- After watching/reading these resources, was there anything that disturbed you? If so, what?
 - How would you describe the overall state of race relations in our community?
 - What racial groups tend to be socially isolated from one another in our community?
 - How often do you think about your racial or ethnic identity?
 - Have you ever felt "different" in a group setting because of your race? How did this affect you?
 - Have you ever witnessed someone being treated badly because of their race or ethnicity?
 - How would you respond to that situation in the future based on the resources you read/watched?
 - How can we all help in creating a more equitable and inclusive community?
