National Library Week is April 4–10 and this year’s theme is “Welcome to Your Library.” Libraries extend far beyond the four walls of a building, and this year, the library is coming to you! Show your Library Board of Trustees for four years and is now moving on to other service in the community. I’m sure he will continue to be a library supporter. I am so thankful that our library board is passionate, dedicated, and eager to serve. It is a pleasure working with you all.

NATIONAL LIBRARY WEEK

Welcome to Your Library

Thank You

The Petoskey District Library is managed by a governmental board who has very similar authority as a school board. The library board is responsible for setting the vision and policy for the library, approving the budget as well as managing the director. The library board and the director work together for the betterment of the library. The director cannot do it on their own. I, for one, lean on the board as the foundation of the library. They meet every month to help guide decisions and then support those decisions in the community. Here in Petoskey we have a five member board of trustees – all of whom I admire and appreciate whole heartedly. Thank you Ann Ingles, president; John Smith, vice-president; Jodi Adams, treasurer; Kim Block, secretary and our newest member Amy Janssens, member-at-large. A big thank you goes out to Ken Winter, who served on our Library Board of Trustees for four years and is now moving on to other service in the community. I’m sure he will continue to be a library supporter. I am so thankful that our library board is passionate, dedicated, and eager to serve. It is a pleasure working with you all.
