

Petoskey
DISTRICT LIBRARY

Display and Postings Policy

Approved: June 30, 2015

The Petoskey District Library uses its standing announcement kiosks, display boards, and pamphlet racks to promote Library and community events and services. Library and Friends of the Library programs, events, and services take priority over all other items. Posting information is open to all groups, regardless of religious or social ideology. However, if space is limited, priority will be given to not for profit or civic groups located within the library's legal service area. The library reserves the right to reschedule, move, or remove items to better fit their program needs. The library does not endorse any materials distributed or posted by other organizations.

No postings or displays of a partisan political nature will be placed in the library. No individual or business literature may be displayed, including but not limited to baby-sitting or daycare services, job offers or requests, or personal services. Any material that includes profanity, harassment, discrimination, or the disrespect of any person, group of people or organization is strictly prohibited.

The library does not allow petitioning, solicitation, distribution of literature or leaflets, canvassing or similar types of appeals inside the library or on library grounds. Displaying fundraising activities for the schools within the Petoskey District Library's legal service area is at the discretion of the library director.
