Northmen Pride

Dominick Murray showing his pride!

Northmen Pride can be defined in many ways. To have Northmen Pride can mean working as a team, being involved with your school and community, or participating in school events. It is important to take pride in your actions.

Getting in the Spirit!

The student section of Petoskey High School, best known as the Blue Crew, has accomplished much throughout the years. After little participation in previous years, the students hoped to see a change. In November of 2016, athletic director Dave Smith hand selected a group of students to go to a leadership conference in Traverse City, sparking the initiative to revamp the student section. In their first year after the change, the Blue Crew was named a top five finalist in the Battle of the Fans competition hosted by the Michigan High School Athletic Association. Their terrific spirit and sportsmanship named them as one of the best student sections in Michigan. They hope to be named a finalist once again, and crowned the winner in 2018. You can catch the Blue Crew at soccer, football, and volleyball events in the fall.

Over the years, the Varsity Football team has experienced many ups and downs. Following a rough year in the 2016 season, both the coaches and players hoped to put the last season behind. Senior captains Jacob Lee, Jaylin Mitchell, Joel Wilson, and Lucas Muller took initiative, hoping to put fire into the guy's' veins. Their improvements included two conference wins over Cadillac and Alpena, as well as victory over Escanaba. Jacob Lee said, "Beating Escanaba for the first time, making it the first win of the 2017 season, and at Northmen Stadium made it one to remember." The Northmen were involved in many close games in the season, fighting all the way to the end. Their determination and grit showed through in their non-conference game vs. Haslett as it came down to the last play in the game. At the fourth and goal at the 2-yard line, down by 3, Petoskey did all that they could before just falling short. Fighting through it all, the players showed what it means truly means to be a Northmen.

This award-winning band chose "Carnival" as their theme for this years show. With many practices during the past summer, including a week-long camp, practices every Monday nights, an hour every day at school, and sectionals once a week, this band was ready for the season ahead of them. All of their hard work continued to show throughout the season. This community is astonished by this band and is excited to see what is to come. The marching band ended the season with being crowned Grand Champions at both the Jenison and Allendale competition.

You could expect nothing but perfection when watching the Color Guard perform to their "Carnaval" routine. Their hard work and efforts certainly payed off when wowing the crowd after every competition and every performance at Northmen Stadium. They were a standout against many bands, winning all caption awards, and awards of excellence at both competitions. Color guard has currently won all competitions they have been in 4 years in a row, making it the longest streak in Petoskey history. Senior captains were Olivia Rick and Elise Bohn.

Court is a great way to give recognition for those who have great school spirit. On court this year we had Emily Delves with Seger Beer, Molly McMasters with Daniel Kolp, Kathryn Holka with Trevor Ross, Devra Athanasiadis with Nicolas Visconti, Gabrielle Guthrie with Cooper Self, Isabel Anderson with David Paquette, and Taylor Bingaman with Jacob Lee. This year's king and queen were Trevor Ross and Molly McMasters. Molly was asked if she was surprised she won and very humble she said, "I was surprised when I was announced on court as well as Queen." Every year the homecoming court couples choose a charity and for the next week they walk around the school and get donations. Whoever gets the most money wins most charitable. This year the winners were Taylor Bingaman and Jake Lee. The homecoming court was a very well respected and well rounded group of people.

Fluffy tutus and silly pranks were not the only part of this assembly. The crowd was the life of this one. When asked if they would want to be on court their senior year, answers varied.

Steven Hansen said "Absolutely not! I don't like that kind of attention!" and many others agreed.

Although many shied away from the spotlight there are those few that don't. Mia Rothfuss confessed "Yes, so I can show people what I got!"

Homecoming Dance

The homecoming dance is a very looked forward to thing. It is one of the few times in our lives that we can get all get dressed up and go out to a fancy dinner. We asked several people what their favorite part of the dance was and they all agreed with Carly Williams who said her favorite part was, "Dinner with friends." The dance is a great way to have fun and hang out with pals.

The state meets are the biggest event for the skiers. During the season, the students build up their skill levels for their competitions. The ski team focuses on improving their speed. They definitely want to be better and faster than their opponents. The girls team earned their first place regional title for the first time in six years. The boys team also earned their first place regional title, both teams will be headed to states!

During this 2017/2018 season, the Petoskey Bowling Team has done a phenomenal job with getting their rolls in control and being able to get numerous strikes in each match! There is a variety of boys and girls on this team. Some are novice and some have had a few more years of experience, but with this combination, they all turned out to be a highly skilled team that knew each others strengths and weaknesses. They all made the best out of this season!

Hard work and dedication drive this team to be successful. They are led by four seniors in addition to several juniors and a sophomore. Together this team went undefeated in the Petoskey Invitational. All of this success is possible because of the dedication of the coaching staff: Head Coach Starkey with over 500 wins; Ast. Coach Pollion, who has been along the side of Coach Starkey for over 20 years and; Ast. Coach Flynn who was a graduate and leading scorer at GVSU.

Blue Crew (Winter edition)

The Blue Crew qualified as a Battle of the Fans finalist for the second straight year even though this year required a little more work. Instead of an initial and final round, a special "Challenge Round" was added that required each semi-finalist to complete a list of 5 mandatory challenges and 5 challenges of their choice. After the semi-final round, the Blue Crew was announced as one of the top 3 finalists. The Blue Crew then welcomed the MHSAA staff for their "Jungle Night" theme. After the results were tabulated, the Blue Crew received the Model Leadership Award.

Petoskey baseball does lots of extra activities and team bonding to be successful. One of these activities is participating in off-season travel baseball. But the one that several boys seemed to enjoy the most is spring training.

Not only did they participate in their own spring training but they were able to visit the Louisville Cardinals' spring training during their spring break. This helps build what Timmy Lake calls his favorite part of playing, "The Team Atmosphere."

In a word,
we believe in
the illuminating
power of education.

Education is often the single most lucrative investment a person ever makes. And at Raymond James, we recognize the value of a good investment – especially those that make the future brighter for us all. Since 1962, we've built on the charitable legacy of our founder Bob James in words and actions as we seek to go forward by giving back. **LIFE WELL PLANNED.**

In CLOSING 2018

We reflect on an exceptional year, filled with growth and strides achieved by the students in academics and as athletes. We realize all of the life lessons we have gained this year, to be a part of something greater than just this one year. We cherish the bonds we have created and the lasting friendships made. Many great experiences and successes were gained from attending Petoskey High School and being a part of this community.
