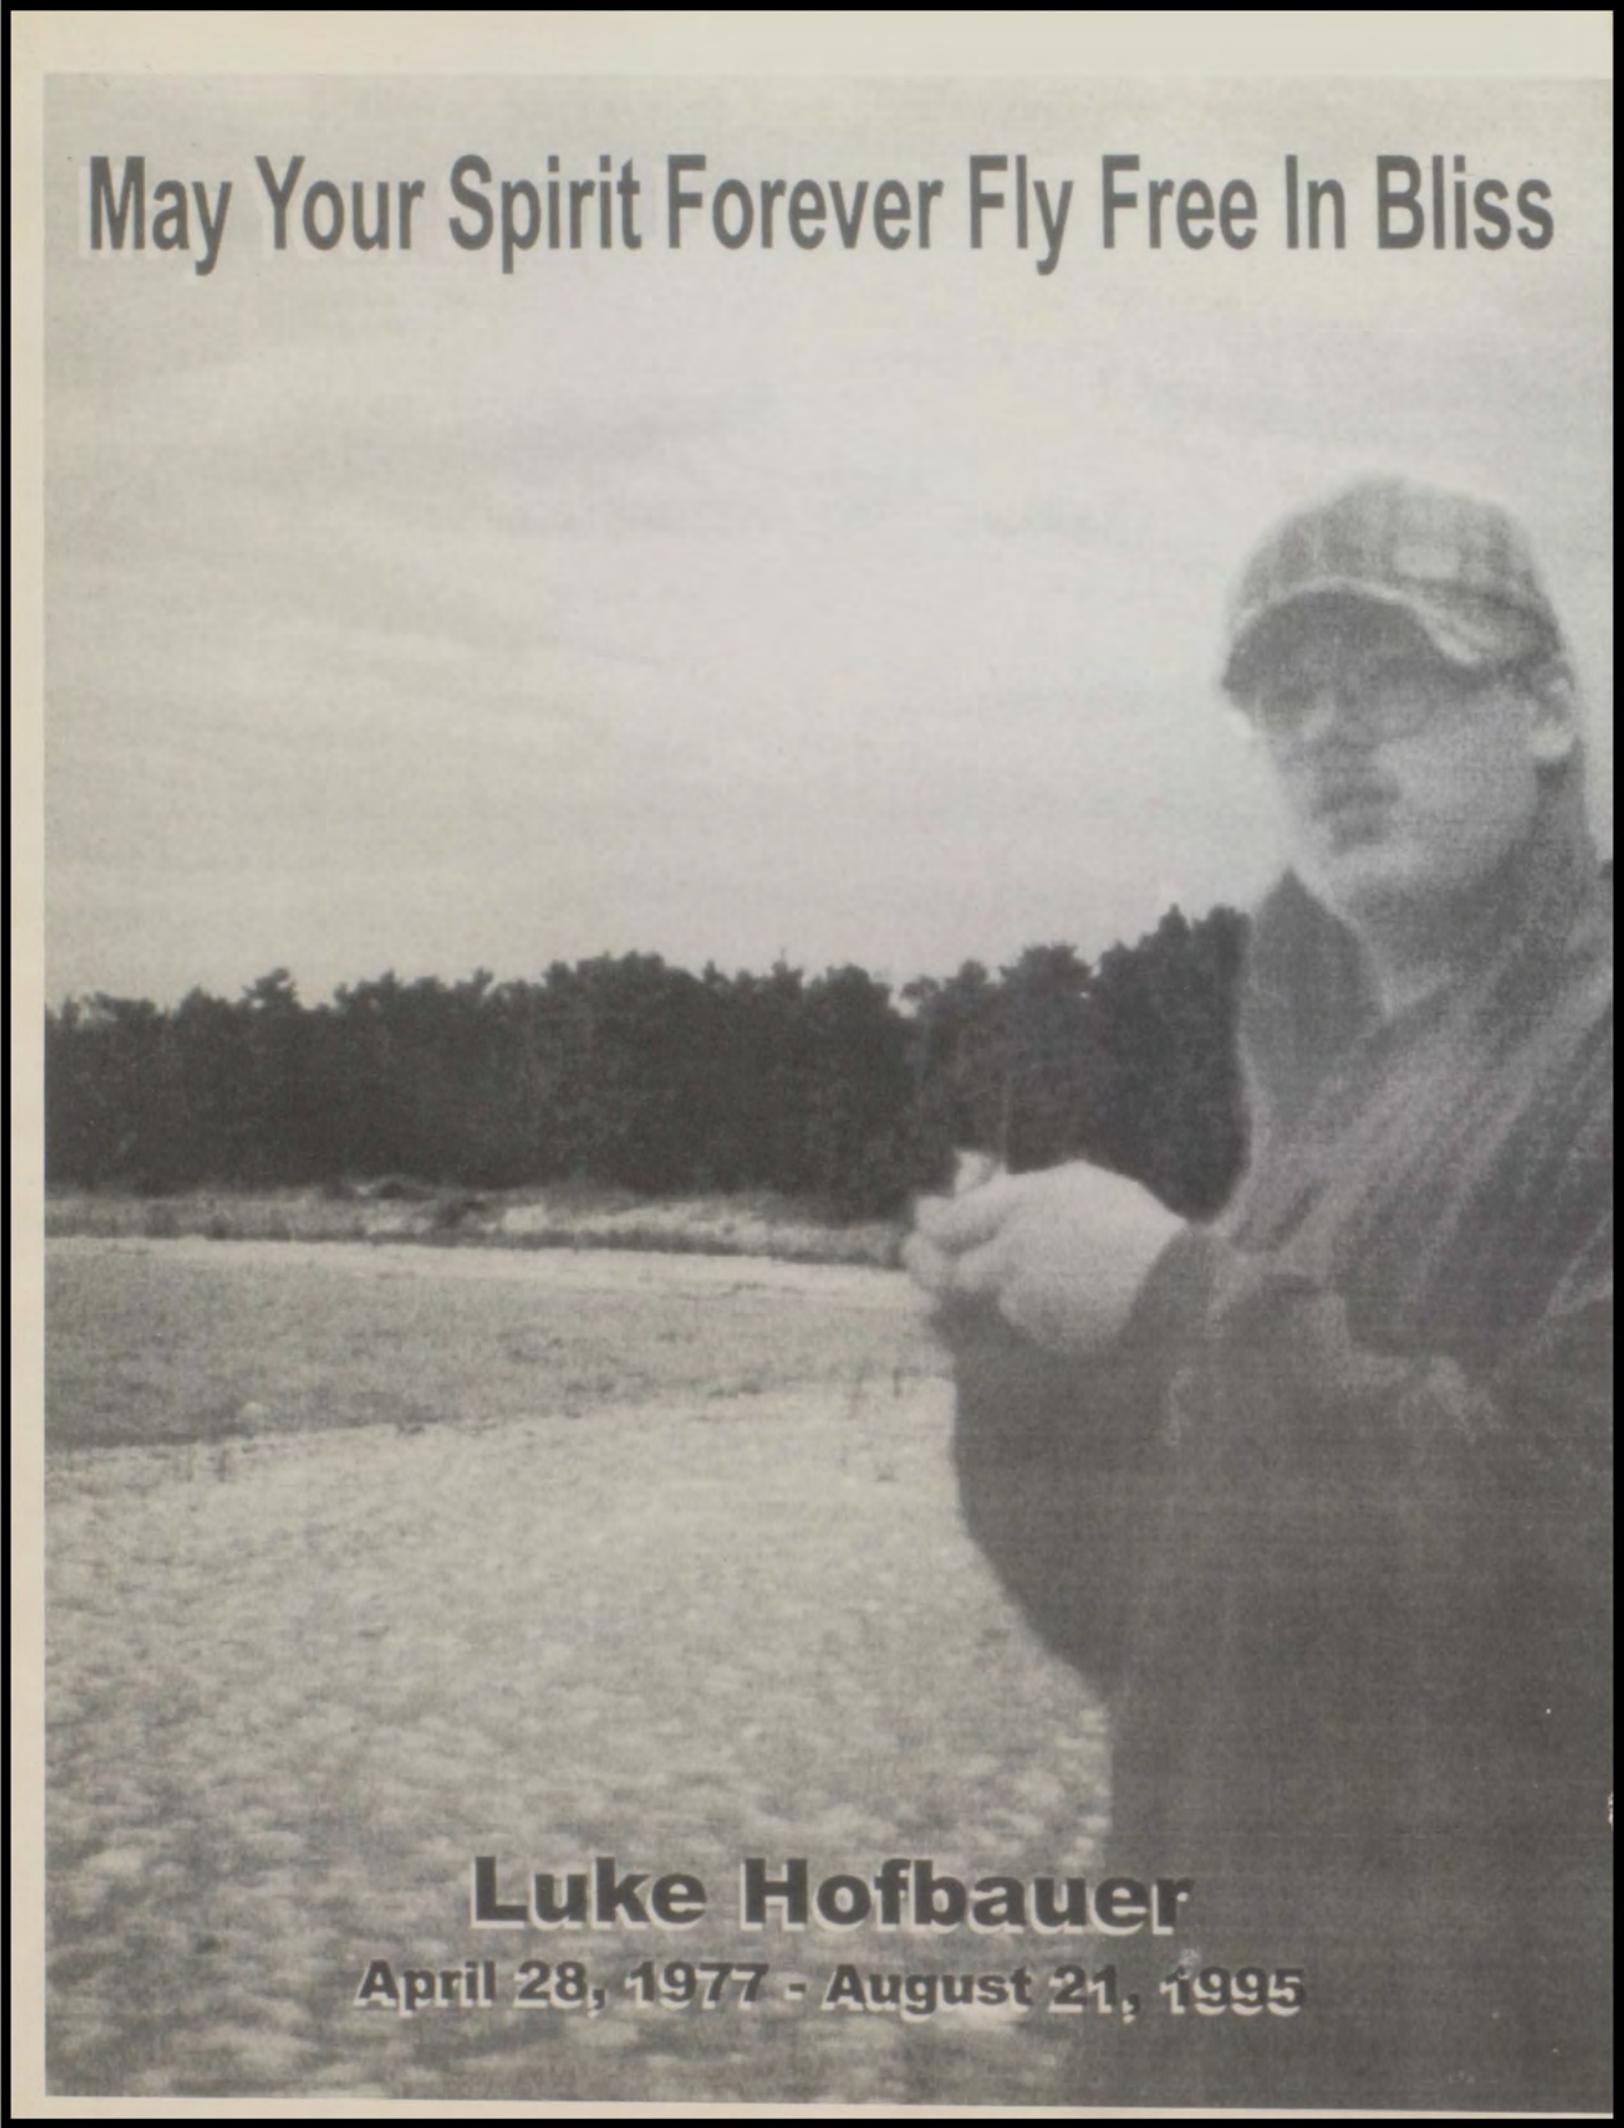

The Staff of the 1996 Petosegan would like to thank:

Petoskey News Review and it's staff for their abundance of patience, their willingness to work with us, and to share their photos.

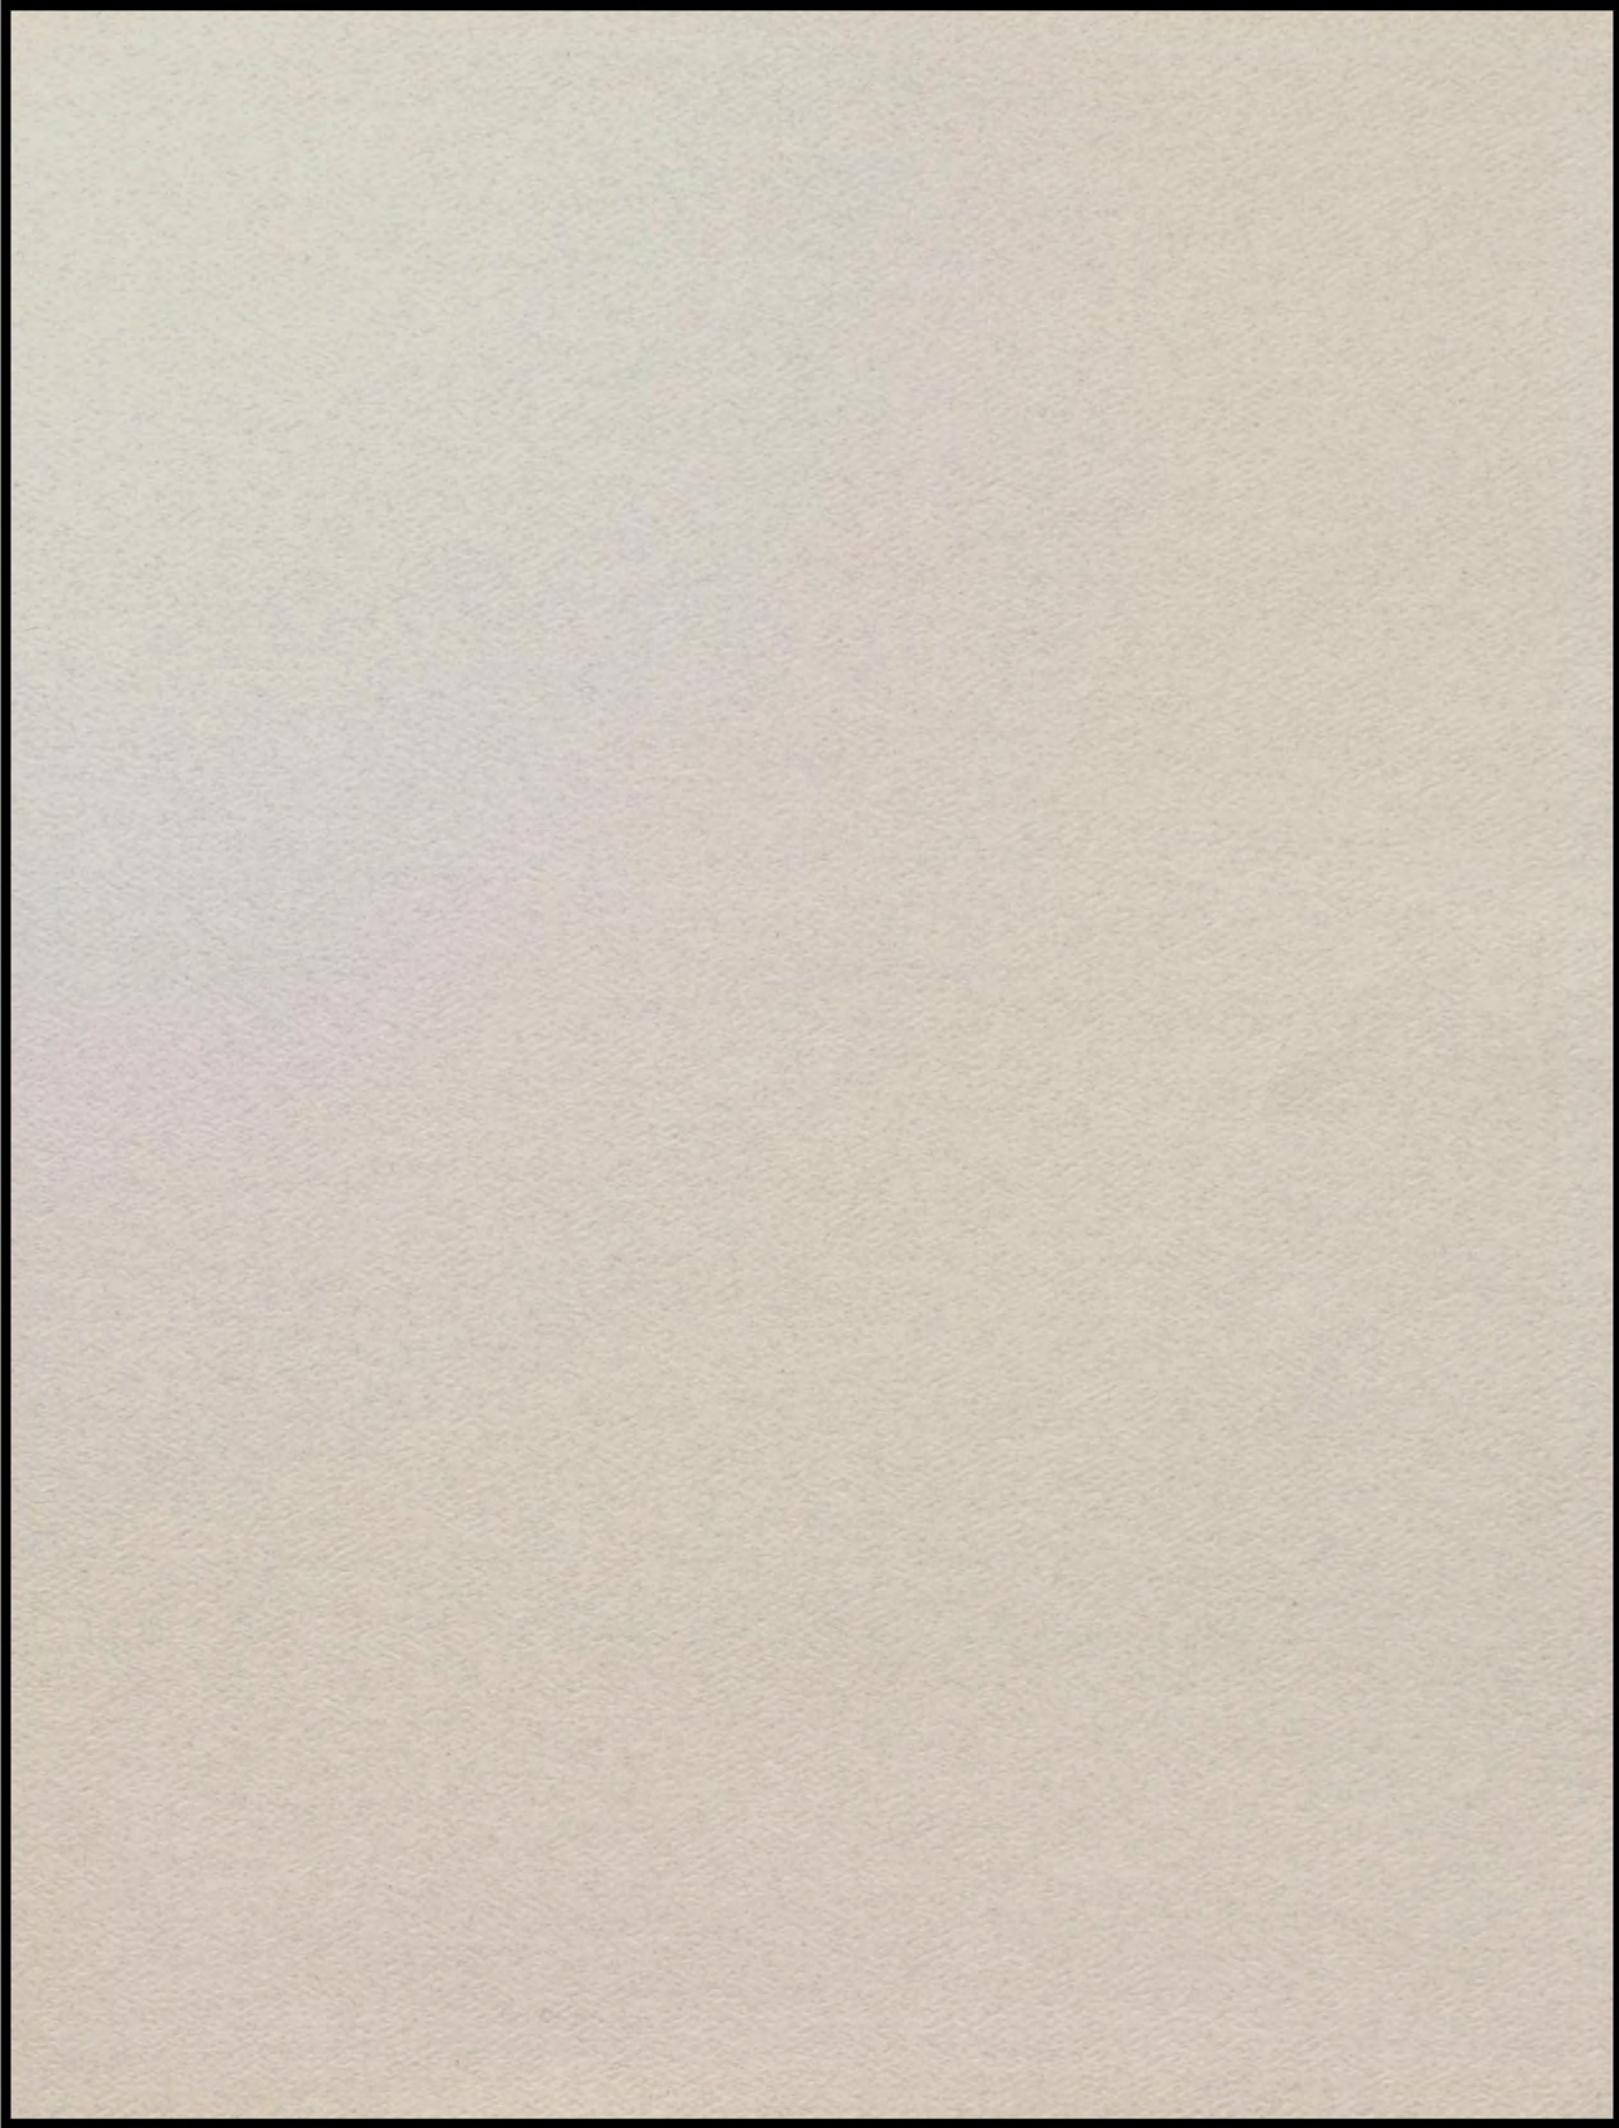

Brumfield's Studio for their generous contribution of all team pictures.

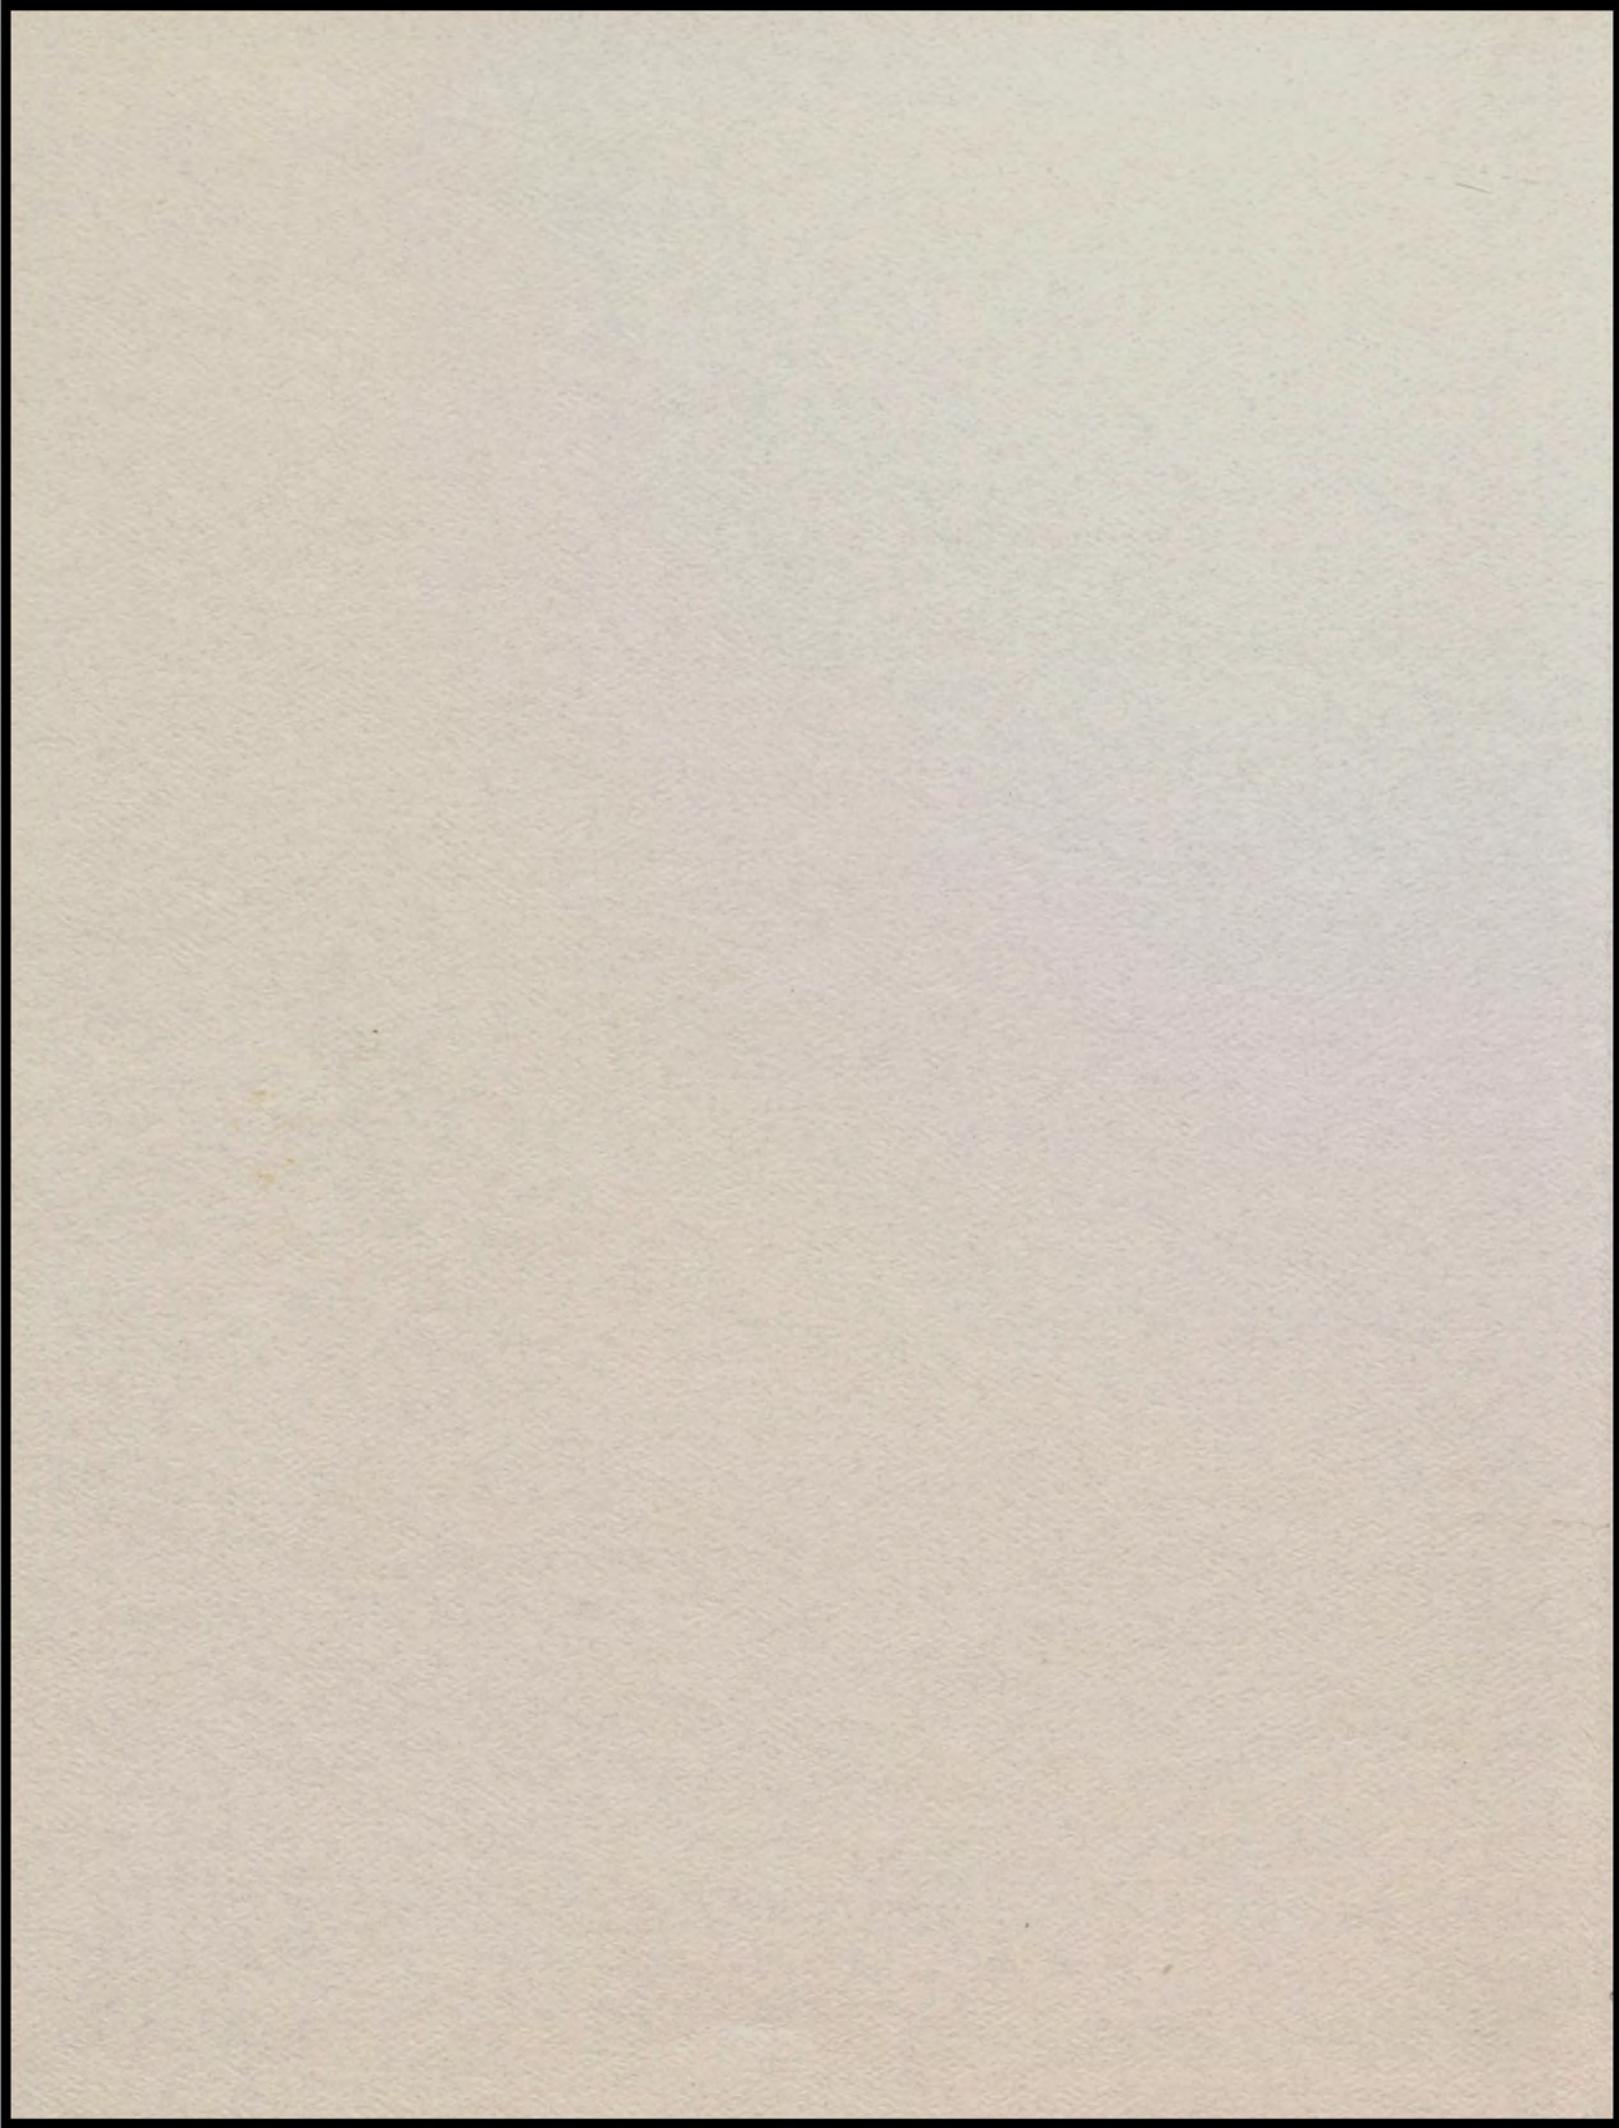

Without your help we'd have been in a heap of hurt!

May Your Spirit Forever Fly Free In Bliss
